After hearing this voice, the team who had just walked out of the villa stopped immediately.

“what’s the situation?”

Levi Garrison had already noticed a trace of danger.

Tiger carefully perceives everything around him.

He sucked in a cold breath and said, “Master, there are all masters around! This place is already surrounded!”

“Well, it’s really wrong, at least there are thousands of people, and the number is estimated to continue to increase.”

Ezra said.

The killing gods on the battlefield had already sensed the existence of Damien’s guards.

“What’s the situation in front of Phoenix?”

Levi Garrison asked.

“Jonah Garrison calls him Master Damien, it should be Damien who came.”..

Phoenix answered.

“Okay, I understand.”

Levi approached.

“Then we just kill it now?”

Ezra asked.

“No, let’s change the clothes back to what I just did. For the time being, I don’t want to reveal my identity to Damien. I will show my identity when I hit the door of the Garrison family! Exposing my identity is now inappropriate.

Ezra was surprised: “Huh? Boss! You don’t want the Garrison family to know your identity, but you have promised to surprise your sister-in-law. Do you still want to hide your sister-in-law?”

The others also looked at Levi Garrison suspiciously.

“Hey, there is no way. You can only tell Zoey next time.”

“What’s more, Damien will never sincerely congratulate my wedding!”

Levi Garrison sighed.

“Okay, everyone change clothes!”

Soon everyone changed back to their original clothes.

on the stage.

“While Levi Garrison is still not here, let me introduce my identity to everyone!”

“My name is Damien, from the Garrison family in Oakland City!”

Hearing this, everyone only heard that Damien and Levi Garrison had the same surname.

Nothing else is special.

After all, everyone has no access to the Garrison family in Oakland City.

Even Goel family wouldn't know much.

Only Emma and Zoey were scared.

Damien smiled when he saw the confused reaction of everyone.

Sure enough, it was a group of wild people.

Ignorance, too ignorant.

Don't even the Garrison family know about it?

Only Levi Garrison, who grew up in this environment, could be so arrogant.

Don't pay attention to Garrison family.

pitiful.

A group of frogs sitting on the well and watching the sky...

Damien sneered and said: "You may not understand the Garrison family, let me tell you, Caleb, a servant of my Garrison family, suppressed the entire South Hampton for nearly 30 years."

Hearing this, everyone took a cold breath and asked South Hampton's family for confirmation.

Xabian and the others nodded one after another. There was such a thing.

Everyone was stunned.

How powerful is this Garrison family?

"My Oakland City Garrison family is also known as the first family in Erudia, the head of the ten

thousand clan!”

Damien said.

“hiss!”

With a clear concept, everyone will be frightened.

Aaron and others gradually reacted.

Isn't Levi Garrison also surnamed Garrison?

Is it related to the Garrison family in Oakland City?

Could this be the ultimate surprise Levi Garrison prepared for them?

“Is Levi Garrison a member of the Garrison family in Oakland City?”

Aaron asked with a look of ecstasy.

Everyone looked at Damien hopefully.

Damien smiled and said, “No, he is not qualified to be a member of the Garrison family in Oakland City.”

Sure enough, these people are all lowly inferior people.

Still want to take off with Levi Garrison?

impossible!

How does the low-level person who came out of this environment compare to him?

“what?”

Aaron and others looked disappointed.

At this time, Levi Garrison returned here with someone.

“Damien, you are so bold, who gave you the courage to let you come to my wedding?”

Levi Garrison roared.1052

Levi Garrison looked over, and Damien looked over.

The two eyes met, sparks flickered.

In the small space, the eyes looked like thousands of sharp swords collided fiercely.

The rattling atmosphere is on the verge.

This was the first time Levi Garrison met Damien.

The two half-brothers confronted each other like old enemies.

A familiar and unfamiliar feeling came to my heart.

Join Telegram Group For Fast update

“Huh? Dare to look at the young master? Looking for death!!!”

The masters around Damien refused to agree, and immediately wanted to kill Levi Garrison.

In the capital, on the site of the Garrison family.

No one had dared to look at Damien like this.

Looking at Damien in this way is disrespectful.

If you don't respect Damien, you are dead.

This is the rule of the Garrison family.

All must comply.

“Wait!”

At this time, Damien waved his hand to stop the guard.

Damien looked at Levi Garrison and said, “What about you, worse than I thought!”

“Especially when I see the environment you are in and the people you are in contact with, it makes me even more disappointed!”

Levi Garrison’s smile deepened at the corners of his lips: “You let me down too! You’re just a little kid!”

Although Levi Garrison was only two years older than Damien.

But his experience in the past six years is beyond the reach of many people in their entire lives.

Even someone with rich experience like Damien can still only look up.

So Damien seemed to him really like a kid.

Too naive!

Still want to fight him?

He really has no interest at all.

Maybe only Tyrone Garrison, Kenny Garrison and the like can still catch your eye.

“This is the younger generation of the Garrison family?”

Levi

“Hahahaha...”

Damien laughed instead of anger.

“Okay, I heard that you Levi Garrison was extremely arrogant, and I saw it today!”

Damien’s guards also laughed.

But they were all laughing at Levi Garrison.

A b*stard looks down on Damien?

Is your brain flooded?

Sure enough, people who live in such a place don’t know what heaven and earth are.

The vision is too narrow.

Achievements in this life are also limited.

He is not qualified to enter the Garrison family.

Damien stared at Levi Garrison carefully and asked, "But are you really capable of saying this to me?"

"Have....."

Just as Levi Garrison was about to say, Benson stopped him immediately.

"Brother, don't talk nonsense! This is Master! You know too little about the Garrison family, listen to me, don't irritate him!"

Even good brother Aziel persuaded: " he is someone we can't afford."

Emma also came to Levi Garrison's side, making him tolerate temporarily.

When Damien saw this, he laughed and said, "Sure enough, there are still smart people. I know that the Garrison family is great!"

"Levi Garrison, what they said is wrong. I am someone you can't afford. You know too little about the Garrison family. As long as you know a little bit more, you will never say anything like arrogance."

Damien looked condescendingly.

The bloodthirsty killing intent flashed in Levi Garrison's eyes, and there was a cold arc in the corner of his mouth.

It is substantial.

Everyone present can feel the temperature change.

Looking at it, Levi Garrison was angry.

Join Telegram Group For Fast update

Damien said this to his mother in front of him.

Just die!

Seeing Levi Garrison's appearance, Damien couldn't help but smiled and said, "What? Are you angry? Is this true? If Emma hadn't seduce my father, how could my father fall and you?"

"Why are you wild! It's funny!"

Damien's guards laughed.

"You are looking for death, know?"

Levi Garrison suddenly lowered his voice and said in a low voice.

A bloodthirsty killing intent flashed in his eyes.

"Boss, don't... this is... your wedding..."

Ezra and others who were familiar with Levi Garrison understood that Levi Garrison was really angry.

Damien, this kid is considered to have offended Levi Garrison's inverse scales.

According to Levi Garrison's temper on the battlefield, he would definitely slaughter him clean.

None of Damien could leave.

But this is a wedding.

Levi Garrison can't mess around.

Zoey and Emma also clutched Levi Garrison tightly.

I was afraid that he would do something impulsive.

this is your wedding! Don't have an accident!"

Hearing this, Levi Garrison held back.

He also didn't want blood to flow in his wedding with Zoey.

"Why? Angry? Want to kill me?"

Damien smiled.

Sure enough, he was an uncomfortable character, so one or two sentences irritated him.

Don't look at who you are facing?

I am Damien!

The prince of the first family of Erudia!

At this time, everyone has gradually understood.

Levi Garrison is really a member of the Garrison family in Oakland City.

It's just an illegitimate child.

Surprise?

This is indeed a huge surprise!

Not only were Meredith and others panicked and angry, they were ecstatic.

What about childbirth?

That's also the Oakland City Garrison family.

Perhaps the Garrison family is not welcome in the capital, but as soon as the Garrison family has the identity, doesn't Levi Garrison want the wind to get the wind, and the rain to get the rain?

If nothing else, it's not a matter of a word to let the Black family stand on the top in the south.

It's really a surprise.

It turns out that Levi Garrison really didn't lie to them.

"The surprise you gave to Levi is so much. It turns out that you are a member of the Garrison family in Oakland City!"

Aaron almost gave Levi Garrison a thumbs up.

"A member of the Garrison family in Oakland City? Hahaha...who said that?"

Damien smiled.

"Isn't he your brother? He is a member of the Garrison family in Oakland City."

Aaron said blankly.

Two cold glows shot into Damien's eyes: "We Garrison family don't admit it! Not all cats and dogs can enter the door of Garrison family! He is just a b*stard! What qualifications does he have?"

"Ah? This young master, can't it? Why are you not qualified to enter the gate of the Garrison family. At

least the blood of the Garrison family is flowing through my son-in-law?"

Aaron and others all looked at Damien expectantly.

"Yes, yes, this young master begs you, let my son-in-law enter the Garrison family! He is actually quite capable and can make a contribution to the Garrison family."

...

Meredith and the others quickly pleaded in order to be able to climb the mountain of Yejia in Oakland City.

Almost knelt down.

How can they let go of such a golden opportunity?

Damien touched his nose and smiled: "It is not impossible to let Levi Garrison enter the Garrison family, but the conditions must be met..."¹⁰⁵⁴

Meredith quickly asked: "Ah? What are the conditions? Master Damien, please tell me!"

Everyone looked at Damien curiously.

Damien looked at Levi Garrison and smiled: "I want Levi Garrison to kneel in front of me and beg me! If

you can kneel for half a day, then beg me. Maybe I will let you go, and even let you enter the Garrison family. of!”

“Either you Levi Garrison has enough strength to be recognized by all the Garrison family in the capital, so that you are eligible to enter the Garrison family.”

Hearing another condition, everyone simply ignores it.

Want to be recognized by all Garrison family people in Oakland City?

How much did that get?

How could Levi Garrison!

His highest ceiling was the Levi Group six years ago.

But in front of the Garrison family, the Levi Group was not even an ant.

So in everyone’s opinion, there is only one way for Levi Garrison to enter the Garrison family: kneel down and plead. ..

Although this approach is somewhat humiliating.

But in order to enter the Garrison family, this humiliation is nothing.

To be honest, if you can enter Garrison's house, you can eat sh, let alone kneel down and say a few soft words.

This is the opinion of most people present.

Once you become a recognized member of the Garrison family, you will become the supreme master, and you will enjoy endless prosperity and wealth.

This is nothing at all.

Everyone even wants to be Levi Garrison.

Kneel down to Damien immediately.

Meredith stared at Damien and asked, "Master Damien has to say something. If you ask Levi Garrison to kneel for you and beg you, can you agree to the promise just now?"

"Hahaha, that's natural! What's the identity of my Damien? I must speak my words!"

Damien laughed and said, "Besides so many people watching, will I harm the Garrison family's face?"

"That's great!"

Meredith cried out of excitement.

It turned out that the opportunity to climb to the top of the family was at your fingertips.

At this time, Meredith, Harry and others looked at Levi Garrison: “What are you doing in a daze? Kneel down to Master Damien!”

“Yes, this kid doesn’t have any eyesight? Kneel down! Master Damien said, as long as you kneel down and beg for mercy, he will let you enter the Garrison family!”

Facing the urging of everyone.

Levi Garrison stayed still, staring at Damien all the time.

“You don’t pretend Levi Garrison. I know you are very eager to enter the Garrison family. It’s about time, what else can you pretend? I tell you, there is only one chance, and if you miss it!”

“Furthermore, once you kneel down and beg for mercy, I will also write off all the mistakes you made before! You don’t want your mother’s wife to have an accident because of you, do you?”

Damien said.

Zoey looked at Levi Garrison nervously.

She was afraid that Levi Garrison would kneel down for Damien.

What a proud man he is.

If he kneels, Zoey has to consider whether he can get married.

At that time she would look down on Levi Garrison.

She also believed that Levi Garrison would not kneel down.

But the situation is different now.

In the face of the powerful Damien, Levi Garrison will be soft for her and her mother.

She is worried...

“What are you waiting for Levi? Quickly kneel down and kowtow. Nothing will happen.”

Benson and Aziel also persuaded.

In the eyes of almost everyone, Levi Garrison can use everything at the top as long as he kneels and kowtows.

In everyone’s opinion, kneeling is nothing...

But how do they understand.

In Levi Garrison’s eyes, this is dignity!

Comparable to the dignity of Erudia Mountains and rivers!

This life worships heaven and earth, worships parents.

How can you surrender to others?1055

Levi Garrison was still standing, without any intention of kneeling down.

Aaron and others were anxious, they wanted to press Levi Garrison on the ground.

Damien looked at Levi Garrison and asked, "Are you kneeling or not?"

"Levi Garrison, what are you thinking about? Kneel down!"

Meredith urged loudly.

Just as Levi Garrison was about to speak, Emma stepped forward and said, "Master Damien, can I kneel for you?"

"Our family doesn't want to enter the Garrison family. I can't even think about this extravagant hope. I only ask the Garrison family to let us go and stop embarrassing us! We promise that we won't cause any trouble to the Garrison family!"

After a brief contact, Meredith knew that Levi Garrison was a man with arrogance in his bones.

Never bend your spine!

I will not kneel down to others!

So she is willing to kneel for her son. m.bg.

“Hahaha...”

When Damien saw this scene, he smiled.

“Really? Are you willing to kneel for Levi Garrison?”

Damien asked.

“As long as Master Damien promises to let us go, I am willing to kneel and kowtow for you!”

Emma said.

As a mother.

She has taken dignity very lightly.

Her only belief is that Levi Garrison and Zoey are living well.

So let her do anything.

This is a mother.

For the sake of children, willing to give everything selflessly.

“Okay, you can kneel down, it’s the same who you and Levi Garrison kneel down.”

“As long as you kneel in front of me and kowtow, I will let you go.”

Damien smiled abnormally.

He likes the feeling of playing with people between applause.

He knew that for Levi Garrison, letting Emma kneel in front of him and kowtow was more humiliating than kneeling himself.

After all, no one would stand by and watch his mother suffer humiliation.

Especially Levi Garrison who is extremely arrogant.

The more I feel the shame.

Damien looked at Levi Garrison with a sneer: “Levi Garrison, your mother is about to kneel down for me, do you want to watch it?”

“But the effect is the same. If your mother or you kneel down on me, I will let you go! Even I can let you into the Garrison family!”

Damien was actually stimulating Levi Garrison.

“If Levi Garrison doesn’t kneel, your mother will do the same. Kneel down and kowtow!”

Meredith and others hurriedly urged.

Others also persuaded.

As long as Emma knelt down, this matter would be easy to handle.

Levi Garrison may not be able to fall down, and cannot kneel down.

But what face does Emma have?

Kneel down quickly.

“Can’t kneel!”

Michael, Mia and others hurriedly dissuaded Emma.

How could the mother of the dignified God of War kneel to other people?

“Is your Jones family really going to fight my Garrison family to the end?”

Damien sneered.

“Miss Emma can’t kneel! Never kneel!”

At this time, Goel family and other big families in South Hampton also blocked the road.

Resolutely not let Emma kneel down.

Damien saw everything in his eyes: “Well, all of your South Hampton families are crazy, right? I will find you one by one to settle the accounts!”

Damien looked at Emma again: “My patience is limited. I count three and two to one. If you don’t kneel down, you won’t have a chance.”

“Master Damien is not allowed, I advise you, you leave as soon as possible. After all, this is someone’s wedding!”

Jonah Garrison stepped forward to persuade.

He was really afraid that Damien would die here.

“Hahahaha...wedding? I just want to coax something out at his wedding!”

Damien laughed loudly.1056

Domineering and direct.

“Hey!” mi. c

Jonah Garrison sighed and stepped back silently.

Persuade not to listen.

what else can we do?

Isn't this looking for death? ?

"Emma, don't you kneel down?"

Meredith shouted.

So they are more anxious than anyone else.

After all, it involves one's own interests.

Emma took a deep breath, and when she was about to kneel down, a hand supported him.

"My Levi Garrison's mother won't kneel to anyone! Not even heaven and earth!"

Levi Garrison said coldly.

"As for me to kneel to you, it is even more impossible! If you kneel down to me now, I might spare your life later!"

The language is not surprising and endless.

Levi Garrison said this.

The audience was shocked.

Everyone looked at him incredible.

This is an obvious provocation to Damien, right?

Want Damien to kneel down for him?

Are you kidding me?

Go crazy!

“Hahahaha...”

Damien laughed suddenly.

“Okay, a bit of spine! To be precise, arrogant and ignorant. You don’t even realize how powerful the Garrison family is and what dangers you are about to face, so you are fearless if you don’t know.”

Damien sneered.

As for Meredith, they are all disappointed.

The opportunity will slip away like this...

It was clearly between Levi Garrison's thoughts.

He was abruptly let go.

"Master Damien, please give me a chance? Shall we kneel down for you? Our follow-up will take care of Levi Garrison."

Meredith pleaded with a group of people.

They don't want opportunities to pass by like this.

Damien looked at Levi Garrison and smiled: "Do you see anything? They are more reasonable than you."

"But I tell you there is only one opportunity. I have given it before, then there is no one."

This result is unacceptable to the black family.

Disappointed!

Endless disappointment!

Is Levi Garrison a fucking idiot?

Turn down such a good opportunity?

What pretend to be?

To die is to face and suffer.

Damien smiled and said, "Levi Garrison, you really have a backbone, but you will still kneel at my feet."

"Damien, today is the day of Your wedding, I don't care too much about you, leave now!"

Levi Garrison lowered his voice as much as possible and said to Damien.

If it weren't for the big wedding, he would definitely tear Damien to pieces in front of everyone.

He has already regretted the wedding with Zoey once.

He didn't want to regret a second time.

So let Damien die first.

After the fall, settle the ledger.

"Levi Garrison, how do you drive Damien away? Are you sick?"

Meredith naturally didn't dare to offend Damien.

"Hey, this wedding is not suitable for me to attend. I just came to have a look and give another big gift!"

Damien ordered: "Come here, bring me all the gifts!"

Damien stared at Levi Garrison and smiled: "This is a gift I carefully prepared for you, I hope you like it!"

A car drove in.

All the things lifted from the car were moved to the wedding scene.

"boom!"

After seeing the gift from Damien, everyone's expression changed drastically.

Especially Levi Garrison...1057

There is no other reason.

Because of the gift from Damien.

They are a wreath, a coffin, and a tombstone.

At this moment, there was silence, and the whole audience was sucking in cold air.

Everyone was shocked by Damien's gift.

How can anyone get this to get married?

Zoey was also angry. ..

After all, her perfect marriage still has to be painted with regret.

Azure Dragon, Kirin, Ezra and the others were almost furious.

Is there anyone who provokes the God of War like this?

Can't bear it!

Resolutely can't bear it!

The bloodthirsty killing intent flashed in the eyes of the hottest and most militant white tiger.

His current idea is very simple-kill Damien, and then go to the capital to destroy this first family.

"It looks like you like gifts so much! Then I won't disturb you getting married!"

After giving gifts and provoking Levi Garrison, Damien will leave.

He likes to play with dead people slowly.

Instead of solving it all at once.

He wanted to see Levi Garrison being angry, but helpless.

What he wanted was to torture Levi Garrison alive.

Even those who can't survive and die...

He concluded that Levi Garrison was definitely going to explode now.

But he did not have the strength to deal with himself, so he could only endure it silently.

"Boss, let me kill this crap!"

Tiger yelled frantically.

This time, no one stopped him

Because everyone has the same idea-kill Damien.

He has to pay a price for making such a mistake.

“Boss, please order! As long as you order, we promise to level the Garrison family in Oakland City!”

Ezra and others pleaded.

They were so angry that they couldn't bear it.

Especially when Damien was about to get in the car.

Levi Garrison's thoughts are similar to everyone's.

He was about to give an order, but met Zoey's gaze.

“Don't...”

Zoey shook his head.

She motioned to Levi Garrison not to be impulsive.

Damien's purpose is simple, to provoke Levi Garrison to kill him.

In this way, he had a legitimate reason to kill Levi Garrison.

The Garrison family would not bear any infamy.

Damien is an extremely clever guy, and his seemingly crazy and domineering behavior is actually in his calculations.

"Let him go!"

Levi Garrison took a deep breath.

"Hey!"

Ezra and others all sighed.

"Clean up the coffin first! Remember, don't throw it away!"

"I will use it on Damien!"

Levi Garrison said lightly.

"understand!"

A glimmer of joy and hope ignited in Tiger's eyes.

Levi Garrison is going to settle accounts after wedding.

Let Damien jump for a few days...

Then the wedding continued.

Except for Damien's troubles, everything else went smoothly.

"I'm sorry, Zoey, I have regrets again."

Levi Garrison sighed.

"Nothing! In fact, there is such a sentence, it is perfect to have regrets! I will forget about this, you have already given me a perfect wedding!"

"If you don't convince the Garrison family to lose this point, I'm very satisfied! If there are any difficulties and dangers, I will carry it with you!"

Zoey expressed his thoughts.

"Don't worry, I won't kneel to anyone! I won't be in this life! And don't worry, the Garrison family won't take me to anything."

Levi Garrison promised.

“I know this. As long as you provoke the Garrison family, they have no reason to deal with you.”

Zoey turned to the front and asked: “By the way, what surprise you want to give me?”¹⁰⁵⁸

“Of course there are surprises!”

"Go ahead, I hope you tell me this surprise in person, I've been waiting for too long, too long!"

Zoey looked at Levi Garrison expectantly.

Levi Garrison looked complicated.

If it weren't for Damien's sudden visit to the wedding today to make trouble.

Then he will tell Zoey all the secrets and identity.

After all, he even wears a military uniform...

Now the arrow is on the string and has to be sent.

If you don't reveal anything, Zoey can't explain it.

“Actually I... I am the boss behind the Morris Group!”

Levi approached.

For the time being, because of the Garrison family, he could not reveal his identity as God of War.

But the identity of the boss of Morris Group is okay.

He also knew that the Garrison family definitely knew.

“boom!!!”

When Levi Garrison said these words, the audience was terrified.

Especially Black’s family.

They looked at Levi Garrison with shocked expressions.

This gangster who was worthless in their eyes turned out to be the mysterious boss of the Morris Group?

That Morris Group, which is not even an opponent ?

Meredith was so surprised that everyone stood up...

Everyone’s bodies were shaking with excitement.

The same is true for Aaron and Caitlyn.

Thinking of all the things in North Hampton before, Aaron's scalp exploded and the eyeballs were about to fly out.

Everyone in Black's family looked at each other.

All sorts of abnormal behaviors of Levi Garrison and his actions that didn't put black's family in the eyes were all explained.

As the owner of the Morris Group, he does not need to fear anyone.

Especially black's family, really can't be regarded by him.

When Zoey heard this sentence.

"boom!"

Her body was trembling, and tears could no longer flow out of her control.

It's like bursting a bank...

Why did the boss of Morris Group help her again and again without asking for any return?

Why Levi Garrison has been in Morris Group as he like.

Why did Iris hesitate and conceal it after seeing the boss's true face.

Why did Levi Group change its name to Morris Group?

Especially Iris's abnormal behavior after knowing the boss's true face made her often suspicious.

Zoey thought about it, and all clues pointed to Levi Garrison.

So before the wedding, she guessed that Levi Garrison's surprise to her should be his identity.

Six years ago, Levi Garrison's demeanor remained unchanged.

It's just too restrained and concealed.

His accomplishments, his character is still the same as before, and even a lot more.

Zoey is very satisfied with the current Levi Garrison.

Join Telegram Group For Fast update

Don't ask for his achievements.

As long as he has the spirit of the past.

"This is the biggest surprise for me."

Zoey kept crying. mi. c

Levi Garrison wiped her tears and looked at it with a complicated expression.

He added in his heart: "Actually, this is not a surprise! The real surprise is not for you to know yet!"

But when the Garrison family's affairs were resolved soon, Zoey would also know.

This day will not be far away!

Although, Levi Garrison indicated that he is the boss of Morris Group.

But being present, except that Zoey felt it was a surprise.

No one else can be happy.

Although Levi Garrisongui is the boss of Morris Group.

In the mainland, even South Hampton and other places, it is also the top existence.

But a Oakland City Garrison family emerged.

This made Levi Garrison's achievement look eclipsed.

In the face of the huge Garrison family, a Morris Group may not even count as a dime.

The most important thing is that Levi Garrison still has such a big hatred and relationship with Garrison family.

Every next step is dangerous.

In front of the Garrison family, this identity is different from ordinary people.

“Hey, brother! We are very happy to hear that the Morris Group belongs to you. But are you using this strength to fight against the Garrison family? It’s a foolish dream!”

Benson knew Garrison family’s strength too well, knowing that Levi Garrison’s confrontation with Garrison family was tantamount to hitting a rock with a pebble.

Even Emma also said: “Son, mother is very happy to see your achievements. But I just met the Garrison family. Son, you can ask your mother to ask the Garrison family! Is our stable life bad?”

Meredith and others immediately said, “Yes, that’s wrong! What if you just kneel and kowtow to Master Damien?”

“Can you eat for that little dignity? To put it bluntly, you are too good for face!”

“Isn’t it? As long as you kowtow for mercy, you are the Garrison family Master. You have a wealth of wealth, isn’t it okay to be prosperous and wealthy?”

“Don’t you want Zoey to live this dangerous life with you? Maybe someday Zoey and the children in his stomach are both in danger? Why don’t you think about it?”

...

For the black family, they prefer to climb to the Garrison family in Oakland City.

As for Levi Garrison's identity, it was completely useless.

He couldn't protect himself.

Not to mention making them soar.

"Levi Garrison, you are very good at others, but there are two points-first, your vision is still too narrow; second, you don't know how to judge the situation."

Robert said coldly.

"Just like what Damien said, your environment and the people you are in contact with determine that your horizons are too limited. You should maintain a humble heart. There are too many people stronger than you. Just like the Garrison family. , You are so arrogant that you want to challenge it?"

"Secondly, the Garrison family doesn't care about your identity and is willing to take you back. It just makes you kneel and kowtow! Can't you understand this situation?"

Everyone agrees with what Robert said.

Levi Garrison is too arrogant and will not work around.

The result of this is likely to be the same as six years ago.

1060

Harry glared at Levi Garrison fiercely and said: “The final result of Levi Garrison is likely to be that you and Zoey are both in danger! At that time, life is going to die, so what do you need to do with dignity?”

“Yes, in the face of such interests, dignity is a shit!”

“Levi Garrison, you are such a smart person, don’t you understand this?”

“As the saying goes, tiger poison does not eat seeds, and the Garrison family is unwilling to accept you, mainly because your status is too humble and lowly. Moreover, you have made this achievement in their eyes.

The Garrison family is aloof, face is the first thing, and will not take down your identity to pick you up. What about you, as long as you are soft and say good things to your father, don’t you go back to the Garrison family? What’s wrong with kneeling? That’s your family too! What a shame! “

Everyone accused Levi Garrison one after another.

In the eyes of almost everyone, kneeling and kowtow is too easy, right?

Is dignity still valuable in modern times?

In the current climate, no one takes this seriously, right?

But why is it so difficult for Levi Garrison here?

Why does the illusory dignity have such a heavy weight? ..

Levi Garrison glanced at everyone and said: "First, they don't treat me as family, and I don't treat them as family. Second, I think dignity is very important, at least I can't lose Levi Garrison!"

"You... are stubborn!!!"

Harry was so popular that he was almost shabby and cursed.

"Your achievements in this life will only stop here! Never go one step further!"

Meredith shouted.

"When will the dignity score? At this time, the dignity of a fart!"

Robert banged the table fiercely.

Zoey was on Levi Garrison's side, and she said, "I also think that Levi is wrong! It's just that little dignity that I think is the most important thing!"

“Why do we have to compromise, lay down our dignity, and be treated as a dog by others?”

Benson sighed helplessly: “Brother sister, to be honest! Being a dog in the Garrison family is really good, I don’t know how many people are fighting for the bloodshed dream!”

Meredith and others nodded one after another.

They think Benson is right!

Even a dog of the Oakland City Garrison family is supreme.

What’s more, Levi Garrison is the son of the next heir to the Patriarch!

“You are still too young, and you are still too idealistic about things. You have to face the reality even more, you will definitely regret it when we are our age!”

Zoey looked at everyone incredulously.

There is no one who regards dignity as the same thing.

He even wanted to be a dog of the Garrison family.

Fortunately, Levi Garrison kept this pass.

“Okay, don’t talk about it! Everyone has different ideas, and if you continue to talk about it, you will have to fight.”

Zoey said coldly.

This is how the wedding ended.

But for Zoey, there is no regret, but it is all she wants.

“No matter what the road is, I will accompany you down!”

Zoey smiled.

“Don’t worry, with me, you and your child will never be wronged at all.”

The other side.

“Master Damien, this Levi Garrison is a bit stubborn!”

Damien smiled and said: “After all, keeping the blood of my Garrison family, it’s normal to be unruly! But I want to see how long he can be tough. I want him to understand the cruelty of reality, so I bow to me and abandon dignity. This kind of thing!”

“Master Damien, we are looking forward to it! Hehehe...”¹⁰⁶¹

“Levi Garrison is still too weak. Wouldn’t it be better if he was stronger?”

Damien sighed helplessly: “Now I have too many ways to deal with him! For example, Zoey and the child in her belly! I just have to think, it is impossible for a child to be born!”

“Yes, Master Damien, give your order, let us deal with Levi Garrison!”

Damien shook his head: “No, no, no... I want to play him slowly, I want to destroy his vulnerable pride!”

“Buddle night in the bridal chamber? I won’t let you live in peace! Come, go...”

Levi Garrison is drinking with his brothers and friends here.

Especially his “special” friends are too difficult to get together.

With the brothers and mentor, Levi Garrison felt extremely comfortable.

His mentor Alejandro said: “Levi, I know all about your situation. One thing is that the Garrison family in Oakland City is really extraordinary. With thousands of years of background, just talking about force, you are like a master.”

“May I tell you some statistics? Do you know our Erudia Sabre Ranking?”

Levi Garrison nodded. m.bg.

The Erudia Sabre List is a list of the masters in the Erudia Army, and everyone on the list is the top powerhouse.

However, masters like Levi Garrison and the Godofwar Railway Brigade belong to a confidential sequence.

Will not be selected on the Sabre list.

They only know that the Sabre list is very strong, and they don't know how it is.

“On the Erudia Sabre List, the Garrison family's children actually occupy 21 seats! There are 46 seats related to the Garrison family!”

“That is to say, almost half of the masters on the Erudia Sabre List are related to the Garrison family!”

After Alejandro said this data, Levi Garrison and others were all surprised.

Those who are on the saber list are all ruthless men in the army!

Everyone is a madman on the battlefield, with a fierce reputation at home and abroad.

Each not only has great achievements in battle, but also has extremely strong strength.

There are so many strong sabers related to the Garrison family?

The strength of the Garrison family is evident.

But Levi Garrison and the others had already seen a lot before.

A little servant has the strength to overwhelm a city.

It would be unimaginable to reveal the true Garrison family's strength.

"Not only that, the Garrison family has other masters. It can be said that they have a lot of background. The first family is really well-deserved. It is even more terrible than I thought. After all, I don't have a deep understanding of it."

"Furthermore, Damien's mother, Aria, is the jewel in the hands of the Long Family of the second generation of Erudia, so the two are one! Once the Garrison family is operated on, the Long Family will also participate!"

Alejandro looked at Levi Garrison and said, "God of War, I hope you will be more careful when dealing with the Garrison family in Oakland City! Also be careful!"

Levi Garrison nodded: "Don't worry, sir, I will take care of it! But, I should take the Garrison family accountable."

Everyone understood that Levi Garrison was determined to take the Garrison family's operation.

He was not afraid of facing eighteen countries.

How can a Garrison family retreat?

While everyone was drinking, someone broke in.

Everyone recognized at a glance that this was Damien's subordinate, who had appeared during the day.

“What’s your business?”

Tiger asked in a low voice.

mukesh, Damien’s subordinate, smiled and said, “Levi is here to tell you one thing!”

“what?”

“Your savior is at stake, do you want to save it?”

mukesh smiled.

“My savior?”

Levi Garrison’s complexion changed.

“Yes, it’s wrong. He doesn’t seem to work anymore.”

1062

“who is it?”

Levi Garrison asked.

“Is it Jake???”

Emma asked with a trembling body.

If Levi Garrison had a savior in the Garrison family, then only the chief steward Jake.

At the beginning, Jake treated her like a daughter.

Secretly helped a lot.

Join Telegram Group For Fast update

It can be said that she can live, and Jake helped a lot.

After she gave birth to a child, she was taken away by Tyrone Garrison.

She is actually very worried about whether the child will be alive.

Jake promised her that she would keep the child alive... mi. c

“It’s wrong, it’s Jake!”

“Tell you the truth-the Garrison family didn’t want Levi Garrison to live, and deliberately abandoned him in the mountains and forests. It was Jake, the old immortal, who secretly moved Levi Garrison and threw

him on the streets of North Hampton. Otherwise, he would die early. Up!”

mukesh sneered.

“boom!!!”

This message was like a bolt from the blue to Emma.

It turned out that the Garrison family had been lying to her.

Tyrone Garrison has been lying to her.

They did not intend to let Levi Garrison go.

It’s just that Tyrone Garrison was cruel to kill himself, but instead abandoned Levi Garrison in the wilderness. What’s the difference between this and killing?

It turned out that the Garrison family had never planned to keep their son alive.

Fortunately, she thought that Tyrone Garrison would have feelings for the child after all, and that this issue would be handled properly.

But this is the result.

The dignified first family just like this?

Can't do the promised thing?

But she didn't understand that a big family of this level had the highest interests.

In the face of interests, everything is nothing.

What's more, no one knows this matter at all.

"Tyrone Garrison, I misunderstood you! Tiger poison can't eat seeds! You are so cruel!"

Emma clenched her fists tightly, her body twitching slightly.

sad!

so sad!

Desperate for a person in an instant.

At this moment, Levi Garrison was also a little shocked.

So I almost died when I was a child?

He also understood.

Why did some servants deal with him before?

It turns out that everyone in the Garrison family thought he was dead.

Tyrone Garrison, you are so vicious!

As a biological father, it is absolutely amazing to put such a vicious hand on his own flesh and blood.

“I blame Jake, the old man, otherwise there are so many troubles!”

mukesh snorted coldly.

“Levi Garrison, now, you can decide if you can save Jake! Only three hours are given. If you don’t come, all the blood on Jake will drain!”

mukesh smiled and left here.

Levi Garrison asked Emma about Jake’s situation.

“Son, it seems that Uncle really saved you!”

Emma affirmed.

Levi Garrison said coldly: “Okay, since I am Levi Garrison’s lifesaver, and because of my accident, then I must be saved!”

“son.....”

In fact, Emma wanted to persuade Levi Garrison not to go.

She understood that this was definitely Damien's strategy, just to get Levi Garrison into the bait, he had a legitimate reason to kill Levi Garrison.

In this way, the Garrison family will not bear any infamy.

So once Levi Garrison went, it would be a crisis.

Tonight is the day he just got married, so he will suffer such a danger.

As a mother, I am naturally unwilling.

But on the one hand, she hopes that Levi Garrison will be a loving and righteous person. Since Jake is a lifesaver, she must save it.

"Mom, don't worry, Damien and I will face it sooner or later!"

Levi Garrison left a word and went to find Damien.

Jake must be saved.No one can stop it.

“Levi...”

Seeing Levi Garrison leaving behind, Emma was stunned.

No way!

I can't let Levi die in vain.

Emma also left immediately, not knowing where she went.

North Hampton Villa.

Join Telegram Group For Fast update

It turned out to be the residence of the richest man, the Gonzales family (Shen family), but they moved out early.

Damien lives here now.

In the huge chamber.

Damien is enjoying the wine.

Unlike his feminine temperament, his favorite drink is strong alcohol. ...

He enjoys the feeling of the strong liquor turning into a fire after it enters his throat.

“Huh, cool!”

He poured a gulp of strong wine.

“Tick, tick...”

In front of Damien, a drop of blood dripped from above.

The ground has become a big beach.

Habara was hung upside down on the roof.

He was covered in blood...

Damien opened a hole for him just now, and the blood kept flowing.

If no measures were taken, Jake would die because of too much blood loss.

“Housekeeper, I hope you can hold on to Levi’s arrival!”

Damien laughed loudly.

At the same time, he spilled a little bit of liquor on Jake's wound.

"Uh..."

Jake screamed like a pig.

"you....."

Jake, who was pale as paper, squeezed a word out of his teeth.

This Damien is really abnormal.

"Master Damien, will Levi Garrison really come?"

mukesh asked.

Damien nodded: "Well, it's not wrong. I think people are very accurate, Levi Garrison is too serious about love and justice. To me and my father, this is completely a shortcoming, it will become a burden to you, the key It will kill you every moment!"

This is a concept that Tyrone Garrison has always taught Damien-you must not emphasize love and justice, you must abandon everything at the critical moment, and let yourself be ruthless, so that you can do big things.

This is why Tyrone Garrison can abandon Emma's mother and son.

This is Tyrone Garrison's principle of doing things.

Everything can be discarded at the critical moment.

Not to mention Emma and Levi, who were insignificant in his mind.

These are stumbling blocks on his way forward, and he will naturally kick it away.

“That’s true! If Levi Garrison didn’t care about love and justice, he would never come, let alone die.”

mukesh smiled.

Damien nodded: “Well, that’s wrong, it’s the truth. He won’t come, absolutely nothing will happen.”

“Damien, you are too insidious! I want to provoke Young Master Levi to attack you and kill him!”

Jake cursed.

Damien’s lips deepened and smiled: “It’s impossible for this kind of b*stard to enter the Garrison family, but now there are too many people who know him. People are staring at all times! Annoyed him!”

“You...cough cough cough...”

Jake’s blood flowed wildly because of his excitement.

The wounds on his body pierced his nerves and made him moan.

“Forbearance, Levi Garrison will come soon. When you go to hell together, there will be no pain.”

Damien picked up the Western-style knife again, and made a series of wounds on Jake’s body.

“Shit!”

Obviously, Jake’s blood flowed faster and more when he was hanging upside down.

Jake couldn’t hold it for long.

Before the blood dries out, it may hurt alive.

“boom!”

“Damien, I’m here!”

At this time, the door of the villa was suddenly blasted open, and a voice came from outside.

“Hahaha, Master Damien really expected everything, Levi Garrison really came to die!”

mukesh smiled.

“Hey!”

Jake sighed.

This kid shouldn't have come.1064

Levi Garrison kicked the gate away.

Step into the North Hampton Villa.

“Hold on, let him in.”

A voice came from inside.

After getting the order, thousands of masters gave up a path, stood on both sides, watching Levi Garrison enter. m.bg.

Sure enough, all of them are masters.

Garrison family's background is indeed sufficient.

Soon Levi Garrison came to the meeting hall.

Seeing Jake who was hanging upside down, his eyes narrowed.

This Damien is so vicious.

Looking at the large pool of blood on the ground, Levi Garrison became more and more angry.

"Levi Garrison, this is your savior! If he hadn't saved you, you would have died in the wilderness when you were born."

Damien laughed loudly.

At this moment, Jake was dying. He looked at Levi Garrison and said, "...Master levi..."

"Uncle..."

Levi Garrison took a breath.

His savior was treated like this.

“Damien, don’t you hurry up and put people down for me?”

Levi Garrison said coldly.

“Put the people down? It’s okay, but you have to see if you have the ability!”

Damien laughed loudly.

“Master levi, hurry up... leave quickly... it’s dangerous...”

Jake shouted with all his strength.

“Nothing, I must save you today!”

“You saved my life when I was young, and today you are in danger because of me! I must save you!”

Levi Garrison walked over step by step.

“Wow...”

Suddenly, there were rustling voices.

The chamber that was empty just now was full of people in an instant, densely packed with hundreds of masters.

One by one stared at Levi Garrison fiercely.

He also closed the door of the chamber.

Now Levi Garrison can hardly escape with wings!

Damien smiled.

Levi Garrison is definitely a place to die this time.

Soon, Levi Garrison will be killed, and Jake will also be killed.

Damien thought it over.

The message will be released later-Levi Garrison killed the butler Jake, he avenged Jake and killed Levi Garrison.

There are good reasons for this.

Others knew it was a strategy, but they couldn't refute it.

The other side.

Emma hurriedly returned to her room and typed a phone number that she remembered deeply.

“Quickly pick up, quickly pick up, there will be something wrong with Levi later!”

Emma said anxiously.

“Hey...who?”

Finally I answered the phone on the other end.

“I am Emma!”

After Emma revealed her identity, the other side was silent, even the sound of breathing was no longer sound.

“Mr. Tyrone Garrison, I won’t talk nonsense with you, I only have one request!”

Emma didn’t talk nonsense, and immediately stated the purpose.

She worried that Levi Garrison would be in danger if it was too late.

“Say!”

“I want you to let my son go! Just this time! As long as you let my son go, I promise that our mother and son will never entangle the Garrison family at all. You know how I am! I do what I say!”

Emma pleaded.

“I can’t decide this matter! Who would call him so arrogant, even the Oakland City Garrison family dare to provoke him?”

Tyrone Garrison said coldly.

“He is young and ignorant, please let him go once! Just this time! I asked you nothing, Emma, please go around my son once! I can die for him!”

“I beg you... I knelt down for you...”

Emma was already crying into tears.

1065

“I won’t deal with him, but it doesn’t mean that the others in the Garrison family won’t deal with him!”

Tyrone Garrison refused in disguise.

“Tyrone Garrison! If you don’t agree, I will tell your secret!”

Emma shouted suddenly.

Tyrone Garrison said angrily.

“No, for the sake of my son’s life, I will spare it! Either let him go or I will say it!”

Emma was completely anxious.

“Well, well, I promise you! Spare him! But there is a question-what if you threaten me with this secret next time?” mi. c

Tyrone Garrison asked.

“I promise I won’t threaten you, just this time.”

Tyrone Garrison said solemnly: “No, now I find that only the dead will keep secrets!”

“boom!”

Emma trembled and panicked.

“Let’s do this, you will change Levi Garrison’s life! After Levi Garrison has nothing to do, I will send someone to pick you up and return to the capital!”

Tyrone Garrison would never allow this secret to leak out.

I didn’t care before.

It’s because Emma loves him too much.

It would be better for her to die, to maintain his secret.

But now that there is one more Levi Garrison, the situation is different.

So Emma must die.

“Okay, I promise you!”

In order to change Levi Garrison’s life, Emma gave it up.

...

In North Hampton Villa.

Looking at the hundreds of masters who surrounded him, Levi Garrison smiled.

“Originally today was my wedding day, I didn’t want to see blood! But someone wanted to force me! Then I had to kill!”

Levi Garrison said lightly.

Damien smiled and said: “Levi Garrison, I’ll take you to calm down! Even when this is the time, you dare to speak wild words?”

“As for this day, I specially selected it for you!

Six years ago on the night of your wedding day, you were broken and thrown on the street. Six years later, on the night of your wedding day, you were beaten to death! Hahaha... everything is destined in the dark! “

Damien laughed presumptuously.

Habara was also very angry.

metamorphosis!

It’s abnormal.

The entourages around Damien laughed and said, “Boy, have you brought the coffin tombstone wreath for you? Those are all carefully prepared for you!”

Levi Garrison looked calm, he said: "Damien, your biggest mistake is to come to North Hampton yourself!"

"Oh? Wrong?"

Damien said in doubt.

"Because you will die! Even if today is the day of your big wedding, I will make an exception for you and be bloody!"

Levi Garrison already had the determination to kill.

Damien must die!

"Come on..."

Damien was about to give an order.

But received a call.

"What? Ah? Why? Okay... understand... Father..."

After Damien hung up the phone, he looked at Levi Garrison incredulously.

"Master Damien? Order!"

mukesh urged.

But Damien waved his hand and said: "Retreat! Levi Garrison won't kill!"

"what?"

This decision left everyone in a daze.

He didn't even kill Levi Garrison.

"Okay, Levi Garrison counts you lucky! I won't kill you today! Jake gave it to you too!"

Damien said very depressed.

He didn't understand why his father didn't kill Levi Garrison.

Give him a death order without explaining.

"That won't work! If you don't kill me, it doesn't mean that I will let you go!"

Levi Garrison stared at Damien murderously.

1066

Levi Garrison found it ridiculous.

"Have you all heard that? He is going to kill me! Then if I kill him, my father won't blame me. Hahaha..."

Damien thought he couldn't kill it.

He didn't think that Levi Garrison would die by himself.

Good thing! ..

Damien laughed.

“Levi Garrison, you are asking for your own death! Don’t blame me for being cruel!”

“Come here, kill Levi Garrison!!!”

The rattling atmosphere is on the verge.

“Master, there is a woman out there begging to see you, it’s Emma!”

Someone shouted at this time.

Soon Emma came to the court.

“Master Damien, your father has promised to let us go. Can’t you go back and forth?”

Emma said.

“Well, I let Levi Garrison go.”

Damien said.

“Mom, you leave first! He let me go, I didn’t let him go!”

Levi is bound to kill Damien.

“Son, mom, please, don’t be foolish! Let’s go quickly! Don’t be foolish!”

“Today is your big day, think about Zoey and the child in her stomach!”

Emma lay on the ground and hugged Levi Garrison’s thigh tightly.

Levi Garrison was moved. He looked at Damien and said, “Okay, you’re lucky. Save your life, and get out now! When I regret it, you’re afraid you can’t live without North Hampton!”

“Hahahaha...”

Damien laughed instead of anger.

“To be honest, I have never seen such an ignorant person! Levi Garrison, don’t worry, I am leaving today, but you will fall into my hands one day!”

“Aren’t you going to challenge the Garrison family and hit the door of the Garrison family? I’m waiting for you at the Garrison family, don’t you not come?”

Damien laughed loudly.

“Don’t worry, I will go to Garrison’s house!”

Finally, Levi Garrison left North Hampton Villa with his mother, carrying Jake on his back.

“boom!”

Damien slammed an angry fist on the wall.

Immediately, this wall collapsed, and then the entire building collapsed and turned into billowing smoke.

One, you can see Damien's strength, knocking down a building with one punch.

Second, it can be seen that Damien's anger was provoked by a b*stard, but he couldn't kill it. It was too uncomfortable and too angry.

"Master, just forget it?"

mukesh asked.

Even he couldn't bear it.

"Forget it, what else can I do? Withdraw!"

Overnight, Damien evacuated from North Hampton.

He didn't understand why his father had to make such a decision.

He obviously agreed before!

After arranging Jake.

Emma received a call from Tyrone Garrison.

“I have already let go of the people, so should you fulfill your promise?”

Tyrone Garrison said coldly.

“Well, Emma did what I said! But I hope you don’t turn back!”

Emma’s sword pointed something.

He accused Tyrone Garrison of killing the baby Levi Garrison.

“Don’t worry, no! You are ready, I will send someone to pick you up in a while!”

Tyrone Garrison said coldly.

“okay.”

The next day, early in the morning.

A message came—“Emma is gone.

“broken!”

Levi Garrison secretly said a bad cry.

Damien would not let him go for no reason, there must be a reason.

Now it seems to have something to do with the mother.

The mother is probably in danger...

It is conceivable that Emma probably had any deal with the Garrison family.

Otherwise, the Garrison family wouldn't let it go.

1067

At this moment, Emma is already in the capital.

She was taken in front of Tyrone Garrison.

After more than two decades, the two met again.

Especially he is about to become the head of the Garrison family, at that time, he will become the most noble man in the world.

On the other hand, Emma, the old days are no longer colorful, she looks old, wrinkles all over her forehead, and her body is very thin.

From the once bright and flowery girl into a dying old woman.

The two stood together, forming a sharp contrast. m.bg.

No one can imagine that these two were once lovers...

Seeing Tyrone Garrison, Emma was in a complicated mood, and all kinds of emotions came to her heart...

But Tyrone Garrison smiled when he saw Emma's image.

First, laugh at yourself. Laughing at the time when I was too stupid and ignorant, that I would fall in love with this woman.

Second, laugh Emma. She laughed at her delusion to marry herself, marrying into the door of the Garrison family.

“Confused, I would have been addicted to this woman back then, and almost gave up the great future !”

“Sure enough, I’m too young, let’s look at Emma now.”

Is she worthy?

Not worthy at all!

Compared with his current wife Aria, Emma is really nothing, the gap between the two is too big.

Even exaggeratingly, Tyrone Garrison now looks at Emma and feels vomiting...

Compared with him, one is in the sky and the other is on the ground.

Such a humble person still wants to be his own wife?

Dream it!

It’s impossible for a lifetime!

Emma would only make him look down.

But he forgot that Emma became like this, it was all caused by him.

Emma used to be a girl like a flower!

It was for Tyrone Garrison to bet everything about him.

Ruined my life!

Without him, Emma is still beautiful.

“I really didn’t think we would meet again! You are lucky enough!”

Tyrone Garrison attributed Emma’s ability to see herself to luck.

Indeed, according to his status, Emma is indeed not qualified to see him.

“Well, we meet again.”

Emma sighed.

“But, I tell you, don’t have any thoughts about me. It’s impossible for us in this life!”

“I’m telling you the truth, the gap between our identities is too big. Over the past two decades, the gap is getting bigger and bigger! You are totally unworthy of me!”

“Think about it for yourself, are you comparable to her? There is no such thing! I was just blind at the

beginning.”

Tyrone Garrison was naturally afraid that Emma would have a fluke, so he directly dispelled any thoughts of her.

Upon hearing this, Emma lowered her head.

The traces of extravagant hope in my heart are gone.

The gap between her and Tyrone Garrison was indeed too great.

“Not only that, your son and Aoqing’s son have no way to compare!”

Tyrone Garrison smiled and said, “Aria’s son is unparalleled in the world, and he is the top in almost every field!”

“As for your son, he has indeed achieved a little bit. In the eyes of ordinary people, it is indeed very powerful. But compared with the Garrison family in Oakland City, he is still too small. He is not worthy to carry shoes for Aria’s son!”

Tyrone Garrison hit Levi Garrison mercilessly.

Said he could, but said his son could not.

Emma’s eyes opened wide: “Not necessarily! Damien’s starting point is too perfect. If placed in the same environment, it is not necessarily who is strong.”

CHAPTER 1068

“Who said my son’s starting point was perfect?”

Suddenly a cold female voice came.

Full of aura, the queen-like Aria appeared.

She formed the sharpest contrast with Emma.

“Aria chose you, what a right thing!”

Tyrone Garrison laughed.

Aria came to Emma and sneered directly: “Emma, let me tell you one fact-you are guaranteed to be beaten!”

“Actually, my son didn’t grow up in the Garrison family’s greenhouse! From the time he was born, son was thrown into the extreme cold place in the north to experience. Since childhood, he didn’t know his true identity, and the Garrison family never provided any help. Set up numerous obstacles in his life to experience him!”

“It was my son who used his own hands and wisdom to forcibly smash a bloody path. He didn’t take him back to the Garrison family until he became an adult, and he passed the experience. His achievements were the first person in the younger generation at that time, absolutely No one is shaking!”

“And the Garrison family spent tens of billions of dollars in order to create difficulties for him, and the number of people lost was as many as 3,000!”

“At the beginning, there were a full 80 people who experienced together, and only one person could go to the end. It was my son who killed all the others and came out!” mi. c

...

After hearing these facts.

Emma was startled in a cold sweat.

In this way, before adulthood, Damien’s experience was even worse than Levi Garrison’s.

If you don’t pay attention, you will die.

The Garrison family’s cruel training will sharpen a genius.

One thing to say, the current achievements of Levi Garrison are nothing for Damien.

“Just your wild son deserves to be compared with my son? Impossible!”

Aria said coldly.

Emma was silent.

Although I hope Levi Garrison will win, he is really not useful in the face of absolute strength.

“Tyrone, what do you mean by catching her back?”

Aria asked.

She also didn't worry about the resurgence of old feelings, after all, Emma's appearance definitely did not pose any threat.

“I'm going to kill her!”

Damien said.

“Well, kill it as soon as possible, it's no use keeping her.”

Aria said coldly.

Emma immediately knelt on the ground and pleaded: “Please, can you give me a little more time. I want to see my grandson again and make some clothes for my grandson!”

Nine months later, Zoey's child will be born.

She wants to see the child...

Emma looked at Tyrone Garrison, his face changed.

After all, Emma holds his secrets.

“Well, you are dead anyway, so what if you give you a little more time?”

Tyrone Garrison agreed.

Aria didn't think too much: “Come here, lock her up, don't let go!”

“don't worry, she is locked up in the Garrison family. It's because others have the ability to reach the sky, don't try to save her away!”

Tyrone Garrison comforted.

After locking up Emma, Aria smiled and asked: “Brother T, would you say that b*stard will come to save this bitch? I heard that this b*stard is very impulsive, even Jake will save him. Isn't the mother going to be saved more?”

“Save people on the Garrison family's site? What can he do to save them? It's ridiculous!”

Tyrone Garrison smiled.

What if this b*stard has the ability?

He couldn't even step through the door of the Garrison family.

Let alone other.

“I hope to see this b*stard come to save people, it will be a very interesting picture.”

Aria really likes to see this scene of ants struggling.

1069

Tyrone Garrison said coldly: “No, there won’t be such a day.”

Aria was taken aback, then looked at him: “You...you mean to kill Emma?”

“Well, no mistake. What right does a bitch have to bargain with me? Want me to delay for a few months? Impossible!”

Tyrone Garrison was mainly afraid that the secret would be exposed.

He wanted to get rid of Emma immediately.

It just agreed on the surface.

Emma was deceived again.

Join Telegram Group For Fast update

Tyrone Garrison doesn't have any credibility at all.

Especially Emma holds secrets that can threaten his future, and it is impossible for him to keep Emma alive.

Tyrone Garrison came to the place where Emma was detained.

"Are you here to kill me?" ..

Emma had already guessed Tyrone Garrison's intentions.

"Originally I thought you would keep this secret for a lifetime, but now it seems that you don't love me much? Who said that you love me forever and willing to give everything for me?"

Tyrone Garrison mocked.

"Tyrone Garrison, I misunderstood you, you have no emotion at all. You are a cold-blooded animal!"

Emma stared at Tyrone Garrison angrily.

Tyrone Garrison sneered and said: "This is the difference between me and ordinary people like you! In the Garrison family's philosophy, women must not be a stumbling block! They can only be tools!"

"That's why I abandon you! To me, you are in no way different from other women, have little use value, and will become a stumbling block in my road."

“Only Aria is my best partner, only she is worthy of me in this world!”

Emma forced herself to endure no crying.

She sneered; “Aria, do you also like her background and resources? You don’t like her much, right?”

Facing Emma’s question, Tyrone Garrison fell silent.

indeed so.

Marrying Aria was all because of her background.

“You really do nothing to achieve your goal!”

Emma mocked.

“Ho ho, you don’t understand at all! If you want to reach the highest point, you have to abandon a lot of things! It’s you who are in that position and don’t understand at all!”

Emma immediately asked: “So, this is why you abolished your brother?”

“you.....”

Tyrone Garrison was angry.

Because Emma's words are the secret.

A secret that made Tyrone Garrison unable to sleep with fear.

The genius of the Garrison family in Oakland City is like a cloud.

Especially in Tyrone Garrison's generation,

But Tyrone Garrison was not the top one.

He ranked third in this generation, and his fourth brother Tyrone Garrisonfeng was the first genius of the Garrison family.

Ability crushes everyone.

Also the next Patriarch appointed by the King!

Tyrone Garrison could only watch.

It was Tyrone Garrison who devised a plan to abolish Tyrone Garrisonfeng, and he is still lying in bed.

Everyone in the Garrison family thought that Tyrone Garrisonfeng's fall happened by accident.

It fell on the first day, and Tyrone Garrison came to power on the second day before he was named the heir.

This secret was accidentally learned by Emma.

Now he is particularly worried that Emma will tell this secret.

Once the Garrison family knows all this, don't even think about being his Patriarch.

According to Garrison family's strict house rules, even he suffered huge punishments.

One of the most important family rules of the Garrison people-Garrison people must not kill each other.

"Emma you forced me, I must kill you today!"

Tyrone Garrison's eyes were red, staring at Emma.

Emma closed her eyes in despair...

1070

Tyrone Garrison has slowly raised his right palm.

About to fall on Emma's Tianling cover.

"boom!"

The strong wind brought by this palm was extremely violent.

Emma already felt death.

At the critical moment, Tyrone Garrison actually stopped.

Emma waited for a long time, but there was no movement before she opened her eyes.

“You...you won’t kill me?”

Emma was surprised.

Tyrone Garrison looked at her weirdly, and did not speak.

“Bang!”

Subsequently, Tyrone Garrison closed the door and left.

Emma’s eyes flickered, and she quickly understood what was going on.

Tyrone Garrison was worried.

He worried that he might have told Levi Garrison this secret.

He dare not bet.

In case Levi Garrison really knew, once he killed Emma, Levi Garrison would definitely be exposed.

This is exactly what Tyrone Garrison worries about.

For his future, for his paternal position, he dare not gamble.

He didn't need to worry about this problem before, because Emma loved him enough and was willing to give his life for him, let alone guarding the secret.

But now, with Levi here, Emma has changed.

Emma probably told him this secret in order to protect Levi Garrison.

He didn't dare to kill Emma rashly.

"I have to find a way to find out if Levi Garrison knows this secret!"

"Wait for confirmation before making a solution!"

Tyrone Garrison decided to go to Levi Garrison himself.

Once found out, he will get rid of Levi Garrison and Emma.

Even if he would be accused by the Garrison family, many people would laugh at him for being cruel.

But it's better than revealing his secrets.

At that time, what he faced would be the strictest family rules of the Garrison family!

North Hampton.

Everyone looked around for Emma's whereabouts.

In the end, Levi Garrison found the note left by Emma in the room.

Probably it meant to reassure him that she has nothing to do, and don't go to her either.

"Mom, how could it be possible without looking for you?"

Levi Garrison slapped the table suddenly.

He became more and more certain that it was the Garrison family who did it.

Mother wants to die for herself.

Mother they can't help your son!

If it weren't for you, I would have killed Damien.

Levi Garrison looked helpless.

Originally, Levi Garrison had prepared for a while before he would go northward again.

At least after Zoey gave birth.

Otherwise, he is pregnant here, and he is uneasy.

After all, Zoey needs someone to take care of...

But his mother's changes made him have to speed up and go to the capital ahead of time.

Just when he was about to order Azure Dragon and the others, he received an unfamiliar call.

As soon as the phone was connected, they introduced themselves directly: "I am Tyrone Garrison!"

"What? You? Is my mother in your hands?"

Levi Garrison asked immediately.

He was surprised that Tyrone Garrison would call him.

"Yes, ."

“But she has nothing to do with me. I will reach North Hampton tonight. I have something to talk to you!”

Levi Garrison breathed a sigh of relief when he heard the mother’s trouble.

If anything happened to his mother, he must have overturned the entire Garrison family.

No one will stay.

“Well, I’m waiting for you! If my mother has any accident, you won’t live!”

Levi Garrison said coldly.

“Hahahaha...”

Tyrone Garrison over there smiled.

Levi Garrison’s threat seemed to him to be incompetent and furious, just having a mouthful of addiction.

Want to kill him?

Do you have this ability?

It’s eight o’clock in the evening.

The plane of a family member landed at North Hampton Airport.

Tyrone Garrison came to the place agreed with Levi Garrison in a very low-key manner.

Levi Garrison had been waiting here long ago.

The father and son really met.

CHAPTER 1071

While Levi Garrison was looking at Tyrone Garrison, the other party was also looking at him.

Levi Garrison's evaluation of Tyrone Garrison is a generation of heroes.

Calm, calm, with a majestic aura of imposing anger.

There is a bit of cruelty faintly hidden.

Killing a person is a sin.

Throw a man as a male.

Described is Tyrone Garrison this kind of person.

In the eyes, there is a kind of overbearing and kingly temperament between the eyebrows and the eyebrows, playing with sentient beings between applause.

After all, he is the future head of the Erudia First Family.

Above all life.

Tyrone Garrison is not bad, something.

Earlier, Levi Garrison asked to use the authority to check Tyrone Garrison.

I didn't need authority before, because I was afraid that some people in the capital would know that it would cause trouble.

But now the relationship between him and Tyrone Garrison has long been quarrelsome, and the capital has long learned about it.

It is also okay for him to use his authority to check Tyrone Garrison.

Ruthless.

To achieve the goal, do whatever it takes.

Willing to abandon everything.

Levi Garrison read his dark history and all kinds of bad things.

Sure enough, Tyrone Garrison was a great person.

He even discovered Tyrone Garrison's biggest secret-the design framed his younger brother Tyrone Garrisonfeng, and he became the heir to the family.

You must know that the Garrison family in Oakland City has stood firm in order to prosper all the time.

Set up a strictest family rule-compatriots within the clan must not harm each other, and those who violate the order will receive the most severe punishment.

This family rule is for the Garrison family to be united, without any estrangement or division.

Therefore, for thousands of years, the Garrison family has been extremely united, and there has never been a case of brothers and sisters.

This is also the reason why the Garrison family is so strong to this day.

But Tyrone Garrison violated this family rule for his own selfish desires.

This is an extreme existence. In his eyes, love and family affection are not worth mentioning.

The most important thing is his own interests...

As soon as they met, Levi Garrison analyzed him thoroughly.

But in Tyrone Garrison's eyes, Levi Garrison was arrogant and arrogant, and those eyes were full of sharp points.

He has seen many such young people.

If you have achieved something, you will be mad to the edge.

But in the end, he was taught to be a man by reality.

Young people are arrogant, but if they are too arrogant, they will end badly.

Tyrone Garrison just looked at the same thing and concluded that Levi Garrison's future was limited.

It was far incomparable to Damien.

Damien is also arrogant, but he has the capital.

The two strongest families are behind the back, and his abilities are strong!

As for Levi Garrison, except for his blood.

In other respects, he is not worthy of being his son at all.

He will never admit it!

If you want to step into the door of the Garrison family, Levi Garrison has to use his own talents to learn.

Otherwise, there is no hope.

“Not taking my mother?”

Levi Garrison asked.

“Don’t worry, she has nothing to do. She is safe, I can confirm by video!”

Tyrone Garrison said.

Levi Garrison asked: “Okay, what’s the purpose of your coming to find me?”

Tyrone Garrison smiled suddenly: “My purpose is very simple-come to see you and see how arrogant Emma’s son is?”

“Sure enough, my people are not exaggerated at all. Seeing you is even more arrogant than I thought.”

Levi was happy: “You come, don’t you just look at me arrogantly, right? Explain the purpose directly, don’t go around.”

Levi Garrison would not believe Tyrone Garrison’s nonsense.

correct!

He was so low-key and came quietly.

He must not want anyone to know that he has come to North Hampton.

1072

He didn't dare to touch his mother again.

Then there is only one possibility-to find out if you know the secret.

He was sure all at once.

Mother saved herself with his secret.

Tyrone Garrison looked a little unnatural, with a complicated expression, probably embarrassed how to speak.

He even wanted to knock on the sidelines and ask them out.

“Has your mother told you anything about me?”

Tyrone Garrison sighed and asked.

“Said!”

Levi Garrison smiled.

“Then she has said some secret things?”..

Tyrone Garrison was short of breath, staring at Levi Garrison.

Levi Garrison smiled: “Of course there is, my mother has told you many secrets.”

“boom!”

Seeing Levi Garrison’s ill-intentioned smile, Tyrone Garrison’s scalp exploded, and his heart swelled.

Levi Garrison gave an ambiguous answer.

It seems that he knows the secret.

But not necessarily.

Wan Emma said other secrets.

“What are the secrets?”

Tyrone Garrison asked bitterly.

Levi Garrison smiled: "Don't you know your own secret?"

"This....."

Tyrone Garrison broke out in anxious cold sweat for a while.

He couldn't be sure now whether Levi Garrison knew the secret?

To kill or not to kill?

This problem is very tangled.

"Why? Want to kill me?"

Suddenly Levi Garrison's voice rang in his ears, making him tremble all over.

The murderous intent exuding from his body just now was caught by Levi Garrison?

"Come if you want to do it! After all, you do whatever you can to achieve your goal!"

When Levi Garrison said this, he had concluded that Levi Garrison must know his secret.

What he fears now is-what if he wants to enter the Garrison family if he threatens him with this secret and scornful face?

How could this b*stard be eligible to enter the Garrison family?

The Garrison family wants a face!

“I’m telling you! Levi Garrison, you don’t want to use this to threaten me, and want to enter the Garrison family! I tell you, even if I am punished by the family rules and ruined! I will definitely not let you enter the Garrison family!”

Tyrone Garrison gave it up.

It would be better for the Garrison family to know his secret.

He didn’t want to let Levi Garrison enter the Garrison family.

It’s impossible to have him!

Upon hearing this, Levi Garrison smiled.

“I will blackmail you with this secret in order to enter the Garrison family? Impossible! Tyrone Garrison, let me tell you, I don’t pay attention to a small Garrison family. Let alone the other, even the Garrison family will invite me. Will not!”

Levi Garrison sneered.

“You... are so arrogant! One day you don’t know how you died!”

Tyrone Garrison roared at the weather.

Levi Garrison smiled: “Isn’t your purpose here to confirm whether I know your secret? The answer is I know. But I won’t use this secret to threaten you, because you are not qualified to let me do it! “

Tyrone Garrison was short of breath.

He really wanted to kill Levi Garrison on the spot.

But I was afraid that this secret was not only known to Levi Garrison.

All he had to do now was to stabilize Levi Garrison and Emma.

After he settled down as Patriarch, even if this secret was exposed, it was useless.

“Well, I believe you! As long as you don’t tell the secret, I will never move you and your mother!”

Tyrone Garrison said.

He endured it again.

In a few days, he will take the position of Patriarch.

When the time comes, Levi Garrison will use him in any way.

At that time, he took Levi Garrison's operation again.

Levi Garrison sneered and said, "Next, I have a few things to tell you!"

CHAPTER 1073

"First, let my mother come back right away."

"Secondly, after the birth of my child, I will personally hit the door of the Garrison family and let all of you confess the crimes committed against my mother!"

"Third, I will kill Damien in front of you!"

When Levi Garrison finished these three points, Tyrone Garrison was stunned.

Looking at Levi Garrison incredulously.

ridiculous!

It's ridiculous! m.bg.

"The first point, I don't want to say anything. But the second point, you have to name the Garrison family and let all of us repent?"

Tyrone Garrison was happy.

That was the first family of Erudia.

Thousands of years of heritage.

Who has this strength?

Just rely on a boy in his twenties?

Do you have this ability?

"Well, it's wrong! I will fulfill my mother's dream-telling you in front of everyone in the Garrison family: you are not worthy of my mother! I want all of you to regret it! Let my mother tell you all: she His son reigns over the world!"

Levi Garrison said coldly.

“Hahahaha... just you? Okay, I’m waiting!”

“And you you want to kill me? Tell you it’s impossible!”

Tyrone Garrison laughed.

With him, who would dare to move Damien?

“Don’t worry, I want to kill you, you can’t keep it!”

A cold light flashed in Levi Garrison’s eyes.

Since Damien appeared at his wedding, Damien’s way was doomed.

Won’t live!

Levi Garrison didn’t let people throw away the wreath coffin that Damien brought to the wedding.

Because he wants to use it for Damien.

“Good, good, kind!”

“What’s the exact time? I don’t want to wait for you too long!”

Tyrone Garrison sneered.

“About a year, about a year after my child was born, I definitely hit the door of the Garrison family!”

“Well, well, then I’ll take a gamble with you! After a year, whenever you can step into the door of the Garrison family, I will regret and apologize for what I did in the past, and I will kneel in front of your mother and son!

There is only one way to make me confess-and that is to rely on strength! Otherwise, even if you kill me, I won’t repent at all! “

Tyrone Garrison and Levi Garrison gambling for a year.

In his opinion, no matter how powerful Levi Garrison is, he still doesn’t have any ability to step into the door of Garrison family.

“Okay, that’s it.”

Levi Garrison nodded.

Tyrone Garrison sneered: “If you don’t have the ability to step into the door of the Garrison family, don’t blame me for being cruel.”

“Don’t worry, if I, Levi Garrison, have no ability to step into the gate of your Garrison family, I am willing to die!”

“Then say it, I’ll be waiting for you at Garrison’s house!”

After Tyrone Garrison finished his gambling, he left North Hampton.

He didn’t have to worry about Levi Garrison telling this secret.

Through the brief conversation just now, he felt that he had already touched Levi Garrison’s temper.

This is an arrogant, but actually a person who is arrogant to the bottom of his bones.

He will never make a fuss about his secrets.

This kind of thing is a shame before an arrogant character.

In addition, Tyrone Garrison proposed a one-year agreement and used various radical methods.

He was sure that Levi Garrison would never reveal his secret.

Tyrone Garrison sneered: “This is the gap between him, me and son! We will never care about these illusory things! As long as it is beneficial to us, we will do whatever it takes!”

“Those who make big things don’t stick to the small things!”

“Levi Garrison, you will never make a big thing!”

“A year later, I watched you creeping on the ground at the gate of the Garrison family!”

CHAPTER 1074

Tyrone Garrison was still very accurate.

Levi Garrison is indeed a man of arrogance to his bones.

He didn't bother to do things like secretly threatening Tyrone Garrison.

To solve things, we must rely on real ability!

Tyrone Garrison set a gambling contract because of this.

In his opinion, Levi Garrison was too young, and on impulse, he agreed to his bet.

Little did he know what his tricks Levi Garrison knew well.

Tyrone Garrison also "honored her promise" and released Emma back.

And spread the gambling agreement between him and Levi Garrison.

Throughout Erudia, I knew that Tyrone Garrison and Levi Garrison had a bet.

The reputation of the Garrison family in Oakland City has also risen. mi. c

After all, they openly gave the bastard a chance to challenge!

This is unprecedented!

It stands to reason that it is too late for a wealthy family to have such an illegitimate child.

According to the previous thinking, illegitimate children would be killed.

But the Garrison family in Oakland City came the other way!

Not only recognized the existence of this bastard, but also gave him the opportunity to challenge.

This shows the courage of Erudia's first family.

Tyrone Garrison, who made the gambling contract, was praised by countless people.

With such a courage, he is the person who can become the owner of the Patriarch.

Even the senior elders of the Garrison family admired Tyrone Garrison's approach to this matter very much, and praised him very highly.

No one thought that the appearance of Levi Garrison, an illegitimate son, would be beneficial to Tyrone Garrison.

It is especially helpful to sit in the position of the head of the house.

Even Tyrone Garrison himself didn't think that there would be such a benefit.

Sometimes a bad thing is not necessarily a bad thing, it depends on how you handle it.

Tyrone Garrison and Levi Garrison's global gambling agreement is still spreading, and the upper circles in each major area are well known.

The name Levi Garrison is also well known.

But everyone thought that Levi Garrison was stupid.

There is no doubt that Levi Garrison is hitting the stone with the pebble.

What did he use to fight him?

Do you know it in your heart?

A boy went to challenge the first family of Erudia.

As we all know, there are strict standards to enter the gate of the Garrison family in Oakland City.

The four fields of military, commercial, political and military must have a strong construction number that can be recognized by the Garrison family.

Army, at least the frontier fierce generals.

Business, at least a business giant.

Political, at least one big boss.

Wu, at least break into the Garrison family.

It is sufficient if one of these four conditions is met.

But it's too difficult, too difficult.

In everyone's eyes, Levi Garrison has some achievements in business.

But a Morris Group was far from enough in the eyes of Garrison family.

If it can be expanded more than ten times by several times, there may still be a chance.

How could it be possible in just one year?

No one would believe that Levi Garrison could challenge success and step into the door of the Garrison family with his own strength.

But who can think of it.

Instead, the field of business is Levi Garrison's weakest link.

Needless to say about military affairs.

God of War in Erudia Town!

On the one hand, , let alone say more.

It was hard-honed in two thousand battles in six years.

It can be said to blow everything up!

Even for now, he doesn't need to act at all.

There are too many masters.

After Emma came back, she looked at Levi Garrison and said complicatedly: "Son, you shouldn't! You promised him, you just fell into his plan!"

"He knows your character, he uses this to restrain you!"

"Mom, nothing! He has a wrong design, but he never thought that I really have this strength!"

"Mom, don't worry, I will help you realize your dream!"

1075

For Emma, this dream would not dare to dream.

Think about it, it's okay.

So named Levi.

The intention is that her son will rule the world and let the Garrison family see their wrong decision.

"Okay, son, I look forward to a year from now!"

Regardless of the result a year later.

Anyway, she can accompany Levi Garrison, Zoey, and the birth of a baby this year.

The rest of life is on track.

The black families were extremely dissatisfied with Levi Garrison's affairs.

Originally kowtow to beg for mercy, just be the Garrison family elder honestly. ...

Now I have to challenge the Garrison family.

Is this crazy?

The Oakland City Garrison family also gave Levi Garrison a clear challenge standard.

The army must beat . He is the leader of the Northern Grey Wolf Legion and the title of the War God.

The government must defeat him, he is the leader of the capital.

The business must beat Damien's one-twentieth. Damien has countless industries. One Pinnacle Group is enough for Morris Group to look up.

Wu must beat him. He is known as the gatekeeper of the younger generation of the Garrison family, and he is a martial artist.

But everyone understands.

The young people of these standards are not the strongest in the Garrison family, they can only be regarded as average.

This shows the high threshold of the Garrison family.

It is too difficult and too difficult to enter the Garrison family by virtue of not wanting to rely on identity.

Especially in business, Damien's one-twentieth is the standard.

It can be seen how strong Damien is!

Moreover, setting the standard of Shang to one-twentieth of Damien's was also deliberate.

Remind Levi Garrison and Emma at all times.

According to the original words of Tyrone Garrison and Aria: Levi Garrison, you can't even reach the twenty one of my son, Emma, what can you be proud of?

Everyone knows that if Levi Garrison fails the challenge, he will face destruction.

"Come on Levi, I believe you can do it in one year! Iris and I will also help you develop the Morris Group!"

After Zoey knew about the gambling agreement, he gave Levi Garrison a lot of encouragement.

Their current hope is Morris Group.

There is not much time left for them.

It must be done within a year!

Otherwise it is a dead end.

Levi was happy.

One year was the time for him to prepare for the Garrison family's breath, not the time for the Garrison family to give him lingering breath.

He is waiting for plum dye to give birth to a baby.

Otherwise, immediately call Garrison's house.

So Levi Garrison didn't have any sense of urgency.

Next, Levi Garrison stayed with Zoey.

For him now, Zoey and the child in his stomach are the most important.

As for the development of the Morris Group, Iris was completely left to take care of it.

Zoey is very dissatisfied, but there is no way.

"If Zoey has your child in her stomach, we promise to let you sever relationship with Zoey!"

The black family were very dissatisfied with this matter, and they could only turn one eye and close one eye.

Soon, it came to the succession ceremony of the next Patriarch of the Garrison family.

In the end, Tyrone Garrison obtained unanimous consent and took over as Patriarch.

In order to maintain the development of the family, the Garrison family can only sit for twenty years as the head of the family.

Tyrone Garrison was just right.

At this moment, Tyrone Garrison finally stood in the highest position of the Garrison family.

“Speaking of which, I have to thank you-Levi Garrison!”

This is wrong.

In the past, there were many respectable elderly people in the family who did not want Tyrone Garrison to sit in the position of Patriarch.

But after making a one-year gambling agreement with Levi Garrison, many people’s attitudes towards Tyrone Garrison changed.

1076

It can be said that Levi Garrison is a big help for Tyrone Garrison to take the position of Patriarch.

This is his own flesh and blood, and the only help he can do.

“Hahaha, this b*stard is also useful?”

Tyrone Garrison also specifically called Levi Garrison.

“From this moment on, I have become the master of the Garrison family! The secrets you hold have no threat to me! You have missed the best opportunity!”

Tyrone Garrison’s tone was full of arrogance.

“The Lord of the Garrison family? Then I congratulate you!”

Levi Garrison smiled.

“Yes, it’s wrong! Now I have the final say in the first family of Erudia, I have reached the top! But don’t be delusional, I will admit your identity!

impossible things! I will never admit your identity in this life, there is only one son of mine, and that is Damien! Put away your thoughts! “

Tyrone Garrison sneered. m.bg.

There was a mocking smile at the corner of Levi Garrison’s mouth: “Tyrone Garrison, do you know who you are?”

“who?”

Tyrone Garrison asked curiously.

“A self-righteous person! Always look at everything with your narrow eyes, as everyone knows that there is a sky outside. You may also be an ant in the eyes of others!”

After Tyrone Garrison heard it, he couldn't help laughing: “Hahaha, I am an ant in the eyes of others? Don't you understand my identity? I am the head of the first family of Erudia!”

“Well, Tyrone Garrison has not much time left for the Garrison family. During this time, you can gather all your strength and connections to fight against me! Otherwise, once the deadline is over, your Garrison family will have no chance to regret it!”

Levi Garrison remembered saying this the second time.

They are all from the Garrison family.

It is estimated that the Garrison family's attitude is the same.

Still dismissive of him.

“Hahaha, shouldn't it be you? Everyone knows this bet about Erudia. Then it will be your death date. Shouldn't it be you thinking about how to prolong your dog's life?”

Sure enough, Tyrone Garrison dismissed it.

No matter from which point of view, Levi Garrison would not challenge success.

It will not pose any threat to him.

“Hahahaha...”

Levi Garrison laughed and laughed presumptuously.

“madman!”

Tyrone Garrison cursed and hung up the phone.

In his eyes, Levi Garrison was a lunatic, an unreasonable lunatic.

Will provoke him everywhere.

Isn't there such a sentence?

Ignorance is more confident than knowledgeable.

Levi Garrison is ignorant.

“Father, don't be angry! Sooner or later this b*stard will understand what heaven and earth are!”

“If he wants to succeed in the challenge, he has only one business path to go. But I just want him to go unsuccessfully! I promise that within a year, his Morris Group will only retreat!”

Damien smiled.

He would not give Levi Garrison any chance.

Tyrone Garrison was very satisfied with Damien.

play hard.

To make a big thing.

This is his son.

Next, the development of Morris Group is restricted everywhere, and it is too difficult and difficult to develop one step further.

Can only be suffocated to death in this area of North Hampton and South Hampton.

Iris had a meeting with Levi Garrison and Zoey for the first time.

“If there is no accident, it was the Pinnacle Group who suppressed it, and they cut off all the lines of the outside world! If this goes on, we can only stand still, and it is impossible to expand outward!”

Iris expressed her thoughts.

Everyone knew that it was the Garrison family who was putting pressure on it.

In order not to let Levi Garrison succeed in the challenge.

Zoey bit his lip and looked at Levi Garrison: "Levi, I want to hear your opinion, what should you do?"

1077

There is currently no way for you.

You can only see Levi Garrison.

Levi Garrison smiled and said, "My suggestion is very simple: you take care of yourself, don't worry about this. Let them suppress it, and we can develop on the spot!"

Plum dyed during pregnancy.

Levi Garrison didn't want any trouble.

He just wanted to take care of Zoey until the child was born.

The things at hand are small things.

But Levi Garrison's attitude changed in the eyes of Zoey and the others.

At this time, Levi Garrison shouldn't be struggling, he should step up to solve the problem.

He turned out to be this negative attitude.

Even withdraw when encountering a problem, regardless of it? mi. c

He has an appointment with the Garrison family for a year! ! !

Not to mention being able to challenge and succeed, but at least he has an attitude.

He should work hard to the last moment, which is also a proof and recognition of himself.

I admit if I lose.

But such an attitude is not good!

A year later, what did Levi Garrison take to challenge the Garrison family?

It's ridiculous!

"At this time, Zoey's body is the most important. Anything else is a small thing to me!"

Levi Garrison said frankly.

“Hey!”

Zoey sighed at the same time.

Sure enough, Levi Garrison flinched when facing the huge Garrison family.

“I know what you are worried about, don’t worry, I don’t have a Garrison family in my eyes. They should be worried!”

Hearing Levi Garrison’s rhetoric, Zoey was very angry.

“I admit that you are very powerful , and there are few young people who have your ability! But the Garrison family is too strong, I think you can find time to go to the capital to see it yourself? See how powerful the Garrison family is, and you will It’s steadfast!”

Zoey said helplessly.

“Zoey, don’t be angry, I will steadily develop Morris Group!”

In order to stabilize Zoey’s mood, Levi Garrison could only pretend to be “struggling.”

“It’s almost the same! At least there is an attitude!”

Zoey is not angry now.

Levi Garrison's policy is to entrust the Morris Group to Iris and others for development.

This enterprise is his enterprise to promote the development of these places in North Hampton and benefit the people.

How could he use it privately to deal with the Garrison family.

Besides, it doesn't need to be mentioned.

He has only one purpose-to take care of Zoey.

Now everyone knows that he and Tyrone Garrison have a global bet.

But everyone could tell that Levi Garrison didn't take it seriously.

As if he had confessed his fate.

"I heard that Damien's Pinnacle Group has begun to restrict Morris Group in many ways. This Levi Garrison has given up!"

"What can I do if I don't give up? I can only accept my fate!"

On the flight from Oakland City to North Hampton, there were people discussing Levi Garrison.

From everyone's point of view, Levi Garrison absolutely gave up.

The opponent is too strong.

He has no chance of success.

At this moment, in the first-class cabin of this flight, there are a few young people sitting.

There are two women and three men in total.

Judging from the dressing and temperament, these five young people have come to be proud of the nobles, and they are not of a low background.

They seemed to be very interested when they heard the talk about “Levi Garrison” next door, and the corners of everyone’s mouth rose.

Along the way, they were listening to topics about Levi Garrison.

Soon after, the flight landed steadily at North Hampton Airport.

Five young men got off the plane.

“I hope that Levi Garrison will not let us down. We have come all the way to North Hampton!”

One of them said.

It turned out that these young people from the capital were here for Levi.

“I heard that Levi Garrison’s child is about to be born?”

“Not really! Fortunately! If Levi Garrison returns to the Garrison

he five are

They all come from major families in the capital.

In the capital, families are divided into five categories.

The first category is naturally a thousand-year-old family like the Garrison family.

The second category is the royal family.

Join Telegram Group For Fast update

The third category is the royal family.

The fourth category is wealthy. ..

The fifth category is ordinary.

However, the wealthy family in the capital is stronger than the royal family in South Hampton.

The five people in front of them are from the royal family of Oakland City, and the family behind them is stronger than the Garrison family of Tianfu royal family.

So when they came to North Hampton, they had the arrogance of watching sentient beings.

After all, their origin is above North Hampton.

Their sister sonam is named sonam.

It is the jewel in the hands of the Jiang family, the royal family in Oakland City.

In order to coax Emma, Tyrone Garrison made a marriage contract to the Jiang family.

It was Levi Garrison and sonam who got married.

Although Tyrone Garrison was a joke, it was a lie that deceived Emma.

But his identity is different, the youngest of the Garrison family in Oakland City.

What he said was taken seriously by others.

Especially when it comes to marriage events, the Jiang family takes it seriously.

He also wrote the marriage contract specially, and both Tyrone Garrison and Emma had pressed their fingerprints.

Tyrone Garrison took it seriously.

Because at that time he already knew that the Garrison family would not allow him to marry Emma.

In other words, this child cannot be alive.

So it's okay to make a marriage contract.

According to the rules, this marriage contract is valid, even now.

Unless both parties disagree and tear up the marriage contract on the spot, it will be invalidated.

sonam dare not marry because of this marriage contract.

After all, this is the marriage contract of the Garrison family.

If the Garrison family didn't agree, sonam would marry someone without authorization, that would be offending the Garrison family's majesty.

The Jiang family will suffer a disaster.

The Jiang family had been worrying about this, after all, they didn't know the attitude of the Garrison family, and they didn't dare to ask.

This time, Tyrone Garrison and Levi Garrison's global gambling agreement let the Jiang family know the Garrison family's attitude towards Levi Garrison.

So they were going to divorce and asked Levi Garrison to tear up the engagement on the spot.

The Jiang family was a royal family in the capital, so it was too shameful for them to come and divorce themselves.

After all, Levi Garrison was just a b*stard.

So they sent a few young ladies from the royal family to replace them to find Levi Garrison to resign and tear up the engagement.

"I really hate this Levi Garrison, because of him, sister sonam still dare not fall in love!"

"Isn't it? At this time, Sister sonam has already married and had a child!"

The five said angrily.

said: "This time, as long as Levi Garrison tears up the engagement, sister sonam will be free!"

"Yes, Niko and Young Master Ling have been waiting for Sister sonam for many years!"

Dakota looked expectant.

In their mouth, Niko is the second-ranked existence on the list of young masters in the capital.

The Oakland City Young Masters list counts the rankings of other family members in the capital except the aristocratic family.

This is a hundred times stronger than South Hampton's princelings.

It can be said that the most powerful young people in Erudia are all on the list of young masters in Oakland City.

They wanted to tear up the marriage contract as soon as possible so that sonam could marry Niko.

1079

But they are full of arrogance, obviously from an extraordinary origin.

"Are you Levi Garrison?"

There was a trace of disdain in his tone.

"It's me, who are you?"

Levi Garrison asked suspiciously.

“We are from Oakland City. We came to you for someone to tear up the baby’s marriage contract.”

Dakota directly stated the purpose.

“Woah’s marriage contract? What does it matter to me?”

Levi Garrison was really dumbfounded.

His child is about to be born.

Someone told him that he had a marriage contract with a doll?

Isn’t this funny?

“Wrong, it’s your marriage contract! It was the baby kiss your biological father and biological mother made for you before you were born. Your target is sonam, who is known as the number one beauty in Oakland City!”

In their opinion, Levi Garrison was just pretending.

Emma must have told him long ago.

Pretending not to know?

What a shame!

“Huh? Baby? You guys wait first!”

Levi Garrison immediately contacted his mother and asked her to come here.

Soon after, Emma came.

“Mom, have you ordered a baby kiss for me?”

Levi Garrison asked.

Emma was taken aback for a moment, and then nodded: “Well, that’s not wrong.

He had booked a baby kiss for you at the beginning. It was a girl from the Jiang family in Oakland City! My name is sonam! I have forgotten about this! What’s wrong! ?”

Levi Garrison glanced at the five people and said, “They are here to break the marriage for the Jiang family!”

Emma patted her forehead and said: “Oh, I have forgotten about this! In any case, this marriage contract has always existed!”

“Isn’t this delaying the reputation of the other girl? It is estimated that the girl is in the marriage contract, so she can’t get married at all!”

“Sorry, everyone! This matter is my fault!”

In the face of Emma's apology, bhavika sneered and said: "Can you still realize that you are wrong? Do you know how many years have been delayed by sister sonam? She still dare not marry, let alone fall in love!"

"It's you who ruined her for a while, and people like you will be punished! You can't die!"

"Yes, it was you, this woman! Without you, there can be no such marriage contract! Now you don't want to withdraw? Do you want him to marry sister sonam? We all understand your purpose! Do you want to enter the Garrison family?"

...

The five began to blame Emma in turn!

Levi Garrison was angry.

"f*ck, this baby was ordered by Tyrone Garrison, why don't you find Tyrone Garrison?"

Levi Garrison's words left everyone speechless.

Where did Tyrone Garrison dare to find it?

"What's the matter with Mr. Garrison? Blame your mother! Hurry up and break the marriage contract in front of us!"

1080

Even if everyone knew that the marriage contract was agreed by Tyrone Garrison.

Nothing to do with Emma.

But in the face of powerful power, they can only point all the problems to Emma, and they dare not have anything to do with Tyrone Garrison.

Everything is Emma's fault.

With that said, bhavika handed the marriage paper to Levi Garrison and told him to tear it up on the spot.

The others took out cameras to take pictures.

Emma sighed: "Levi, tear up the marriage contract. We owe other girls for this matter! We have to give them a free body!"

"Well, this is the attitude of confession! It's no longer to blame for delaying Sister sonam for so long. Hurry up and tear up the marriage contract and don't pester Sister sonam in the future!

Dakota said with a cold face.

"Tear it, what are you doing in a daze? Tear it off quickly! We have to go back!"

Seeing Levi staying still, everyone urged. mi. c

But Levi Garrison crumpled the marriage contract into a ball and put it in his pocket.

This scene stunned everyone.

What is he going to do?

“Levi is here for you... what are you going to do?”

bhavika scolded angrily.

Even Emma was puzzled.

“Listen well, I’ll keep the marriage contract first! It’s okay to divorce or tear up the marriage contract! Can you let me come? What are you guys, you dare to point me to my mother!”

“Or, you can just go to Tyrone Garrison to resign!”

Levi Garrison looked at the crowd and said coldly.

If this group of people speak well.

He also tore up the marriage contract.

Dare to blame his mother.

He refused to agree.

The marriage contract is not so easy to tear up!

“you.....”

Everyone stared at Levi Garrison.

“you dare!!!”

Dakota shouted coldly.

“Hurry up! If you want to tear up the marriage contract, let sonam come personally! Others don't count!”

Levi Garrison said angrily.

“You... I think you just don't want to divorce! Deliberately take the marriage contract! Just want Sister sonam to marry you, right?”

“Levi Garrison, don't be shameless, you are not worthy of sister sonam! She is the number one beauty in Oakland City, and the jewel of the royal family Jiang family! What qualifications do you have?”

“Yes, not to mention that you have a wife and you are pregnant. Even Niko who likes sister sonam can torture you!”

Everyone shouted angrily.

“Ho ho, the more you do this, the less I can tear the marriage contract! Unless sonam comes in person!”

Levi Garrison gave an order.

Gerd immediately led the people to drive these five people out of the Morris Group.

Although the five were angry.

But I also know the reason why the dragon can't suppress the snake.

“I think that Levi Garrison has an idea for Sister sonam, even if he doesn't want to marry her, he still has to use the marriage contract to blackmail Jiang's family!”

bhavika analyzed.

“What shall we do now?”

Several others asked.

“Hurry up and tell Sister sonam and Jiang's family the matter? Let them take care of it!”

Dakota said.

Just then Louis's phone rang.

"It's from nio! He has been paying attention to the divorce situation!"

Louis answered the phone.

"Niko had an accident. Levi Garrison didn't want to divorce, so he took the marriage contract away! He asked Miss Jiang to come and divorce herself!"

Louis told Niko everything.

Niko on the other end was about to explode.

"Outrageous!!!"

"You stay in North Hampton for the time being, I will personally resolve this matter with sonam!"

Niko's icy voice came.

Everyone was happy.

1081

The ruthless man who was second on the list of Masters of the Capital had to personally deal with Levi Garrison.

There is a good show here.

The thought of Levi Garrison's attitude just now drove them out.

They exploded with anger.

Does he dare not tear up the engagement?

Capital.

Royal Jiang Family Manor.

The woman wore a long white dress, like a fairy descending to the earth. ..

A melon seed face has clear lines and delicate features, which is so beautiful that it is suffocating.

A pair of apricot eyes seemed to flood a pool of autumn water, revealing a hazy feeling.

Her figure is even more graceful and exquisite, better than a model.

This woman is sonam, who has the title of No. 1 Beauty in Oakland City.

Is the dream lover of countless men in the capital.

But there is no one who dares to pursue her, even if he likes it, he has to have a crush.

This includes Niko, who is second in the list of the sons and also from the royal family.

After all, sonam and Levi Garrison have a marriage contract, and everyone is afraid of the Garrison family.

“Miss, the lord wants you to go over and say there is an important thing!”

The servant knew it all.

sonam soon came to the Jiang family chamber.

Her grandfather Lucca and father Alonzo are both here.

sonam was smart, and immediately asked: “Grandpa, is there a problem with his father’s divorce?”

“Yes, that’s wrong. Levi Garrison doesn’t agree to tear up the marriage contract unless you find him yourself!”

Alonzo sighed.

sonam became anxious: “What does he mean? He has a wife and children, why does he bother me? Isn’t it enough for me to hurt me all these years? Is it going to drag me for the rest of my life?”

The Jiang family is the same.

Obviously Tyrone Garrison contributed to the marriage contract.

But no one dared to say that Tyrone Garrison was not.

Only think that the culprit is Levi Garrison.

Think that Levi came to harm her.

So she can’t fall in love, let alone marry.

But Levi Garrison didn’t know all this at all.

“We don’t know his purpose either.”

“At present, only two can be guessed. First, he wants to marry you and does not want to void the marriage contract; second, he wants to blackmail us severely through the marriage contract.”

Lucca sighed.

“Unreasonable!!!”

“There is such a man! I will never look down upon such a man!”

sonam said angrily.

“Then father, what about grandpa?”

sonam asked.

“Now it seems that only you have gone to North Hampton in person. As long as he doesn’t make unreasonable requests, we will try to agree and agree!”

Alonzo said.

Lucca showed a trace of worry: “I can’t worry about sonam going alone!”

“Father, don’t worry, I will send more staff, sonam is safe!”

Alonzo said.

“No, I’m not worried about this! I’m worried that sonam will not be able to solve this matter if he goes.”

Alonzo's brows wrinkled into a word: "We can't follow this matter, right? This is not appropriate!"

"Grandpa Lucca, Uncle Alonzo, I will accompany sonam!"

Along with the voice, a tall figure appeared.

The youth was handsome and cold-looking, and exuberant.

He is Niko.

sonam's eyes lit up when he saw Niko.

Among her many crushes, she is more optimistic about Niko.

After all, everything is approaching perfection.

Under the family, he ranked second.

"It's inappropriate for your elders to come forward. It is inevitable that they will be left behind. After all, this is the Garrison family!"

"It's up to me to solve it! I promise Levi Garrison to tear up the marriage contract! After that, the Ling family will come to propose marriage! I will marry sonam as his wife!"

Niko promised.

CHAPTER 1082

Lucca and Alonzo were very satisfied: “That’s great! If Niko goes, this will definitely be resolved!”

If Levi Garrison was unwilling, it would be a big deal that Niko forced him to tear up the marriage contract.

Everyone is very satisfied with Niko.

Except for the younger brother of the Choe family, he is second on the list of sons!

Fully worthy of sonam.

He has also been waiting for sonam.

Subsequently, Niko and sonam went to North Hampton.

North Hampton is here.

Emma was dissatisfied with Levi Garrison's refusal to tear up the marriage contract.

By doing this, Levi Garrison was setting up an enemy. m.bg.

None of the people in the capital can't afford it.

Morris Group is too weak in front of these people, it is simply vulnerable.

Even Zoey knew about this.

She joked: "You keep the marriage contract, do you want to marry a baby?"

"As long as you agree, I don't care! Hehe."

"screw you."

Zoey pinched Levi Garrison fiercely.

"I just can't understand their superior attitude. If I don't bow my head, I will never tear up the engagement!"

"Anyway, it has no effect on me, my child is about to be born."

Levi approached.

"You take care of it, just don't make things bigger!"

Zoey said helplessly.

She was really afraid that Levi Garrison would set up other enemies.

After all, these people are all from the capital.

In the evening, sonam and Niko came to North Hampton, and a dozen masters followed them.

“Niko, sister sonam, Levi Garrison is so arrogant, and he drove us out!”

bhavika cried a few people.

“It’s normal, can you make a gambling contract with Garrison family if you are not arrogant?”

Niko said coldly.

sonam’s pretty face was cold and frosty: “I heard that many people judge him as a lunatic! It’s normal to do such strange behavior!”

“Sister sonam, if this lunatic still doesn’t tear up the marriage contract, what should I do?”

Dakota asked.

“Dare he?”

Niko was angry.

“Let’s go! This time, he was to divorce, he dare to say nothing?”

Niko shot a wave of cold light in his eyes.

Soon everyone came to the villa area where Levi Garrison lived, and they were stopped outside.

“We are from the capital, I am Niko, let me in quickly!”

Niko directly stated his identity.

But the guards responsible for defending the villa area sneered: “I don’t care where you come from, I don’t know! Everything is in accordance with the rules!”

“you.....”

Everyone is going to explode.

For a long time, their status as the capital, where is not considered a guest?

It was stopped by a few small security guards.

“A small place is a small place, I haven’t even heard of Niko’s name!”

Several people sneered, with a high expression.

People from Oakland City have always had a natural sense of superiority to other places.

It is the orthodoxy that they are at the feet of the emperor, and the others are just side support.

Seeing this, Niko sneered: "Levi Garrison came out in this environment, no wonder he didn't even pay attention to the Garrison family. Now I understand that these people are completely behind closed doors."

sonam agreed with this point of view: "Isn't there such a sentence? Those who don't know are fearless, ignorance can really make people self-confident and arrogant, blindly ignoring everything. In fact, he is only in a small place, not the real world."

1083

"What are you doing? Who are you looking for?"

The security asked.

"Okay, my name is sonam and I come from Oakland City. I come to Levi Garrison, and you tell him my name, and he will naturally come out to see me."

sonam said.

The security guard will be back soon.

“Mr. Garrison said, he is empty and is still eating, let you wait for a while!”

Niko was about to explode.

He has always been a decisive man.

This is the least likely to happen.

“Dare to let us wait? He really regards himself as a character? Unreasonable!” mi. c

He is the youngest of the royal family in the capital.

It is also the second existence on the capital list.

Let him wait for someone?

How can it be?

Where does this put his face?

sonam was cold and angry.

“Forget it, let’s wait! The most important thing is tearing up the marriage contract, the other things are small things.”

sonam felt that he had to wait.

Wrong.

Levi Garrison was indeed eating.

But this meeting has finished eating.

He was chatting with Azure Dragon.

“God of War, I heard that sonam and Niko came here, and Niko is still second on the list.”

Phoenix’s information is first-rate.

From sonam and their actions, they are under her control.

Speaking of this, Azure Dragon’s face changed, and the different color that flashed in his eyes was still caught by Levi Garrison.

“Azure Dragon, I remember you are from the capital?”

Levi Garrison asked.

Azure Dragon nodded.

Levi Garrison remembered that Azure Dragon, like him, was a seedling selected in prison.

Of course not everyone has the opportunity.

First of all, someone who has been wronged like Levi Garrison has a chance to be selected.

These matters are clearly investigated above, but they involve confidentiality issues, so they will not announce the unjustified matters.

So Levi Garrison knew that Azure Dragon had been wronged when he went to prison.

After being selected, he had lived a life of nine deaths before he had his current status.

“Azure Dragon, why did you go to jail in the first place?”

Levi Garrison asked.

Azure Dragon hesitated, then said: “Go to jail for someone!”

really.

Azure Dragon was also wronged.

That's why he was selected to enter the barracks.

Levi Garrison asked curiously: "Don't mind talking about the details?"

"Yes, it just so happens that Niko reminds me of some past events!"

Everyone looked at Azure Dragon and listened to his story.

"Actually, my background is not bad! Except for the top ten royal families in Oakland City, my family Azure family ranks first!"

As soon as Azure Dragon said this, everyone took a breath.

It turns out that Azure Dragon still has this background?

"I am the boss of the younger generation of the Azure family, and I can be considered as the heir in terms of ability. According to the rules, I should be the heir, but I have a younger brother, Kenzo, who is better than me in all aspects, so my grandfather directly gave him the position of heir. I think he is the future hope of the Azure family!"

"I have to bear this, who told me that I am inferior to him. But what I did not think was that Kenzo once committed a major mistake, even the royal family could not keep it, and must go to jail for 20 years! The Azure family actually pushed me out, Go to jail instead of him!"

"Everyone in the Azure family agreed, and my parents can only compromise."

"What's even more hateful is that after sending me to jail, Kenzo turned around and married my fiancée!"

He also said in front of me that he would take care of my fiancée for the rest of my life! What bitch is also embarrassingly hugging each other!”

Speaking of this, Azure Dragon already has a monstrous anger on his body.

After listening to what Azure Dragon said.

Everyone is short of breath.

Sure enough, the giants are as deep as the sea.

Unimaginable things will happen.

1084

awful!

It's too awful!

It turned out that Azure Dragon was no less bearable than Levi Garrison.

At least Levi Garrison and Zoey waited silently for six years.

But Azure Dragon has nothing.

Only the unfeeling family members and the betrayal of his fiancée.

No wonder Azure Dragon has never mentioned his family for so many years.

So that others thought he was an orphan.

“Kenzo? Isn’t it the Kenzo who is ranked number one in the capital list?”

Phoenix asked.

She already knew everything about the list of young masters in Oakland City. ..

“Yes! Wrong! Kenzo is super capable! No matter in any aspect! He deserves the first place in the list!”

“He has this capital, which is why the entire Azure family must protect him!”

“Before I met you, I thought Kenzo was the strongest young man in the world! His horror made me feel terrified! At that time, no matter how hard I tried, I couldn’t keep up with him.”

Azure Dragon sighed helplessly.

“The most important thing is that my fiancée actually said that only the strongest is worthy of her, and I am not worthy! I don’t want to catch up with Kenzo’s footsteps in my life! But I was unable to refute it because Kenzo was naive at that time. It’s so horrible, one person crushes everyone in the younger

generation in Oakland City! He will make people desperate!

Speaking of this, Azure Dragon is just like going crazy.

“I can only watch this bitch throw into the arms of others!!!”

Levi Garrison stared at him and asked, “Do you still feel that way? Are you still afraid?”

Azure Dragon laughed suddenly.

After these years of experience, both his strength and mood have reached an unprecedented level.

The former Kenzo-his nightmare, is no longer enough to be afraid.

In fact, he was looking forward to a battle with Kenzo in his heart.

To everyone in the Azure family, to that b*tch, to prove that he is better than Kenzo.

Their original decision was wrong!

“Then do you want to go to Azure’s house?”

“Do you want to prove that you are better than Kenzo? Do you want to prove to that b*tch that her choice was wrong? Do you want the entire Azure family to regret it?”

Levi Garrison asked again and again.

After hesitating, Azure Dragon nodded.

This has always been his goal.

It is one of his dreams.

How can I not think about it?

Now where his duties are, he can't go either.

"Okay, I support you! You know, I will go to the capital sooner or later! Then you will be the first to take the Azure family! We will turn the capital upside down!"

Levi Garrison patted Azure Dragon's shoulder heavily.

"Boss, with you standing behind me, I am fearless! I will prove this battle for myself and God of war!"

Fire was burning in Azure Dragon's eyes.

He can't wait.

...

The conversation between Levi Garrison and the brothers quickly passed.

sonam, who was waiting at the entrance of the villa area, broke down.

There were no people in sight for half an hour.

No one can be seen for an hour.

No one has been seen in the past three hours.

If it weren't for sonam to hold Niko tightly, I'm afraid that this man would have rushed in and overturned the villa area.

"Eat a meal for three or four hours? Who believes it, this is intentional!"

Everyone is in a state of rage.

"After ruin the marriage contract, I will find Levi Garrison to settle the account again! If he knocks me ten bangs, this matter is not over!"

Niko roared angrily.

Finally, after waiting for another half an hour, Levi Garrison appeared.

"Sorry, everyone has been waiting for so long!"

Levi Garrison smiled.

“I’m so sorry to forget that you are still waiting for me!”

Levi Garrison walked up with an apologetic expression.

“boom!”

Hearing Levi Garrison’s words, everyone was like a gunpowder barrel being lit.

The most important thing is their identity.

The young ladies of the two great royal families and five great royal families in the capital.

After seeing Levi Garrison clearly, Niko’s eyes were breathing fire.

“Let’s wait for nearly four hours and give me a reasonable explanation!!!”

Niko roared.

Originally, he was a patient with no patience. It was really tormenting for him to wait for four hours.

He had the heart to kill Levi Garrison.

sonam pulled Niko and motioned to him not to mess around.

“Okay, let’s not talk about this! I will tear up the engagement right away! I order you, right away!”

Niko condescendingly looked at Levi Garrison.

Levi Garrison’s expression turned cold: “Who the hell are you?”

“I am Niko!”

“I haven’t heard of it, go away and let sonam come in person!”

Levi Garrison didn’t give Niko any face.

Everyone: “...”.

They were all stunned.

They looked at Levi Garrison incredulously.

Niko was ignored. This was the second time today.

Second in the list of Princes in Oakland City, heir to the royal family.

Wherever you go, you don't want wind to get wind, but rain to get rain.

In a small place like North Hampton, it has been repeatedly ignored.

How can this be called Niko?

Angry!

"You are looking for death!!!"

Niko's murderous aura enveloped Levi Garrison.

The rattling atmosphere is on the verge.

"I'm sonam!"

sonam stood up in time.

She and Levi Garrison looked at each other.

But Levi Garrison's eyes made her very uncomfortable.

As if seeing her through at a glance.

He has a wife, so he still looks at people like that?

"What do you mean? Why are you staring at me? Please take care of yourself!"

sonam stared at Levi Garrison in disgust.

The look seemed to say: Even you want to marry me? Toad wants to eat!

She secretly said a bad voice, Levi Garrison was afraid that he didn't want to ruin the marriage contract, and even wanted to marry her.

Especially after seeing her face, I am afraid that I don't want to give up on myself.

After all, his biological father would abandon Emma's mother and son for Aria.

Presumably Levi Garrison would do the same, for she would abandon his wife and children.

Levi Garrison just wanted to see the No. 1 beauty in Oakland City, what's the matter?

It was misunderstood.

“The number one beauty in Oakland City? But that’s it, it’s even worse than my wife.”

After examining it carefully, Levi Garrison came to this conclusion.

He didn’t want to say at first, but this woman has such an attitude.

“you.....”

sonam looked angry.

Sure enough, Levi Garrison hated it very much.

When Niko heard the beloved woman being said by Levi Garrison, he became angry on the spot.

“Apologize! Apologize to sonam immediately!”

Niko pointed at Levi Garrison and roared.

Levi Garrison frowned: “Apologize? Why should I apologize?”

“You just said that sonam is inferior to your wife. This is the biggest insult to sonam! You must apologize to sonam!”

Niko was tough.

“Yes, there is something better than Sister sonam in this world? Impossible!”

“You must apologize to Sister sonam first!”

Several others had to force Levi Garrison to apologize one after another.

sonam thought the same way.

Because she was held in the palm of her hand by the Jiang family since she was a child, a true jewel in her palm.

There is no woman comparable to her.

In the end, Levi Garrison said that his wife was better than her.

sonam refused to agree.

CHAPTER 1086

This is a shame to her!

Since she became an adult, she has been firmly in the position of the first beauty in the capital.

No one really compares with her!

Even for a woman, comparing her with sonam is the greatest honor to her.

You can compare it, but you can't say that sonam can't compare.

"You must apologize to me about Levi Garrison!"

sonam stared at him coldly.

"Absurd, absurd! I have never even apologized for hearing this kind of thing!"

Levi Garrison laughed.

An unprecedented first encounter.

I have to apologize for the first time I heard of comparison. mi. c

"Levi Garrison, you don't understand the status of sister sonam in the capital. You have been the first beauty for nearly ten years! Who dares to compare her? You dare to say that she is inferior to your wife. You are insulting sonam. sister!"

bhavika said angrily.

In fact, what she said was wrong. In Oakland City, everyone thinks so.

But in Levi Garrison's eyes, these people are just a bunch of neuroses.

"Apologize? Impossible! If nothing happens, I'm leaving."

Levi Garrison turned around and left.

"Stop, did I let you go?"

Niko roared, stopping in front of Levi.

"Apologize! Immediately! I order you to apologize immediately!"

Niko was already on the verge of running rampant and couldn't bear it.

Levi Garrison smiled: "What if I don't apologize?"

"Then don't make me cruel!"

Niko clenched his fists tightly, and made a crackling sound.

As the second in the capital list.

Not only the super strength in other fields, but also the powerful force.

Niko has been practicing martial arts since he was a child, and has long been proficient in horizontal kung fu, claiming to be invulnerable.

The bullet couldn't hurt him...

Seeing that the war was about to start, sonam quickly resolved: "Okay, I will bear it! You don't need to apologize, but you must tear up the marriage contract and give me a free life!"

Thinking of the main purpose, Niko also endured it.

As long as the marriage contract is torn up.

It would not be too late for him to retaliate.

"Yes, quickly tear up the engagement!"

Others urged.

"You also know that you are here to tear up the marriage contract? So why are you talking so much nonsense?"

Levi Garrison asked rhetorically.

"This....."

Several people looked embarrassed.

sonam's reaction was the fastest: "Then you tore the marriage contract quickly, and we won't have any connections in the future."

"Now I want to tear up the engagement? I'm afraid it's not that simple!"

Levi Garrison said coldly.

If they talked hard just now, wouldn't they be tearing up the engagement?

It's not a big deal, just a little effort.

But how could he bear this attitude?

"what???"

All of them were dumbfounded and looked at Levi Garrison in disbelief.

This is a rascal.

He didn't even want to tear up the marriage contract.

"You...what did you say? Don't you want to tear up the engagement?"

sonam increasingly decided that Levi Garrison was going to marry herself.

He is going to abandon his wife and children.

From the previous look to the present behavior.

But can this kind of person come into her eyes?

It can even be said that sonam's vision is higher than the sky.

Like the top three on the list of Young Masters in Oakland City, she didn't even see it.

She felt that only the sons of a few big families could be worthy of her, such as Damien.

A Levi Garrison to accompany her?

Just kidding!

"Hahaha... Sure enough, we have already expected Levi Garrison what you will do! Let's talk, what are the conditions to tear up the engagement? Of course it is not acceptable to marry sonam!"

Niko asked.

1087

Everyone knows it well.

Levi Garrison had only two purposes for not tearing up the marriage contract-to marry sonam or to blackmail a sum.

“Well, of course it is conditional!”

Levi Garrison smiled.

Everyone’s faces twitched.

Sure enough.

“All of you apologize to me, to my mother, I will tear the marriage contract! Especially you kneel down and apologize to me!”

Levi Garrison pointed at Niko.

As soon as these words came out, sonam and the others were stunned.

No blackmail?

It turned out to be an apology? ..

How is it possible to apologize?

They are the elders and young ladies of the royal family, how can they condescend to apologize to a b*stard?

Don't say they were wrong, even if they were wrong, they would not apologize.

"You want me to apologize on my knees? You wishful thinking, I knelt to apologize, can you bear it?"

Niko sneered.

sonam pursed her lips and said arrogantly and coldly: "Levi Garrison, even if you ask for money or something, as long as you say it, we can satisfy you. As for it's impossible to apologize!"

"We are wrong again, why should we apologize? What's more, it's you. If we apologize, wouldn't we be laughed at?"

sonam was firm and could not apologize.

"No mistake? Good, good, since I didn't realize the mistake. It seems that I can't apologize? Then don't want to tear up the engagement!"

"When did you recognize the mistake? Come to me again!"

After speaking, Levi Garrison turned and entered the villa.

Niko was about to stop.

“Wow...”

However, they saw a group of figures appearing around them, surrounding them round and round.

“Dare to make trouble in North Hampton, have you asked us?”

There are hundreds of people around, not to mention.

Niko was about to get angry and was pulled by sonam.

“It’s best to resolve it peacefully! Let’s go back and discuss it first!”

sonam doesn’t want things to mess up, what if the Oakland City Garrison family blames it?

“Just bear it like this? I don’t accept it!!!”

Niko was panicked.

After they go back, they will discuss together.

“We apologize? But what’s the point of our mistake?”

Everyone looked blank.

Usually they are used to being domineering and arrogant.

Treating others is this attitude.

Never felt anything wrong.

After all, when other people saw them, they all had to bow to their knees, and it didn't matter if they had a strong attitude.

Everyone thought for a long time, but they couldn't figure out where they were wrong.

At this time, sonam suddenly said, "Does Levi Garrison think we have a strong attitude towards him? Have you ever spoken harshly to his mother before?"

After sonam's reminder, everyone reacted.

"That's true! We did to mother before! But what we said is the truth, it was his mother who destroyed you, sister sonam!"

"Isn't it, if you don't have his mother, sister sonam would have been married long ago!"

Even if they knew where Levi Garrison was angry, they still felt wrong.

"Just take this to make us apologize? Is this kid deliberately embarrassing us? He wants me to apologize on my knees? Impossible!"

Niko looked aloof.

“Then what shall we do?”

bhavika asked.

Asking them to apologize is as uncomfortable as eating flies.

Noble, they apologized to a b*stard. After this spread, how could they still mix in the capital circle in the future?

“Listen to me, I’ll catch this b*stard in a while! Force him to tear up the marriage contract!”

“sonam, don’t worry, this thing is very simple, don’t have to be so troublesome!”

Niko sneered.

sonam, who had nothing to do, could only agree.

1088

At midnight.

Niko brought all the masters to the outside of the villa area.

sonam and others were waiting outside.

“sonam, don’t worry, it’s a trivial matter! I don’t care about the little North Hampton!”

After Niko finished speaking, when he took his men to catch Levi Garrison, the phone rang.

After Niko answered the phone, it turned out to be Damien.

“Hello, Damien!”

The invincible Niko immediately nodded and bowed as if he had changed himself, with a flattering face.

No matter how strong his family is, they are all ants in front of the Garrison family.

“I heard you are going to deal with Levi Garrison?”

Damien’s voice was cold. m.bg.

“I’m.....”

Niko hesitated, but still admitted.

“I know that you like sonam, and you also broke the marriage contract for sonam! But things have to be handled peacefully, understand? Levi Garrison is a b*stard, and it has something to do with my Garrison

family! You did something extraordinary. , Is to beat Garrison family's face, understand?"

Damien warned.

At this time Niko was already in a cold sweat.

Fortunately, it was a step slower.

Otherwise, something big will happen just now.

He didn't think about this before...

How about Levi Garrison?

But because of the gambling around the world, everyone in the world knows his relationship with Tyrone Garrison.

He wanted to do something extraordinary, really just to despise the Garrison family.

A simple act might kill the Ling family.

"Understand, Damien!"

Niko took a deep breath.

"what's happenin?"

Everyone looked at Niko suspiciously, his face turned pale.

“Levi Garrison can’t move! I have to find other ways to solve it!”

Niko told everyone Damien’s warning.

“What can I do? Is it all left to apologize?”

Everyone looked helpless.

The next day, Levi Garrison took care of Zoey as usual.

As for this matter, he almost forgot.

After all, a group of insignificant people is not worth taking care of.

At this time, sonam and his party found him again.

“How? Realized the mistake?”

Levi Garrison asked.

sonam’s attitude was quite gentle this time, and he nodded: “Well, we realize we are wrong!”

“Mr. Garrison is here. I apologize to you and your mother. We had a bad attitude before and ask for your forgiveness!”

In order to tear up the marriage contract and restore freedom, sonam went out.

Bear it!

Just eat a fly!

Others also apologized reluctantly.

Apologizing to Levi Garrison was too shameful for them.

In order for sonam to tear up the marriage contract, they did it!

Even Niko whispered: “I’m sorry, I had a bad attitude before!”

“Say what? Your voice is too low!”

Levi approached.

“I am sorry!”

Niko was taken aback for a moment, then raised his tone.

Levi Garrison smiled: “It seems that you are really aware of your mistakes.”

sonam smiled and immediately asked: "So you are willing to tear up the engagement?"

"Of course you can tear up the engagement! But your apologies are not enough!"

Levi Garrison said coldly.

"What? Are you going to turn back? We all apologized!"

sonam was anxious.

Levi Garrison's gaze fell on Niko's body: "Have I ever said to make him kneel and apologize?"

"you....."

Niko exploded with anger.

Originally apologizing to this b*stard was the most humiliating thing in his life.

Ask him to kneel down and apologize to Levi Garrison?

impossible things!

"If he knelt down and apologized, I would immediately tear up the engagement!"

Hearing Levi Garrison's affirmative answer, sonam and others looked at Niko in unison.

"No, no, no...how can I kneel to him? sonam can't do this!"

Niko looked at Levi Garrison again: "You change your terms, kid, I promise you!"

"No, I just want you to kneel down and apologize!"

Levi Garrison was determined.

Niko really wanted to kill Levi Garrison on the spot.

But thinking of Damien's reminder, he still held back.

"Brother Niko, please help me this time! I really don't want this marriage contract to consume me again!"

sonam pleaded.

Niko hesitated for five minutes before taking a deep breath and agreeing.

“Okay, I’ll help you!”

Niko knelt down in front of Levi Garrison with a thud, and said loudly: “Mr. Garrison, I was wrong! I apologize to you and ask you to forgive us!”

This kneeling meant that Niko’s dignity had been trampled on.

It was equivalent to Levi Garrison stepping on his face with one foot.

But for the beloved woman, he endured it.

“Well, it’s almost the same!”

With that, Levi Garrison took out the marriage contract and tore it up in front of sonam.

“sonam, listen carefully. From then on, our baby is torn up. I have nothing to do with you anymore. I hope you don’t harass me again!”

Levi Garrison said coldly.

“Ok?”

This made sonam stunned.

Shouldn’t she say this?

Why did you become Levi Garrison?

“Don’t worry, I won’t harass you. Because you don’t have the qualifications!”

sonam said proudly.

“Yes! I think this is the biggest difference in history, there is no one!”

“Sister sonam and you are like a toad who wants to eat swan meat!”

bhavika shouted a few people.

sonam sneered: “Levi Garrison, you said I’m inferior to your wife, but I want to see where the inferior is? It is no exaggeration to say that for so many years, I have never seen a better woman than me!”

She was scrupulous about the marriage contract just now, and now that the marriage contract is torn up, she dare not say anything.

“Well, it’s wrong! Don’t say that I am married now. Even before I get married, if you and Zoey are two people, I will choose Zoey! Because she is better than you!”

Levi Garrison said.

The words came out.

The audience was silent for a few seconds.

sonam looked incredible.

In Levi Garrison's heart, her first beauty is really inferior to his wife?

"That's why you are willing to tear up the engagement?"

sonam asked coldly.

"Yes, it's wrong!"

"You will regret it! When you arrive in the capital, you will understand that you made a terribly wrong decision! You will regret choosing her and not me!"

sonam roared.

This time when she came to North Hampton, she appeared without makeup, her hair was messy, her clothes were simple, and she was not dressed up at all.

Very low-key.

In order to prevent Levi Garrison from thinking about her in any way.

How could this be the result...

But now after Levi Garrison tore up the marriage contract, her heart was unbalanced.

She even had the urge to let Levi Garrison choose her.

After all, she can't lose to Zoey.

"The day you came to the capital, I will appear in the most beautiful posture, then you will know what amazing is! You will be ashamed of what you said today!"

sonam was ready. Next time, he packed up the tickets and stood in front of Levi Garrison, making him regret it.

"sonam don't need it, I will make him regret it now!"

Niko couldn't bear it anymore.

He looked at Levi Garrison murderously.

1090

He can no longer care about other things.

He could suffer humiliation himself, and even knelt down to Levi Garrison.

But it must not be tolerated that sonam was cancelled.

He was full of thunderous aura, pressing towards Levi Garrison step by step.

Thinking of everything before, he couldn't wait to kill Levi Garrison.

"Dragon!"

sonam and others wanted to stop it, but it was too late.

"Snapped!"

Just heard a clear slap in the face.

Everyone was dumbfounded.

Even Niko was dumbfounded. ..

Because it was Niko who was beaten.

This is what no one thought of.

Niko himself did not react.

“You...do you dare to hit me?”

Niko stared straight at Levi Garrison.

“Snapped!”

“Snapped!”

“Snapped!”

...

Levi Garrison opened his bow left and right, and slapped Niko’s face with several slaps.

Everyone was dumbfounded.

Really dare to do it...

Soon, Niko’s face was swollen like a pig’s head, and there was blood overflowing at the corner of his mouth.

He stood in front of Levi Garrison, breathing heavily.

A torrent of anger emanated from him.

“I will kill you!”

Niko was as crazy as he was, and he was bound to kill Levi Garrison.

“No...”

sonam quickly stepped forward and hugged Niko tightly.

If this kills Levi Garrison.

Then the Garrison family must blame it!

No one can afford to...

The persuasion of several people poured cold water on Niko, which made him sober a lot.

Thinking of Damien’s warning, he could only endure it.

“You... wait for me, one day you will die in my hands!”

Niko left a word and turned to leave.

sonam looked at Levi Garrison with a complicated expression.

It stands to reason that after tearing up the marriage contract, she has nothing to do with Levi Garrison.

But she was not convinced.

She vowed to let Levi Garrison see her most beautiful side and make him regret it.

After the group left, Azure Dragon walked out.

“The boss should have let me come just now!”

“I want to hit the list of young masters in Oakland City from beginning to end! Let the Azure family know what regret is!”

Azure Dragon was obviously holding a breath.

“Don’t worry, your chance will be indispensable then!”

Levi Garrison smiled.

sonam and his party returned to the capital.

And the story of her tearing up the engagement with Levi Garrison quickly spread.

It even reached Tyrone Garrison’s ears.

“Even so, let the family divorce? It’s really useless. How can I, Tyrone Garrison, have such flesh and blood?”

Tyrone Garrison was extremely angry.

I think it was Levi Garrison's lack of ability that made people divorce.

"Indeed, it's shameful! Even though he is a b*stard, he represents the face of my Garrison family!"

"The tearing up of the marriage contract this time made us all a joke in the capital!"

The others were dissatisfied.

Aria said: "Indeed, even if we don't say it, others will treat him as related to our Garrison family!"

"For example, Niko's face was swollen when he was slapped by this b*stard, but he did not dare to fight back, so he could only endure it!"

When Tyrone Garrison heard this, he immediately said: "This is not good, how can I let this b*stard do things under the name of the Garrison family? In this way, no one dares to move him, and he still doesn't do what he wants?"

Damien argued: "But father, he has something to do with the Garrison family after all, and when it gets bigger, it's the face of the Garrison family!"

Damien advocated that no one else could move Levi Garrison, so he called Niko to warn.

"Who said he was the face of the Garrison family? Only after a year's time he challenged successfully. At present, he has nothing to do with Garrison family!"
