

Chapter Twenty Two

"Then you take me to find him."

"I'm sorry, sir, you didn't make an appointment."

"Then you hurry up and make an appointment?" The

front desk smiled: "Sir, an appointment can't be made right away. It depends on whether our boss wants to. See you, do you have time, and I didn't reply so quickly. Besides, our boss's itinerary within three days is full, and even if we make an appointment, it will take three days to see the boss."

"Three days later? The day lilies are cold. , Which floor is your general manager's office? Can you tell me this?" The

lady at the front desk said: "On the 19th floor, the employee elevator cannot reach the 19th floor. Only the special elevator can go up."

Tang Zichen said nothing, and walked out. The building, came to a place with no one on the side of the building.

Tang Zichen jumped and jumped onto the glass curtain wall of the building. The outer wall of the whole building is dark blue glass. Tang Zichen put his hands on the glass and climbed up quickly like Spider-Man.

At this moment, in a luxurious office on the nineteenth floor, a middle-aged man said to one of his subordinates with a displeased face: "What are these things, can't you find some more powerful masters? Look, this is called Lu Guan's, I'm afraid I

've just come from Song Daitian ." The subordinate said: "Mr. Liu, indeed, this Lu Guan has just come from Song Daitian. Song Daitian's father has a great relationship and found one. A very good bodyguard, a young man who came down from the mountain. However, we don't have such a good relationship. This Lu Guan, among the three young people who came to interview this time, is already the best."

Liu Chenming said depressed: "This Lu Guan is a member of the three irregular forces in Linjiang City. He has a bad background. I don't want such a person to be my daughter's bodyguard. It will simply lead a wolf into the room."

The subordinate said, "However, none of the three major irregular forces is easy to provoke. If you don't give Lu Guan a face, you may offend Lu Guan's father. After all, the Song Daitian

family is strong and has a wider network of contacts. We can't be afraid, but we have to be afraid. Now, Lu Guan and the other two teenagers who interviewed are waiting outside."

Liu Chenming patted the table: "It's really

annoying ." Tang Zichen is here at this moment . The glass curtain wall outside Daxia climbed and climbed everywhere, but did not find an entrance.

"Is there no doors and windows in this transparent wall? I can't find doors and windows anymore, I can only smash them." Tang Zichen said depressed.

In the general manager's reception room on the 19th floor, three teenagers are sitting there.

One of the young men in black was Lu Guan who had just come from Song Daitian.

Lu Guan had just been swept out by Song Daitian, he was angry at the moment, and now he has pinned his hopes on the Liu family. If you can become Liu Xiangyun's bodyguard, that's not bad. Liu Xiangyun is also one of the school flowers of Baiyun Middle School.

Lu looked at the other two people and said, "Hey, you two, come here."

"What are you going to do?" The two young men looked at Lu Guan.

Lu Guan walked up and said high above: "Just because you are worthy of competing with me, I now give you two choices, first, take the initiative, and second, be beaten by me and then go."

"Why? What are you?" said one of the young people.

Lu Guan said coldly: "Just because I am a member of the Three Irregular Forces in Linjiang City."

"Hmph, so what? We came from a thousand miles away, how can we be afraid of your local ground snake? ."

Lu Guan charged up

Go, knock the two young people to the ground in an instant, Lu Guan hummed: "With this strength, I dare to compete with me and get out."

In Liu Chenming's office, a secretary rushed in to report: "Chairman, no Well, outside the reception room, the black-clothed youth beat the other two people who came for the interview. The other two people who came for the interview have been beaten away, and only the one in black is left.

"What."

"Too much." Liu Chenming was furious.

At this moment, Lu Guan opened the office door and walked in.

"Lu Guan, who let you in." Liu Chenming asked angrily.

Lu Guan smiled and said: "Mr. Liu, what do you mean by delaying not entering the interview for so long. So, I can only come in by myself, and I am not wordy anymore. I want to be your daughter's bodyguard. I want to protect her. I don't need you to pay, it's completely free, I don't know what

Mr. Liu you like?" Liu Chenming said angrily: "Lu Guan, don't go too far. Don't think you are from Fengyuntang. I do whatever I want here."

Lu Guan laughed and said, "Mr. Liu, what do you say, I just want to protect your daughter. However, you are really right. My Fengyuntang is not a soft persimmon, hahaha."

"You. "Liu Chenming was very angry, but a pity, Liu Chenming can only point three-legged cats, where is Lu Guan's opponent.

Lu Guan said: "Mr. Liu, don't hesitate, let me be your daughter's bodyguard. Don't worry, I will definitely protect your daughter."

"Don't think about it. I would rather not be a bodyguard than you are. My daughter's bodyguard."

Lu Guan sneered: "Mr. Liu, you think the Liu family is the Song family. In Song Daitian, I may be a little afraid, but with you, I have nothing to be afraid of, President Liu, I don't think you need to tear your skin. It's not good for everyone. You will become your daughter's bodyguard in the future, but you have to meet often."

"Get out." Liu Chenming shouted.

Lu Guan's face was cold, and he said gloomily: "Liu Chenming, this young master will be your daughter's bodyguard for free. Don't be shameless. Make me anxious. I'll let you not

hang around in Linjiang City." Liu Chenming's chest was angry. A bored.

"Boom boom boom, boom boom boom." At this moment, the sound of boom boom came from the outside glass curtain wall.

Liu Chenming looked outside, was stunned, only to see a person sticking to the glass out of thin air.

When Lu saw the people outside, his brows suddenly frowned. Isn't this the idiot that I saw in Song Daitian?

Tang Zichen crawled outside for a long time, and finally saw someone in this room. Tang Zichen was overjoyed.

"Boom, boom, boom." Tang Zichen quickly knocked on the glass, motioning the people inside to open the window.

Liu Chenming hesitated and opened the windows. Unfortunately, the windows of such a high building are small and open downwards, making it difficult to climb in.

However, Tang Zichen just squeezed in.

Tang Zichen hurriedly said gratefully: "Thank you, by the way, I'm looking for General Manager Liu Chenming, how can I go?"

Liu Chenming asked in confusion, "Who are you? Why come in from outside?"

"I'm here for an interview, listen. I said that Miss Liu Jia also wanted to recruit campus bodyguards, so I came over, but a lady on the first floor

refused to let me come up, so I had to climb up." Liu Chenming looked at Tang Zichen in shock and asked, "You just climb like this. Coming up?"
