

Chapter Eight

Tang Zichen snorted disdainfully: "You want Ben Shao to go to jail? You are still a little bit tender."

Tang Zichen jumped up and performed light work, jumped to the ventilation window on the top of the detention room, and pulled a few strong iron railings. He was twisted.

Tang Zichen rushed out of the detention center, like a gecko, with his hands and feet attached to the wall, brushing for a few seconds, along the outer wall to the top of the building, and then jumped on the top of the building and jumped to the second. Another building ten meters away, then jumped again and jumped to the top of the next building. After jumping like this several times, Tang Zichen disappeared into the night and left.

At this moment, in the police office, a police officer said: "Team Xu, found the girl in the picture in that kid's wallet. That girl is Shangguan Rou, the daughter of Shangguan Yan, the chairman of Qianmei Company in Linjiang City. In the third year of high school in Baiyun Middle School." The

hot female policeman asked: "Can you contact her?"

"Yes ."

"Contact her right away."

"Okay."

At the moment, in a manor villa.

Shangguan Rou had just finished eating and was sitting in the pavilion talking on the phone.

"Hey, Haohao, what are you doing." Shangguan Rou called Qiu Hao.

"Shangguan Rou, I said, let me calm down for a few days, okay?" the other party asked impatiently.

"Oh, why don't you believe me yet, am I such a bad person? In your heart, am I just someone who casually ambiguous with handsome guys?"

"Ka!" The other party hung up.

Shangguan soft air of a stomping, underground passage: "What kind of stuff you dare hang up on me."

At this point, a middle-aged man came over and asked, smiling: "? Dough, how to progress,"

"not very That kind!" Shangguanrou said angrily. This middle-aged man is Shangguanrou's father, called Shangguanyan.

"Rourou, I've wronged you. You know, we were appointed by our family to start a business in Linjiang City. There is a lot of business competition here, and it is inevitable to offend some black and white enemies. The more powerful people will serve us, naturally The better. Qiu Hao ranks eighth in the martial arts of Baiyun Middle School, which has potential. If you can use your beauty to make Qiu Hao willing to sign a contract or something, it would be great. Why, I haven't succeeded yet. What's the matter? With your beauty and our family background, this should be easy to succeed."

"Don't mention it, I'm pissed off."

"What's the matter?"

"This morning, a man named Tang Zichen wrote A love letter to me was very explicit and was seen by Qiu Hao. Qiu Hao actually thought that I am ambiguous with Tang Zichen, no matter how I explain it, it is useless."

Shangguan Yan asked, "Is that Tang Zichen strong in martial arts? You guys? The school has never heard of this genius."

"He doesn't know martial arts at all. Tang Zichen thought that he is handsome. I would not care about other aspects of him because of his handsomeness. It is really naive." Shangguan Rou said with contempt. , And then hum again: "Qiu Hao, that bastard, has always been very inferior to his appearance. He is really crazy. His ugliness is my shit. I think Miss Ben really likes him? Huh, this little Linjiang In the city, there is no man that this lady can see."

Shangguanyan said: "Rourou, do you want me to find someone to fix that Tang Zichen? I don't know what's wrong? The toad wants to eat swan meat and doesn't look at what he does. People of different levels."

Shangguan Judo: "Forget it, things have happened, a lower-level hanging wire, what's the use of fixing him. It wasn't a big deal at first, the fault was that he was really handsome, Qiu Haotai

This is the only way to be jealous. Alright, I'm going to take a bath, don't worry, I will fascinate Qiu Hao and ask him to sign a contract with our company. "

Haha, Dad has confidence in you." "

Shangguan Sophie just went to the room, her phone rang.

" Hello. Shangguan Rou answered.

"Hello, I'm Xu Meiqian, the detective captain of the police station. I caught a suspect. We found your photo in his wallet. Can you take a few minutes to help us investigate?" . "

Uh, he has my picture in his wallet, what is his name?" "

Tang Zichen, do you know this person?" "

What, Tang Zichen, it turned out to be him." Shangguan Rou was surprised.

"Do you know him?" "

Shangguan Rou hummed: "Yes, he is a student of Baiyun Middle School, in Grade Three and Five of Senior High School. Just wrote me a love letter in the morning, but I refused it fiercely. "

Captain Xu heard Shangguan Rou say this, and suddenly remembered, the food stall owner said that Tang Zichen drank six bottles of liquor, and Tang Zichen cried while drinking.

Xu Meiqian suddenly realized: "No wonder. "

" What you wonder? Shangguan Rou asked hurriedly.

"We caught him at a food stall just now. He ordered a table of dishes and drank six bottles of liquor. The boss said that when he drank, he still had tears in his eyes. You confessed that you were rejected, and poured your sorrows through wine. "

" Ah! Shangguan Rou was stunned, and secretly said in her heart: "No, Tang Zichen was rejected by me. It was so uncomfortable. She drank six bottles of liquor and cried while drinking. "

Well, now that his identity is confirmed, it's all right. I'm sorry to disturb you." "

Oh, it's okay." "

After hanging up the phone, Shangguan Rou hummed: "In the morning, I said I had a small chest and didn't like it, but in the evening I drank six bottles of liquor. It was duplicity, which is really contemptuous."

Shangguan Rou was not touched by Tang Zichen's behavior at all. Chen idiot, trash man.

Shangguanrou sighed and said: "Unfortunately, no one is perfect. If... he could be so infatuated with me, then how good would be... alas." A young man flashed in her mind, this young man, martial arts and talent. Unusual.

Every girl has a flawless dream lover in her heart, and Shangguan Rou is no exception.

At the police station, Captain Xu said: "Bring Tang Zichen out. His identity has been determined. This guy confessed today and was rejected. So he ran to drink six bottles of liquor and eat an overlord meal, which was not enough to be detained. After education, let go."

"Yes."

But, a minute later, the police officer ran back and said, "Team Xu, that kid is not in the detention room."

"What, not in the detention room?" The

hot female policeman ran to detention. Tang Zichen's detention room was indeed not there, and the iron pillar was forcibly twisted on the small ventilated iron window on the top of the detention room.

A police officer said: "Team Xu, this kid is too

strong ." The hot policewoman looked at the twisted iron column and was shocked. It seems that this kid has also practiced. No wonder she can Avoid her kick.

"Originally, I wanted to educate him for a while, and then let it go, but he didn't put the Public Security Bureau in his eyes so much, so don't blame me for being rude."

"Team Xu, what do you want to do?"
