

Chapter 775 Looking for Someone

The scene immediately became strange, and everyone's gaze was all fixated in Tang Yin's direction.

Tang Yin gave both men a flying kick, but he acted as if he had done nothing and patted the dust off his hands. Then, he got into the car as he talked and laughed with Ding Xuan.

“You evil man!” Xu Jiaxiong was shocked. He immediately stomped in rage and yelled, “How could such a villain be here in such broad daylight? Do you still have respect for the law? Do you have respect for the Han Family?”

Han Fei's expression was a little flushed when he heard those words. Han Fei was engaged to Xu Jiaxiong's daughter, and the original reason Xu Jiaxiong and

his wife were here in Shanghai was to discuss the wedding date, but they did not expect to encounter such a thing.

“Stop them!”

Han Fei was furious, and he waved his hand to the people around him. “He really thinks my Han Family’s power and influence is abjected and anyone would be able to trample over us?”

Han Fei’s seven bodyguards immediately took action and surrounded Tang Yin’s car.

“Tang Yin, I think there’s some problem!” Ding Xuan saw seven men surrounding the car before he even started the car.

“Just go ahead!” Tang Yin said softly.

Ding Xuan turned to look back at Tang Yin and subconsciously started the car. Fu Ying, who was sitting in the passenger seat next to Ding Xuan, seemed a little nervous.

“Do you want to go down and beat those guys up before we leave?” Those men still didn’t leave even when Ding Xuan had started the engine.

The leader among the bodyguards walked toward the window and knocked on the glass of Ding Xuan’s driver’s seat, with a cold expression on his face. “Get out...”

Ding Xuan smiled bitterly and turned to glance at Tang Yin.

Tang Yin was a little annoyed, and he

rolled down the car window. “Are you sure you want me to get out?”

“Get out!”

The bodyguard stared at Tang Yin impatiently with a sneer on his face. “You’ve laid your finger on someone that you shouldn’t, and now you want to leave just like that? How would there be such a good thing in this world?”

Tang Yin’s face sunk. “I’m going to give you one last chance, so you’d better get out of the way now! Or else, the consequences of this incident will not be something that you are capable of bearing!”

“Oh my...” At this moment, Han Fei walked over from a distance, and

glanced over at Tang Yin with disdain. “Are the people nowadays this presumptuous? I haven’t heard of anything like that before! What are the matters that the Han Family are not capable of handling here in Shanghai?”

Tang Yin was cool-headed. He really did not want to cause any trouble here.

“Get out of the car!” Han Fei widened his eyes and said grimly. “Get out of the car now, or I will make sure you die here!”

“Get out!”

“Indeed, we should teach this kind of person a lesson! Otherwise, he will really think that others will not care about him as long as he stays

uncultured.” Xu Jiaxiong trailed behind him, and looked at Tang Yin smugly.

Tang Yin took a deep breath and opened the car door slowly.

“B*stard, I will get you killed today! Get him!” Han Fei motioned his hand to the men around him as soon as he saw Tang Yin come out of the car.

Several bodyguards around him rushed toward Tang Yin instantly. However, before they could even see Tang Yin’s movements clearly, a pop sound was heard from their ears.

The sound was so clear that everyone who heard it, felt that it was just an illusion.

Chapter 775 Looking for Someone

Tang Yin stood in front of Han Fei, and gave him a slap that sent him flying. By the time the people around him realized what was going on, Han Fei had fallen to the ground with a face full of disbelief.

“H-How dare you hit him?” Xu Jiaxiong’s expression changed drastically.

“How could you be so uncultured? How dare you beat someone up in public? Don’t you have respect for the law?” Xu Jiaxiong’s wife was like a shrew as she tried to come up and grab Tang Yin.

Tang Yin pushed Xu Jiaxiong’s wife away and stared at Han Fei coldly. “I did not intend to embarrass the Han Family in the first place, but since you are so insensible, you shall return and inform

Han Siyu to meet me at the Merlington Park in an hour."

"Who the hell do you think you are?" Han Fei was furious, and he hurriedly got up. "Get him... I want you to break this b*astard's leg!"

As soon as Han Fei finished his words, the bodyguards around him rushed toward Tang Yin.

Tang Yin raised his eyelids and sent two men flying by giving them each a punch and a kick. The remaining bodyguards who witnessed the scene were so frightened that their faces turned ghastly pale, as they stood there frozen.

"Go on, what are you waiting for?" Han Fei howled furiously.

Chapter 775 Looking for Someone

Tang Yin turned to look at Han Fei coldly, and returned back to the car.

Ding Xuan chuckled as he started the engine and drove toward the exit of the airport.

"I'm afraid that the Han Family will be in trouble again?"

Tang Yin shook his head and fell silent. He really did not want to get on the fragile nerves of the members of the Han Family. Since the day Han Qi jumped into the shark feeding platform, Tang Yin had been thinking of using a gentler method to appease the members of the Han Family. However, sometimes things just won't go the way as expected, and Tang Yin had no choice but to get himself involved

again.

"Do you plan to stay in Shanghai for a few more days during this trip of yours?" Ding Xuan hurriedly changed the topic when he saw that Tang Yin was silent.

"I'll think about it once I return to Tang Island after I am done with treating your illness!" Tang Yin let out a sigh of relief.

"Treating my illness? Since when was I ill? Let me tell you, I'm currently as fit as a fiddle, and even your sister-in-law is unable to handle me in bed!" Ding Xuan spoke casually.

Fu Ying was sitting in the passenger seat next to Ding Xuan. She immediately flushed and disagreed softly upon hearing that.

Tang Yin also smiled faintly without explaining it any further. The car headed straight toward Merlington Park as Tang Yin got out of the car and walked inside.

The park wasn't really a well-known place in Shanghai, but it was located in a great spot. Ding Xuan and Fu Ying had been living in this park for quite some time.

"The Han Family has not taken any action for the time being, so I think they're waiting to act according to the situation..." Ding Xuan got out of the car and trailed behind Tang Yin.

Tang Yin sighed softly. "Give a call to Han Siyu and ask her to meet me here!"

"Sure!"

Chapter 775 Looking for Someone

They entered Merlington Park and looked for a relatively quiet room, while Fu Ying served them drinks, which can be considered to be an understanding wife and loving mother.

Meanwhile, Han Fei had arrived back at the Han Family's house.

The Han Family really remained quiet without any action in Shanghai during this period of time. One of the reasons was because the death of Han Qi that caused a great turmoil to the Han Family, and the other reason was that Han Siyu had taken over the position of Han Qi, and the Han Family also needed internal integration.

The Han Family was always considered a first-class family in Shanghai, but

Chapter 775 Looking for Someone

what made them a laughing stock in Shanghai was their custom of having their women being the masters in charge. It wasn't really a custom of theirs; it was just that the men from the Han Family didn't have the talent in managing their business.

As the head of the Han Family, Han Qi also trained Han Siyu emphatically.

As the second generation of the Han Family, Han Fei wasn't ambitious at all. All he did was enjoy his life by eating, drinking and playing all day long. All he cared about was the reputation of the Han Family, and he would never allow the outsiders to criticize him or his family. He would only know how to seek help from the women to solve his problems. So, after he returned home,

Chapter 775 Looking for Someone

the first person that he looked for was his cousin, Han Rui.

“How would a stranger like him dare to hit the members of our Han Family?” Han Rui’s expression became gloomy when he heard what Han Fei said.

“Rui, he hit me and said that he wanted Siyu to meet him...” Han Fei gritted his teeth and replied.

“He’s going to be so dead!” Han Rui slammed the table and walked toward the door. “Although we can’t provide any help in terms of the family business, we must not ruin the reputation of the Han Family...”
