

## The Return of the God of War [The Protector] Chapter 2501

Other people, including Ye Wudao, had never seen Killing Dao.

But Ye Longtian still met them!

At this time, the killing knife that Ye Zhantian took out turned out to be broken!

What happened?

Could it be that what happened to Ye Zhantian?

All the killing knives are broken?

As soon as he came back, everyone felt his abnormality!

Combined with the killing of the knife, I'm sure something must have happened.

"Ah? How did the killing knife break? Did you not tell us something?"

Everyone asked.

At this moment, Ye Zhan really wanted to tell the story of how easily he was defeated.

But then I think about it-I represent the ancient Garrison Clan and want to conquer Daxia.

If this matter is said!

It will be a heavy blow to the ancient Garrison Clan!

Everyone's spirits might be gone.

It can even be said that it directly hit the Garrison Clan's vitality!

Besides, it has a great influence on his own face...

The king of beasts who used to be the king of tigers roars in the mountains, but he was beaten into a crying sick cat...

He is also a face-saving person!

I don't want the family, the younger generations are disappointed in myself...

"I will explain the matter of killing the knife and the sudden return of me..."

Ye Zhantian said, "Actually, I broke the knife by myself... Over time, I was too murderous and committed too many crimes of killing karma! If I continue to kill like this, I am afraid I will become a devil and become a machine completely!"

“In order to reduce my killing, I deliberately cut off the killing knife. Come back again, be quiet for a while!”

Ye Zhantian made up his reasons.

Everyone believes it!

After all, no one can defeat Ye Zhantian in the recognition of Ye people!

No one can cut off the killing knife!

This is absolutely impossible!

therefore.

Everyone believes this reason!

“Then Uncle, you don’t even go to sanction Levi Garrison the day after tomorrow?”

Ye Wudao asked hurriedly.

He wants to give Levi Garrison and Tiance Mansion a prestige!

If Ye Zhantian didn’t go, wouldn’t his plan fail?

Ye Lingtian and his ilk also became nervous immediately.

But I can't interrupt their plan...

Ye Zhantian shook his head, "No, I will go! Levi Garrison must be punished! His children must also be taken away, Tiance Mansion..." When it

comes to Tiance Mansion, Ye Zhan Tian's face changed.

Although he didn't know who Levi Garrison was, he was from Tiance Mansion next to him!

"Tiance Mansion, let's talk about it! Anyway, after the sanctions on Levi Garrison, I need to be quiet for a while!"

Ye Zhantian needs to stay in seclusion for a period of time to soothe the hurt in his heart.

Levi Garrison's sword test brought Ye Zhantian great pain.

"That's really great!!!"

Ye Wudao and the others got excited immediately after getting an affirmative answer.

Next, everyone began to appreciate the research to kill the sword.

"It's terrifying? It's a weapon that is more powerful than the sword and the sword!"

"Don't

talk about the complete killing knife, it's this half. Looking at the whole world, who dares not accept it?"  
"I'm going, I heard countless complaints. The sound of the struggling spirit, my soul was almost sucked in..."

"Horrible! Terrible! This is the strongest weapon I have ever seen! No one..."

...

Everyone began to praise how powerful the killing knife was... It's

just that Ye Zhantian avoided far away.

I don't want to hear the slightest praise about the killing of the sword... the

killing of the sword has been defeated!

The failure was a mess!

"Okay, don't watch it! Get out of here!"

Ye Zhantian couldn't listen anymore when everyone continued to praise him.

If this continues, he can't help but beat others.

Therefore, quickly drove everyone away!

Put away the “shame” killing knife.

“Uncle Uncle remembers to sanction Levi Garrison the day after tomorrow!”

Ye Wudao did not forget to remind him.

“If you want to blame Levi Garrison, you will be unlucky!!!” Ye Zhantian wanted to cast all the anger on Levi Garrison.

## The Return of the God of War [The Protector] Chapter 2502

After visiting the killing knife.

Everyone sighed!

Especially Ye Wudao and Ye Lingtian and his ilk.

For their strong heart is reinforced!

“Hey! Takitani Kuroki is dead too fast! I defeated me at the beginning, I took a sigh of relief! Move directly to the ancients to rescue soldiers! If he lives! His diamond body can block the killing knife? Impossible !”

Ye Wudao sighed.

In fact, Ye Zhantian and the others came to kill the gods, and it also had something to do with Ye Wudao's relocation of soldiers.

“That's for sure! No matter how hard he encounters the killing knife, he still has a dead end!”

Ye Lingtian and the others nodded one after another.

“It would be great if I had a killer at the time! Takitani Kuroki still wants to beat me? Impossible!”

Ye Wudao has a obsession with killing a sword.

I want it!

Ye Lingtian asked curiously, "Little ancestor! Why didn't you choose to kill the gods to be your master? Although the ancestor Ye Longtian is also strong, he is not at the same level as

that of killing the gods!" Everything about his practice is for killing! The family is afraid that I will become a monster! So I won't let me learn from him!"

"Hey, but I really want to worship him as a teacher! Only by worshipping him as a teacher! I can have the chance! Defeat the Marshal Tiance! I heard that Marshal Tiance is practicing King Kong not bad magic

skills recently! If I get the killing sword and worship the god of

death as my teacher, then I can defeat the marshal Tiance... otherwise the gap between me and him will only be It's getting bigger and bigger!"

Ye Wudao said his thoughts.

He has always regarded Tiance Marshal as his opponent!

"Or! It is possible for me to worship the Dark God as my teacher! Despite the rumors, the Dark God lost to the God Commander Tiance, but I heard another version. The Dark God won..."

Ye Wudao said.

Ye Lingtian comforted, "Little Ancestor is in no hurry! Let's wait for Levi Garrison to be sanctioned!"

"Yeah!"

... At

this time, Levi Garrison actually did not return to Jiangbei.

He knows again through intelligence.

There is a temple in the depths of the snow-capped mountains in the north.

There is an indestructible bell in the temple!

He specifically ran to split...

he heard some indestructible armor and so on.

Levi Garrison ran to experiment one by one...

Two days have passed back and forth... It

will soon be time for the Garrison Clan to punish him.

At the gate of the Garrison Clan in Beijing, a large army gathered.

Ye Zhantian, who had been slowing down for two days, was in a good mood.

Follow the big army to Jiangbei!

Great summer sensation.

Everyone is trembling!

Levi Garrison, who was related to Tiance Mansion, was about to move after all!

There is a killer!

Who is not afraid?

On the other side, in Jiangbei Villa.

After sending Levilia to Tiance Mansion, Zoey and the others returned.

After the result came, Levi Garrison was not there.

Just got the news that Garrison Clan's large force is coming soon.

Zoey and others are going to die of anger.

“Let's see! Levi Garrison ran away! How awesome he was when he said it? He asked Levilia to stay too. Who would dare to touch his daughter as a genius? The result? After the mouth addiction, the man ran away and disappeared! “

Everyone sneered.

“It seems that after we left, he and Xuanyuan Qingya left. I don’t know where they went... if they don’t come back now, then he won’t be back.”

“Immediately! The Garrison Clan and the Killing God are here! The person involved is not here!” It’s up to us to bear everything!”

“So, Levi Garrison is really not a human being!”

...

Li and Zhao’s family was going to be furious.

“I have to say, the boss is too much! Besides, it was predicted that he was right! Many people had predicted that he was going to run a few days earlier, and he really ran away!”

Azure Dragon (Qinglong) and the others said dissatisfiedly.

Xiao Feng and the others were also very angry.

“I really want to sever the relationship between the teacher and the apprentice...”

Even Levi Garrison’s closest person lost confidence in him.

“Report! Garrison Clan has entered Jiangbei! Coming soon!” The

news came, and Zoey's face was ugly. "Everyone leave! I will take care of my husband alone!"

## The Return of the God of War [The Protector] Chapter 2503

Zoey didn't want to see other people, because of Levi Garrison's reasons, he was hurt by the slightest.

So she has to face it alone!

Anyway, this situation is not once or twice.

"Parents, grandparents, you all go! Hurry up! Get out of here! The sooner the better!!! I won't be able to leave any more late!"

Zoey urged.

Li and Zhao heard the words and ran away immediately.

This matter has nothing to do with them, why are they waiting to die here.

Levi Garrison's own affairs ran away by himself.

Why are they waiting here?

Not stupid...

Li and Zhao's family listened very much to Zoey's words, and ran away one by one.

Next, Zoey looked at Azure Dragon (Qinglong) and the others and said, "You too, leave now? This matter has nothing to do with you! Once the Garrison family gets angry, none of you can leave!"

Azure Dragon (Qinglong), Xiao Feng and the others immediately stated, "It's okay! This is the boss's. It's our business!"

"Besides, we can make my sister-in-law in danger alone? We are with you!"

"Yes! We are together! Everyone advances and retreats together!"

...

everyone shouted.

Zoey was moved and sobbed quietly.

These brothers and apprentices of Levi Garrison were all good...at the

critical moment, no one was afraid to shrink back.

Knowing that the enemy is coming, but still facing with myself!

"I know what your character is! I am very grateful to you too! But this time he caused the disaster! There is no need for you to pay for his mistakes! Leave quickly! I don't allow you to stay here!"

“He ran away by himself, you don’t have to bear anything here for him! People don’t necessarily accept your love! Leave me quickly!”

Zoey said.

“No! Abandon him! If you, Master, are someone we respect! We won’t abandon you here alone!”

Xiao Feng said.

The others nodded.

“You call me sister-in-law, call me mother-in-law, you have to listen to me! Leave! Get out!”

Zoey was mad and forced everyone to leave.

Azure Dragon (Qinglong), Xiao Feng and the others had no choice but to leave.

“Want to run? No one can run away!!!” At

this moment, a humming sound came.

Ye Wudao was already standing on the height of the villa.

“I knew you were going to run away! I had already laid a net in Jiangbei!”

Ye Wudao laughed.

On the other side of the gate, I saw a group of people slowly retreating back.

It was the Li and Zhao family who ran away just now.

Unexpectedly, they didn't even leave, they were all driven back one by one.

I saw Ye Lingtian alone forced them back!

There is a strong momentum for a man to be invincible!

“Actually, Xiaozu and I have been in Jiangbei long ago! They just set off from the capital this morning just to kill the gods!”

Ye Lingtian explained.

“What to do? Do you want to kill it?”

Everyone looked at each other!

“Want to kill? Ha ha ha...”

Ye Wudao smiled.

Suddenly he fell from a height, half-kneeled on the ground, and shouted, “Welcome Uncle!!!!”

Outside the villa, a group of people came.

The Ye people have arrived.

Killing god Ye Zhantian, Ye Longtian and other masters are all in... The

terrible pressure is like the pressure of a mountain.

Everyone in Zoey felt the majestic pressure, his legs and feet couldn't move, and even breathing was difficult.

Especially after Ye Zhantian glanced at the audience.

Everyone feels that the scalp is numb, and a chill rushes from the soles of the feet to the sky!

The blood freezes like an ice cellar...

Is this the coercion to kill the gods?

Zoey swallowed fiercely!

so horrible!

Sure enough, it is the existence above the gods list!

too frightening!

Not what they can contend!

Ye Zhantian was frustrated and depressed these past few days, and he just needed to vent.

Therefore, his breath is full, covering the audience! It's so crushing that everyone is going to explode, and the bones are going to be broken...

## The Return of the God of War [The Protector] Chapter 2504

After Ye Zhantian arrived, he said coldly, "Where are Levi Garrison and his children? Come out!"

"Today the ancient Garrison Clan is here! Two things!"

"First, take my blood of the ancient Garrison Clan, Levilia Bring her back to train! Don't let her continue to wander outside! Such a good talent is wasted!"

"Secondly, Levi Garrison killed his brother and imprisoned his biological father! He also sent the family to hell! Repeated violations of the Garrison Clan rules! The heinous crimes committed are enough for him to die a hundred times! This time, he will be punished!"

Ye Longtian said beside him.

Many members of the Garrison Clan were trembling, and they had waited too long this day.

In their opinion, it was Levi Garrison who personally drove them into hell, causing them to roll down from the altar.

Holding a breath for a long time, I can finally vent today.

"Are you ready to ambush your sins?"

Ye Wudao pointed to everyone.

Plum leaf fight looked stained Heaven "First, how my daughter had kind of life she has the right to self-selection! Now she had in the days of the government policy! If you have the ability to go find someone to-day government policy it!"

“Heaven Cefu...cough cough...”

Ye Longtian and the others changed their expressions when they heard this name.

They are not afraid of this existence, but they are afraid.

Although this is a bit contradictory.

But it is so.

They were not afraid but they were afraid...

the feeling was very subtle...

Ye Zhantian's body also shook slightly, but immediately he roared, “What's wrong with Tiance Mansion? After solving the problem here! I will go to Tiance Mansion.” VIPs! I think who can stop me?”

This is actually the onset of sequelae after being defeated by Levi Garrison!

He was so stupefied like this!

He has suffered all the humiliation!

This is more painful than death!

Don't be afraid of death!

What else is there to be afraid of?

In order to vent his anger, he decided to fight it out!

Die to die!

Even if you die, you have to touch Tiance Mansion!

He was in a state of madness to a perverted state... he was

completely free...

He was in a state where he was free, like a demon god descending into the world!

It shocked the audience! ! !

Everyone feels a sense of oppression from the depths of their souls...

this breath alone can crush them! Not to

mention head-on head-on...

that's impossible!

Powerlessness!

That is a deep sense of powerlessness!

But Zoey was in a cold sweat and gasped, "Second! My husband Levi Garrison has left! I will take care of all his affairs!"

"Levi Garrison ran away?"

Ye Wudao asked.

"Hahaha...really ran away!"

"I really laughed at me! Shocked tortoise! Greedy for life and fear of death!"

... As

soon as I heard Levi Garrison ran away.

Everyone laughed.

"So persuaded? Just ran away?"

Ye Zhantian sneered.

“Uncle uncle heard your prestige! Who is not afraid? Not just Levi Garrison ran away! Even the group of people present are also running away! But we just happened to be stopped by us! Otherwise, there will be no one in this place!”

Ye Wu Tao explained.

Zoey said coldly, “I will always be there! My husband is not here! I will bear the consequences! I am not your opponent! If you want to kill, you have to kill you!”

Ye Zhantian glanced at everyone, “Levi Garrison is not there. Right? All of you are related to Levi Garrison, right? Okay! Then you will bear the heinous crime of Levi Garrison! None of the people present will be alive!” The

words came out.

Li and Zhao’s family was scared and crying.

“Puff!”

Li Songkui, Li Wenhai and others knelt to the ground one after another.

“Please kill the god Mingjian! We have nothing to do with Levi Garrison!”

“We always hate him! He must die!”

“Yes! Levi Garrison will pay for his actions!” “Just kill the god and let us go, Let’s go and arrest Levi Garrison right away! I beg you to let us go! This matter really has nothing to do with us...”

## The Return of the God of War [The Protector] Chapter 2505

Look at the selfish performance of Li and Zhao's family.

Everyone can only sigh.

They are not to blame for the plum dyeing.

After all, this matter really has nothing to do with others!

It's all about Levi Garrison alone!

There is no need to take his life for Levi Garrison!

What they did is right!

Support!

At this time, Ye Lingtian also said, "The ancestors have always been at odds with Levi Garrison! This matter has nothing to do with them!"

Ye Wudao also agreed, "This is indeed true! They hate Levi Garrison!"

Hearing this, Ye said. Zhan

Tian said coldly, "Okay, as long as they kneel down and knock three beeps! I will let them go!" Hearing Ye Zhantian's words, everyone was released!

Li and Zhao's family immediately knelt on the ground, and began to bang their heads at Ye Zhantian.

In order to survive, they could have done nothing at all.

What is it to just kowtow now?

What's more, Ye Zhantian's seniority is so high, even Li Tianhao has to call out the existence of Xiaozu.

What is it to kowtow to him?

“Okay, you're all right! Get out of the way!”

Ye Zhantian said coldly.

Li and Zhao's family all dodged aside...

Zoey took a deep breath, “Can you let them kowtow too, so as to avoid death?”

She didn't want Xiao Feng and the others to die in vain.

“No! Master, let's advance and retreat together with you! Afraid of what they do? The big deal is to do it!”

“Yes, we are not vegetarian!”

“Even if he is a tiger, he has to break a few teeth!”

...

Everyone expressed their views.

Zoey couldn't stop it even if he wanted to.

“Good! Very good! I appreciate it!”

“Then all die!”

Ye Zhantian said coldly.

Ye Wudao laughed and said, “When can you hide Levi Garrison? Since you abandoned them, kill them first!”

“Come on! Let's see how strong the Garrison Clan is!”

Everyone has done it. Well prepared for battle!

It's a desperate battle!

now.

Tiance Mansion.

Levilia is already anxious like an ant on a hot pot...

She knows that the Garrison Clan has already been crushed by a large army at the moment, and the mother and the others are in danger.

The father is not there, and the mother is solely responsible for it.

She went by herself and was definitely not Ye Zhantian's opponent.

Therefore, she asked for help from the gods of Tiance.

The result was rejected by Tiance Shenshuai.

His reason is simple-they don't interfere with this matter, and they can't handle it.

Only if Ye Zhantian called Tiance Mansion, they would take action.

Things outside have nothing to do with them.

Not only that.

The god commander Tiance also gave an order not to let anyone help.

Several masters including Levilia could not leave Tiance Mansion either.

In this way, Levilia could not invite any reinforcements to save people.

Tiance Shenshuai also trapped her.

Don't let her leave Tiance Mansion.

Levilia is about to explode, but there is no way.

...The

field has entered a white-hot state.

Zoey and the others were already looking at death and they were ready to fight Ye Zhantian desperately.

“Levi Garrison, you have no conscience! Where did you go???? Leave your wife and brothers and apprentices behind to face the difficulties!”

“You are really not a human! You and other women ran for a happy life! But you want something else! People bear your fault! You beast!”

“Levi Garrison has an accident with my daughter today, and I will definitely take your head in the future! You are not a thing!”

“Yes! If you are a man, Levi Garrison! Come out and bear it!”

...

Seeing the crisis, Li Wenyuan and his wife felt sorry for their daughter and shouted angrily.

Ye Wudao and Ye Lingtian laughed after listening.

“Only you are fools! Levi Garrison is a smart person! When I heard that the ancient Garrison Clan wanted to do him, I guess the escape location and route had already been designed!”

Ye Lingtian sighed, “I guess when I heard the strength of the ancestor, I immediately scared away. I don’t dare to fight!” “Does Levi Garrison have the strength to fight with me?”

# The Return of the God of War [The Protector] Chapter 2506

At this moment, a voice came from far and near.

Like the thunder in the depths of the void.

This voice seemed to burst into everyone's ears suddenly.

It shocked everyone in the audience.

It's really like a thunder.

Ye Lingtian and Ye Wudao almost jumped up in fright.

Zoey, Xiao Feng, Azure Dragon (Qinglong) heard familiar voices, their expressions changed drastically.

"Boss!"

"Master!"

"He's back ????? "

"We blamed him!"

...

Knowing that Levi was coming back, Xiao Feng and the others cried with joy.

I really want to cry.

When Levi came back, it was different.

Even if he doesn't have the strength to solve everything in front of him.

At least stand with

everyone and go forward and retreat together... Even if everyone is dead, they are still smiling and walking the Huangquan Road!

Zoey laughed when he heard a familiar voice.

he came!

He was not absent at the last moment!

Even death is worth it!

...The

Garrison Clan members also changed color one by one...

just now they were still ridiculing Levi Garrison.

As a result, someone suddenly appeared!

“Huh? This voice?? At least a hundred miles away...”

Ye Zhantian and Ye Longtian were the most sober people in the field.

They were surprised to find that this voice came from at least a hundred miles away...

Calculate according to the distance!

This person is still outside Jiangbei! ! !

fear!

Isn't it horrible?

Feel the pressure!

Everyone's faces have changed!

“Huh? Why does this sound sound a bit familiar...”

Ye Zhantian muttered to himself.

Hearing this sound, I felt very familiar, as if I had heard it somewhere.

Want not up .....

“Ye monarchs come! Ye monarchs turned out to be!”

“Boss he did not run away! He comes! I will not let anyone boss a slander again!”

“Yes! Who then slander Master one, I told He desperately!”

...The

people around Zoey became excited.

Zoey straightened his waist and faced Garrison Clan.

She was not afraid at first, but now she is not afraid!

The Li and Zhao family standing nearby also looked ugly.

Originally they believed that Levi Garrison would never come back, who would have thought that he would come back at the last moment.

But they are also mocking Levi Garrison’s brain disease!

Isn’t it just to die when you come back at this time?

The brain is sick!

People like Li Songkui, Li Wenhai and others still couldn't understand Levi Garrison, Zoey, and Azure Dragon (Qinglong)'s death.

They don't think it's worth it...

"What's the situation?"

Ye Zhantian couldn't help asking when seeing everyone's changes.

"The ancestor is Levi Garrison who is back...it just so happened... I originally wanted to solve this group of queen ants, and then look for them!"

Ye Wudao said immediately.

"Ah? Come back? Exactly! I'm really curious about what kind of Levi Garrison who committed the heinous crime?"

Ye Zhantian was very curious.

The others, Ye Longtian, were also very curious.

"Well, don't move them first, just wait for Levi to come! It seems that this kid has two chances!"

"It's better to be stronger, otherwise it's too boring..."

Garrison Clan decided not to do it for the time being.

Waiting for the arrival of Levi Garrison.

According to their judgment, Levi Garrison was outside Jiangbei and it would take a while to come here.

But the next moment, two figures already appeared.

“f\*ck, I went to the depths of Antarctica! Hurry up, I’m still late!”

Levi Garrison’s voice had already been heard before the person arrived.

In the past three days, he and Xuanyuan Qingya ran around the world.

They are everywhere.

Isn’t this?

All came back in a hurry!

“Well, it’s too tiring to rush back like this...”

Xuanyuan Qingya also said.

“Huh?” The

more familiar...

this woman's voice is also so familiar!

It was only for a while that Ye Zhantian's mind was confused.

I really can't remember who it was...

With the voice, Levi Garrison and the two walked in.

"I heard that someone wants to punish Lao Tzu, Lao Tzu see who it is?" Levi Garrison said arrogantly.

## The Return of the God of War [The Protector] Chapter 2507

Levi Garrison's arrogant appearance had to be before, so he was so angry that Zoey could stain them.

The incompetent yelling who thinks it is the weak... But

now it is arrogant, in everyone's opinion, it is very domineering and mighty!

Is a kind of unyielding performance!

Seeing Levi Garrison, Ye Wudao, Ye Lingtian and others were extremely angry.

Everyone in the Garrison Clan clenched their fists subconsciously when they saw this familiar face!

They will never forget this face.

Ye Longtian watched them one after another.

Including Ye Zhantian's eyes also swept over.

He happened to look at each other with Levi Garrison.

The eyes are facing each other, as if everything is frozen.

Ye Zhantian was stunned, his whole body motionless.

"Boom!!!"

His pupils suddenly enlarged, looking at Levi Garrison carefully.

Confirm again and again! ! !

He looked at Xuanyuan Qingya next to him again, and carefully and repeatedly confirmed.

His breathing is getting faster and faster, and his chest rises and falls sharply.

At last it was so nervous that it was suffocating!

I'm going to cry!

The blood color on Ye Zhantian's face disappeared completely, and his face was extremely pale, whiter than a piece of white paper...

His whole body was wetted with cold sweat earlier, and his clothes were soaked.

His face was covered with fine cold sweat, and his head was still breathing.

It's them!

It's them!

Ye Zhantian was so scared that his soul was not possessed, and he was going crazy.

His face was full of horror... the

whole person was shaking.

But everyone's attention was on Levi Garrison, no one paid attention to him.

I didn't see him so terribly frightened...

"It's you! Are you here to try the sword again?"

Levi Garrison said with a smile.

"Kacha!"

"Pouch!" As

soon as Levi Garrison said this, the chair Ye Zhantian was sitting on suddenly burst.

He sat on the ground

staggeringly ... The huge movement attracted the attention of the audience.

Everyone looked at him without blinking.

What's wrong?

The quality of the chair is so bad?

It broke apart all at once?

But the point is that someone with such a strong killer would still sit down on the ground... I

can't understand it!

unimaginable!

There will be this scene!

A strong man who overwhelmed the gods' ranking actually broke his chair and sat down on the ground...

"I, I, I..."

Ye Zhantian stammered and made a trembling sound.

He sat on the ground and backed away in horror.

Even more, he dared not look at Levi Garrison and Xuanyuan Qingya.

"What's wrong?"

Everyone is wondering what happened to Ye Zhantian?

Why are you so frightened?

Could it be that Ye Zhantian was thrown to the ground for fear of losing talent?

But indeed!

Ye Zhantian fell to the ground, it is indeed insulting to kill the gods!

unusual!

It's abnormal!

But not really!

A generation of killer gods will fall?

Still scared like this?

Levi Garrison sneered, "Is your mental quality so bad? I don't think about you. Look at you like that!"

Xuanyuan Qingya echoed, "Well, I was so scared that I was so scared!"

"Levi is here for you. Hugh is rampant! What does this have to do with you? Are you scared? Do you have that ability?"

Ye Wudao said immediately.

“Yes! Levi is here for you tortoise with a shrunken head! Only then did you appear!”

Ye Lingtian also mocked.

In order to avoid embarrassment, everyone quickly helped Ye Zhantian up.

Ye Longtian saw a hint, and quietly leaned in Ye Zhantian’s ear and said, “Brother is okay...”

Ye Zhantian calmed down his emotions as much as possible, and said in a low voice, “I...I’m okay... I might be too murderous. Heavy influence...”

“That’s good! I don’t seem to be normal lately! It should be that your practice may be on the verge of getting into trouble...”

Ye Longtian said.

“It should be so!”

Ye Zhantian lowered his head, not daring to look at the two Levi Garrison.

He didn’t dare to tell everyone that it was because he was afraid of Levi Garrison. Seeing that Ye Zhantian was okay, Ye Wudao immediately pointed to Levi Garrison and said, “Uncle, this is Levi Garrison! This is the person we want to sanction!”

## The Return of the God of War [The Protector] Chapter 2508

Not only Ye Wudao, but also Ye Lingtian and other Garrison Clan members excitedly shouted, “Levi Garrison, your death date has come! The ancestors of the ancient Garrison Clan have listed your heinous crimes! You must be punished!”

“Sanction Levi Garrison ! ! “

” Ye sanctions monarchs! “

.....

people have shouted.

Seeing Ye Zhantian still bowing his head, Ye Wudao pushed him immediately.

“Uncle, look, this is Levi Garrison! It was he who killed Ye Chen! It was him...”

“Pop!” It’s

just that Ye Zhantian suddenly slapped Ye Wudao’s face.

This slap is too powerful.

Ye Wudao flew out with a slap.

Destroying a large piece of woods behind...

“Puff!”

“Puff!”

...

Ye Wudao, who fell to the ground, trembled violently, fell to the ground and rolled, turning round and round!

Blood was gurgling in his mouth...

His face was bloody ... His

muscles and veins were broken...

Half dead!

Ye Wudao was slapped and half dead by the killing god!

This is due to Ye Wudao's strong strength, otherwise he will definitely die under the unreserved blow of Killing God!

Ye Zhantian was really angry!

Could he not know Levi Garrison?

That was the person he was most afraid of, and the first person to defeat him!

In the end, where did Ye Wudao keep pushing!

Ye Zhantian was completely enraged, and he didn't leave his hand with this blow!

Almost killed Ye Wudao!

Senseless!

Everyone in the room was dumbfounded!

No one thought that Ye Zhantian would do it, but Ye Wudao would still fight it!

Why?

What's the matter?

Everyone does not understand!

Even the ancestors of Ye Longtian didn't understand it!

Will Ye Zhantian beat Ye Wudao?

impossible!

Zoey, Azure Dragon (Qinglong) and Li Zhao's family became even more confused.

Ye Zhantian didn't deal with Levi Garrison, so he hit Ye Wudao?

Are you still so cruel?

Ye Wudao was going to be beaten to death, right?

Why is all this?

Could it be that killing God is moody?

Is your temperament hard to figure out?

Ye Longtian was about to ask the reason, but Ye Zhantian suddenly got up!

"Huh?"

Everyone wondered what he was going to do?

"Pop!"

Ye Zhantian suddenly came to Ye Lingtian, slapped Ye Lingtian's face with a slap.

“Puff!”

Ye Lingtian flew out directly, like a kite with a broken line.

This slap was not as fierce as the killing of the gods just now.

But Ye Lingtian’s half-life is also going to be taken!

“Pop!”

Killing God didn’t stop.

Another slap slapped Ye Tianlin away!

“Slap!”

Another slap slapped Ye Kuanglan away!

...The

killing god is still going on!

Slap and slap on the face of every member of the Garrison Clan!

And these people are the people who just called out to punish Levi Garrison!

Judging from the posture, Ye Zhantian would not let anyone go.

Ten!

...

Twenty!

...

Fifty!

...

one hundred!

...

Three hundred!

...

Four hundred and eighty-six people!

In addition to Ye Zhantian and other Garrison Clan members, a total of 486 people came!

None of the 486 people are standing now!

Ye Zhantian tirelessly slapped one by one, and slapped all the more than four hundred people away.

Everyone drew half to death...

Without the magic medicine, people like the Garrison Clan would have to cultivate for several years before recovering...

Even after recovery, whether the strength can reach the previous level is a question.

In particular, Ye Wudao and Ye Lingtian were the most injured in the front!

They may still be life-threatening...

Even if they recover, their strength will not be able to return to their peak state in a short period of time.

Need to come to rescue... the

key is not to figure it out!

Everyone can't figure it out!

Why did Ye Zhantian do it?

Instead of hitting Levi Garrison, all the Garrison Clan members were drawn once! ! !

I can't figure it out after racking my brains!

The most dumbfounded is Zoey and the others...

It seems that after Levi 's arrival, this murderous god's temperament has changed drastically! Ye Zhantian scanned the audience, "Who would dare to say another sentence of sanctions against Levi Garrison? Who else?"

# The Return of the God of War [The Protector] Chapter 2509

The audience is dead!

silence!

Everyone fell silent.

Where else would anyone dare to speak?

All the people who had just spoken fell to the ground and rolled in pain, dying...

no one dared to say anything while standing.

shocked!

Everyone in the

room is numb... Everyone has a question in their minds-why? ? ?

Why

did Ye Zhantian act on his own people for no reason... he didn't show any mercy at all, and he almost killed Ye Wudao.

Didn't he come to deal with Levi Garrison?

After seeing Levi Garrison's temperament, why did he act on people like Ye Wudao?

unusual!

It's abnormal!

Everyone can't understand it anymore!

I don't understand the reason at all...I can't understand it

!

Everyone looked at Levi Garrison subconsciously!

There is no reason...

Levi Garrison can't let Ye Zhantian beat Ye Wudao and the others... It's

impossible!

What magic can he have?

He doesn't have this background and strength either?

Is it Xuanyuan Qingya?

Do not!

Ye Zhantian also said just now, he didn't put Tiance Mansion in his eyes.

A Xuanyuan Qingya would not let people have such a big reaction... I

can't figure it out!

Zoey's heads exploded, and they couldn't think of a reason.

Even Ye Longtian's elders of the ancient Garrison Clan can't figure it out...

That's right!

Ye Zhantian had an uncertain temperament, and he was easy to go and kill.

But they get along with Ye Zhantian day and night, and he goes crazy, no one can stop him.

But I never deal with my own people!

He has always had this sense!

I love Ye Wudao even more...

How can I make a heavy hand?

Impossible... If

something goes wrong, there must be a demon!

But what was the specific situation, they saw it

all at once... "Go! Go all!"

Ye Zhantian left.

Go faster and faster, and finally run.

Instantly disappeared without a trace... It

was like seeing a natural enemy, running as fast as

they could... Ye Longtian and the others were dumbfounded, but they still followed immediately.

"By the way, they will all take it away!"

... In the

end, nearly five hundred Garrison Clan members helped each other to leave.

As for Ye Wudao, Ye Lingtian was dragged away like a dead dog.

Even if people have been away for a long time, everyone is still in a daze.

What happened?

Have such a big change?

Didn't you come to sanction Levi Garrison?

Levi Garrison is fine, why did he leave?

Did not understand!

No one really understood this wave!

Azure Dragon (Qinglong) frowned and analyzed, "I guess that Ye Wudao and the others went on their behalf and didn't see clearly their status, came to command and order to kill the gods... I guess this kind of behavior angered the gods..."

This said.

Everyone immediately thought that Ye Wudao, they were really dominating Ye Zhantian, they frantically told him that it was Levi Garrison, and they frantically asked Ye Zhantian to sanction Levi Garrison.

Such behavior angered Ye Zhantian is also normal.

Everyone thinks Azure Dragon (Qinglong)'s explanation is reasonable.

Ye Wudao and others violated the majesty of the god of death, and the god of death taught them.

Feeling embarrassed in front of outsiders, so he left.

The analysis is too reasonable.

Absolutely!

Thinking of the scene of just killing the gods, everyone felt shocking.

Everything is terrible!

If Ye Zhantian started to attack them, none of them could escape.

It can't fight at all.

"Do you think Ye Zhantian will come back again?"

Kirin ( Qilin ) asked.

This is also what everyone is worried about...

This time the crisis has been avoided, but what about next time?

Following the Garrison Clan's style of doing things, he would never let Levi Garrison go!

"No!" The

voice sounded, but Levi Garrison said.

"Why?"

Everyone asked puzzledly.

"Because he is afraid that it will be too late, let alone trouble me!"

Levi Garrison said.

"Ah? Afraid? What is Ye Zhantian afraid of? He is not even afraid of Tiance Mansion?"

Everyone became more confused. "He is afraid of me!"

## The Return of the God of War [The Protector] Chapter 2510

“It’s because I’m afraid of me! When I saw me, I beat Garrison family! Then I ran away dingy!”

After hearing Levi Garrison’s explanation, everyone was stunned.

Will the killer be afraid of Levi Garrison?

How can it be?

This is impossible!

Ye Zhantian’s strength, everyone has just experienced deeply.

For the strong of the gods, it is a spike!

Ye Wudao’s level was slapped like that.

Levi Garrison couldn’t even compare to a bug in the face of Killing God.

Everyone just assumed Levi Garrison was joking...on the

other side.

Ye Longtian’s analysis was similar to Azure Dragon (Qinglong).

There is a high probability that Ye Wudao’s behavior on behalf of others infuriated Ye Zhantian!

After the Garrison Clan returned to the capital.

The members of the clan were shocked and frightened.

Why did he go out to punish Levi Garrison, but brought back a bunch of wounded?

At this moment, Ye Zhantian spoke.

Bring everyone together.

“I want to say two things...”

“First, use all the medicines brought out by the clan on them! I will personally treat Wudao, Ling Tian and the others!” The

words came out.

Everyone was surprised.

What exactly is Ye Zhantian doing?

I just wounded everyone, and after I came back, I have to spend a lot of effort to save?

What are you doing?

The key is not in line with Ye Zhantian's style!

If he did something wrong, he would kill the wrong person.

It's even more impossible to come back to save someone like this.

This is not his style!

strangeness! too weird!

Ye Wudao and Ye Lingtian, who were dying, did not understand the act of killing gods.

It seems that after Levi Garrison came, he changed...

You are angry to vent to Levi Garrison!

What are you doing to vent to us?

Save us after it's done?

Is it idle?

"Secondly, from now on, all the members of the Garrison Clan will stay honestly, not to trouble Levi Garrison and Levilia! Let me know, kill without mercy!"

Ye Zhantian said .

Immediately, many people asked, “Why?”

“Levi Garrison is a sinner of the Garrison Clan, and deserves to be punished by all the rules of the clan! And Levia is my Garrison Clan bloodline, how can I be cultivated by others?”

Even Ye Longtian didn’t understand. NS.

“Do you dare to question my decision??” As

soon as Ye Zhantian said this, the voice of doubt immediately disappeared.

Everyone shut up obediently.

“Listen! My decision is also the decision of the ancient Garrison Clan! I don’t want to hear the voice of questioning and questioning...”

No one in the Garrison Clan dared to question or other.

Healing the wounded hastily... After

Ye Zhantian returned to his detached house, he began to gasp for breath.

He even sat down on the ground, his whole body was wet with cold sweat...The

whole body was trembling with both legs, and he couldn’t stand up.

The front is really strong support!

Forced him to finish fighting everyone in the Garrison Clan, and forced him to return to the capital.

After separating from the Garrison Clan, his tone came to an end.

Finally couldn't hold it anymore.

He never thought that Levi Garrison was the one who tried the sword...

How powerful Levi Garrison was, it was definitely not something he could detect.

But he can easily defeat himself.

As long as that sword is a little bit harder, he will undoubtedly die!

too frightening!

Fortunately, he responded quickly.

Smoking Ye Wudao and the others one by one...

and escaped as quickly as possible.

If I continue to stay there, I really don't know what will happen.

Ye Zhantian couldn't imagine...

He felt a little moist in his eyes ... He

cried again!

Did God play with me on purpose?

The enemy I have to deal with turns out to be the one who defeated me?

The more Ye Zhantian thought about it, the more frustrated he was, and he couldn't make a sound of crying.

The whole person was struggling to get up,

but he failed several times... he felt a little peeing even more.

To be scared to pee.

A figure in the distance was watching here, and he walked step by step.

"Brother, I found out that something was wrong with you a long time ago, what the hell is going on, tell me!"

It turned out to be Ye Longtian. "Don't hide it from me!"

## The Return of the God of War [The Protector] Chapter 2511

“You...when did you come?”

Ye Zhantian asked tremblingly.

He was so nervous and afraid that he didn't even notice Ye Longtian.

This was impossible before!

If Ye Longtian were the enemy to assassinate him, he would definitely succeed. Ye Longtian sighed, “Brother, actually, I have already noticed that you are abnormal! Killing the knife broke your explanation, right? You have a logical error! You know the material of the killing knife better than anyone else? It is indestructible. ! Even you

can't interrupt it.

I guess, your killing knife was interrupted by someone, right?”

Although Ye Longtian felt that this might be almost zero.

But it is still possible!

He asked subconsciously.

Unexpectedly, Ye Zhantian nodded, “Yes, that's right! I didn't break the killing knife myself! I didn't break it by myself! It was interrupted by others!”

“Ah?”

“Really?”

Ye Long The sky was shocked and scared.

Was it really interrupted by someone else?

“He has an Excalibur that is a hundred times stronger than mine, and can easily cut it off! This is not the key! It is his strength! He can easily defeat me! It feels useless at all. The power of one defeated me!”

“The reason he was looking for me was to try the sword...”

...

Ye Zhantian told Levi Garrison all about the fact that Levi Garrison asked him to try the sword.

Ye Longtian was shocked...

this, this... will

Ye Zhantian lose?

He really couldn't think of anyone else from the ancient Garrison Clan who could deal with him?

There is such a person in the world who can easily defeat Ye Zhantian.

“Do you know who defeated me?”

Ye Zhantian asked.

“Sho... shouldn’t it be Levi Garrison?” For some

reason, Ye Longtian came up with this name in his mind.

“Yes! It’s him!”

Ye Longtian understood after hearing this.

Everything is understood.

Ye Zhantian understood a series of abnormal actions...

In fact, he didn’t really want to kill Ye Wudao and the others.

He is protecting the Ye people!

If it hadn’t been for him to protect like this, I’m afraid the Ye people would have finished it today.

Even the ancient Garrison Clan will be implicated.

Wise move!

Now think about what Ye Zhantian has done absolutely!

“I really didn’t expect the secular Garrison Clan to have such an existence against the

sky ! Even the ancient Garrison Clan is an absolute leader! I can’t think of who can be his opponent...” Ye Longtian gasped.

Ye Zhantian nodded, “It’s terrible because it’s unfathomable! Even I can’t detect where his limit is... Hey, I’m such a waste... I haven’t defeated, but this defeat is so complete!

” Actually, brother, you don’t need to be depressed! Think about it this way, Levi Garrison is the blood of Garrison Clan! In fact, you have lost to your descendants, and you are not an outsider...”

Ye Longtian comforted.

Hearing this, Ye Zhantian’s eyes lit up, “Yes! He has to call me ancestor according to generation!”

He felt a lot more cheerful.

“But he is so powerful, why doesn’t everyone know? Ye Wudao, fools like that, still want to use him with a knife?”

Ye Longtian thought for a while and said, “It should be that he has any plans. I don’t want to reveal his strength for the time being! Then we must keep secrets for him and not destroy his affairs!”

“Well, this is certain!”

“Since I am Garrison Clan has such a powerful younger generation, if he comes to the Garrison Clan, wouldn't my Garrison Clan directly oppress the Tiance Mansion Baolong Clan!”

Ye Zhantian nodded fiercely, “That's for sure! He wants to join the Garrison Clan. Ancient Clan! My Garrison Clan has swept the world invincible!”

“The Garrison Clan has such a bloodline, we should immediately tell the Garrison Clan! Let the whole clan have a meeting, and then take out the highest etiquette of the Garrison Clan to take people back!” Ye Longtian's proposal, Ye Zhantian agreed, “This kind of offspring should please come back at all costs!”

## The Return of the God of War [The Protector] Chapter 2512

After knowing Levi Garrison's true strength.

Ye Longtian desperately wanted Levi Garrison to return to the Garrison Clan.

But it is not force, but the highest etiquette.

It is necessary to use the best thick conditions to attract Levi Garrison back.

Soon Ye Longtian told several elders who came to his colleagues about this matter.

After they knew it, they were shocked.

They have the same thoughts as Ye Zhantian.

Please go back Levi Garrison.

Restore him as a child of the Garrison Clan!

"That way! You two quickly tell the patriarch from the Hui clan... Let all who have the right to speak come here!"

"We, immediately go to discuss with Levi Garrison! See if he has any conditions..."

Ye Longtian arranged Rear.

The two elders rushed back to the ancient Garrison Clan as quickly as possible.

“I will

heal people first! Otherwise, they will die...” Ye Zhantian and Ye Wudao and Ye Lingtian later healed their injuries.

The two of them were the most injured... and

both were dying.

Ye Zhantian also tried their best to heal them.

Take out all the best medicine.

Soon after, the two were out of danger.

Ye Wudao even got sane and woke up.

“Uncle Uncle I won’t blame you! You taught me, of course you have your reason!”

“Uncle Uncle waits for my recovery, I will sanction Levi Garrison! A little Levi Garrison is not worth your shot! I didn’t realize it. A little...”

Ye Wudao said.

He thought that Ye Zhantian beat him because of his overkill.

Take the god of death to punish Levi Garrison...

“Boom!!!”

Hearing Levi Garrison’s name.

The expressions of the two changed immediately.

Where are you stiff, do not speak...

“Master, what’s wrong with you, Uncle? Did I say the wrong thing?”

Ye Wudao asked suspiciously.

Ye Lingtian, who woke up next to him, also agreed, “Yes! That’s right! Levi Garrison’s small character, no matter where the two ancestors get the shot, let’s deal with it!” It

became more stiff.

The faces of two people!

“Bang!”

“Bang!” In the

next second, Ye Wudao and Ye Lingtian knocked Ye Wudao and Ye Lingtian unconscious with one punch.

“Shut up, isn’t it good to be in a coma? You just talk a lot of nonsense!” The

two were furious.

After treating the two, they set off again for Jiangbei.

At this time, news of the patriarch and elder group of the ancient Garrison Clan had arrived.

Ask the two to negotiate first!

They came here afterwards... The

patriarch and the great elder issued an order-no matter what Levi Garrison asked for, they must agree!

This time, Levi Garrison must return to the Garrison Clan!

For example, you can kill Ye Lingtian and Ye Wudao...

any condition can be met!

All can be discussed!

After receiving the order from the patriarch, the two became more confident in this negotiation.

When the two came to Jiangbei.

Frightened the guards outside.

In the villa.

Levi Garrison and the others are still together.

“It’s not good! The big event is not good!”

“Our spies just came to news! Said that the killing god Ye Zhantian is returning to Jiangbei! He is currently coming here!!!”

This word came out.

There was dead silence in the villa.

Silent.

Everyone thought that the Garrison Clan might come again.

But I didn’t expect the speed to be so fast... At

this time everyone looked at Levi Garrison, “Didn’t you say that Ye Zhantian was afraid that you would not dare to come? Why did you come so soon? Your lie is self-defeating!”

Zoey went on It was a sneer, “Levi Garrison is not embarrassed? Isn’t he slapped? People are not afraid of you! They are here again!”

“Before everyone cooperated with you in acting to satisfy your vanity! Don’t be addicted! Others are not used to you!”

Levi Garrison also A little confused.

It stands to reason that Ye Zhantian didn’t dare to come.

Why does this kid dare to come.

Even Xuanyuan Qingya was extremely puzzled.

Ye Zhan is really not afraid?

Dare to come?

“What to do?”

“It seems too late to run, people seem to have arrived!” Zoey sneered, “People are afraid of Levi Garrison, let’s see if Levi Garrison can scare away...”

## The Return of the God of War [The Protector] Chapter 2513

Levi Garrison really wanted to know why this kid came...

If he came to make trouble, Levi Garrison would not keep his hands.

It's okay to talk about other things...

but if you make trouble, forgive him for not having the guts!

"Garrison Clan Ye Zhantian, Ye Longtian is here to visit!!!" A

voice was already heard from the person outside.

Hearing these words, Levi Garrison had already roughly understood Ye Zhantian's intentions.

This is the meaning of visiting, not looking for something.

But when Zoey heard these words, they changed their tastes-in the eyes of everyone, they were arrogant and domineering.

After all, let the killer come to visit, they can't even think about it, how can they be qualified.

"Come in!"

Levi Garrison responded.

Everyone glanced at Levi Garrison.

Are you so brave?

Are you not afraid of death at all?

After getting a response.

Ye Zhantian and Ye Longtian entered.

Zoey and the others were serious about it, like an enemy...

staring at the two.

“The rest of you leave first!”

Ye Zhantian said after taking a look at Zoey.

With a hint of order.

But he glanced at Levi Garrison subconsciously.

Seeing that he looked normal.

He let out a long sigh of relief.

“Huh?”

Everyone was taken aback, but no one moved.

Why do they allow Levi Garrison to be here alone...

no!

Never leave!

Everyone regards death as home!

“Hehe, we need to ask him something... If we really do, do you have any relationship with whether you are there or not?”

Ye Longtian looked at everyone with a sneer.

Ye Zhantian also said coldly, “Hurry up! Do you have to force me to ask you to leave?”

Zoey and the others hesitated as soon as these words came out.

Looking at each other, a thought flashed in his mind...

If the killing god wants to do it, it is indeed the same whether they are there or not.

All are cannon fodder!

The gap is too big.

If they are here to kill Levi Garrison, why bother talking nonsense with them and just do it directly.

The reason for this is probably because there is something to ask Levi Garrison.

It's probably their Garrison Clan's own business.

In any case, Levi Garrison's body is flowing with Garrison Clan blood.

This is undeniable.

"Well, let's go out first! Call us directly if something happens!"

Zoey could only withdraw from the villa with everyone.

Leave the place.

"Miss Xuanyuan..."

Zoey was about to call out Xuanyuan Qingya.

"No, she can stay!"

Ye Zhantian said immediately.

After everyone left, Ye Zhantian could no longer pretend.

“Whhhhhh...”

gasping for breath.

The two bowed and bent over at ninety degrees, facing Levi Garrison’s respectful

saying , “Grandmaster is here, please be respected by us!” They put aside their identities, and only talked about their strength!

“Let’s talk about it, what’s the matter? Do you want me to return to the Garrison Clan? To be precise, it is the Garrison Clan ancient clan!”

Levi Garrison said.

“This...”

Ye Zhantian glanced at each other.

The eyes are full of shock.

Does he know?

“This... is indeed... Grandmaster. It was a misunderstanding before! We listened to the nonsense of some juniors!” “We investigated the course of the matter. Ye Chen was wrong first, and tried to kill Grandmaster and repeatedly. His mother! He is more than guilty! The Garrison Clan in Beijing has committed all kinds of evil deeds! Enough to exterminate them! Grandmaster, you are already too kind!

Everything is done by themselves and cannot live!”

Ye Zhantian said.

Levi Garrison and Xuanyuan Qingya both laughed.

This era is the law of the weak eating the strong!

If Levi Garrison is not strong, will all this happen?

will not!

I don't know Levi's strength, all of them are his faults, all his crimes, and he will be cut out!

But after knowing Levi Garrison's strength, he confessed his crime instead!

In this era, there is no right or wrong. Only strong and weak...

## The Return of the God of War [The Protector] Chapter 2514

“We already knew it was wrong! Do we need to annihilate the Jingcheng Garrison Clan? As long as you have a word from the Grand Master, we will do it right away! Erase the Jingcheng Garrison Clan!”

Ye Longtian said.

Levi Garrison’s smile grew stronger.

He kept saying that the blood of compatriots in the clan should never be touched.

Now, in order to please myself, I don’t hesitate to destroy the family...

ridiculous!

Extremely ridiculous!

“Maybe Grandmaster, if you want them to confess, I will immediately let everyone from the Garrison Clan in Beijing come! Kneel in front of you and your mother to confess!”

Ye Zhantian asked again.

Now they are cautiously pleased Levi Garrison.

You can basically agree to whatever you want.

“Don’t be haggling... you just want me to return to the Garrison Clan?”

Levi Garrison sneered. “Yes, yes, yes! We...not only us! We have notified the patriarchs and elders of the ancient Garrison Clan and all high-level leaders! They all want you to return to the Garrison Clan! Now the patriarch is coming with everyone On the way! The patriarch

will personally invite you to return to the Garrison Clan!”

“The patriarch said to show our sincerity! Please join the ancient Garrison Clan at all costs!”

“Yes, Grandmaster, you can mention any conditions, and we must meet them!”

... ..The

two immediately said.

“The conditions must be mentioned... I’m just afraid that you are not qualified to agree...”

Levi Garrison said.

“Ah? A condition?”

“As long as you always put it forward, I’ll definitely agree to it! You hurry up...” the

two couldn’t wait to say.

As long as Levi Garrison joins the Garrison Clan, the Garrison Clan will take off.

Ignoring all the ancient tribes, ignoring the Tiance Mansion and Baolong clan...

They are so eager...

If they persuade Levi Garrison to join, they will have infinite merit in the family!

“The conditions are very simple! If you let me join, I will be in charge of the Garrison Clan! I will control the Garrison Clan and all the Garrison Clan in the world!”

Levi Garrison said.

The language is not surprising and endless.

When these words came out, Ye Zhantian and Ye Longtian’s eyes almost flew out.

In charge of the Garrison Clan?

Isn’t that to become the patriarch of the Garrison Clan?

What a lion!

Ye Zhantian’s arrogance is arrogant, and he didn’t put anyone in his eyes.

But the patriarch never thought about...

“Is this condition a bit too much, right? We never thought you would mention this condition...this...” The

two were dumbfounded.

“Didn’t you just say that you can do everything? Now? Can’t do it?”

Levi Garrison sneered.

“I won’t change the conditions! If you don’t agree to it, there will be no way!”

“Before Tiance, the superintendent took the initiative to give me the position of the superintendent in order to allow me to join the Tiance Mansion, and I refused!”

“Now I come. When the Garrison Clan is at the helm, it gives you enough face...”

Levi Garrison said indifferently.

In this regard, Ye Zhantian had no doubts.

They have checked it out.

Next to Levi Garrison was the daughter of Tiance Shenshuai.

The superintendent Tiance might really let him be the helm of Tiance Mansion.

“Guru, not that we do not agree, we are not the key-day policy of the government in power, and this thing we have to look for the patriarch to discuss them!”

“Yes, and so after consultation, we give you a satisfactory answer!”

Did this thing Unable to agree.

I can only go to other people in the Garrison Clan.

“Then get out! If you can’t agree to this condition, don’t come to me!”

Levi Garrison drove the two away.

The two left dingy.

Zoey and the others came in hurriedly, and she asked anxiously, “What’s wrong? What are they looking for alone?”

“Yes, boss, did they treat you like that?”

Everyone asked with concern.

“Boss, tell me, what is going on?”

Everyone urged.

Levi Garrison said, “They came to beg me to join the Garrison Clan!”

“Ah?”

Everyone looked incredulous... Ye Zhantian came to ask Levi Garrison to join the Garrison Clan?

## The Return of the God of War [The Protector] Chapter 2515

impossible!

What's the identity of Levi Garrison?

Ye Zhantian personally invite!

It's absolutely impossible!

"What's the matter? Don't be kidding..."

Zoey naturally didn't believe it.

"That's right! They're here to invite the Hui Garrison Clan in

King's Landing !" Xuanyuan Qingya suddenly said.

"Huh?" At

this time, everyone was stunned.

No one believed what Levi Garrison said.

But when Xuanyuan Qingya said that, everyone believed it.

Think about it again, why Ye Zhantian wants to spread them out...

it must be something within the Garrison Clan!

And don't you want outsiders to see the picture they invite Levi Garrison?

As for Xuanyuan Qingya's presence, the reason is her identity-Tiance Mansion.

I got it!

Zoey looked at each other with everyone... he

immediately thought of the reason.

The reason why the ancient Garrison Clan allowed Levi Garrison to return may have something to do with Levilia...

Although Ye Zhantian said he was not afraid of the Tiance Mansion and the Baolong clan... but

everyone understands that I still dare not stand up against the ancient Garrison Clan. Just!

You should know that there are actually several Baolong clan, not one clan.

The combined strength is not comparable to the Garrison Clan...

they still dare not move.

Don't even dare to snatch Levilia out of Tiance Mansion!

They want to be fair and honest, and reasonably and legally to get the ruler.

First of all, you have to deal with the relationship with Levi Garrison.

As long as Levi Garrison joins the ancient Garrison Clan, it is equivalent to officially acknowledging the identity of Levilia.

In this way, the ancient Garrison Clan can

bring the monarch back and cultivate by himself... It is actually because of Levilia that Levi Garrison joined... After

knowing this, no one is asking more...

"You still agree! This is good for you and Levilia! As for the question of where Levilia is going to be, you can ask the Garrison Clan to discuss with Tiance Mansion! You have to get rid of the relationship..."

Zoey persuaded.

She didn't want Levi Garrison and Levilia to have an accident.

The Garrison Clan is too strong.

Joining them is also a good thing...

“Look, I’ll join if they can promise me...”

Levi Garrison said lightly.

“You dare to mention the conditions! Be careful not to die...”

Zoey said.

She looked at Xuanyuan Qingya again, “With Ms. Xuanyuan participating, it must be a tripartite talk! I can rest assured... you can figure it out... I won’t interfere...” on the

other side.

Brother Ye Zhantian returned to the Garrison Clan in the capital.

I just met everyone from the ancient Garrison Clan...

there were hundreds of people in front of me!

They are all high-ranking members of the ancient Garrison Clan...

even a few old ancestors who have been in seclusion from the world have come...

These are the existence of Ye Zhantian and they have to call grandfather, which shows that the seniority is high.

Hearing that the descendants of the Garrison Clan had such an existence, everyone couldn't sit still and all ran to greet them.

An old man headed by him is domineering and majestic.

The patriarch of the ancient Garrison family- Ye Qingtian!

The unique existence among the Garrison Clan!

He was the one who put Ye Zhantian in the dark cage at the beginning!

People who can suppress Ye Zhantian!

The elder Ye Fengtian, the second elder Ye Qingtian, and the third elder Ye Wangtian... the

four patron saints of the

ancient

Garrison Clan ... the gatekeeper of the ancient Garrison Clan ... Basically all the high-level Garrison Clan came...

Compared with these people, Ye Longtian's identity is considered backward.

Their names are all in the sky!

It means that they are gods second only to the sky...

“Huh? Why are you back? Did something happen?”

Ye Qingtian couldn't help asking when seeing everyone.

“Nothing happened! Levi Garrison put forward the conditions, but we can't meet them...”

Ye Zhantian said helplessly.

Everyone smiled curiously, “There are conditions you can't meet. I want to know what are the conditions?”

“Levi Garrison wants to take charge of the ancient Garrison Clan and all the Garrison Clan in the world! I want to take your place!”

Ye Zhantian looked at Ye Qingtian said. As soon as these words came out, there was silence...

## The Return of the God of War [The Protector] Chapter 2516

The reaction of this group of people was even more intense than that of Ye Zhantian and the two of them just now!

One face changed wildly!

“Presumptuous! Is the position of the patriarch of the Garrison Clan that his junior covets?”

“Yes! That’s right! It’s the blood of the Garrison Clan who is still living outside! The blood is mixed and muddy! Want to be in charge of the Garrison Clan? Dream, right?”

” No one of the ancient Garrison Clan dared to covet the Garrison Clan so much, right? Is he looking for death?”

...

Levi Garrison’s condition angered many Garrison Clan people.

The patriarch Ye Qingtian’s face also changed, and he could see that he carried a trace of anger.

“Push your nose and face?”

Ye Fengtian asked.

Ye Zhantian said, “I think it can actually be agreed! As long as he joins the ancient Garrison Clan, he will sweep everything!”

“After all, he is too strong! With his joining, the Garrison Clan can be raised to a higher level!”

Ye Longtian He echoed, "Yes! He is too strong! I think this condition can be agreed!" The words came out.

Everyone is even more angry.

After all, they are not the parties.

I didn't understand Levi Garrison's true strength, everything was heard.

What's more, they are a big family, with unique pride and dignity!

I think I'm only weaker than the sky!

Now it is a shame for the ancient Garrison Clan to give up the position of the clan leader to a junior with impure blood!

In any case it is impossible!

It is impossible to ask a junior to join the family at such a high price.

It's a shame to spread it out!

Garrison Clan will never look up!

So when Ye Zhantian said this, everyone was angry.

“Ye Zhantian what are you doing? How could you give up the position of Patriarch to a little boy? You are sick!”

“What happened to you after Ye Zhantian came out this time? The whole person has changed! I see fear in your face! Is this still you?”

...

Ye Fengtian said several people.

“Hehe, you haven’t seen his strength! When you see it, you are more embarrassed than me! I guess the entire ancient Garrison Clan can’t stop it!”

Ye Zhantian sneered .

Everyone shook their heads, “I don’t believe it! We don’t believe it! How could it be so powerful!”

Ye Qingtian nodded, “Well, I don’t believe it either! If the clubhouse leaves clan one-on-one, we might all lose! But we need all of us. If people add up, he can win? Impossible!”

“Yes! Not to mention the entire Garrison Clan, we are present with nearly a hundred people teaming up and anyone can win?”

Everyone said.

“This Levi came to us to treat people with courtesy, he made such an excessive request! Why not? Let’s join hands to capture him back to the ancient Garrison Clan. If you don’t agree, you have to agree!”

Ye Wangtian said.

“Okay, I agree!”

Ye Qingtian promised to come down, “Lift first and then soldier! If he doesn’t eat etiquette, we will force him to surrender! Big deal, let’s go together!” With

this idea, everyone went to Jiangbei aggressively.

They wouldn’t believe that Ye Zhantian said that Levi Garrison could be a man against Garrison family...

impossible thing!

“Okay, I want to see how you suppressed him!”

Ye Zhantian was happy.

This group of people didn’t believe in themselves.

So just right!

I just took you to...

Ye Longtian didn't say anything.

He knows that persuasion is not good...

no one in this group listens.

One by one, arrogantly dying...

Ye Zhantian led the team and everyone followed.

All arrogantly excited.

Thinking of the way to abuse Levi Garrison...

"Here is someone..."

Levi Garrison felt that he was coming, so he summoned Zoey and them and told them to leave first.

Knowing that it was the Garrison Clan's matter, Zoey didn't say anything.

Leaving with everyone.

soon.

In Jiangbei Villa.

Only Levi Garrison had a few people.

Levi Garrison was sitting there.

Shen Jie hovered in front of him, sending out a series of metallic colors.

Slight energy fluctuations come out. He is waiting for the arrival of the Garrison Clan...

## The Return of the God of War [The Protector] Chapter 2517

The divine calamity at this moment is meek like a child in front of Levi Garrison!

If it weren't for the actual situation, even Xuanyuan Qingya would think it was a very docile weapon!

But actually ruining the world...

Soon, Xuanyuan Qingya already felt the oppression.

People from the ancient Garrison Clan are here.

"Buzzing..."

Shen Jie felt the oppressive breath, and suddenly trembled with excitement.

"Levi Garrison! The ancestors of the ancient Garrison Clan are here! You junior, don't you come out on your knees to greet you?"

A stern shout came.

All the Ye people waited outside the villa for Levi's arrival to greet them.

It's just that Levi Garrison closed his eyes to rest his mind, and didn't pay any attention.

Ye Zhantian sneered and said, "If you want to invite him, you have to go there yourself...wait for him to come out to pick you up! Impossible!"

“If he is smart, he should know what the situation is now! He will definitely come out and kneel to meet our ancestors. Yes!”

“Yes, I believe Levi Garrison is a smart person! He will make the right choice!”

Ye Qingtian said.

They call themselves their ancestors.

Waiting for Levi Garrison to handle it and kneel to greet him.

If they enter directly, it would be a shame for them!

So everyone is standing there and waiting!

“You wait, we are going in first.”

Ye Zhantian and the two entered first.

“Boss! Trash! Was scared like this by a junior?”

Everyone scolded.

Ye Zhantian, who felt that he hadn't put anyone in his eyes, was embarrassed by Garrison Clan!

After Ye Zhantian entered.

I saw the sword of "Divine Tribulation" at first sight!

"Boom!!!"

A terrifying breath came across.

"!..."

Ye Zhantian was inexplicably afraid of Divine Tribulation. He

knelt down directly...

and he felt that the divine calamity was even more majestic and terrifying than before!

If Ye Longtian faced Divine Tribulation for the first time, under the terrible pressure, it seemed that an invisible big hand would crush him to the ground.

Ye Longtian also knelt to the ground...

terrible!

He finally knows what kind of peerless artifact the brother is putting in front of...

this, this...

completely invincible!

Ye Qingtian and others outside were still waiting.

five minutes!

No one came out.

For ten minutes, no one came out.

They were already anxious, looking at each other, doubts flashed in their eyes.

“Don’t worry, I believe that smart people make smart judgments!”

Ye Qingtian felt calm.

twenty minutes.

Someone could not help but rushed in.

But Ye Qingtian said, “It’s okay, wait a while! Levi Garrison, this is your last chance to redeem yourself! I gave the opportunity, and it depends on whether you can grasp it...”

“Well, just give this kid one last chance! I hope he can wake up and quickly come out and kneel to meet us!”

Everyone in the Garrison Clan is still dreaming, waiting for Levi Garrison to greet us.

But half an hour passed quickly, and no one came out.

Now, everyone can't wait any longer.

One by one, his complexion turned red, and he was extremely angry.

This is a humiliation they have never experienced before, and there are people who don't give them face.

Still a junior of the Garrison Clan!

Isn't this looking for death?

"Levi Garrison's opportunity has already been given to you! This is what you asked for! We will never spare you!"

"Go, rush in! I want to see Levi Garrison's few jins..."

In Ye Qingtian Under the leadership of Garrison Clan, the senior officials of the Garrison Clan entered the villa in unison.

One enters the villa.

Everyone saw Ye Zhantian who were kneeling on the ground.

They are getting more and more angry!

“Shame! You are the shame of the Garrison Clan!”

“Ye Zhantian, you actually kneel down to a junior! You are really the biggest shame of the Garrison family! Are you ashamed?”

Ye Fengtian and the others shouted.

They were full of anger, and their blood surged and exploded with anger. At this time, Levi Garrison smiled, “Don’t worry, you will kneel as well!”

## The Return of the God of War [The Protector] Chapter 2518

The words came out.

Everyone was taken aback.

In any case, they never thought that Ye Zhantian would kneel down for Levi Garrison!

Like a dog!

“Ye Zhantian, your behavior is to add humiliation to the Garrison Clan! You don’t deserve to be in the Garrison Clan!”

Ye Qingtian, the chief of the Garrison Clan, said coldly.

After they finished training Ye Zhantian, they all looked at Levi Garrison.

“Are you Levi Garrison?”

Ye Qingtian asked.

“Well, it’s me!”

“Bold young man! The ancestors who saw you dared to sit? Hurry up and kneel down! Otherwise, the highest clan rule of the Garrison Clan will take care of you! Let you die!”

“Yes! You didn’t come out to meet the ancestors.” We have violated the clan rules! Now kneeling and confessing, we might let it go!”

... the

elders of the elders scolded one after another.

In their opinion, Levi Garrison violated serious family rules.

It is already a heinous crime...

“Also! Let me introduce you! This is Ye Qingtian, the lord of the Garrison Clan! You must knock for ninety-nine bangs! To get his approval!”

Everyone began to introduce Ye Qing again. The identity of the day!

“I don’t like the tone of your speech, just kneel and talk to me!”

Levi Garrison frowned and said calmly.

“Let’s kneel??”

These old guys seemed to hear the biggest joke in the world.

I was stunned!

How is it possible to let them kneel in front of a junior?

It's absolutely impossible!

Levi Garrison stopped talking!

“Ding!”

A flick of your finger on the divine calamity!

“Boom!!!” In an

instant, a breath of death erupted, like Shura's rebirth in hell.

The world changed color at this moment.

“Buzzing...”

Shen Jie trembled, making a terrible sound.

Suddenly lifted off!

“Boom!”

“Boom!”

... the

sword of Shen Jie was activated abruptly!

The terrible energy burst out inside...

swept across the army!

Destroy all bodies!

The majestic breath was overwhelmingly suppressed.

Everyone present seemed to be carrying a Tarzan on their backs...

Everyone's complexion changed drastically , they were extremely red, and even cold sweats!

This breath was pressured, and everyone could only use their best efforts to resist...

"Puff!"

Finally someone couldn't help but bend their waist under abrupt pressure and fell directly to the ground.

"Puff!"

"Puff!"

.....If

there is the first one, there will be a second one.

The senior members of the Garrison Clan couldn't bear the overwhelming pressure, one by one they knelt to the ground.

The rest of the people used their greatest strength to resist, but their expressions were painful to the extreme.

They felt that the breath was being compressed a little bit, and they wanted to crush all the internal organs, veins and blood vessels in their bodies...

"Puff!"

"Puff!"

...

Still going on.

Kneeling down one by one, both knees fell into the ground.

...

Thirty!

...

Fifty!

...

Eighty!

... In the

end, there were only a dozen people left, the strongest dozen.

They are still resisting.

“Puff!”

... But

Shen Jie’s breath coercion is too strong, and it continues to increase.

...

Seven or eight people are kneeling to the ground again!

Only Ye Qingtian were left!

They are still going on!

Still desperately resisting!

“Puff!”

“Puff!”

...

At the end of the resistance, they vomited blood, and many parts of their bodies were crushed and crushed!

Some people suffered extremely serious internal injuries!

The organs in his body were crushed...

“Puff!”

Ye Wangtian fell to his knees.

“Puff!”

Ye Fengtian fell to his knees.

“Puff!”

Ye Qingtian fell to his knees!

“Ah!!!”

Ye Qingtian displayed all his strength to resist!

It actually made the divine calamity tremble!

But then, Shen Jie became more and more excited, and even stronger power broke out in the sword!

“Puff!!!!”

Ye Qingtian didn't bear it after all, and fell on

her knees... His knees smashed the ground directly... Seeing hundreds of people kneeling on the ground, Levi Garrison smiled and said, “It looks more comfortable! “

## The Return of the God of War [The Protector] Chapter 2519

Shocked!

It was shocking!

Even though Ye Zhantian knew that all the masters of the Garrison Clan added up to be no match for Levi Garrison!

But who would have thought it would be so miserable?

Don't say it was a fight with Levi Garrison.

No one can stop the coercion of this sword!

What's more, the breath and energy of this sword have not been fully released...

maybe it is one percent, or even less than one thousandth...

this sword will overwhelm everything!

Not even this sword can survive.

Let alone move his master!

Not qualified at all!

How strong is Levi Garrison?

unimaginable!

He could control this sword anyway...

“Kacha!”

“Kacha!”

...

Under the pressure of this sword, everyone could clearly hear the sound of bone cracking.

Especially the organs in Ye Qingtian’s body were greatly shattered...At

this moment, it was not Mount Tai that everyone was carrying.

It’s the collapsed sky...

Everyone has really reached a critical point. If there is more pressure, everyone’s body will probably explode! ! !

Everyone’s face is full of horror, and their eyes are full of unbelievable! ! !

powerful!

too strong!

Levi Garrison is the strongest person they have ever seen!

none of them! ! !

They finally understood everything Ye Zhantian said...

It's all true!

Even more exaggerated than Ye Zhantian said!

They don't even talk about dealing with Levi Garrison, even his sword can't deal with it!

No wonder Ye Zhantian, who is known as the killing god, is so proud and so arrogant that no one takes it seriously!

I was scared like that...

everything is for a reason!

After seeing Levi Garrison, they understood everything!

Understand why Ye Zhantian wants to let Levi Garrison return to the Garrison Clan at all costs!

He even gave him the position of patriarch... to be

honest!

This time is completely honest!

This group of ancestors of the Garrison Clan, one by one, like children who did wrong, kneeled in front of Levi Garrison obediently.

“Now? Is it awesome? Are you still arrogant?”

Levi Garrison asked.

silence!

Everyone was silent.

They even lowered their heads, not daring to look at Levi Garrison!

“What do you want to say? Is he deaf or dumb?”

Levi Garrison suddenly raised his tone and shouted.

“No...no...”

everyone said in horror.

“Well, I like this tone! Keep it up!”

Levi Garrison nodded in satisfaction.

It’s

okay to negotiate with him, but you have to kneel and talk... “Let’s go, are you considering the conditions I said?”

Levi Garrison asked.

“Conditions? What conditions?”

Most people did not react.

Ye Zhantian immediately reminded, “If you want this one to return to the Garrison Clan! You must hand over the power of the Garrison Clan to him!!!”

Ye Zhantian reminded everyone immediately.

Ye Qingtian’s complexion changed drastically, and it was as uncomfortable as eating a fly.

The Garrison Clan has never been threatened by anyone, and such a thing has never happened.

The ancient Garrison Clan has always been aloof, no one accepts except for the sky above him!

In particular, it is even more impossible to hand over the position of the patriarch of the ancient Garrison Clan!

This is a shame to the ancient Garrison Clan!

But what should we do about this situation now?

Ye Qingtian deserves to be the patriarch. He immediately returned to normal. He couldn't help saying, "Jun's Landing! We haven't considered this matter! After all, it's a matter of great importance and we need to negotiate and decide! It's not something that someone can decide!"

Ye Fengtian and the others immediately. He echoed "Yes! We need everyone's agreement! It can be finalized!"

"When we go back, we will discuss clearly, and give you another answer!"

...

Levi Garrison looked at them with a smile.

But the next moment, Levi Garrison's complexion changed suddenly, and he roared, "I didn't discuss it clearly! What are you doing here? If you can't make up a perfect reason, don't even want to leave!!!" Levi Garrison suddenly became angry and smashed everyone. Scared.

## The Return of the God of War [The Protector] Chapter 2520

Everyone was sweating profusely and almost suffocated.

They didn't come to discuss with Levi Garrison at all, they wanted to use force to take down Levi Garrison.

"I...we...we are here to discuss!"

"I think! As long as you return to the ancient Garrison Clan! It is the best choice to hand the ancient Garrison Clan over to you!!!"

Ye Qingtian Suddenly the conversation turned around.

Ye Fengtian also agreed, "Yes! The patriarch must be the strongest. You are so young, and you probably have a lot of potential! You are in charge of the Garrison Clan, not only sweeping everything now, but also in the future!"

Ye Qingtian "Well, I agree. Levi is the master of the ancient Garrison Clan!"

Ye Wangtian "I have no objection!"

"We agree too!"

Ye Zhantian and Ye Longtian also immediately agreed.

"I agree too!"

"Me too!"

“Me too!”

...

Everyone here agreed one by one!

In any case, they dare not say a “no” at this time!

Besides, Levi Garrison is so strong, who would dare to oppose Garrison Clan in charge?

Not to mention being strong, but so young.

It must be better than Ye Qingtian to be the master of the house!

“Since you have agreed to this condition! Then I will reluctantly agree! From now on, I will be the master of the Garrison Clan! The Garrison Clan and all the Garrison Clan must listen to me!”

Levi Garrison said.

“Meet the Patriarch!!!”

“Meet the Patriarch!!!”

...

Everyone kowtows at Levi Garrison, no one dares to say anything else...

“You may not know the personality of my Levi Garrison, who asked me to join, and in the end I became the helm! For example, the Bible Organization! I have been wooing me since before. Now, I am the God of Darkness...

and Maya Industry. Cooperate with me and want to control me and kill me. Now Maya Industry is mine too!”

Levi Garrison sneered.

“Hiss!”

Everyone gasped.

The ancient Garrison Clan knew about the Bible Organization and Mayan Industry, and they were two forces that were a little afraid of them except for the Chotian Ce Mansion.

Levi Garrison’s meaning is very simple, let them understand that you are not the first to be like this!

“Where are the tokens of the Patriarch of the Ancient Clan of the Garrison family? Give me all the most confidential things, including exercises and ancient prescriptions...”

Since he wants to be in charge, Levi Garrison needs to be the most comprehensive!

At the same time, Levi Garrison took the divine calamity back.

The pressure on everyone is instantly relieved!

Everyone stood up one after another.

Ye Qingtian stepped forward and handed a palm-sized jade seal to Levi Garrison.

“Master, which is the ancient tribe of Tianyin Yip! It can come up with the disposal of anyone Yip ancient tribe and leaves the family! There it will be able to recognize the identity of your home Lord!”

“At the same time, each step down before any master of the house, will put Half of his own power is poured into it! The Sky Seal can also be used as an artifact! The power is unprecedented! No one can match!”

Ye Qingtian explained.

Levi Garrison grabbed the Heavenly Seal, and he smiled, “Unparalleled in the past? No one can rival?” To

put it bluntly , the Heavenly Seal is similar to the crystals of “God” power gathered in his hand.

But by comparison, even in front of one-fifth power crystals, this Tianyin couldn’t even be compared with the younger brother.

It’s too weak...

and half the power of each Patriarch...

He can easily squeeze it and explode...The

Heaven Seal is here, and it will not become the Garrison Clan's biggest hole card artifact.

It was a status symbol...

Ye Qingtian and others told Levi Garrison all the things about the Garrison Clan.

They also handed in these exercises...

Although they don't know what Levi Garrison is going to do...

but they know that with Levi Garrison's strength, they will definitely be inferior to these exercises... In

about an hour, Levi Garrison has a good grasp of the Garrison family. The situation of the ancients.

The ancient Garrison Clan is very strong!

In the future, it will definitely be a great help for Levi Garrison!

"The Patriarch, what should we do next?" Ye Qingtian asked.

## The Return of the God of War [The Protector] Chapter 2521

There is one thing to inform you-except for you, there is no need to reveal the identity of my Patriarch to others! So as not to disturb my plan!”

Levi Garrison said.

Because I don't know the specific situation of the enemy.

Therefore, Levi Garrison could only accumulate strength quietly to prepare for emergencies.

It is not yet possible to reveal his identity as the Lord of the Garrison Clan.

So as not to let the “enemy” know.

Make corresponding targeting...

“Understand!”

Everyone nodded in unison.

“You go back first! When I have time, I personally go to the ancient Garrison Clan once! By the way, take Levilia back to see!”

Levi Garrison said.

Ye Qingtian and the others nodded in unison, “Understood!” At

this time, they no longer entangled with Levi Garrison's hatred, but looked forward to the bright future of the Garrison Clan!

There is such a strong Levi Garrison and an eternally talented Levilia to join.

It's hard for the Garrison Clan to not want to rise!

After everyone left.

Plum dyed them back.

"How's the talk?"

Zoey asked with concern.

"Well, I have joined the ancient Garrison Clan! Including Levilia!"

Levi Garrison said.

"That's really good... I'm sure there will be less disputes in the future! At least Ye Wudao and Ye Lingtian dare not target you. You can even say that the Garrison family will be your backer in the future..."

Zoey's face was full of smiles.

In this way, the big problem of her headache was finally solved.

Several people in Azure Dragon (Qinglong) sighed, "Hey, things are impermanent! I want the boss to step on the Garrison family and throw him into hell! Unexpectedly, after a few years, he joined the Garrison family. The Garrison family became the backer of the boss... It's really embarrassing. "..."

"Therefore, there is no absolute in everything... Only by bending and stretching can you become a big cause..."

In their opinion, Levi Garrison had succumbed to the former enemy.

This is actually a very humiliating thing!

It is a shame for those who are rather unyielding!

They are not ashamed to explain directly, they can only say that they can bend and stretch.

In fact, this is a shameful practice!

I would rather die than succumb to the Garrison family!

Not afraid of death, or what the Garrison family would do...

Even they were ready to regard death as home, but Levi Garrison gave in.

This is not the boss they knew...

Could it be that the boss had to bow

his head for the sake of reality... I don't want his wife and children to suffer, and I don't want this group of brothers to die!

Why!

Everyone began to think about Levi Garrison in the past!

What a beauty that is!

If the Garrison family was forced to join in this way, I'm afraid it would have started early.

Now I can only swallow my breath and join in...

Hey!

Times have changed!

People have also changed!

The edges and corners are smoothed!

Levi Garrison joined the Garrison Clan that they didn't expect anyway... But how did

they know that Levi Garrison was not actually joining, but taking over!

Levi Garrison smiled and said, "From now on, Levilia will be the little princess of the Garrison Clan!"

“That’s for sure! With Levilia’s talent, aren’t all the little princesses going everywhere?”

Zoey subconsciously said.

But how did she understand what Levi Garrison meant.

What he meant was that he was the Patriarch, Levilia was his daughter, and naturally the little princess.

“By the way, you joined the Garrison Clan, Ye Lingtian of the Beijing Garrison Clan, and Ye Wudao do they know?”

Zoey suddenly thought of this question.

In fact, the Garrison Clan directed against Levi Garrison and it was Ye Wudao’s provocation.

The true ancient Garrison Clan are all on top, so how can they bend down to deal with Levi Garrison!

To resolve the crisis, these people must be resolved.

“They? Are they still recovering? I don’t know!”

Levi Garrison said.

“Well, now you start to go to the capital immediately with me!”

Zoey urged.

“Ah? What are you going to do in the capital?”

Levi Garrison was stunned.

Everyone is a little confused. “Of course I went to tell the Garrison Clan in Jingcheng, tell Ye Wudao that they have joined the Garrison Clan! You are not allowed to bully you in the future!”

## The Return of the God of War [The Protector] Chapter 2522

Zoey urgently wanted everyone to know that Levi Garrison had joined the Garrison Clan.

Especially Ye Wudao few people.

“Yes, my sister-in-law is right! Let them all know that the boss is already a member of the Garrison Clan!”

“Hey, in this case! Then you can only rely on the name of the Garrison Clan to protect the boss...”

Since Levi Garrison has joined in with the humiliation. Garrison Clan, they are not good to say anything.

“Well then, let’s go to the capital!”

Levi Garrison agreed, he was mainly afraid of trouble.

It will be annoying to be harassed by Ye Wudao again in the future.

It’s better to tell them to join the Garrison Clan to avoid trouble.

Everyone immediately set off for the capital.

Among the Garrison Clan in Beijing, Ye Qingtian and the others just came back.

This group of ancestors sent out, but Ye Wudao and the others were shocked.

What happened during the time they were in a coma?

Even the Patriarch and them are here?

The entire group of elders gathered...

The top leaders of the Garrison Clan are here...

Unimaginable!

“What’s wrong?”

Ye Wudao stood up under Ye Zhantian’s treatment.

“If you shouldn’t inquire, don’t inquire...”

Ye Zhantian said irritably.

Thinking of Levi Garrison’s advice, everyone still didn’t speak.

But before everyone’s butts were hot, Levi Garrison and Zoey came.

After Levi Garrison arrived, he directly shouted, “Come and gather from the Garrison Clan in Beijing, I have something to announce!”

Everyone was stunned.

Is Levi Garrison so arrogant?

Dare to bring it to the door by yourself?

Seeing Levi Garrison, Ye Zhantian wittily took everyone to the detached courtyard where he lived.

he is very smart.

Knowing that if Levi Garrison had something to do, he would definitely notify them, no, order them.

It must have nothing to do with them now...

Ye Wudaozhi and his ilk saw this group of ancestors leave.

They all smiled. "A Levi Garrison wants to see the ancestor of the ancient Garrison Clan? He is not qualified! Did you see it?"

"Why did you come, Levi Garrison ? " Ye Wudao

asked.

The Garrison family stared at Levi Garrison vigilantly.

"Let me do it!"

“

Everyone, please put away your hostility! We are not here to fight! We have something to announce!”  
Zoey said, before everyone put away their weapons and tried to kill.

“Ladies and gentlemen, announced it! My husband leaves the monarchs and their daughter Levi -Jun has joined the race! The future is a leaf of the family! Also please a lot of care!”

Language does not startle.

Zoey said this.

Everyone was stunned.

“What? Levi Garrison joined the Garrison Clan?”

“When did we know what happened?”

...

“Impossible! We don’t know. Why did you say that Levi Garrison joined the Garrison Clan? Who admits it? “

Ye Lingtian questioned.

“It was the ancestors who recognized it! They let Levi Garrison join the Garrison Clan!” At

this time, a person hurried over, and he was here to convey Ye Zhantian's meaning.

"Huh? Ye's ancient clan recognized it?"

Now, everyone has nothing to say.

Ye Lingtian was stunned.

Ye Wudao had nothing to say.

Although he is the number one genius, he is not in charge.

"How come Levi Garrison and other criminals who are rebellious to join the Garrison Clan?"

Everyone was a little puzzled.

"I see! It must be the ancestors who want to draw his daughter in! Letting him join is actually an additional condition!"

Ye Wudao suddenly exclaimed.

"Yes, that's right! The child Levilia has to stay in the Tiance Mansion! In fact, the ancestors have nothing to do! It is difficult to bring Levilia back! If there is such a perfect solution, why not do it?"

"The only price it is to let Levi Garrison join the Garrison Clan to eliminate the heinous crimes he committed before! This is not a price to the ancestors, and it is not a condition!"

Ye Lingtian analyzed. Ye Wudao rejoiced, "Levi Garrison is so smart, using his daughter to resolve his hatred with us!"

## The Return of the God of War [The Protector] Chapter 2523

“Levi Garrison Tiance Mansion and many people say that you are a tool for childbirth! It seems right!”

“You actually used your daughter to eliminate hatred, and joined the Garrison Clan you dreamed of!”

“I finally know you. How treacherous, I didn’t make such a condition before! It was not until all the ancestors of the ancient Garrison Clan came to talk about joining! In this way, they have a more right to speak!”

...

The Garrison Clan and Zoey present. , Azure Dragon (Qinglong), they all agreed.

The reason why Levi Garrison was able to join the Garrison Clan.

That’s because Levi Garrison used Levilia as a condition to negotiate with the Garrison Clan.

If he joins, Levilia will naturally become a member of the Garrison Clan!

Does the ancient Garrison Clan have any reason not to agree?

Ye Wudao looked at Levi Garrison and said, “To tell the truth! You have been waiting for Levi Garrison for a long, long time! Joining the ancient Garrison Clan, it is a matter of supreme glory!”

“Count you smart! Now you are a member of the Garrison Clan, We really can’t move you! Next, pray that you don’t violate the clan rules, or you will be punished as well!”

Levi Garrison smiled.

Don't say he violated the clan rules, even if he tore the clan rules.

Who dares to condemn him?

Ye Qingtian?

Do you dare to lend him ten thousand courage? At this time Ye Lingtian said, "Levi Garrison, since you have joined the Garrison Clan! That is the blood of the Garrison Clan! Whether in public or private, my blood is flowing through you! I am your father! Hurry up and kneel down and kowtow to me and call my father. I will

recognize your son's identity!"

Ye Kuanglan said several people, "Well, now that you have joined the Garrison Clan! The ceremony of acknowledging the ancestors and returning to the ancestors is still necessary! Kowtowing the tea and changing the name is indispensable! You have to call me! grandfather!"

Ye Wudao was reminded, and he immediately said, "I can say that the Garrison Clan is a top-ranked clan! I didn't want to enter! A ceremony of joining the clan must be held! You have the recognition of your elders! Only then can you truly recognize your identity as a Garrison Clan! "

It is certainly not appropriate for the ancestors to personally recognize you as a member of the Garrison Clan! You are far from qualified! In that case, let us come! According to my seniority, I am still a young ancestor! I will preside over the ceremony of joining the clan... .. "

Ye Ling-day, who immediately echoed," Yes! it was presided over by Xiao Zu! elect nine elders involved!  
" "

By the time the leaves monarchs to nine elders bowed salute, offer tea to the call! recognized nine elders considered the Clan!”

“I’ve forgotten it, tomorrow will be a good day! Tomorrow morning the ceremony of joining the clan will be held!”

Ye Wudao nodded, “Well,

yes, yes ! Then it’s set!” He even looked at Levi Garrison and smiled.” Levi Garrison, how about you join the clan? I’m your elder! Will you call your ancestor if you don’t see me?”

“Come on, call ancestor, let me listen?”

Ye Wudao’s ears moved to Levi ‘s presence.

“Don’t force me to slap you! He slaps you and you are seriously injured, and I slaps you to death!”

Levi Garrison said coldly.

Ye Wudao knew about Levi Garrison fanning him in Ti Ye Zhan Tian.

This sentence instantly angered Ye Wudao, and he said coldly, “If you don’t call my ancestor today, this is not over!”

“Yes! You must call your ancestor! Otherwise, you can’t enter the clan ceremony! We don’t recognize you as a Garrison Clan member! “

Everyone became tough.

But he didn't see that Levi Garrison was already angry.

He was about to lift up his slap and slap it down fiercely.

Zoey knew what would happen if this slap was taken...

He quickly stopped Levi Garrison and pushed him aside.

"Patter..."

With this push, several ancient books fell to the ground on Levi Garrison's body.

Everyone looked around.

Ye Wudao subconsciously bent over and picked up a copy of "Basic Garrison Clan Practice?"

"This is also the Garrison Clan's practice!"

"This is the same!" "Hahaha... Levi Garrison, you even hid me Ye The supreme clan practice!"

## The Return of the God of War [The Protector] Chapter 2524

Ye Wudao laughed.

It's like discovering some new continent.

"I had any brains! Just how he joined the family leaves this condition is that simple thing! There are other conditions that he coveted my family leaves the supreme Gong!"

"With his children in exchange for not only qualified him into the family, but also In exchange for the Garrison Clan's supreme cultivation technique!"

"Levi came to your city mansion really too deep! I never thought of the cultivation technique before!"

...

Everyone looked at Levi Garrison's face changed.

Everyone in the Garrison Clan despised more and more.

Levi Garrison, a big man, actually used his daughter as a tool to exchange a lot of items and make conditions!

"You're really not a human! Trade your own daughter! It's really unlucky for your daughter to have a father like you!"

...

But Zoey's eyes changed when they looked at Levi Garrison.

At first everyone thought that Levi Garrison had completely surrendered to the Garrison Clan by joining.

Now it seems that Levi Garrison has to bear the humiliation and put forward many conditions that are beneficial to him.

For example, get Garrison Clan's supreme cultivation technique to make him stronger as soon as possible.

Although it is using his daughter Levilia.

But it's good to have this heart.

"No wonder! I said you can't suffer if you join the Garrison Clan! It turns out that you need a technique!"

Zoey also said.

Ye Wudao smiled, "More than that! I smelled the scent of medicine specially made by the ancient Garrison Clan! There should be supreme medicine!"

Zoey reached out and touched Levi Garrison's body as she felt a few medicine bottles.

Just smelling the scent of medicine is refreshing.

"Haha, sure enough! Levi Garrison, I said you would squeeze your daughter's value to the maximum! Sure enough, so many magical drugs!"

“You are no different from selling

your daughter ...” “If your daughter knows, you can trade her for her. With so many things, what would she think...”

...

Everyone looked at Levi Garrison in disgust.

The conditions are good.

But changing so many things is really too much.

I completely use Levilia as a tool.

Too hateful!

Zoey was also very angry.

But she made Levi Garrison agree to join the Garrison Clan.

She is not good to say anything...

“Okay, okay! Don’t mention this again! Don’t be angry! You will be a family from now on! Let’s not talk about two families!”

Zoey relieved Levi Garrison.

“A man? It is not too it! No ceremony conducted into the family, who admits he is a leaf tribe ah!”

“Yes! No ceremony will not be the family!”

.....

all shouted.

Zoey hurriedly said, “Please rest assured! Tomorrow’s clan ceremony we will come! Not only that, I will bring my daughter Levia! Let her participate in the clan ceremony together!”

“Let the child come together! This Yes!”

Ye Wudao said.

Zoey quickly pushed Levi Garrison, “Hurry up and agree to participate!”

But Levi Garrison was unmoved.

This group still want to embarrass themselves?

In a hurry, I expelled them directly from the Garrison Clan!

Lao Tzu is now in charge of the ancient Garrison Clan!

Throw your nose on your face one by one?

Isn't it looking for death?

"Boss, what are you doing in a daze? Hurry up and agree to it!"

Azure Dragon (Qinglong) and the others were anxious.

"You endured even the enemies of the year, but you couldn't beat them and you joined! You have endured the humiliation so much, are you afraid of losing something?"

"When you agreed to join the Garrison Clan, you actually bowed down to them and knelt down. That's it! So it doesn't matter whether you kneel and kowtow to them! You are already kneeling!"

"Now that you have reached this point, you should continue to bear the humiliation!"

...

They persuaded them one after another.

In their opinion, Levi Garrison had already knelt down when he agreed to join the clan...

Levi Garrison took a deep breath, "Okay, I promise to participate in the clan joining ceremony!"

But tomorrow, Levi Garrison will be sitting in a chair, and Ye Wudao Zhiliu was kneeling on the ground...

the ceremony of joining the clan?

Ha ha! Let's become a demarcation ceremony!e!"

## The Return of the God of War [The Protector] Chapter 2525

“Okay, then we are ready to join the clan ceremony! It will be held tomorrow!”

Ye Wudao smiled at Levi Garrison, “Don’t be arrogant, this ancestor is your decision!”

They all left.

In fact, Ye Zhantian of the Independent House knew everything.

“Levi Garrison, your temper is still igniting! People have to bow their heads under the eaves!”

“You surrender to the Garrison Clan, it is equivalent to kneeling, and now you want to stand and eat, it’s impossible!”

“You Only keep forbearing, keep kneeling...until the day when you become stronger and stand up on your own...”

Zoey said.

Others’ voices were also cold and indifferent, “Since I chose to surrender, I will bear the humiliation honestly! I think about it, and I want to take it again!”

They don’t want to call the name directly, which probably means setting up a memorial arch...

Levi Garrison is really embarrassed. .

Laozi is in charge of the ancient Garrison Clan, okay?

Not to join!

It is a direct takeover!

Is he still kneeling?

He dared to kneel, but who can bear this group of people?

Zoey contacted Levilia on the same day and took him back from Tiance Mansion.

It was the next day in a blink of an eye.

“This is something within your Garrison Clan, we outsiders are not suitable to participate! Let’s leave!”

Zoey said actively.

She left the Garrison family house with everyone.

She was afraid that staying here would embarrass Levi Garrison and embarrass him.

After all, Levi Garrison wanted to kneel down for so many people, and he was once his enemy.

At this most humiliating moment, Levi Garrison definitely doesn’t want people he knows to see...

Therefore, Zoey immediately took people away.

“You...”

Ye Wudao looked dumbfounded.

He wanted Levi Garrison to lose face in front of this group of people, but now he has all gone.

And the reason is particularly good-it is not the Ye people.

He could not refute it yet.

But this is all secondary.

The important thing is that Levi Garrison, a stubborn guy, will kneel in front of him and call his ancestors...

it's cool to think about it!

What a proud fellow Levi Garrison is!

Known all over the world!

Let him kneel and kowtow to call ancestors!

This is something to brag about!

The ceremony of joining the tribe was held in the ancestral hall of the Ye tribe in Beijing.

There are four chairs next to the hall of the ancestral hall, and one chair in the middle.

This belongs to the nine elders!

The middle position belongs to Ye Wudao!

He is a young ancestor, the highest standing!

The next seat belongs to Ye Lingtian and the others.

Elect eight elders to accept Levi Garrison's salute!

Soon, everyone gathered.

Ye Wudao didn't sit down, but stood at the door and waited.

"Where is Levi Garrison? Hasn't he come yet?"

Ye Wudao looked around.

Another half hour passed.

Levi Garrison came slowly with Levilia.

Levi Garrison even had a steamed bun in his hand, where to eat it...

He seemed to regard the ceremony of joining the clan as a matter of fact.

“Levi Garrison, what are you doing? The clan ceremony! This is the clan ceremony! You are late!”

“Twenty full minutes!”

“Do you want to join the Garrison Clan? Just say it if you don’t want to join! I thought you were. Kuaibao! I can’t leave you!”

Ye Wudao roared wildly.

Everyone else looked at Levi Garrison in disgust.

Was he late for such an important moment?

Sin is unforgivable! ! !

This is not putting them in the eyes

at all ... Everyone has already thought about it after looking at Levi Garrison.

The initiation ceremony must make things difficult for him later...

Set rules for him!

“Oh, late? I went to bed a little late, what’s the matter?”

Levi Garrison sneered.

“You still dare to be confident? How could I still give birth to you? I don’t dare to say that you have my blood in the Garrison Clan!”

Ye Lingtian said angrily.

Levi Garrison ignored him, but walked straight into the hall of the ancestral hall.

Sit directly in the center of Ye Wudao’s chair. He cocked Erlang’s legs and looked at everyone, “Shall we start?”

## The Return of the God of War [The Protector] Chapter 2526

“Why are you daunting?”

When Levi Garrison sat on Ye Wudao’s chair, everyone was shocked.

Everyone was stunned.

Looked at him incredulously.

Ye Wudao stood at the gate of the ancestral hall, just like a fool.

There seems to be something wrong with his mind.

Why did Levi Garrison get on his seat?

Why is this?

Senseless!

Everyone is dumbfounded!

“What are you doing in a daze? All kneel down!”

Levi Garrison shouted.

This made everyone wake up in a shock.

“What are you doing, Levi Garrison? Is this where you should sit? This is the position of the ancestor! Get out of me quickly!”

“You unfilial offspring! You are playing with fire!”

“Levi Garrison, are you brains?” There is a problem? The ancestral hall is so daring to go wild like this? Are you looking for death?”

“You should kneel! You are not qualified to sit!”

...

Everyone who reacted was anxious.

Yelling one by one.

I can't wait to take Levi Garrison alive...

His behavior is to provoke Garrison Clan's majesty!

It looks very serious in them!

Ye Wudao took a deep breath, “Levi Garrison, you have to be clear about your position, you want to participate in the clan ceremony! Not us!”

“This position is mine! You should kneel here! Hurry up and kneel here, I forgive your ignorance! Don’t be conceited!”

Everyone shouted, “Levi Garrison kneels!”

“Levi Garrison kneels!”

...

Levi Garrison smiled, “Who said that the ceremony of joining the clan? This is not what I came to participate in!”

“Ah?”

Now the others became more confused.

I don’t know what Levi Garrison is talking about...

Even Levilia looked at him strangely, not knowing what he meant...

“I obviously attended another ceremony, that is, someone will be expelled from the Garrison Clan!!! “

Levi Garrison sneered.

“Someone will be expelled from the Garrison Clan?”

Ye Wudao said subconsciously.

“Yes, that’s right! Someone will be expelled from the Garrison Clan!”

Levi Garrison nodded.

“Could it be you?”

Ye Lingtian asked.

Levi Garrison smiled and said nothing.

But this smile looks weird.

Also very provocative.

“Bring me down, you!!!”

Ye Wudao directly wanted to make a move.

It’s just that suddenly a voice blasted like a tearing sky.

“Ye Wudao still doesn’t kneel down!!!”

“Boom!!!”

This sound was like thunder, with terrible pressure.

“Puff!”

Ye Wudao knelt to the ground subconsciously.

Under terrible pressure!

At the same time, he also heard that it was Ye Qingtian’s voice!

“And Ye Lingtian, Ye Kuanglan...you all kneel down for me!”

Ye Qingtian’s voice continued to explode.

“Puff!” Unable to

endure the powerful pressure, Ye Lingtian and the others knelt down one by one...

They looked painful and felt terrible oppression.

And the children of the Garrison Clan outside the ancestral hall heard Ye Qingtian’s voice, and they all knelt to the ground one by one.

In the entire ancestral hall, only Levi Garrison was sitting alone.

Levilia stood beside him.

All the others fell to their knees...

This scene was extremely shocking!

Isn't it Levi Garrison's ceremony for joining the clan?

How did it happen?

It was not Levi Garrison who was kneeling, but people like them...

can't understand!

I can't figure it out at all! ! !

Accompanied by the sound of intensive footsteps, Ye Qingtian and other ancestors quickly came to the court.

Everyone looked at them without understanding.

At this time, Zoey outside Ye's ancestors' house and they heard Ye Qingtian's movement.

“

Should something happen? The boss is very likely to have an accident..." "Let's go in and see if something happens, we will try to stop it!!!"

...

Zoey and the others entered madly.

Quickly came to the ancestral hall.

After arriving at the ancestral hall, everyone stopped. Seeing the shocking scene in front of me...

## The Return of the God of War [The Protector] Chapter 2527

Why are they all kneeling on the ground!

What are they doing?

Hundreds of Garrison Clan in Beijing actually knelt in front of the ancestral hall.

There are even people kneeling in the hall of the ancestral hall!

What is this for?

“Is it worshipping the ancestors? Visiting the ancestral hall?”

Someone wondered.

“Look inside!”

Xiao Feng exclaimed.

Everyone looked over.

I saw one person sitting in the middle of the ancestral hall-Levi Garrison.

Next to him stood a bewildered Levilia.

Looking at it from this angle, it was as if everyone was bowing to Levi Garrison!!!

How is this going?

Why did they kneel down for Levi Garrison?

I can't imagine it because of emotion or reason!

These people who kneel down are all taller than Levi Garrison!

Even Ye Lingtian wouldn't kneel down to Levi Garrison... I

can't figure it out, I really can't figure it out!

It doesn't make sense!

No reason for them to kneel to Levi Garrison!

"Boom!" In the

next moment, a series of majestic breaths hit.

Ye Qingtian and the others appeared...

a coercion that obscured the sky and the sun struck, causing Zoey and the others to kneel and worship.

“Is this the ancestors of the ancient Garrison Clan?” This

is the first time they have seen so many terrifying things!

It is equivalent to a bunch of killer gods!

To be weak is not a bit weak!

At this moment, everyone understands that God List is a fart!

Just picking out a few of these people will be able to chop the god list alive.

too frightening!

“I understand, they must be kneeling because of these old ancestors!”

Azure Dragon (Qinglong) said.

Everyone nodded and agreed.

Because there is really

no reason why these people gave Levi Garrison to kneel...The people haven't arrived yet, Ye Zhantian roared, “You want to be drawn by me again, right?”

Seeing Ye Qingtian and others walking, especially watching. Ye Zhantian looked angry.

Ye Wudao was scared to cry.

“Patriarch! Uncle, I was wrong! It’s all my fault! I shouldn’t be in charge! The Garrison Clan hasn’t yet my turn to be the master! Everything is my fault!”

Ye Wudao immediately apologized.

“And we were also wrong...”

“The matter of Levi’s entry into the clan was decided by your ancestors! But we set up a ceremony of entering the clan to deliberately make things difficult for him!”

“When are we qualified to make claims? Especially? Did the ancestor decide something?”

“We are guilty! We are guilty!”

“Papa.....”

They began to slap themselves fiercely.

In particular, Ye Lingtian had their faces smashed in order to express their attitude.

They all thought that Ye Qingtian let them kneel down, and blamed them for making their own way, and throwing aside the decision made by the ancestors, and they held the ceremony of joining the clan by themselves.

It's another act of Yue Chu on behalf of Pao!

Do things beyond your status and responsibilities!

Just as Ye Zhantian went to deal with Levi Garrison not long ago, they didn't know their status, they decided to let Ye Zhantian deal with Levi Garrison...

Ye Wudao also thinks so... The

fault can only be this...

And this time it's worse than before!

In front of him was Ye Zhantian, now Ye Qingtian and even the entire Garrison Clan!

After Ye Qingtian's group arrived, they stared at Ye Wudao, "Well, you are indeed wrong! And

you are so wrong!" "In the Garrison Clan, you have a voice? What right do you have to influence the Garrison Clan's affairs? "

Especially in front of the Lord of the Ancient Garrison Clan, what qualifications do

you have ?" Hearing Ye Qingtian's reprimand, everyone was trembling.

But they all understood it wrong.

The head of the ancient Garrison family is Levi Garrison!

“We were wrong! Ask the Patriarch to punish!”

“We were wrong...”

Ye Wudao did not admit their mistakes, and accepted all punishments.

In this situation, you can only admit your mistakes, and this is the only way. Ye Qingtian shouted, “Okay! Then I will announce the punishment when I choose...”

## The Return of the God of War [The Protector] Chapter 2528

As for the punishment Ye Wudao can think of, it is nothing more than the few rules of the family.

Put him in confinement for up to three years!

It's too simple...

but it was the first time Ye Qingtian and the others were punished.

A little nervous.

“The punishment is from now on, Ye Wudao, Ye Lingtian... These nine people are expelled from the Garrison Clan! They have nothing to do with the Garrison Clan!”

“As long as we find that you play the banner of the Garrison Clan again, then kill Wuxian. !”

...

“Boom!!!”

When Ye Qingtian announced the decision, the audience was silent.

No one thought that the punishment turned out to be this...

directly expelled Ye Wudao and others from the Garrison Clan!

Incredible!

Ye Lingtian was stunned.

Ye Wudao was stunned.

Even others, such as Zoey, were stunned.

Why?

Because of this incident, the first day of the ancient Garrison family was expelled from the family!

Is it too sloppy?

If only Ye Lingtian and them were expelled, everyone would understand.

This group of people violated the Garrison Clan's majesty and deserves heavy punishment.

But adding Ye Wudao, everyone doesn't understand.

At this time, Ye Wudao, Ye Lingtian and their minds came to mind what Levi Garrison said before-I did not come to participate in the clan ceremony, but the clan removal ceremony. Someone will be expelled from the clan?

How did he know?

wrong!

conspiracy!

It's all Levi Garrison's conspiracy!

I don't know what ecstasy soup he poured into this group of ancestors!

Why?

Ye Wudao especially wants to know why?

He was dumbfounded!

This kind of mistake is not even called a mistake, it's just embarrassing Xia Levi Garrison.

Did not desecrate the authority of the Garrison Clan...

The ancestors who stood in front of the key point loved him the most...

Especially Ye Qingtian, who cultivated him as a generation!

As a result, he made such a decision for Levi Garrison?

"Why is the Patriarch?"

“Why is Master?”

“Why is Uncle?”

...

Ye Wudao looked at the familiar faces and asked why in confusion...

“How can there be so many whys! Violating the family rules! You should be subjected to it.”  
Punishment! You have been expelled from the Garrison Clan! You are not from the Garrison Clan anymore, get out of here!”

Ye Qingtian said angrily.

Even his master Ye Longtian expelled, “Hurry up! It’s good to leave you a life!”

Ye Wudao slowly stood up and looked at Ye Qingtian. “Excuse me, Patriarch, expel me from the clan, yes Who specifically violated the house rules? Say it, I am convinced!”

Ye Wudao is very smart, knowing that there is no such rule in the house rules.

Intentionally let Ye Qingtian speak out.

Ye Qingtian was happy, “Sorry, I added it! I ask you, does the Lord of the ancient Garrison Clan have the right to change or add clan rules?”

“Yes!”

“Yes!”

everyone shouted.

Now Ye Wudao had nothing to say.

“Okay, I admit it! You have this child as the cornerstone of the future, so you are willing to give up on me, right? Okay! I’m leaving! There is a day you regret!”

“Levi Garrison, you wait! I will keep this account. Right!”

Ye Wudao sneered.

In their opinion, it was definitely Levi Garrison who forced the patriarch to expel himself from the family based on the monarch.

Because of Levilia’s talent and potential, he could definitely be the future of Garrison family.

Then it’s the same whether he needs it or not.

Ye Lingtian followed Ye Wudao and left the Garrison Clan in a daze.

“Hey! Do it yourself! Disciple! Who made you offend someone you shouldn’t offend!”

Ye Longtian looked at him reluctantly.

Ye Qingtian looked cold, "Whoever dared to do anything against the patriarch in the future will end up like this!"

...

walking on the streets of the capital.

Ye Wudao and his party were lost.

"Little ancestor, where are we going now? We listen to you!"

Ye Lingtian asked.

"If you want the Garrison family to regret, we can only make ourselves stronger! We have to take refuge in the big forces!"

Ye Wudao said. He and Ye Lingtian looked at each other, "Relying on the Bible Organization to find the God of Darkness!!!"

## The Return of the God of War [The Protector] Chapter 2529

“Huh? The Bible Organization?”

Ye Kuanglan and others looked surprised.

Join another organization just after leaving?

“Today’s affairs are inseparable from Levi Garrison! I must make Levi Garrison pay a painful price!!!”

Ye Wudao was really trembling with anger, and his hatred for Levi Garrison reached its maximum.

It may have been that Levi Garrison was arrogant in the past.

But now I really have an unshakable hatred with Levi Garrison!

At least in his opinion, such a great hatred! “And the ancient Garrison family! How much did I pay for them? When I was the first genius in the family! Everyone pampered me and loved me! Now there is a more promising one, just kick us. It’s open... Garrison family, you will regret it

!!!”

“When I am very strong in my cultivation, you will know what a talent is! What is a crushing! That kid can be crushed with one finger!

I will Let everyone in the Garrison Clan understand that expelling me from the Garrison Clan is the worst thing they have done in their lives!”

Ye Wudao shouted up to the sky.

Ye Lingtian also agreed, "Yes, that's it! Make them regret it!"

"But the best way to make them regret is strength! With unmatched strength, you can make the Garrison Clan regret it! Then, we need to join the big power! "

understand all this vitality and leaves few people asked," why is the Bible that the organization does? big summer there are a lot of big forces! "

they used to be in the big summer, and this case was expelled from the race, struggling to go outside.

"Because the biblical organization is so powerful, the Dark God in particular is even more outrageous! Everyone says that the God of Heaven has won the Dark God, but as far as I know, it is not the case! It is the Dark God who won!

And Levilia and several of her masters mysteriously disappeared in the West. In fact, they encountered an extremely powerful existence, and they were saved by the God of Darkness alone! "

That's why we are the only choice to seek refuge in the God of Darkness!" If I worship the dark god as a disciple, I can reach the peak in a very short time! "

Ye Wudao said.

"Well, leave for the Bible Organization immediately!" "

Ye Lingtian nodded.

Both of them looked like heroes and thought about the same thing. The

two went straight overseas.

Among the Garrison Clan.

Zoey and both of them were stunned.

Even after a long time, they were still shocked.

Garrison Clan He actually expelled Ye Wudao from the clan... It

's incredible.

That's the first genius of the Garrison Clan . If he says to expel him, he is expelled?

"I have to say that the master still has the means. Make such a decision! "

Xiao Feng exclaimed. The

Sword Evil God nodded, "Yes!" He should use Levilia as a tool to design and challenge Garrison Clan and Ye Wudao! "Azure Dragon (Qinglong) Kirin ( Qilin ), they all smiled, "Well! You, to be exact, we all underestimate the boss! In addition to the use of force, his strategy is also unique! Familiar with all kinds of warfare, all kinds of conspiracy and tricks! In those days on the battlefield, the

enemy was often defeated by tactics and soldiers, without a single pawn! "

Although this ancient Garrison Clan is powerful, according to strategy, the boss is their ancestor!" Design it casually, and part of their family will fall apart! The design allows Ye Wudao to leave. It is simply too simple..."

"Especially with Levilia as a bargaining chip, it is easy to grasp the entire Garrison Clan! "

...

Because it was something within the Garrison Clan, Zoey and the others had to leave.

He also took Levilia away.

After all, the ceremony of joining the clan Sun was held.

At this time, Levi Garrison was still sitting in the ancestral hall.

"Levi Garrison, you are presumptuous! Do you still dare to sit?" It

was Ye Mingchen who Ye Wudao brought out at the beginning.

Also a Garrison Clan genius!

"Pop!" Ye Qingtian, who was next to him, suddenly slapped him away.

## The Return of the God of War [The Protector] Chapter 2530

Ye Mingchen fell heavily to the ground.

Everyone looked at Ye Qingtian puzzledly.

Would you rather let Levi Garrison sit, and have to fly other people?

why is that?

Especially Ye Mingchen was even more puzzled.

At this time, Ye Qingtian spoke again, "Didn't I say that you don't want to be troublesome in front of the lord?"

Ye Mingchen looked at him aggrievedly, and I didn't make trouble in front of you.

I'm talking about Levi Garrison! ! !

"Boom!!!"

At this moment, Ye Qingtian suddenly fell to his knees.

"Puff!"

"Puff!"

...The

other ancestors also fell to the ground one by one.

Surprised!

The others were shocked.

Why are the ancestors kneeling down?

It shouldn't be!

Even if this is the Garrison Clan's ancestral hall!

But the ancestors in the ancestral hall are lower than these people!

These people are even in the portrait of the ancestral hall.

How could they kneel down to themselves or someone lower than their own...

It's not impossible!

But some people found out...

They weren't the offerings in the ancestral hall...

but Levi Garrison sitting in the field!

“Meet the Patriarch!!!”

everyone shouted.

Patriarch? ? ?

Is Levi Garrison the Patriarch?

At this moment, everyone seemed to be clear.

It turns out that Ye Qingtian said before that he was not qualified in front of the Patriarch...

This Patriarch did n't mean him, but Levi Garrison!

He also said that the Patriarch could change the clan rules at will, to expel Ye Wudao and the others from the clan.

This Patriarch is Levi Garrison!

The members of the Jingcheng Garrison Clan are going crazy.

Not only has Levi Garrison joined the clan, he is also the clan leader!

This is too scary!

“Announce, this is the master of the ancient Garrison Clan and even all the Garrison Clan!”

“The reason why I let you know the identity of the Patriarch is to make it easier for him to do things for him! Someone in the ancient clan has to do things, and there are also people in the secular world to do things! “

Ye Qingtian asked.

“Understand!”

everyone shouted.

On the other side, Ye Wudao and his team finally found a certain base of the Bible organization.

This base is in charge of the evil god!

The evil god knows Ye Wudao, and he looks a little wary when he looks at a few people.

Order thousands of strong men to surround them!

“This lord, don’t be nervous! We are here to join the Bible Organization!”

Ye Lingtian explained quickly.

The evil spirits looked astonished, “Take refuge in us? Really? Ye Wudao, you are the first genius of the ancient Garrison Clan! How can you take refuge in us?”

“It can even be said that in the eyes of the ancient Garrison Clan, we It’s a crooked way! How could you join us, don’t laugh!”

Let alone the evil spirits, no one else believed it.

“That’s right, we have been expelled from the Garrison Clan...”

Ye Wudao said about his expulsion from the Garrison Clan.

Everyone checked it and it turned out to be true.

“So we come to join the Bible Organization! Don’t worry, we are not a waste of rice buckets! Joining the Bible Organization will also increase your strength!”

“And to show my sincerity, I specially bring some meeting gifts! But we must meet the Dark God and his old man. “

The most important thing is that the purpose of my coming this time is to worship God of Darkness as a teacher! If I don’t see him, I can’t kneel here forever!”

Ye Wudao fell to the ground with a puff.

“And me, I also want to worship the dark god as a teacher!”

Ye Lingtian also knelt to the ground.

The two of them just knelt straight like this.

Alarmed the audience.

Everyone was stunned.

I also saw the determination of the two.

This kneeling is one day and one night.

When Levi Garrison heard the news, he was shocked.

After going round and round, these people still return to their command?

The key is that they still worship themselves as a teacher?

Interesting!

Levi Garrison decided to go there in person.

“God of darkness is here...” Ye Wudao, who had been kneeling for a day and a night, heard the light in their eyes.y.

# The Return of the God of War [The Protector] Chapter 2531

At the moment when they saw “Dark God”, Ye Wudao and the two were excited.

“Dark God, I am willing to worship you as a teacher! As long as you are willing to accept us as disciples, I am willing to pay all the price!”

Ye Wudao said directly.

Levi Garrison was happy, and wanted to know what price he had to pay.

“Huh? How to say?”

Dark God asked.

“As long as you accept me as a disciple! I am willing to Yip ancient tribe of exercises, mixing drugs law, all of these methods offer the mixing device! Unreserved! This is the most ancient family Yip, I promise!”

Leaf Wudao’s eyes were full of madness.

In order to join the Bible organization, he turned over all the most supreme core techniques of the ancient Ye clan.

It shows his determination and sincerity!

“Hahahaha...”

Levi Garrison smiled.

This Ye Wudao is indeed crazy!

And Ye Lingtian also had scarlet eyes, that was a desire for super strength!

In order to become stronger, these two people really do everything.

They will do everything crazy.

“The supreme technique of the ancient Ye family? If this is spread out, I am afraid that the whole world will be mad! That scene is no less than when the Heavenly Sword came out...”

Levi Garrison smiled.

“Yes, yes! This is the supreme technique of the ancient Ye clan! When you reach the extreme level, you can fight against the Great Summer Cebu!”

Ye Wudao said immediately after being recognized.

“Boom!!!”

But at this moment, Levi Garrison suddenly burst into a terrible air current, forcibly pushing everyone out for tens of meters.

A scorching breath blasted the audience.

Like a scorching sun...

The breath rushed to the body, tearing human skin inch by inch like a blade.

What a terrible sun current!

It was like the aura from the Heavenly Sword back then.

Chunyang Zhenqi? ? ?

Ye Wudao was dumbfounded immediately.

Others may not recognize it.

He recognizes it!

This is the core technique of his ancient Ye clan!

Only the members of the ancient Ye clan can step on this journey by cultivating pure Yang Zhenqi.

In the future, all members of the ancient Ye clan will rely on pure Yang Zhenqi to practice various techniques and skills.

This is their core basic technique!

Family regulations-no one should disclose the core skills!

The pure Yang Zhenqi made by the dark god in front of us is extremely pure!

In other words, Ye Wudao had never seen such a pure pure Yang Zhenqi.

Not even Ye Qingtian and his like!

“You...how did you know my Ye Clan’s core practice?”

Ye Wudao asked inexplicably.

Ye Lingtian is very clever and has roughly guessed it.

Of course Levi Garrison will.

The ancient Ye clan had given everything to him.

Ye Wudao would like him.

Ye Wudao can’t, he can too!

“I can do a lot... Boom... clang...” At

this moment, Levi Garrison’s body suddenly turned golden, making a metal clash.

“What? King Kong is not bad for magic????”

Ye Wudao's eyes were about to fly out.

How can this dark god do everything?

too frightening!

so horrible!

Never seen such a powerful person!

Now Ye Wudao's mind is no longer about how Levi Garrison obtains the Ye Clan's exercises and King Kong's non-destructive magic.

He only knew he was right!

The Dark God is much stronger than them, and more powerful than the whole world imagined!

He is unfathomable!

All the world knows is the tip of the iceberg!

Ye Wudao excitedly yelled, "I knew you weren't defeated by Tiance Shenshuai!"

"He? Too weak! Unbearable! I don't bother to care about who beats me! No opponent in my eyes... .."

Levi Garrison said.

Both Ye Wudao are going crazy!

It's crazy!

Isn't it too powerful?

This is what they want! ! !

"Please accept us as disciples..."

"I can do whatever I want to go through fire and water..."

"Bang bang bang..." The two knelt on the ground, slamming their heads at Levi Garrison frantically.

## The Return of the God of War [The Protector] Chapter 2532

God's will make people!

Levi Garrison sighed as he watched the two men kowtow.

It's so amazing!

Marshal Tiance became his apprentice, and now Ye Wudao and Ye Lingtian are also begging to accept apprentices!

But this time is the occasion of employing people.

What's more, Ye Wudao is very strong and determined.

You can use them for many things.

Accept disciples, yes!

Levi Garrison will also give them pointers and teach them something!

Let them improve in a short time and reach a height that outsiders can't imagine!

No matter how good they are, Levi Garrison will firmly control them.

"Come on, tell me why you worship me as a teacher?"

Levi Garrison asked.

“We want to become stronger! We want the ancient Ye clan to know that they are wrong! I want them to regret!!!”

Ye Wudao shouted almost madly.

“Well, yes! Very real idea! I have accepted you as apprentices! And I will guide you and teach you the exercises. Let you take off! Get what you want as soon as possible!”

Levi Garrison looked at the evil spirit again, “Now we are Are there any larger forces that are left unattended?”

Levi Garrison knew that the Bible organization had too many forces.

His confidant is not enough to look after him.

“Even though the Maya industry is now under our control! There is no real caretaker! The people sent are not strong enough! Can’t achieve the effect of suppression...” The

evil god said.

“Huh?”

When Ye Wudao heard that Maya Industry was also controlled by the Dark God, both of them went crazy.

Breathing is visibly rapid.

What kind of existence did they worship as their teacher?

But thinking of the strength of the Dark God, everything was relieved.

Hahahaha...

they even laughed wildly in their hearts.

They joined the strongest force in the world!

none of them!

Their master is even more invincible!

The name alone is enough for the Ye Clan to regret...

If their strength takes off again, it will be unimaginable!

“Being my apprentice, you have to do things for me! From now on, Maya industry will be under your secret control! Understand?”

Levi Garrison asked.

“Master, rest assured, we will make the best order!” the

two promised.

They are completely crazy.

In a disguised form, they are already the masters of Maya Industry.

Levi Garrison also believed that they would do a good job. Driven by their interests, Ye Wudao and the others might do better than Underworld God.

“In order for you to do things better, let me teach you two artifacts!”

Levi Garrison gave the artifacts brought by Forbidden Land No. 76 to the two of them.

They all got excited to death when they got the artifact.

This is more powerful than Ye Zhantian’s killing sword...

They have the urge to rush to Ye Clan Xiansha now...

After leaving here.

Levi Garrison went to Forbidden Land No. 76.

Mining here continues...

The resources in this place are too rich.

According to estimates, with the speed of the current mining team of the Bible Organization, it is estimated that the mining will not be completed for hundreds of years.

But Levi Garrison's temporary focus is not here.

It's fishing...

If according to his prediction, the Lab of the Gods still exists, it must be eyeing here.

After all, this was their forbidden place back then...

and even checked the identity of the "Dark God" over and over again.

They have no reason to give up here...

Levi Garrison deployed all the elites of the Bible organization here in Forbidden Area No. 76, which is called a net of heaven and earth.

Always staring at the forbidden area No. 76 and the surrounding changes.

"Is there anything unusual recently..."

Levi Garrison asked.

“Dark God, there is nothing unusual!”

Levi Garrison decided to observe it himself tonight.

Sometimes something is not observable by the machine.

In the dead of night, Levi Garrison was in the position of a secret whistle.

Almost all locations are covered.

There was no abnormality in the first half of the night. But in the middle of the night...

## The Return of the God of War [The Protector] Chapter 2533

The net under the arrangement of the sky and earth did not find anything.

everything is normal.

But Levi Garrison's face changed.

Levi Garrison clearly felt the movement of the wind and grass.

Even if it is faint, it is smaller than the movement of a butterfly flapping its wings.

But nothing fell into Levi Garrison's ears.

Now Levi Garrison's consciousness has been swept away, and everything in the world is under his control.

He could feel even the worms in the deep forest crawling...

Levi Garrison could feel it when there were such weak energy fluctuations.

No wonder those modern instruments can't find it.

Because the machine has scope, minimum and maximum.

Obviously, this weak energy fluctuation is not within the range of the machine.

So these days have passed, and everyone still hasn't noticed at all.

Levi Garrison's nets of heaven and earth are actually useless at all.

"I saw you..."

Levi Garrison locked a few figures at a glance.

To be precise, they are ghost-like figures...

Like the gods in Forbidden Land No. 76, their bodies can be completely hidden without a trace.

If it weren't for Levi Garrison, they wouldn't have been spotted at all.

First of all, they can control the body to emit almost no energy fluctuations.

Even the terrifying advanced machines or super masters of the new era can't notice it.

In addition, their bodies are like ghosts... In

this way, the chance of finding them is almost zero!

Although Levi Garrison laid out the net, he found nothing.

This is also normal!!!

Levi Garrison immediately leaned forward.

After being near.

Levi Garrison saw clearly.

The way this group of people hide their bodies is still different from that group of gods.

They are almost transparent, and they can't see clearly in the dark...

Transparent? ? ?

Pure energy body! ! !

Levi Garrison immediately thought of Xu Zhengjie's pure energy body!

Although Richard made a bunch of pure energy bodies later, they were all low-end versions.

No one is really close to Xu Zhengjie!

After all, that kind of super-energy particle was discovered by Xu Zhengjie naturally, and Richard and the others were artificially imitated and manufactured.

The power is different...

Levi Garrison has never seen what Xu Zhengjie's pure energy body looks like...

But these figures in front of him are completely one level higher than the pure energy bodies of people like Li Songkui...

At least they are super strong!

In this era of the gods list is the first few levels!

Maybe they are really close to Xu Zhengjie!

And Levi Garrison was sure that these people were random spies, not really masters sent.

The real master is close to Xu Zhengjie, and even reaches the level of Xu Zhengjie directly!

Since it is a pure energy body, who else is there in this world?

The Lab of the Gods!

Levi Garrison is sure!

They are the people in the Lab of the Gods!

Excited!

Levi Garrison became excited all at once!

The long-lost opponent finally appeared!

No one knows how he feels at the moment... It's so

excited that it explodes...

Levi Garrison has always been in a state of invincible loneliness that is overwhelmingly high.

Now the opponent is finally here.

Can you not be excited?

Levi Garrison almost laughed out loud.

But he wants to know where the lair of these guys is.

therefore.

There has been no movement, just quietly following them.

These ghost-like figures shuffled through the forbidden area No. 76, as if they were recording something...

Levi Garrison had not been alarmed.

Until dawn, these figures left.

Levi Garrison immediately followed.

He is bound to follow a few people to find the current lair of the Gods Laboratory... These

guys must be hiding somewhere.

Along the way, the speed of several figures was very fast.

However, Levi Garrison kept locked in their presence.

A few hours later.

Levi Garrison stopped with a look of surprise.

“Why are they here????? Shouldn’t they!”

## The Return of the God of War [The Protector] Chapter 2534

Because the place I came is Daxia!

Levi Garrison was so shocked.

These ghostly figures plunged into the territory of Daxia.

“No... they found me... deliberately led me to Daxia!”

Levi Garrison immediately wanted to understand.

If it is another location, it may really be the current lair of the Gods Laboratory.

But if it's Daxia, it's definitely not!

I deliberately guided myself!

Except for this reason, Levi Garrison couldn't think of anything else.

He could only secretly sigh that the Gods' Laboratory was really terrifying...

actually found himself.

It seems that these guys found themselves early in the morning.

Always guide myself to Daxia.

If you continue to track down, these people will definitely flee and will not gather together.

Levi Garrison immediately chased after him.

As expected, these people were dispersed after entering Daxia.

Several people fled in several directions...

Levi Garrison smiled.

Sure enough, as he expected.

This group of people discovered them long ago.

If you keep chasing it down, you won't be able to find the lair.

Even catching a few people is useless.

After all, this group of people discovered him, and it is estimated that they have already taken countermeasures.

Levi Garrison tentatively pursued it in one direction.

This person actually ran to the capital...

and then disappeared...

“Sure enough, there are two boys, and I discovered myself early...”

Levi Garrison muttered to himself.

He thought that the other party had made a countermeasure to get away.

What Levi Garrison didn't expect was that the other party didn't find him.

With his current strength, how could someone discover him!

With these pure energy bodies, how could it be possible?

What he didn't expect was that these people didn't deliberately lead him to Daxia.

It's that they wanted to go back to Daxia...

because their lair was in Daxia... The

so-called most dangerous place is the safest place... The

current lair of the Gods Laboratory is actually in Daxia!

This is something no one can think of!

After the Lab of the Gods was hidden, the Lair was built in Daxia...

Even if everyone knew that the Lab of the Gods still existed, they would not be able to find it.

As for entering Daxia, several people dispersed and went in different directions.

That's because there is more than one lair in the laboratory of the gods.

If they are scattered.

If it's exposed, it won't be all exposed.

Only one place can be exposed.

It's also convenient to do things...

Even Levi Garrison didn't expect it... the

other party didn't find him, and the lair was in Daxia.

They disappeared in the capital because they entered the nest of the capital...

If Levi Garrison pursued it a little more carefully, I was afraid that he would find out.

But who would have thought that Lao Lao was here...

Levi Garrison then returned to Jiangbei from the capital.

He is a little depressed.

I found the traces of the laboratory of the gods.

It is estimated that the Lab of the Gods will not go again.

Therefore, Levi Garrison never went to the forbidden area to guard No. 76 again...

As a result, in the middle of the night, a few ghostly figures appeared in the forbidden area on the No. 76, and they continued to explore the forbidden area.

They didn't even know that Levi Garrison had discovered it long ago, so they continued to explore.

But Levi Garrison thought that he would startle the snake and continue to guard in the future.

After a period of exploration in the Lab of the Gods, many secrets have been discovered in Forbidden Land No. 76.

It's just that Levi Garrison didn't know all of this.

He thought these people wouldn't dare to go...

he was just intensifying his efforts to explore everywhere!

A few days later.

A big event happened.

It can be called another revolution in the new era!

It is closely related to almost everyone!

After this matter came out!

Exploded!

The whole world is blown up!

Levi Garrison was also shocked after seeing this. "Isn't it? Even the dark web came out?"

## The Return of the God of War [The Protector] Chapter 2535

Because this time, the dark web unites major institutions around the world to redefine the list of gods! !  
!

A Conferred God Platform will be built on the top of the world, the top of the country's first peak!

On the stage there will be a stone monument towering into the clouds and reaching a hundred meters long!

This is the closest place in the world to the sky!

Means to ascend to heaven and conviction!

So the stele is named Fengshen Bang!

Everyone on the list will have their names engraved on this stone tablet.

There are 1,000 places on the Fengshen list!

However, the Dark God ranks first in the list of conferred gods with a terrifying force! ! !

The four characters of Dark God were carved on the top of the stone tablet, and they were already submerged by clouds and fog, and they couldn't be seen at all.

Means that it has reached the sky!

Now Shenbangqian are basically unfamiliar names, and they are all members of the ancient tribe who suddenly emerged. For example, Ye Qingtian and his ilk.

Or some hidden powerhouses in the West, some tribal powerhouses in the virgin forest.

There are members of the super ancients in Daxia, as well as the big powers in the West.

This time basically everyone can make the list!

Even the masters of Tiance and Levilia's masters are also on the list!

In the past, the rule of the god list was that this person must have been shot, and the record must be analyzed comprehensively to be on the list.

No matter how good you are, you won't be on the list.

But this time is different.

The dark web united with major organizations to conduct a comprehensive analysis of the power of all the strong people that can be unearthed from the world, and then rank them to decide whether to enter the god list!

As for the data and combat power of these powerhouses, they all belong to the dark web!

I have to say the power of the dark web!

In addition to the stele, there are ninety-nine steps in the Conferred God Terrace!

The names of a hundred people are engraved on each step!

These ninety-nine steps are the quasi god list!

From the first level to the ninety-ninth level, and then to the stone tablet, it means to ascend to heaven and entrust the gods!

The ninety-ninth step is the closest to the Conferred God List, and is also known as the Near God!

After the redefinition of the gods list, the whole world exploded.

Before the god list, the quasi god list was ranked, many people felt that it was not big, and even felt that there was no sense of substitution.

There is very little motivation!

But now it's different.

Shenbang and quasi-shenbang are concretely expressed in the form of stone tablets and steps.

And it's still located on the Conferred God Stage on the top of the world.

Once on the list, that is to overlook the whole world.

Especially the strong people on the top of the stone stele are equivalent to stepping on the entire world!

Even the ninety-nine steps are above all beings!

Thus.

The name engraved on a stone tablet or ninety-nine steps will become a kind of supreme glory!

As long as it is mentioned, everyone will be enthusiastic!

Will frantically do whatever it takes to increase strength and hit the list!

Especially on the stone tablet, the part that enters the cloud has become the goal that everyone yearns for!

Try to think about it, your name is engraved on the highest point in the world!

What a glory it is to connect the heaven and the earth, the place flooded by clouds and mist!

It's an inspiration to everyone!

It is also an encouragement to the ninety-nine steps of the quasi god list!

This means that the strong of the gods are stepping on their names and stepping on their faces to step on the Feng Chan platform!

The name engraved on the ninety-nine steps is an honor and a shame!

Who can allow his name to be trampled on?

Who can allow his name to be on the steps?

All you can do is punch!

Step by step up the ninety-nine steps, directly to the Conferred God Platform, directly to the Conferred God List, and stand at the highest point!

But then again, although it is a ladder, it is also the ladder of the highest peak in the world, and it is the highest place in the world!

This is glory! ! !

So after the new god list was defined, the whole world exploded.

Of course, it was mainly because Ye Zhantian and others suddenly appeared, so that the previous god list could not be predicted!

Therefore, the gods must be redefined. Levi Garrison was very interested. Was he on the steps or on the stele?

# The Return of the God of War [The Protector] Chapter 2536

The Dark God is number one!

Daxia Yizhi Grandmaster (the mysterious man who pointed the Heaven-Slicing Sword!) ranked second!

At the same time, this one-finger master possesses the magical power of King Kong, which is said to have reached an incredible level.

The new head of the ancient Ye clan ranks third!

His identity is unknown, but his strength can surpass, and he overpowers Ye Qingtian and Ye Zhantian to become the Patriarch of the ancient Ye clan!

When the new list of gods was released, the world had exploded.

Everyone knows the first and second and is familiar with it.

But the sudden emergence of the new Patriarch of the ancient Ye clan shocked the whole world.

Especially Ye Wudao and Ye Lingtian, who currently control Maya Industry.

It was even more surprised.

They are all wondering if they were expelled from the family, whether it has something to do with the new owner?

Who is this new owner?

Why don't they know?

For a while, Ye Wudao wanted to use his contacts in the ancient Ye clan to find out.

But they are more excited!

Because their master of the Dark God is the number one in the gods list today!

They are the top apprentices on the god list!

...

Looking at the top three rankings of the God List, Levi Garrison was lost in thought.

His three identities are all ranked in the top three...Where is

his identity?

Find a circle.

Nothing on the gods list!

This dark web has vast magical powers, and even these triple identities are refined.

Do you know who you are?

Do you know that these three identities are actually the same person?

If you know it, it's dangerous.

Fortunately, Levi Garrison initially judged that the dark web should not be the same force as the Lab of the Gods.

Levi Garrison continued to read the list on the ninety-nine steps.

Still no one!

After all, this redefined god list and quasi god list are powerhouses that encompass the whole world!

Whether it has been shot or not, it is in the public eye or hidden from the world.

The strong ones that have not been counted have very small deviations.

This is the truly authoritative list!

This is the real gods list.

From the previous gods list to some powerful people in the back, they are always above the gods list.

God's list can no longer summarize them.

Therefore, according to Levi Garrison's previous strength, it is normal for him not to be on the quasi god list.

It is estimated that the difficulty of getting on the quasi god list is the same as the difficulty of getting on the god list before...

or even a little bit higher.

Levi Garrison continued to look at the god list and the quasi god list.

Ye Qingtian, Ye Zhantian, and the talents of Tiance are also listed!

In addition, the hidden powerhouses of all major Western forces have been unearthed one by one.

Basically, the new gods list are all unfamiliar names.

Once in the top ten of the gods list, only the top three are still a little higher.

The rest are basically at the end.

Ye Wudao, Tiance Marshal, they only entered the god list... but

this is more glorious than the previous top ten in the god list!

As for Xuanyuan Qingya once was in the top ten of the gods list, none of them made it into the gods list, and fell into the quasi god list...

Unexpectedly, the God of Underworld, God of Violence, and God of Wind from the Bible organization were ranked in the top 100 on the list of gods.

At the beginning, the Evil Sword God, Xiao Feng, and Kirin ( Qilin ), who were similar in strength to them, and even stronger than them, all fell out of the gods list and were above the quasi gods list.

Only on the 97th step!

There is still a certain gap from the ninety-ninth step of the highest level!

That's because the Underworld Gods took the blood of "God" in Forbidden Land No. 76, and their strengths soared one by one!

It's not just the evil gods.

There are many mysterious powerhouses in the Bible organization who have also made the list!

Many are on the list of gods!

This made Levi Garrison a headache.

This was his secret weapon, all of which were exposed one by one.

But Levi Garrison also feels good.

His subordinates are crazy about this list, and his three identities are still the top three. At this time, Zoey Lopez asked Shang Levi Garrison to “follow us!”

## The Return of the God of War [The Protector] Chapter 2537

“Where are you going?”

Levi Garrison asked curiously.

“Go to the top of the world to see the monument and the gods!”

“Now that the gods list is redefined, everyone wants to go to the top of the world to inspire themselves...”

Zoey Lopez looked forward to several people.

really!

The new way of building the new god list on the top of the world really has a strong motivating effect on the powerhouses all over the world.

Everyone is crazy!

They all take their own name engraved on the stone tablet as the ultimate glory!

Even if it is carved on the ninety-nine steps!

Will be trampled on!

But that is also glory!

Symbolically speaking, that is a step close to the sky!

Everyone is going crazy and engraved on it.

“The boss believes in us. When you see a towering stone monument, you will be crazy! You will not attack at all costs! Go strong!”

said Kirin ( Qilin ) several people.

“Okay, then I’ll go and see with you...”

The main reason why Levi Garrison came here was to see what the dark web built.

Maybe you can find some clues on the dark web...

“Hey! I didn’t expect me to fall into the gods list! Ranked on the 97th step!”

Sword Evil God sighed.

Xiao Feng also looked unhappy, “I am also at level 97! Quasi-God Ranking! Who has suffered such humiliation?”

Kirin ( Qilin ) Tiger (Bai Hu) nodded, “and us...”

They were immersed in the huge gap. Haven’t come out yet.

Zoey Lopez is a bit stronger, at the 98th step, a little closer to the god list.

This is basically the best among them.

At this time Azure Dragon (Qinglong) said, "You should be self-sufficient! Are you still in the past? Now the quasi god list is also a kind of glory! Your name is engraved on the steps! That is the step to the sky!" "Yeah, let's put it this way, the times have changed again! Strong people like Ye Zhantian are all forced to be on the list. It is normal for us to fall behind! Even if the world was originally not dominated by us! Just

before The list of gods makes us feel very powerful! In fact, it is not..." Azure Dragon (Qinglong) nodded in agreement, "You are satisfied! At least your names are engraved on the steps of ascending to the sky! It is still close to the ninety-nine level! Me! Now, not only has it fallen out of the god list, but also the quasi god list! Even the first step is

a position beyond my reach!" As

he said, he glanced at Levi Garrison subconsciously.

Since he abandoned his own practice and practiced Levi Garrison's basic practice, his strength stayed in place.

I can only watch other people surpass myself one by one!

Only he knew this kind of grief.

Levi Garrison smiled, "Azure Dragon (Qinglong) only needs you to practice hard! Soon your name will be engraved on the stone tablet by them!"

“

Understood , boss.” Azure Dragon (Qinglong) laughed miserably.

He would not believe what Levi Garrison said.

How can this be! ! !

Soon after, the group came to the top of the world.

This peak may be difficult for ordinary people to climb before!

But for the current group of strong people, it is simply too simple.

Tens of thousands of people have gathered here, and the number is still increasing.

It will soon exceed one hundred thousand, and the mountains and plains will be full of people.

However, most of the people who came were those who hadn't been on the quasi-sacred list, or were quasi-sacred list.

The reason they came here was to look at the stone stele on the Conferred God Platform, and inspire themselves to engrave their names on it.

As for the person whose real name was carved on the stone tablet, almost none came.

Tens of thousands of people stood under the steps of ascending to the sky, looking at the sacred  
Conferred God Platform solemnly and solemnly.

Where are the hopes and goals.

No one will step on the steps for fear of blasphemy.

But suddenly one person stepped up the steps.

Levi Garrison! "Levi Garrison, what are you doing?"

## The Return of the God of War [The Protector] Chapter 2538

Seeing Levi Garrison stepping on the steps, tens of thousands of people present yelled like crazy!

Everyone wants to stop, but there is no chance.

Levi Garrison has stepped on it!

Because this step of ascending to the sky, although it is to be trampled underfoot.

But that is also glory!

Those who can step on it unless they have the strength to cross over, such as those super powerhouses with names engraved on stone tablets.

Otherwise, how can other people dare to step on this level?

This step is sacred and solemn in everyone's mind!

Especially the strong quasi gods whose names are engraved on the steps do not allow people weaker than them to step on their names!

This is absolutely not allowed!

Even if the strongest of the gods stepped up the steps, they would be dissatisfied and angry.

Not to mention people who are weaker than them!

Resolutely not!

This is a shame to them!

It's trampling on them!

This group of strong men is going crazy.

But helplessly, Levi Garrison has already set foot on it.

The blink of an eye has crossed dozens of steps.

"Boss"

"Levi Garrison!!!"

...

everyone shouted loudly.

Levi Garrison was just as crazy.

As if ignoring the rules of this world.

Put all the world's authority under your feet.

madman!

Totally madman!

“Stop him...”

Some quasi-god leaders wanted to stop them, but it was too late.

Levi Garrison's steps were not slow, he easily crossed the ninety-nine steps to the position of the Conferred God Platform.

These quasi-shenzhen powerhouses immediately stopped, and Levi Garrison stepped onto the stage of conferring gods like crazy.

But they can't!

That's not where they can set foot.

Unless their name is engraved on the stone tablet, they are eligible to step in!

On the contrary, none of these quasi-god leaders dared to set foot.

They could only watch Levi Garrison board the Conferred God Platform alone.

“Levi Garrison, you are offending the majesty of this world! You are trampling on everyone, you are looking for death!”

everyone scolded.

But Levi Garrison ignored it.

He walked freely on the stage of conferring gods.

He was observing

this place ... It is said that this place was built by the dark net, and the steps, the stone monument of the Conferred God Platform, were all made of special materials.

After all, the names engraved on the steles and steps are not static.

It needs to be updated all the time, and other names will be engraved.

Therefore, a special material is required, and the engraved name can be removed and then other names can be engraved.

Levi Garrison observed for a while and found that the material was indeed special.

A new material that hasn't been seen before.

He turned around and took a look.

Standing on the Conferred God Platform, there really is a feeling of standing on the top of the world, with a panoramic view of the mountains and rivers.

Nearly one hundred thousand people under the steps are extremely small...

Everyone's cursing voices continue... They

all say that he will never be qualified to step on this conferred god platform.

Levi Garrison was happy.

I'm not qualified?

The top three on this stele are me!

Am I eligible?

Next, Levi Garrison looked at the stele.

The names above have been scanned one by one.

There are many acquaintances.

But most of them are unfamiliar!

In the end, Levi Garrison jumped up a little bit directly on the stone tablet, just to see the names of each one...

Seeing Levi Garrison stepping on the stone tablet slowly leaping up, the people below were really furious.

Levi Garrison not only insulted the ranks of the quasi-sacred list, but also insulted the stele of the gods list!

To put it bluntly, Levi Garrison has already caused public outrage.

Disrespectful behavior!

The stele is very high, and the high part is submerged into the cloud.

Soon Levi Garrison's figure was also submerged in it and disappeared from everyone's eyes.

Soon after, Levi Garrison came to the highest point of the stele.

He saw the first three names, Dark God...

Levi Garrisonle.

"Boom!"

Levi Garrison jumped up and stood on top of the stone tablet.

There is a feeling of king over the world.

But when he looked down, the smile on his face was gone, replaced by panic. He saw...

## The Return of the God of War [The Protector] Chapter 2539

He saw his name engraved on the back!

Not the Dark God, nor the new Patriarch of the ancient Garrison clan.

It was the three words Levi Garrison...

His name was also engraved.

It is not carved on the front of the stele, but on the back of the stele.

On the back of such a big one, there are only three words for Levi Garrison!

This is what no one expected... The

biggest secret of the stele lies in the back!

However, the stele and even the steps are too sacred to the powerhouses all over the world!

The more powerful they are, the more they respect the stone monuments, and they dare not cross the thunder pond for half a step...

not to mention going to the back of the stone monument, even those with the front side of the stone monument do not dare to look at it...

that is for them. Holy and inviolable.

Going to the back of the stele, I can't even think about it...

Unless there is someone like Levi Garrison who doesn't abide by the rules, he will climb up unscrupulously and observe everywhere.

If he hadn't stepped on the top, he wouldn't have seen the side behind...

Besides, this stone tablet was standing on the corner of the mountain, and the back side could only be seen if you stepped on the top of the stone tablet.

You can't go around.

After all, the stone stele was built on the edge, and that side was a cliff of ten thousand feet... and clouds and mist...

To see the back of the stone stele, you have to step on it like Levi Garrison.

To be able to see it!

But stepping on the stone stele means ignoring everything, ignoring the gods, and ignoring the world.

Can such a person find others in the world?

almost none!

Only Levi Garrison dared to do this...

It happened that he discovered this great secret...

understood!

Everything is known!

The meaning of his real name engraved on the back is to indicate that his strength is above the gods!

Beyond everything!

And this is created by the dark web.

That means that the dark web knows its true strength, and all its secrets are invisible.

After knowing this.

Levi Garrison laughed instead.

He came with Zoey Lopez for this reason.

Just to find relevant clues on the dark web to see if you really know your identity and strength.

It seems to be true now.

In this way, Levi Garrison was relieved a lot.

This shows that the dark web knows its strength and identity from the very beginning.

But it didn't explode for so long.

This shows that the dark web has been focusing on information collection and news events all over the world.

It does not belong to that party, and it will not have anything to do with the Lab of Gods.

They are more in a neutral position.

It's like a hundred Xiaosheng in the world.

## The Return of the God of War [The Protector] Chapter 2540

Know everything, know everything.

But they won't do anything...

just collect information.

They all knew about Levi Garrison, but they didn't expose it.

It is estimated that the dark web still knows what is going on in the Lab of the Gods, but they did not explode.

Their existence is just to collect precise information to do these rankings and so on...

It will not affect others.

For example, engraving Levi Garrison's name on the back...

"Huh? No! There are other names..."

Levi Garrison carefully observed the back again.

More than his name!

There are also some ancient alphabetic codes. These... are

clearly the names of gods in Western mythology...

Most likely, the names of

gods are used as codes... The laboratory of the gods? ? ?

Levi Garrison is strange!

The more you look down on the back of the stele, the more names you see. It seems that they belong to the laboratory of the gods...

Only Levi Garrison's name is at the highest point on the back.

That shows that Levi Garrison is still strong!

He is still number one!

But the only thing may be that the Lab of the Gods is much stronger...

He understands the truth that two fists are harder than four hands.

It is now confirmed that the Dark Web knows everything about the Lab of the Gods.

If you find the dark web, don't you know where the Gods' Lab is?

But this idea popped up.

Levi Garrison became more and more tangled.

The dark web even knows its own identity and strength!

If you are looking for the Dark Web, it may be a bit more difficult than looking for the Gods Lab.

It can only be said that the fate...

But this also affirmed the existence of the Lab of the Gods.

And the names of many of them are engraved on the back of the stele, indicating that they are superior in strength and surpass this new era.

The Lab of the Gods is almost as powerful as I imagined...

All the preparations I made were correct.

Next, let's continue...

Levi Garrison Linle.

That is, I dared to step on the top of the stele and saw the scene on the back of the stele.

If it were other people, it would be impossible to see it.

It is estimated that the guys in the Lab of the Gods, who are hiding in hiding, don't even dare to look at it...

or that the current gods are not threatening to them.

They can easily control it!

After writing down the names on the back, Levi Garrison slowly jumped off the stele.

Standing on the Conferred God Stage.

The people below have gathered hundreds of thousands...the crowd is

crowded, and they are still yelling.

Especially after seeing Levi Garrison, this group of people went crazy.

As if to eat him...

# The Return of the God of War [The Protector] Chapter 2541

Levi Garrison stepped down the ninety-nine steps.

This is tantamount to an insult to all members of the quasi-sacred list...

“Has the boss been stimulated to do such an irrational thing?”

Someone said.

“It’s possible that after I came to this place, I was so irritated! I can’t wait to engrave my name on the stone tablet! You say that the boss is the former king, isn’t it even more crazy?”

Kirin ( Qilin ) said.

Xiao Feng nodded, “My desire to win and lose is strong enough. Coming here, I can’t wait to become stronger right away and tell everyone that you are all weak. The boss is a person with stronger desire to win and loss, so I must understand this move. Ah!”

“Well, the new God List is too stimulating. I didn’t think it before, but now engraving the name on it makes people tremble! Everyone wants to be on the list with a broken blood!”

Everyone Said one after another.

Everyone is not surprised by Levi Garrison’s special behavior.

After all, the stimulation was too great.

Everyone wants to step on the steps to the highest point.

It's a pity that everyone wants to be a step again...

Most of the people present didn't even have the chance to be a

step ... The steps are the glory!

In everyone's minds, Levi Garrison couldn't even become a step.

But to trample on the stele.

Who can bear this?

Therefore, when Levi Garrison stepped on the last step.

Tens of thousands of people all rushed over to devour Levi Garrison alive.

I want Levi Garrison to give an explanation.

Otherwise, I will never let him go!

"What qualifications do you have to climb the steps? What qualifications do you have to step on the Conferred God Stage? What qualifications do you have to jump up to the stele?"

Everyone asked again and again.

Everyone in the world is working hard, relying on their true strength to climb the steps, and relying on hard work to step on the stage of conferring the gods.

Everyone is like this.

But it happened that some people cheated and cheated on the stage of conferring gods.

This is why everyone is angry!

It's like an exam. Everyone is studying hard for the college entrance examination.

As a result, Levi Garrison cheated suddenly and entered the best university, still in front of everyone.

Can everyone not be angry?

“You must give an explanation!!!”

Everyone scolded.

Step by step, everyone came to Levi Garrison.

Zoey Lopez can't stop these people...

at least you have to face tens of thousands of powerful...

“Levi Garrison, you just have to kneel under the first step and knock your head against the monument for ten times, and we will forgive you. !” “

Yes, you just make things blasphemy! now we must repent! kowtow apology! “

.....

everyone snapped.

Let Levi Garrison make amends!

## The Return of the God of War [The Protector] Chapter 2542

No one was satisfied with Levi Garrison's behavior.

All of them are as crazy as they are.

I want Levi Garrison to apologize!

Only by kneeling down and confessing, can everyone's hatred be relieved.

Levi Garrison smiled, "The reason why I climbed the steps and stepped on the stele was because I was above the top! A trivial god list is not enough to sum up my strength!"

"You fart!!!"

"Yes, you have it !" What qualifications are above all living beings?"

... As

soon as Levi Garrison said this, everyone went crazy.

Enraged!

Completely irritated!

Levi Garrison not only trampled on the sacred things in everyone's hearts.

It is still ironic and insulting now.

Who is not angry?

“Forcibly let him kneel and kowtow!!!”

Everyone was about to do it.

“Wait!”

Levi Garrison said.

“What else do you want to say?”

everyone asked.

“How can I step on the ninety-nine steps and step on the top of the stele?”

Levi Garrison asked.

“Well, it stands to reason that no one can!”

“But the dark god who is the number one in the gods can barely step on the stone tablet, after all, he is the number one!”

“Yes, if the dark god stepped on the stone tablet! Then everyone will not say a word!”

...

everyone said one after another .

“But what if I am stronger than the dark god? Am I above the gods?”

Levi Garrison sneered.

The Dark God is nothing more than his identity.

It’s just that Levi Garrison said this.

Everyone present laughed.

Uncontrollable crazy laughter.

The posture of laughing to death!

Is there anyone in this world better than the dark god?

impossible!

Do not make jokes!

If the previous god list is the first, it is not necessarily the strongest in the world.

After all, there are many strong players who have not yet been summarized and included.

But this time, all the strong players on the list of gods, without exception, have been collected.

The deviation rate is less than one percent.

Therefore, the dark god is the strongest!

It can be called invincible in the world.

In the end, Levi Garrison said that he was stronger than the Dark God.

Who will believe it?

This is a big joke!

“Levi Garrison is nothing else, you say you are better than the Dark God!”

“But your name is not engraved on the stone tablet! The first name on the stone tablet is the Dark God!”

“Yes, we can’t see Levi Garrison’s name. Engraved on it!”

...

everyone said one after another.

“Of course my name is engraved on it! But it is engraved on the back!”

Levi Garrison said.

“Back? Hahahaha...”

## The Return of the God of War [The Protector] Chapter 2543

Everyone smiled.

After a long time, Levi Garrison pulled out his name and engraved it on the back.

Who would believe it?

“Can Levi Garrison make up a lie that looks more like it? Also engraved on the back?”

Everyone laughed.

“Is my name engraved on the back? Go and see for yourself, don’t you know?”

Levi Garrison sneered.

Everyone was stunned for a moment.

Yes.

Did Levi Garrison lie?

Now just go to the back and take a look.

This is enough to prove everything.

But with so many people in the audience, no one was willing to take a look at the back.

What a sacred existence is that?

According to the construction of this stele, the back is completely on the side of the mountain cliff.

If you want to see it, you have to step on the stone monument.

That is equivalent to stepping on the head of the Dark God, Daxia Yizhi Grandmaster, and the new master of the ancient Garrison clan.

To see...

Who would dare to be there?

Or who dares in the whole world?

To step on the top of the stone tablet is tantamount to challenging the dark god and the powerhouses of the entire god list.

Just to prove whether Levi Garrison's name is engraved on the back.

Who dares to do this?

Is it worth it?

And everyone knows that Levi Garrison's name is definitely not on the back.

Why should I lose my life for something illusory?

“Levi Garrison, you are so insidious, knowing that we can’t step on the stone tablet, deliberately saying that there is your name behind!” “Levi Garrison must kneel down, no one believes you!”

Naturally, no one would believe it, but Levi Garrison was forced to kneel down forcibly.

Even Zoey and the others felt that Levi Garrison was a bit unreasonable.

Back?

How can it be?

It’s absolutely impossible!

“If it doesn’t work, you just apologize? After all, you angered the crowd!”

Zoey said.

Hundreds of thousands of people forced Levi Garrison to kneel and apologize.

It’s a moment of jeopardy.

Levi Garrison was happy, “Don’t believe me? I will pull out the stone tablet and show you the back!” As

soon as Levi Garrison's words came out, everyone took a cold breath.

Also pull out the stele!

This is disrespectful!

"Levi Garrison, are you

looking for death?" Everyone was angry.

At this time, powerful auras swept across the audience like they covered the sky and the sun.

The strong on the true god list is here.

Many of them have never been seen before.

It can be seen that the redefinition of the god list this time has attracted all this group of hidden guys.

They directly stepped onto the ninety-nine steps and came to the Conferred God Platform.

## The Return of the God of War [The Protector] Chapter 2544

They looked at the names on the stele in front of them.

This has also caused an impact on them!

This is the ranking of the steles on the top of the world, representing the strongest on the planet.

Who doesn't want to engrave his name on the top?

Everyone can see most of the names on the stele.

Only the upper part of the stele can not be seen under the clouds.

These strong people in the god list jumped up to see the rankings above.

Write down the names of the former powers one by one.

Especially the top ten and top three.

But even if some of the strong are super strong, they dare not take any further step to provoke the dark god and step on the stone monument.

As for the back, who would dare to look at it?

"Levi Garrison saw it? No one of so many powerful men dared to look at the backside! Would you let us see? Crazy?"

Someone said.

At first, everyone thought that the strongest of the gods would not come?

As a result, hundreds of strong men of the gods came.

It shows the attraction of the Conferred God Platform...As

soon as they come, everyone's attention is on these people.

No one paid attention to Levi Garrison anymore.

Everyone is working hard to remember the appearance of these strong gods in order to prevent offense in the future.

...

"Let's go, it is not suitable to stay here for long!"

Levi Garrison and his party left.

Everyone was silent along the way.

Levi Garrison knew that they were all inspired.

Everyone wants to engrave their names on the steps, but Zoey and his ilk don't want their names to be stepped on.

They hope to appear on the stele.

But what Levi Garrison is thinking about is what kind of existence is the dark web?

Isn't it too magical?

Know the information about yourself and the laboratory of the gods?

Such a character Levi Garrison can only think of one person at present-his own cheap master.

If the dark web was established by Master, how good would it be?

Regardless of whether the dark web is neutral or what it is, Levi Garrison must find out.

Otherwise, the existence of the dark web is like a knife you know, there is no danger for the time being.

But I don't know when, this knife may rest on your neck, or even pierce your heart with a single knife.

"Is it shocked? I want to stand at the highest point! This is my goal!"

Zoey said in a low voice.

But who can feel the flame burning in her heart.

The same goes for everyone else.

Azure Dragon (Qinglong) sighed.

He was also motivated.

But he promised Levi Garrison that he could only practice his basic exercises.

In this way, let alone the stone stele of the gods, he has completely lost fate with the quasi gods of the stairs.

The emergence of the new god list has brought a huge shock to the world, and things are happening everywhere.

Two figures appeared in the capital this night.

One is a middle-aged man with a plain appearance, but he is on the list of new gods.

In front of him, there was a man in a suit and leather shoes, which formed a strong contrast.

Mr. X of the Gods Lab! He appeared...

## The Return of the God of War [The Protector] Chapter 2545

No one thought that this one would appear in the capital.

But there were strange faces in front of him.

It is estimated that no one has seen it.

But if the Tiance master of Tiance Mansion or some old seniors were there.

It is still recognizable.

Because this is the inheritor of another peerless magical skill that is as famous as the magical skill of King Kong is not bad.

In fact, if the two exercises are cultivated to the extreme, they can check and balance each other.

It's not enough to make a gong method the most powerful...

As the name suggests, the Dafa of Absorbing Gong is to suck away the true energy of other people's exercises.

But it is not only that easy, but it can also absorb all kinds of energies between the heavens and the earth and transform them into their own.

However, the biggest problem with the Dafa of Absorbing Gong is that if it draws in other people's gong power or strength too much.

It's easy for one's own body to be unable to hold it, so it explodes directly.

Or there are many types of power drawn, and they may be mutually exclusive. If they are too mixed, they can hurt themselves, severely cause death, and blow up the body.

Therefore, the self-cultivation level is not enough, or the body is not strong enough to integrate the absorbed power for self-use in time.

So it's easy to happen...

if you want to let the absorption Dafa reach the eighth or even the ninth level of King Kong's non-destructive magic.

Then these issues must be resolved.

Otherwise, you won't be able to practice the Dafa to the extreme, and at most six layers will be crushed to death.

To put it bluntly, the Dafa of Absorbing Gong is even more difficult than the magical power of King Kong not being bad.

You need to constantly improve yourself by absorbing the skills of others, but once you reach the limit, you can't do it anymore.

This is the problem faced by every generation of Dafa inheritors...

The one in front of Mr. X in the Lab of the Gods is no exception.

Since the inheritance of Dafa, he has been practicing quietly, hoping to reach the highest state of Dafa.

But just a few questions became his powerful stumbling block.

But when he was desperate, a mysterious man approached him.

Claiming to make him stronger...

solve all problems...

that person is Mr. X!

Mr. X smiled and said, "This day has finally come. Now I will help you solve all the problems in your body, no matter how many people's skills you absorb in the future, how powerful and mixed strengths. Your body can support it now. Live!

In addition, we have also transformed your body. You can digest and fuse all the absorbed power in one minute! This is the modern technology that you once despised!"

The owner of Suction Dafa does not refute at all.

Because it is true.

These few problems in cultivating the Dafa of Absorbing Gong were indeed solved by the laboratories of the gods.

They used terrible modern technology to transform his body and directly solved all the problems.

He knew that the heirs of the previous Suction Dafa all ended up sucking too much gong and strength, and couldn't bear it, so they exploded and died.

The other two repelled each other because of the sucked power, and died in the end.

Especially after practicing the Dafa, people will become greedy.

I want to absorb the skill of more people, I want to become stronger.

But these problems cannot be solved at all.

He still heard that someone solved this problem for the first time.

Really realized in myself.

He has now practiced between the sixth and seventh floors.

You should know that the seven previous successors of Gong Gong Dafa have only practiced to the sixth level at most.

“From now on, you will start the unbridled way of the king! You can suck whoever you want, and as much as you want! There is only one purpose-to become stronger! To become the strongest!”

Mr. X said lightly.

A look of hope.

“Understood! Now I can suck infinitely and merge infinitely! Soon I will sweep the gods list...” The

eyes of the heirs of the Sucking Gong Dafa were full of bloodthirsty rays.

“Well, as for the way you repay is very simple, get rid of a few people...”

## The Return of the God of War [The Protector] Chapter 2545

Mr. X's face is full of killing intent. "Although the new list of gods announces a lot of powerhouses, they are all under our control! Even the gods and the like who are as powerful as the Tiance Mansion are familiar to us. Can control...but only..."

"The top three of the gods! We can't control it at all! You don't even know who it is?"

"Daxia Yizhi Grandmaster and the new master of the Ye clan, we have clues, but we have to look it up. At the time, I was met with resistance! So that I still don't know my identity..."

"The God of Darkness is even more exaggerated. We already know that God of Darkness has changed people. Before, God of Darkness was a handsome junior. But now the God of Darkness. Obviously it's not her, but someone else. But I don't know who it is..."

Now the Dark God is so powerful that it makes people scalp numb, and the Bible organization is so strong that it is terrifying. The

only one who knows the clue is the greatness of the Dark God. The apprentice, the son of God of Darkness. He should know who the God of Darkness is, but we have been looking for him for a long time..."

"These three directly pose a direct threat to us and cannot control them at all. So before we implement our plan, these three are either in control or die!"

The person on the other side raised his head and looked at Mr. X. "So you want me to get rid of them?"

Mr. X nodded. You will be able to kill them soon! Without any obstacles, you only need to use the Absorption Dafa to increase crazy!

We have calculated that you can definitely kill these three people in three months!”

“Yeah ! , Almost! Next I will challenge the strong one by one! I will suck all their skills away! About half of the god list is almost the same... It just happens that my becoming stronger, no matter how fast, is a gradual process... even if I do , No one has found your head...”

Mr. X nodded, “Well, you are very smart. You are the warrior of Daxia, and you are slowly becoming stronger, and the new god list has led to the birth of many strong people. . No one will doubt us!”

“Okay, I understand, then I’ll go...”

Mr. X looked at his back, and he smiled.

“After preparing for so long, I finally start to slowly close the net...”

He smiled.

At this time, a person appeared on the side and said coldly, “Isn’t Levi Garrison not killing?”

It turned out to be Lucifer who had come back from the dead.

Lucifer is now heinously powerful...

“Levi Garrison? Hahaha, now does Levi Garrison have the right to be our enemy?”

“Will God care about a humble mortal?”

Mr. X sneered.

Today's Levi Garrison is completely inconspicuous.

The gap is too big.

They checked Levi Garrison and it was not worth mentioning at all.

How can they be their opponent?

Moreover, Mr. X compares himself to a god. He is really saying that he exists like a god.

"I just can't swallow the breath back then! He actually died with me..."

Lucifer is a very vengeful person.

"Actually, if you confess to him, killing Levi Garrison is really a trivial thing to suck up, but if it is too deliberate, it may expose us..."

Mr. X said.

Lucifer nodded, "That's true! There is no need to expose us for Levi Garrison! After all, he is too weak now. Killing him is no different from trampling to death an ant on the ground. You say that I am not interested in killing him anymore. , Too weak..." As he

said, Lucifer trampled an ant on the ground to death.

“Except for the three Dark Gods, what I am most worried about now is Forbidden Land No. 76. The gods in that place will not disappear for no reason...”

Mr. X said.

But at this moment, he received a major message...

## The Return of the God of War [The Protector] Chapter 2547

The clue they sent out was that the group of “gods” on No. 76 was gone.

All dead.

Is equal to extinction!

But the energies of this group of gods all converged into crystals, which were controlled by the Bible organization.

“If this is the case, let the Dark God live even more! I am not curious about his identity anymore. I just want him to die!”

Mr. X said coldly.

“Of course we want this crystal too! We have to think of any way to get it!”

Lucifer said.

“Well, we must not let it go! But now we still wait for him to get rid of our three opponents!”

... The

Lab of the Gods officially surfaced again and began their official plan.

It’s just that no one else knows.

Even Levi Garrison didn't know.

Although he has been looking for the laboratory of the gods, but the direction is wrong.

The next day.

Levi Garrison witnessed the birth of a group of perverts...

If it was said that the Kirin ( Qilin ) group was cultivating mad, now they are perverted.

Abnormal to the extreme!

In a word-either die or practice!

Whenever Levi Garrison saw them, everyone was practicing.

They were thoroughly stimulated.

The new god list seems to have some kind of magical power, and it is enough for people all over the world to go crazy.

Everyone will improve at all costs.

What kind of medicine

is used ... whatever method is used...

Just to improve!

The same is true of plum dyeing them!

Under this almost abnormal practice.

They are improving rapidly, and they are much more terrifying than before.

One by one is about to come to the peak of their respective exercises.

Seeing them improve, Levi Garrison was not happy at all.

The faster you improve, the closer you are to extinction.

After all, they will suffer backlash and perish if their techniques are practiced to the extreme.

Levi Garrison definitely couldn't stand it.

Helpless, Levi Garrison could only gather everyone together.

"It's time for you to stop..."

Levi Garrison said with a complex expression.

“Stop?”

Everyone looked puzzled.

Azure Dragon (Qinglong) immediately guessed Levi Garrison’s intention, “Boss, do you want to say that their exercises are almost at the end of their practice? Are they going to suffer a backlash?”

“Yes! In less than a month, basically everyone will practice the exercises? The end is over, then it is perished. I don’t want to see your sacrifice...”

Levi Garrison said.

The audience was silent.

Obviously no one would believe his words...

Levi Garrison realized something and looked at Azure Dragon (Qinglong), “Did you not promise me Azure Dragon (Qinglong) to collect everyone’s exercises for experimental data analysis? Did you not do it?”

“I... “

Azure Dragon (Qinglong) was stunned.

He really didn’t do it.

I never thought this thing was true.

There is no need to do it.

Now that Levi Garrison was exposed on the spot, he still felt very ashamed.

I feel like I have done something wrong.

“Boss, don’t blame Azure Dragon (Qinglong)! We didn’t give him the exercises! We don’t think it is necessary! What you said can’t be true!

Each of us has different attributes, how can it be the same? And this The practice till now has no side effects at all. How can it be said that the end of the practice will be ruin?”

## The Return of the God of War [The Protector] Chapter 2548

Everyone spoke for Azure Dragon (Qinglong), which also showed that they would not believe what Levi Garrison said.

“On the contrary, we practiced our own exercises and made great progress! We can keep up with the times! And in order to comfort your emotions, Azure Dragon (Qinglong) gave up his own exercises and practiced the basic exercises you gave him. He is still standing still!

” The boss has to give evidence in everything, right? We saw a lot of things, but you negated it in one sentence!”

...

Levi Garrison said helplessly, “Azure Dragon (Qinglong) has not made much progress, because his heart is too impetuous, and he hasn’t practiced well at all.” As for you, I don’t believe I can, but can you take a little time to do an experiment...”

Levi Garrison is not just saying nothing, nor is it a word of denial.

Long ago, he told Azure Dragon (Qinglong) their verification method.

Maya Industry can do it.

Kunlun Industry can also do it.

It’s just that Azure Dragon (Qinglong) didn’t verify it themselves, they kept blaming Levi Garrison for saying no proof!

“As long as Azure Dragon (Qinglong), do what I said, you already know that what I said is true or false!”

Levi Garrison said.

Azure Dragon (Qinglong) "This..."

"Boss first, don't say that Azure Dragon (Qinglong) is impetuous and unreliable. Can anyone on the scene be at ease? The brothers and sisters who used to be the starting line have all taken off, and they only have to stand on their own feet. Who is not in a hurry? ah? " "

Did not you say Dragon impetuous not reality? Wen Lei and Zhou Nan smoke should be very hard, right? they are practicing your exercises, they have progress? " "

after this a new god list released, I I haven't seen their names on the God List and the Quasi God List! This is not a question of Azure Dragon (Qinglong) at all!"

"Boss, we have been accommodating you, we are really tired. Especially Azure Dragon (Qinglong), as the big brother among us, is for everyone. , Sacrificed himself, he has been paying silently!" "Boss, we believe in you! But at this point, don't make trouble, okay? This is our most critical stage! If we practice the exercises to the highest level, our The strength will undergo earth-shaking changes! We are going to be on the list of gods

!"

...

Everyone sincerely said to Levi Garrison.

The purpose is simple, don't let Levi Garrison disturb them at this juncture.

Zoey Lopez also said, "One said one, they really paid too much for you... Especially in this era, you can get to this point, you can't do without them! Stop it! Don't bother us anymore, go on like this, yes. No one is good!"

“Okay! Then you continue...”

Levi Garrison could tell that everyone’s heart was determined.

No matter what they say, they won’t believe it.

They don’t even have the energy to do experiments to verify the truthfulness of Levi Garrison’s words.

They only think about one thing now-to improve their strength.

They are almost perverted, and can even be said to be crazy.

Their current state is madness.

No one can disturb their cultivation... If

Levi Garrison forcibly stops it, it may cause a lot of trouble.

Even brotherhood breaks!

Levi Garrison knew that they wouldn’t die until the Yellow River.

You will not repent until you reach any point.

Just let them go.

What Levi Garrison has to do is to rescue them when they get to which step...

Of course, he still has to slowly figure out a solution.

Because Levi Garrison didn't know what the end was ruined, in case he couldn't solve it by himself.

Therefore, he must think of a one-size-fits-all solution.

Come and prepare early...

Can't you really watch them die, right?

Although each stubborn is dying, he is more stubborn than a cow.

But Levi Garrison must be saved.

no way.

They are all their own...

Seeing that everyone is going to retreat.

Azure Dragon (Qinglong) also let out a long sigh.

## The Return of the God of War [The Protector] Chapter 2549

Everyone just said something to Levi Garrison because they were anxious.

Maybe it hurt Levi Garrison.

Levi Garrison left without saying a word.

With less than a month left, he wanted to find a solution to this group of people being backlashed.

Can't stay there anymore.

You have to act quickly.

Seeing Levi Garrison leave without saying a word, Azure Dragon (Qinglong) knew that Levi Garrison must be angry.

Those words just now were really too heavy.

Anyone must be angry.

But these guys are practicing at a juncture, so how can they think of other things.

After they leave the customs, Azure Dragon (Qinglong) will educate them one by one. "By the way, the boss said that the experimental data can analyze the problems of our exercises. Should I try?"

Azure Dragon (Qinglong) knew that the boss said it was not the first time.

Said it several times.

As long as the data analyzes the various exercises, the results can be obtained-whether the thousands of exercises are the same thing, whether the end of the exercises is the end, and it will encounter backlash.

Would you like to try it?

Everyone doesn't believe in the boss.

They all blamed him for negating everything in one sentence.

But in any case, he has verified the method.

Regardless of whether this method can be verified in the end.

But they didn't even have the courage to verify it!

Try it, try...

Anyway, I am impetuous now, and I can't practice anything.

He had to accept the fact that his strength had stagnated. Why do

n't you spend half a month studying and analyzing it carefully... What

if it really is what Levi Garrison said?

Maybe it can save Kirin ( Qilin ) and the others...

Azure Dragon (Qinglong) immediately collected hundreds of exercises and went to the Kunlun Industrial Laboratory for closed-door research.

After all, it is a waste of time.

Maya Industry is unique in this kind of data analysis, so the speed is fast.

Kunlun Industry was the first contact, and it took a long time.

About half a month!

Next, everyone trained frantically, Levi Garrison went to find a way to rescue, Azure Dragon (Qinglong) went to verify.

During this time, the world is undergoing major changes.

Because of the excitement of the new god list, every powerhouse is crazy.

Challenge each other and fight each other...

The rankings of the gods and quasi gods are updated every day.

Fortunately, the material of the dark web building stele is very special, which can be erased at any time, and it can also be renewed at any time.

Otherwise, at the current rate, new stone tablets have to be replaced every day.

During this time, a strong man turned out.

Some have been on the list of gods and quasi gods before.

There are also those who are not on the list.

Suddenly came out and challenged a strong person.

Everyone wants to climb to a high place.

Daxia is here.

Seven or eight super powers also emerged.

Among them is who has the Dafa of Absorbing Gong.

He soared all the way from the sixty-three steps of the Quasi-God Ranking... and

soon came to the position of the ninety steps...

However, all the people he challenged lived and died, and none of them survived.

After all, after meeting him, he will be absorbed by Dafa to clean his gong and body.

There is no doubt that you will die if you meet him.

And every time he finishes challenging one person, his strength is bound to increase greatly.

Because it is to absorb and integrate the skills of others...

can it not be strong?

## The Return of the God of War [The Protector] Chapter 2550

Fortunately, this is an era of the weak and the strong.

Everyone fights for the ranking of the gods, and countless deaths and injuries every day.

The killings he caused were also easily covered up, and no one would pay attention.

And his ranking is not very high, so naturally he can't attract much attention.

After all, there are too many strong people who have emerged, and there are many people who are more radiant than him.

Instead, he was in the low-key ranks, and few people paid attention.

This is also in line with Mr. X and his philosophy. It slowly develops, and by the time others discover it, it is no longer controllable.

At that time, he already had the strength to challenge the top ranks of the gods, and sucking can get rid of the top three.

Therefore, such an environment is too suitable for his development.

One week passed.

He has already reached the 95th step.

In fact, every time he crosses a step, he has to absorb the skill of dozens of people.

Now his strength can almost directly challenge the ninety-ninth floor or the end of the god list.

But he still followed his steps and challenged them one by one.

On the one hand, it is low-key and does not attract too much attention.

On the one hand, it is also to absorb the skill of more people to strengthen oneself.

Although these quasi gods are already very weak to him, it would be terrifying if their skills were accumulated together.

He can't waste it in vain.

He still fights steadily.

Soon I came to the position of the ninetieth step. The next challenge is Kirin ( Qilin ) and the others...

Chen Kong, the successor of Suction Dafa, went to Jiangbei to visit according to the list.

After arriving, they were told that Kirin ( Qilin ) and others were all practicing in retreat.

"It's not too late to retreat after accepting my challenge..."

Chen Kong smiled.

“Are you afraid that after they succeed in retreat and increase their strength, you will not be afraid of it? So you have to challenge now?”

Wen Lei of the guard sneered.

“Well, it doesn’t matter, I will challenge them again when they succeed in their retreat. Let’s skip them temporarily!”

Chen Kong smiled and left.

In fact, it doesn’t make much sense to challenge this group of quasi gods, just to absorb their skills.

If he forced his hands to absorb his power, something might happen, causing other people’s attention.

Then the gain is not worth the loss.

Chen Kong is still playing steadily.

Only dare to absorb the skill of the person who is challenging.

If he let go and smoked everybody, it would be easy to be noticed by institutions such as Tiance Mansion.

Therefore, Zoey Lopez dyed them from one difficulty.

Otherwise, if Chen Kong is challenged, he will definitely die.

Wen Lei and the others did not expect that this seemingly ordinary person would soon become an existence that disturbs the world!

Next, Chen Kong still looked for the strong on the quasi god list to challenge.

Of course, many strong people came to him to challenge him. After all, he saw that he had a good record, and that he played steadily and steadily, and he was almost at the forefront of the quasi god list.

The fate of everyone is the same!

Being soaked up alive...

Chen Kong knew he would be exposed sooner or later, so he needed to speed up.

Stand firm before you are completely exposed.

At this time, the Lab of the Gods also helped behind.

They sent hundreds of strong men to challenge the quasi-shenban of the gods, and the city was full of troubles.

In fact, it was to cover Chen Kong's progress.

# The Return of the God of War [The Protector] Chapter 2551

In this way, the attention is shifted to other people, but Chen Kong is the lowest-key.

Levi Garrison is most likely to notice.

But Levi Garrison is now busy finding a way to save Kirin ( Qilin ) and the others, where he can take care of the others.

Besides, it wasn't the whereabouts of the Gods' Laboratory appeared, and he didn't bother to take care of it.

Besides, he really didn't want to know the changes in the god list.

No matter how you change it, it will be earth-shaking.

The first three are his three identities!

This will not change!

No matter how strong, can there be a forbidden area of No. 76?

Can a punch be solved?

It really doesn't work!

Two punches!

Levi Garrison, the only one who could find the problem, didn't bother to take care of it.

So Chen Kong was given enough time to develop.

The dark web may know, but they are neutral and will not take the initiative to report Chen Kong's strength.

And now the major rankings are changing due to challenges, not real strength to determine the ranking.

To put it bluntly, the dark web just counted all the strong at the beginning.

But today's ranking changes are all made by the major institutions themselves.

The fundamental challenge situation and so on are all re-ranked...

Ten days have passed.

Chen Kong has come to the challenge of ninety-nine steps, only one step away from the god list.

Fifteen days have passed.

Chen Kong officially entered the end of the god list.

Now, no matter how low-key he is, he still has to attract a small part of the attention.

But it has not attracted the attention of the whole world.

There is still a certain amount of time, he can still develop and continue to improve.

In addition, the people sent by the Lab of the Gods are diverting attention.

Chen Kong can continue.

It is estimated that when he truly enters the top 100 of the gods, he will attract attention from all parties.

But this is not Chen Kong's goal.

What he hopes to draw full attention to is the top ten of the gods...

Then he needs to absorb more people's skills...

he needs the Gods Lab to suck him!

It's not human skill, even all kinds of energies are fine!

...

Chen Kong is working hard here.

Kirin ( Qilin ) and the others are also working madly, and they are about to come to an end.

At this time, half a month has passed since Azure Dragon (Qinglong)'s experimental data analysis... The result is out!

“Boom!!!!”

Looking at the result in front of him , Azure Dragon (Qinglong) was really struck by lightning!

The face is incredible!

real!

It turned out to be true!

What the boss said is true!

After the most meticulous data analysis-the hundreds of exercises in the new era he searched for are actually just one! ! !

It's just that the evolution is more complicated, causing thousands of illusions.

In fact, it is one kind!

But usually it is not visible at all.

Even if you cultivate yourself, you can't see it.

Only by experimenting with data like this, and comparing each practice method, can it be analyzed.

What the boss said turned out to be right!

He was wrong!

We all blamed him!

The boss was right from the beginning!

The solution was given to us, but no one verified it.

It's been so long if I make a mistake...

## The Return of the God of War [The Protector] Chapter 2552

“But Team Leader Azure Dragon (Qinglong), as for the end of these exercises, we will encounter backlash and destruction. We can’t test it at the moment! This result should be false, right?”

“Yes, the same method is There is no problem! But the end of the exercise is destruction, it should be fake!”

...

several experimenters couldn’t help but say.

“Not necessarily! Continue experimenting! After decomposing these 100 exercises, simulate and practice to the most extreme state and then observe and analyze...”

Azure Dragon (Qinglong) ordered and continued the experiment.

This time it is more complicated.

It will take about half a month.

However, Azure Dragon (Qinglong) had heard from Levi Garrison before that they might not have much time left, and they would be training to the end within a month.

Then you have to speed up and analyze the data before they reach the end of their cultivation.

Otherwise it’s really troublesome.

If what Levi Garrison said was false, that would be great.

But if it is true, this group of people will perish.

He needs to shorten the time.

In his opinion, Levi Garrison was injured and had given up.

It's all up to him now.

He ran to say it was useless now, and said it was useless.

They have to throw real evidence on their faces, and this group of people will believe it.

Otherwise, they would never stop practicing.

Azure Dragon (Qinglong) and the team continued to experiment without stopping.

Fortunately, today, Marshal Ce is also in retreat, otherwise it will be a lot of trouble.

In the next half month, Azure Dragon (Qinglong) will be compressed in about ten days.

These ten days.

Chen Kong's strength increased wildly.

Although he ranks in the top five hundred of the gods.

But his true strength is already in the top 100.

In ten days, he has risen by a full five hundred rankings, which is about to arouse the attention of all parties.

Even if the Gods Lab deliberately concealed it, how to attract attention and put smoke bombs.

The name Chen Kong has been remembered.

Many people are beginning to investigate Chen Kong's specific identity and how he became stronger and progressed so quickly...

Soon the Dafa of Absorbing Gong will resound all over the world!

It's probably less than three days since Chen Kong resounded throughout the world.

Within these three days, Chen Kong had to reach the peak state.

Only in this way can we protect ourselves.

In order to achieve the strength that the Gods Lab wants...the

last moment.

Fight!!!

There is only that way.

Next, Chen Kong started crazy behavior.

## The Return of the God of War [The Protector] Chapter 2553

He actually had four hundred people in a fight at the same time.

With the exception of the top 100 on the God List, Chen Kong invited all those ranked higher than himself.

When the four hundred people on the god list appeared, they were all dumbfounded.

Isn't it a one-on-one challenge?

Why are there so many people?

"Is he crazy?"

"Does he have to challenge four hundred people alone?"

"This is the top five hundred strong people on the list of gods!"

...

Everyone is going crazy.

I don't know what Chen Kong is going to do.

But it's not just four hundred of them.

More and more people appeared.

There are quasi gods, and some are not.

Soon tens of thousands of people appeared here...

It turned out that Chen Kongyue fought the 400 people in the top 500 of the gods, and deliberately designed to find tens of thousands of strong people. He wants to suck enough at once!

That's right!

With three days left, he must be exposed.

The next step must be a lot of difficulties, so at this point, Chen Kong wants to raise his strength to the most extreme state.

Suck!

Suck as much as you can!

No need to cover up this time, it sucks to the extreme in one go!

That's why he arranged such an appointment!

As for the other tens of thousands of people, it was arranged by the Lab of the Gods.

The number is still increasing.

In total, more than one hundred thousand people were required to let Chen Kong suck alone.

Not only that, the Lab of the Gods also arranged a lot of energy cores.

It contains super terrifying energy, which is specially used by the Gods Laboratory.

You can think about how powerful it is.

They just swore to the death to create a super strong.

So it is at all costs!

Seeing Chen Kong's appearance, the four-hundred-hundred strongman naturally looked disdainful.

A person who has just entered the five hundredth, challenge so many at once?

What is it not to seek death?

Any one of them can deal with it!

Chen Kong didn't talk nonsense, and did it directly.

When a fight, everyone panicked.

His own power will be sucked away out of thin air...

there is no power to parry at all.

It is the same whether it is more than 400 in the god list or more than 100 in the god list.

In front of Chen Kong, he could only watch his own

gong power being sucked away... "This is... This is Daxia's assimilation of the magical skills of King Kong and King Kong!"

"It turned out to be the Dafa of Absorbing Gong! My God! Quick retreat! Quick retreat!"

..... The

strong people of the gods know what this is, and immediately retreat.

Many of them are strong in Daxia or Dongdao.

I know how strong the Dafa of Absorbing Gong is.

I didn't want to fight anymore, I just wanted to retreat.

"The eighth level of Suction Dafa!!!"

How could Chen Kong leave without permission?

## The Return of the God of War [The Protector] Chapter 2554

He immediately activated the highest level he has achieved so far-the eighth level!

You know, no one has ever practiced Dafa to this level!

That is, the Lab of the Gods solved all the problems before Chen Kong got to this level.

The eighth layer is to absorb everything!

Anything can be sucked...

without fear of everything!

Suck whatever you want.

The most important thing is to be able to integrate!

.....

“Boom!”

..... As

soon as the eighth layer of power absorption Dafa was performed, the world changed color.

A terrible suction envelops the four hundred gods and the one hundred thousand strong behind...

everyone is sucked by the terrifying suction!

It's like a small bug falling on a spider web, which can no longer break free, and can only be eaten away a little bit.

This is the eighth level of absorption, which can be absorbed by 100,000 people at the same time.

If the seventh floor won't work!

"From now on, let me dominate the world on your behalf!"

Chen Kong was like a panic, his face full of madness, roaring loudly.

This is the terrible thing about Suction Dafa!

It can suck infinitely, theoretically it is invincible!

As long as you can absorb it, you can suck infinitely...

This is the most terrifying!

"Ah!!!"

Chen Kong yelled, and began to frantically absorb the skills of others.

“Ah!!!”

“Ah!!!”

.....The

other people looked hideous, their veins violent.

The body quickly dwindled, until it turned into a withered bone...

was sucked dry!

one!

two!

...

Ten thousand!

...

Fifty thousand!

...

One hundred thousand!

...

Soon there were only four hundred strong players standing in the field, and behind them were large corpses.

It's all absorbed!

They are stronger and last longer.

But it's useless.

Sooner or later it will be absorbed.

...

"Forgive us! Forgive me, I would like

to serve you as the Lord!" Someone began to subdue.

But Chen Kong was already on his head, enjoying the impact of power.

"Impossible!"

...

In the screams, Chen Kong absorbed all the four hundred gods! !

“Boom!!!”

He burst out with an aura that seemed to be able to tear apart this planet... “I’m invincible!”

# The Return of the God of War [The Protector] Chapter 2555

Chen Kong yelled frantically, a terrifying aura raging.

Everything around was smoothed, the foundation was collapsing, the mountains and rivers were collapsing, the sky was overturned...

He absorbed the strongest force ever!

Terrible to the extreme!

Feeling the terrible energy in his body, Chen Kong really felt that he could tear everything apart.

That's really invincible! ! !

He looked at the energy nuclei sent in front of him again, and absorbed all the energy nuclei in one breath.

The power in Chen Kong's body became stronger now.

At least twice as strong...

He immediately used the method taught in the Lab of the Gods to quickly absorb the fusion power!

Because of too much absorption.

Therefore, it takes time to absorb and integrate.

The problem that could be solved in tens of seconds before, this time spent several hours.

After absorbing and fusing all the absorbed energy, Chen Kong's eyes were brilliant.

Thunder and lightning rumbling in the sky.

Chen Kong's body is the breath of dying!

Invincible!

Completely invincible!

The world has never seen such a strong man!

As soon as his breath was released, everyone would worship.

That is a kind of coercion like a falling sky!

satisfy!

So satisfied!

It was also a solid foundation for this period of time, so that this time it was too successful.

Far beyond Chen Kong's expectations!

He is already unimaginable!

It is much better than the results predicted by the Gods Lab!

Originally thought it was so crazy.

It is necessary to absorb some of the skills of the top 100 in the gods list to be able to deal with the top three of the gods list and help them get rid of the thorns in the eyes and the thorns in the flesh.

But now, Chen Kong is enough now.

His current strength is definitely above the gods!

The top three on the god list are definitely not his opponents!

And then, Chen Kong didn't need to hide it.

He can continue to improve his strength unscrupulously, and he can suck whoever wants to suck!

Kill whoever is upset...

This is the confidence of a powerful force!

He doesn't have to worry about it, he is invincible anyway.

You can move whoever you want...

The name Chen Kong is known to everyone in the world overnight! ! !

He turned out to be the successor of Suction Dafa!

Absorb the skills of the four hundred gods and one hundred thousand people overnight!

Be famous overnight!

The person who makes the strongest on the god list and quasi god list disappear the most!

Basically let the god list and the quasi god list redefine...

he killed almost half of the people!

It's really a battle to become a god!

Everyone quickly searched for the powerhouses Chen Kong had challenged before, only to find that all of them had been sucked up to death.

It turns out that the strong man who really turned out to be born is Chen Kong!

The others are all scumbags, scumbags!

Chen Kong is invincible to the extreme!

It was shocking!

The whole world is scared!!”

# The Return of the God of War [The Protector] Chapter 2556

It is impossible to imagine the power of the four hundred masters of the god list in one breath...

the existence that has made the most change in the god list!

Who is not surprised?

One by one, Chen Kong is taboo!

Hide as far as you can!

It's not just the underdogs!

Even the strong people in the gods list are afraid...

especially those in the top 100 of the gods list, the most feared.

They were afraid that Chen Kong would make trouble for them next...

all of them avoided.

Even Ye Qingtian and his ilk secretly sighed badly.

They naturally know what the Dafa of Absorbing Gong is...

Now he can absorb the gong power of so many people in one breath, basically reaching the highest state of Dafa of Absorbing Gong.

It is equivalent to the ninth level of the highest realm of King Kong's non-destructive magic.

Who can stop this?

All major forces are amazed!

The key was never discovered before, and Chen Kong suddenly rose up.

When everyone found out, he had grown to this point.

"I don't know what Chen Kong is going to do next?" Chen Kong's sudden birth made the whole world panic.

His ranking on the God List also came directly to the fourth position!

According to everything he shows now.

The gods of Tiance, Ye Qingtian, and Ye Zhantian are definitely not opponents.

Only the top three of the most mysterious gods might be the enemy...

but because the true situation is unknown.

Therefore, first raise Chen Kong's ranking to fourth...

As a result, everyone becomes more and more afraid.

This is the official ranking, and the rest of the god list powerhouses know that they are not Chen Kong opponents.

For fear of being sucked away, all of them closed up.

As far

as they can hide... Because in this long time, they heard Chen Kong destroy one power after another.

He was still sucking...

When Wen Lei and the others knew that the person who challenged that day was Chen Kong, they almost sat down on the ground...

Wen Lei remembered that her words were very rude...

Oh my god!

It turned out to be the top existence!

I also know that he was anxious to attract people back then!

It just so happened that Zoey Lopez and they all closed up.

Are these guys too lucky?

If I had met him early, I would have died early.

No one will stay!

...The

panic!

Really the whole world is immersed in this panic atmosphere!

Chen Kong was like a big devil, it was terrible.

See who sucks who!

No one can stop it!

However, Tiance and Ye Qingtian have a relaxed look...

Even though they know that they are invincible, there is one person who will not be afraid of Chen Kong!

They still do their own thing...

don't take Chen Kong to heart.

But others don't know.

They place their hopes on something illusory—that is, someone gets the magical power of the King Kong not bad, and they have practiced to the highest ninth level.

## The Return of the God of War [The Protector] Chapter 2557

As a matter of fact, the magical power of King Kong is not bad and the Dafa of Absorbing Gong is made by one person.

These two exercises are not a relationship of mutual restraint.

But it is the existence of checks and balances.

It won't make a certain practice invincible in the world, and it can't be solved.

Therefore, if the King Kong does not destroy the magical skills to the extreme, you can absorb the Dafa in one battle.

This is also the reason why the Gods Lab sent people to search for the magical power of King Kong...

because they knew that if they were sent out to absorb the successors of Dafa, the only possible threat was that the King Kong would not damage the magical power.

So they wanted to take back the magical power of King Kong in advance.

But it failed.

But I heard that the King Kong is not bad magical power in the hands of the marshal Tiance, for him to practice.

They know that Vajra is not bad for the cultivation of divine art, which is as harsh as the Dafa of Absorbing Gong.

If some problems are not resolved.

Wandering at the sixth floor at most, unable to break through to the seventh floor.

Let alone the eighth and ninth floors.

And even if you are too talented to solve all problems, your cultivation is still very slow.

It is estimated that it will take ten and several decades to reach the ninth level.

And if the Dafa of Absorbing Work solves those problems, it will be very fast, as long as you keep sucking.

They expected three months, and the result was reached within one month.

Therefore, the Lab of the Gods directly excluded the magical power of King Kong's incorruptibility.

No one has reached the realm of fighting against Dafa in such a short period of time...

not a threat!

Dafa is invincible!

Everyone does not understand this truth, but this is the last hope.

Without King Kong's non-destructive magic, Chen Kong could not be stopped at all!

But after inquiring Tiance Mansion, I learned that Major Tiance had just reached the sixth floor, and he was still unstable... It is

estimated that the body of King Kong was not bad, but Chen Kong was sucked up.

fear!

The unknown is the most feared!

Chen Kong was born in such a sudden, no one knew what he was going to do...

this was the most feared!

Everyone is waiting...

waiting for the arrival of a disaster... But in Kunlun Industry, after the Azure Dragon (Qinglong) team has been fighting day and night, the experimental data that simulates every exercise to the end is coming out...

It turns out!

Levi Garrison was right from the beginning!

Thousands of exercises are actually a kind of thing, and if each exercise is practiced to the extreme, it will be backlashed and eventually destroyed.

Sure enough, the end is destruction!

After knowing the result.

“Puff!”

Azure Dragon (Qinglong) sat down on the ground and gasped.

correct!

What the boss said was right!

Think about it!

That’s the boss, how could it hurt them?

The boss has always been doing his best to them!

But why don’t people like yourself believe it?

Seeing some results right now, I feel that the boss is wrong.

They have already given a verification method!

Why not verify it yourself?

Have to procrastinate again and again?

“Papa...”

Azure Dragon (Qinglong) backhanded himself twice in the face!

remorse!

In fact, he decides whether to verify or not.

As a result, he chose everyone’s suggestion instead of verifying it.

This has caused something to happen now...

## The Return of the God of War [The Protector] Chapter 2558

before they always said-you can always trust that man!

But after the advent of the new era, everyone is in control of a powerful force, no matter what everyone says.

In fact, he was disdainful of Levi Garrison in his heart.

So what he said and what he did, everyone actually didn't approve of it.

Until now.

Azure Dragon (Qinglong) just wanted to sigh—the boss is the boss, and things are like gods!  
no!

They estimate that they will soon reach the end of the exercise.

I can't let them happen!

You have to stop them quickly!

Azure Dragon (Qinglong) ignored the exhaustion for a month, swallowed a tube of medicine, and

headed straight to the north of the river.

At this moment, near the major retreats in Jiangbei, the breath is gushing and majestic!

This will herald the birth of a lot of powers of the rank of gods...

especially the birth of Chen Kong in these two days, resulting in the fall of nearly half of the powers of the gods.

If the retreat is over, they will be able to come to the list of gods.

The people around have already felt the breath of a group of strong gods...

It is rare to

see so many strong gods at once... It can be seen how hard Zoey Lopez and Kirin ( Qilin ) are, striving to maximize their strength in the shortest time...

Of course, there are not a few people like them all over the world. After being stimulated by the new god list, they practice madly and assiduously one by one.

At this time, Azure Dragon (Qinglong) quickly came to Jiangbei and found Wen Lei who was in charge of protecting the law. They immediately said, "Hurry up and let everyone in the retreat stop! Hurry up! Something is going to happen!" After

coming to Jiangbei, Azure Dragon (Qinglong) has already felt a strong breath. .

This must be the rhythm of the accident.

They are almost at the end of their training...

If they stop it at this time, there is still a glimmer of life, and everyone will die in half a day! ! !

“Is it true

that what he said is true?” Wen Lei couldn’t help asking what he realized.

“Yes! The boss is right! Quick! Let’s stop them! It’s too late to be slow!”

With the efforts of Azure Dragon (Qinglong) and Wen Lei, some of the people who were in retreat were awakened.

But Kirin ( Qilin ) and Tiger (Bai Hu) are already in a state of madness, and their eyes seem to be red.

But a larger part of the people did not leave the customs at all and continued to practice.

They have come to the most critical juncture.

No matter what big things happen outside, they won’t come out.

It can be said that they have fallen into a state of extremes, just as enchanted.

Can’t wake up at all!

The only people who woke up were Azure Dragon (Qinglong) forcibly awakening them.

“Kirin, stop! What the boss said is right! All the exercises are the same! And if all the exercises you have practiced to the end, you will encounter backlash and eventually perish!”

“I spent a month’s work. Time to do the experiment, now all the results come out! What the boss said is right!” “This is the result of the experiment I made! We wronged the boss! He was right from the beginning! We wronged him...”

The blue dragon sounded like thunder, resounding across the sky.

Fall into everyone’s ears.

He wants everyone to know that it is wrong!

Apologize to Levi Garrison!

Also give up the practice at hand!

But the result was not what he thought...

Everyone was shocked or annoyed...All

the people present were silent.

## The Return of the God of War [The Protector] Chapter 2559

“This matter... I’ll talk about it later...”

Kirin ( Qilin ) said lightly, turning to leave.

“Why are you going to Kirin ( Qilin )?”

Azure Dragon (Qinglong) shouted quickly.

“Of course it’s cultivation! I just missed it! I’ll talk to you when I’m done!”

Kirin ( Qilin ) said without looking back.

“I’m going back too...”

Tiger (Bai Hu) also turned and left.

“I’m going back too...”

Even Zoey Lopez and the others turned and left.

It seemed that the important news that Azure Dragon (Qinglong) just said had no effect on them at all.

It can even be said that their left ear goes in and the right ear goes out.

I didn’t take it seriously.

Azure Dragon (Qinglong) was anxious, and immediately ran forward, stopping everyone, "You can't go back! Not only that, but also shout out everyone else!"

"Why?"

Everyone looked at him puzzled.

"I just said! What the boss said is right! If you practice your respective exercises to the end, you will suffer backlash, and all will die!"

"You don't believe what the boss said! You should believe what I said. Right? This is the result of the experiment! See it for yourself!"

Azure Dragon (Qinglong) confidently threw out the experiment report.

He believed that everyone would give up after seeing the results of the experiment!

After all, facts are the most convincing!

"Boom!!!" But what

no one thought was that Xiao Feng blasted out his palm, directly blasting the experiment report into shards!

"This..."

Azure Dragon (Qinglong) was dumbfounded!

Don't even look at it?

Broken directly?

They don't even have the courage to take a look?

This scene seems familiar...

Levi Garrison tried hard to persuade them and let them do an experiment.

But everyone was indifferent and didn't even have the courage to do experiments to verify it.

It's exactly the same as it is now.

"Azure Dragon (Qinglong), you are for us, everyone understands! But now we are seeing everyone succeed in breaking through and entering the gods' list! So you are imbalanced in your heart, saying something fundamentally impossible to confuse us, let us stop!"

"I tell you, At this moment, no one can stop me, whoever stops me, who I kill!!!"

Xiao Feng is as crazy as he is.

The eyes were full of killing intent.

“What about you?”

Azure Dragon (Qinglong) looked at the others again.

Everyone didn't speak.

Can all choose to stand with Xiao Feng!

Now they are in a state of madness. To put it bluntly, they don't recognize them.

Who blocks and kills who!

Anyone's stopping, in their view, is destroying and not wanting them to become stronger!

No one can do it!

They have reached the final moment!

I can't stop Heavenly King Lao Tzu coming!

Express attitude, everyone has to turn around and leave.

But how could Azure Dragon (Qinglong) watch them go to death...

Azure Dragon (Qinglong) hurriedly went up to stop it.

The next moment, Kirin ( Qilin ) and the others started.

Forcibly suppress the Azure Dragon (Qinglong), and overwhelm the Azure Dragon (Qinglong) to the ground.

Immediately, everyone directly locked Azure Dragon (Qinglong) and the others.

Don't let them come out to stop.

## The Return of the God of War [The Protector] Chapter 2560

Seeing everyone leaving behind, Azure Dragon (Qinglong) slapped madly.

But it was useless at all.

I can't get rid of the shackles at all!

And time is passing fast!

Even if he regained his freedom, he couldn't stop it.

His strength is far from enough...

At this moment, no matter what results he produces, no one will believe it.

Now they only believe in everything they see.

They will believe it only if they see themselves being taken back by their own eyes.

There is no other way.

Azure Dragon (Qinglong) is angry.

If you do experimental verification a few days earlier, you might be able to stop it.

It's a pity... I

blame myself!

Everyone is going to perish now... Azure Dragon (Qinglong) was so anxious that he was crying...

At last Azure Dragon (Qinglong) fainted.

He can't stop it.

No one understood the grief in his heart.

th.

This is the state of Azure Dragon (Qinglong) at this moment.

Time passed by every minute and every second.

Soon half a day passed.

Everyone can already feel that the powerful aura is about to explode, reaching its peak state.

...

Xiao Feng is cultivating in the deep forest not far from the villa.

His breath was violent and domineering, rushing straight into the sky.

He seems to see a ray of light from the darkness, as long as he catches this ray of light, he can completely tear the darkness...

this is to be able to practice the exercise to the end...

“Boom!”

Caught!

Grab the ray of light!

He pulled hard, and the light quickly tore the darkness apart.

There was light in front of him...but the

next second, the light incarnate swallowed the sky and swallowed him.

“Puff!!!”

Xiao Feng sprayed out a mouthful of blood.

At this moment, he finally understood.

What Levi Garrison and Azure Dragon (Qinglong) said were right!

When their exercises are practiced to the extreme, they will be backlashed, and they will die!

I'm wrong!

But at this time it is too late to regret!

Xiao Feng felt his consciousness gradually disperse, his body was light and fluttering, and his soul seemed to be getting out of it a little bit.

destroy!

Is this destruction?

At the same time, Kirin ( Qilin ), Tiger (Bai Hu), Zoey Lopez, and the Evil Sword also reached this state.

Practicing their respective exercises to the most extreme state...

As a result, they all suffered backlash...

Then, one by one, the others practiced the exercises to the most extreme state.

All suffered a backlash...

This should also be the first group of people in the world who used the new era exercises to reach the end of their practice.

Others may use the same technique as them, but they are not as hardworking and talented.

Can train to the end in such a short time...

“Puff!”

fell down.

Falling down one by one.

At the last minute, everyone knew they were wrong.

Everyone’s last sentence is the same.

“Boss, I owe you an apology!”

...

# The Return of the God of War [The Protector] Chapter 2561

People have clearly stopped them one by one, but no one appreciates them.

Shortly after.

The majestic breath of Jiangbei has disappeared.

Everyone was surprised.

Isn't a group of strong people on the list of gods about to be born?

It was clearly at the peak of the breath just now, so why did the kung fu breath disappear in the blink of an eye...

What's going on?

Did it all fail?

Everyone does not know.

But Azure Dragon (Qinglong) and the others understood what was going on, everyone suffered a backlash...

"I killed them! I did it! It's all my fault! If I verify it sooner, I can stop this catastrophe! !"

Azure Dragon (Qinglong) yelled like crazy.

This is the greatest catastrophe for him!

none of them.

Everyone in the Li and Zhao family was also wondering why the breath was gone.

They came to everyone's retreat place one after another.

Everyone was lying on the ground, without aura...

"Dead! All dead!"

"No one survived!"

"What Levi Garrison said is true! If these techniques are practiced to the extreme, they are perished. !"

"They are all taken back!"

everyone exclaimed.

Now everyone in the Li Zhao family was dumbfounded.

They are also practicing these exercises.

"It seems that we need to abandon our exercises, and we absolutely can't practice it anymore!"

...

Everyone was afraid that they didn't expect it, Levi Garrison stopped it for a long time.

The person who should be stopped did not stop, but stopped everyone in Li and Zhao's family...

it is true!

at the same time.

Located in the capital, in the secret base of the Lab of the Gods.

"Mr. X! The hundreds of exercises in our forged ruins have been practiced to the end, and they have suffered a backlash!"

"At the same time, the experimental data has been transmitted..." Several experimenters reported to Mr. X.

Mr. X stood up abruptly and went to check.

"Yes! They are the first group to practice our design exercises to the end! They all perished despite the backlash! But their experimental data is too important for us!"

"Hurry up and conduct a comprehensive analysis... Ha Haha..."

Mr. X's face was full of excitement.

No one would have thought.

All the relics of the new era were forged by them.

The opportunities for everyone in the new era, including exercises, medicines, etc., are all designed and arranged by the Gods Laboratory.

They are working on an unprecedented plan...

Currently only Levi Garrison is suspicious.

Others don't say they found out, and they don't even have an idea in this regard.

There is also Maya Industry.

In fact, it is also the plan of the Lab of the Gods.

They were the one who contributed to it.

Using these traitors from Maya Industry, they did a lot of things.

Including experiments on variants of the living dead.

A large amount of data for the laboratory of the gods.

There are others...

Now every plan in the Gods Lab is proceeding in an orderly manner.

No wonder Mr. X is so excited...

“Next, we will only wait for Chen Kong to completely wipe out the three most threatening opponents...”

Mr. X smiled brighter and brighter.

...

Zoey Lopez and others have indeed suffered backlash and perish.

But Levi Garrison would never let them die so easily...

soon.

Levi Garrison appeared beside the fallen Zoey Lopez and others.

# The Return of the God of War [The Protector] Chapter 2562

In order to prevent accidents, especially to prevent the detection of the Gods Laboratory.

Levi Garrison made a special appearance in the image of a dark god.

According to his guess, no, he was sure that the exercises were done by the Gods Lab.

Now that Zoey Lopez and the others are facing backlash, the Lab of the Gods definitely knows.

Maybe someone has been sent to observe now.

Therefore, he must not show his true colors.

Levi Garrison holds a special medicine in his hand, which is a “magic medicine” developed by the best scientific research team of the Bible Organization by fusing the blood of the “God” and other substances in the forbidden area No. 76.

Not only can this backlash problem be solved, it’s an exaggeration to say that there is no problem in curing all diseases.

But it is expensive!

Priceless!

After all, the golden blood of those “gods” in Forbidden Land No. 76 is used a little less.

There won’t be any supplements!

And the development is also costly.

After all, the effects of blood and other substances are amazing. It is necessary to give full play to the greatest advantages and reduce energy loss...

This is too troublesome...

A series of causes this medicine to become invaluable!

If someone knows the effect, I'm afraid it will be snatched wildly.

After Levi Garrison took the medicine to Zoey Lopez, Zoey Lopez's breathing soon became stable and his complexion became ruddy.

It turns out that when these exercises are practiced to the extreme, they will encounter backlash, and all the power will be swallowed.

The data of the Lab of the Gods comes from this.

It is equivalent to Zoey Lopez and they are now all useless.

There is no power in the body.

They were all eaten away.

If it weren't for Levi Garrison, even the vitality of life would have been eaten away.

Therefore, the medicine Levi Garrison brought was to supplement their vitality and power.

The time is just right.

Levi Garrison had already arrived just after they had just been backlashed.

Just to add...

Fortunately, the Li and Zhao family brought everyone together.

After taking the medicine for Zoey Lopez, Levi Garrison was Kirin ( Qilin ), and Xiao Feng and the others took the medicine one by one.

“Hey! A group of naughty guys! I will wipe your ass in the end!”

Levi Garrison said helplessly at the crowd.

A group of people is still too awkward!

...

Time passed by every minute and every second.

About ten minutes later.

Everyone opened their eyes one by one.

“What’s the matter?”

“Aren’t we all dead?”

“Why are we still alive?”

Everyone stared at each other. “We should be saved! Who saved us?”

Everyone reacted quickly.

Someone must have saved them.

Everyone can feel that there is a terrible medicine surging in their bodies. They are full of strength and are still strengthening.

This is definitely taking some kind of medicine.

Fortunately, this medicine has diluted the blood of the “God” a lot, otherwise, just give it a little bit.

Enough to blow them up.

You must know that the evil gods who swallowed a drop of “god” blood are among the top 100 in the gods list today.

This is still not assimilated at all...

They have been guessing for a while whether they rescued them!

To save them all, no one knows the difficulty better than themselves!

“Huh? Why are you all alive?”

The Li and Zhao family who returned were dumbfounded.

When they just lifted it, all of them were breathless.

How come they all survived when they came back.

“Someone should have saved us! Didn’t you see?”

## The Return of the God of War [The Protector] Chapter 2563

Zoey Lopez asked immediately.

“I didn’t see who it was!”

“We didn’t meet anyone when we first came here, and we saw that you are already awake!”

Everyone shook their heads.

...

On the other side.

The imprisoned Azure Dragon (Qinglong) was still crying bitterly.

He blamed himself that he killed everyone.

At this time, Levi Garrison came.

“What are you crying for?”

Levi Garrison shouted.

“Boss, I killed them. I didn’t believe you and didn’t have the first time to verify... They are all dead...”

Azure Dragon (Qinglong) cried even harder.

“Dead shit! They are all alive!”

Levi Garrison let them out while cursing.

“Ah? Still alive?”

Azure Dragon (Qinglong) looked incredible.

“Yes, they are still alive! I saved them!”

Levi Garrison said.

“Boss, you... did you really save them?”

Azure Dragon (Qinglong) had a trace of suspicion.

Wen Lei hurriedly said, “He can know the problems and defects of the exercise method, how can it be cured?”

“This is also...”

Levi Garrison suddenly became mysterious in Azure Dragon (Qinglong)’s eyes.

At this time, Zoey Lopez and his party returned.

“You really saved us??”

Zoey Lopez and others asked.

Levi Garrison suddenly rose up in their eyes.

Don't say anything else.

Just encountering everything about this exercise in advance is enough!

Everyone looked at Levi Garrison.

The eyes are full of worship.

“Well, it's the Dark God to be exact! He saved you!”

Levi Garrison prevented the spies from the Gods' Laboratory in secret, and could not directly admit that he did it.

But he is also a dark god.

It was the Dark God who saved them.

There is nothing wrong with it!

“It's Master! As expected, only Master has this strength!”

Zoey Lopez almost cried with excitement.

Everyone was also shocked...

deserving of the dark god on the list of gods!

Saved them in an instant.

It's amazing and terrifying!

"I told you to give up a long time ago, and you will die one by one! Don't hit the south wall or give up?"

Levi Garrison looked at them speechlessly.

"Furthermore, the results of the Azure Dragon (Qinglong) experiment have come out. Don't look at them one by one?"

Facing Levi Garrison's accusation, everyone bowed their heads.

Azure Dragon (Qinglong) stepped forward to make the siege, "Boss, don't blame them. They have reached the peak of their exercises, and they will inevitably enter a state of madness! It's normal to ignore me!"

"If it were me, I would not want anyone else." Bother me at a critical moment!"

Hearing this, Xiao Feng took the initiative to apologize to Azure Dragon (Qinglong).

Said that he was anxious at the time and said something irrational.

“It’s okay, as long as you are okay!”

Azure Dragon (Qinglong) said quickly.

At this time, Zoey Lopez looked at Levi Garrison and asked, “By the way, how did you know that there was a problem with these exercises from the beginning?” Everyone came over as soon as he came out.

# The Return of the God of War [The Protector] Chapter 2564

Everyone wants to know urgently.

Why does Levi Garrison have the ability to be a prophet?

“We know that you will spend time deducing every exercise to the extreme and come to the same conclusion. But how did you know before that?”

Zoey Lopez added.

“It’s Maya Industry!”

“At the beginning of the Maya Industry Challenge series, all of you went. Fighting against the mutant living dead, they actually collected all of your information!”

Levi Garrison explained.

“Yes, it seems to be the case!”

Everyone nodded.

“In fact, in order to enrich the offensive methods of the mutant living dead, they can collect as many exercises as they can collect. But after their experimental analysis, they came to these two conclusions surprisingly...”

Levi Garrison said.

“So this is the secret that Maya Industries accidentally discovered?”

Everyone was relieved.

“Yes, that’s right.”

“Then how did you know, Master?”

Zhou Ke asked subconsciously.

Xiao Feng slapped him, “Forgot what the boss did before? It started as an agent. In terms of collecting intelligence, if the boss himself goes out, it will be at the originator level!”

Everyone had no doubt about this.

Knowing some news, it must be too easy for Levi Garrison.

Zoey Lopez nodded.

She also suddenly remembered that Levi Garrison had said that the God of Darkness was a woman.

It seems that it was also collected from intelligence.

I have forgotten that he has this ability.

In the past, he led troops to fight, and infiltrated behind enemy lines and so on...

“We blamed you, I apologize to you! I will definitely listen to what you have to say in the future!”

Zoey Lopez apologized actively.

Others also apologized.

“Boss!!!”

“Master!!!”

“Master!!!”

“We were wrong!”

...

Everyone bowed and apologized.

Levi Garrison looked at them helplessly.

It’s really awkward when it’s awkward!

He can’t wait to slap a few times!

But is there any way?

All of them!

You have to be pampered...

“Just pay attention next time! You don’t need to believe what I say! But if you have a way to verify the authenticity, you must try it!”

Levi Garrison said helplessly.

“Understood!”

Everyone is also very guilty.

Plum dyed shouted “We apologize to the monarchs, we must also thank for saving the Master! I want to master some close by, and we thank it!”

“Thank God for saving the dark !!!”

all directed at Shouted from a distance.

In their opinion, the dark god will definitely hear it.

But it’s true.

The dark god will surely hear it.

And people are right beside.

“No thanks, no thanks...”

Levi Garrison waved his hand.

Everyone didn't take it seriously, just as he was joking.

## The Return of the God of War [The Protector] Chapter 2565

“Let’s talk about it, what do you plan to do next?”

Levi Garrison asked.

“Next we will look for some orthodox exercises! We have to continue to practice! This kind of quick success will definitely not be practiced!”

“Yes! There are many ancient forces emerging now! Let’s join some, and we will definitely get the opportunity to practice. ! Our path is definitely not only here! We still have to grow!”

...

Everyone said their plans.

However, none of them mentioned Levi Garrison’s basic exercises!

After all, Levi Garrison’s basic exercises are too ineffective...

I can’t see any improvement, who practiced it?

Especially in this fast-paced era, accidentally falling behind.

If you keep practicing that basic exercise, you don’t know where you are behind...

Therefore, no one mentions Levi Garrison’s exercises.

Levi Garrison looked at everyone with a wry smile.

Now everyone's heart is too impetuous.

Even if you know the harm of the quick success method, you still think about how to improve in a short period of time.

They are not suitable for practicing basic exercises at all. Only by abandoning all distracting thoughts and practicing wholeheartedly will it be effective!

For example, I was like this at the beginning.

The practice is too complicated.

Too dependent on the taboo technique!

Use taboo as a life-saving technique!

Especially the sentence Don't use the taboo technique to drag Levi Garrison for how long...In

this way, Levi Garrison has always regarded the taboo technique as a life-saving method, and will never use it when it is not a last resort.

The two come and go, affecting his mood and habits and so on.

Subconsciously feel that the taboo technique is the strongest!

In fact, everything was set by the cheap master for him.

Only to see through everything, to abandon distracting thoughts and mess.

One mind to practice basic exercises!

That is the strongest!

Now Huoyun Cthulhu and Mia are fully committed, but Wen Lei is full of joy and anger, and is also suitable for practice.

All three of them are effective...

because they are taking an extreme route.

So the more they practice each person's breath, the weaker.

This is actually a sign of becoming stronger!

As for Azure Dragon (Qinglong), he has been fishing for three days and drying the net for two days.

Practicing this, looking at that, and thinking about other things...

He has too many thoughts, and his mind is completely out of this technique.

This will definitely not have any effect!

As for everyone in front of them is impetuous, it is impossible to practice their own basic exercises.

Now Levi Garrison also wants to understand.

If it is imposed on them, they will not be able to practice.

You can't do it wholeheartedly at all!

For the time being at this point in time, this basic exercise is not suitable for any of them.

Have to think about other things.

Find some suitable exercises for them...

there is it!

Suddenly Levi Garrison's eyes lit up.

Thought of a great way!

It's not just them.

There are others.

It will be all right!

## The Return of the God of War [The Protector] Chapter 2566

“Alright! You will find the exercise that suits you! I will not force you to practice my basic exercises!”

Levi Garrison said.

Everyone was cheering.

There will be no need to cover up in the future.

Practice whatever you want.

No need to look at Levi Garrison’s face.

Levi Garrison looked at Azure Dragon (Qinglong) again and said, “Oh Azure Dragon (Qinglong), you don’t need to practice anymore! Practice whatever you want! Don’t show it to me! I don’t like you to comfort me!”

Azure Dragon (Qinglong) said excitedly, “Thank you, boss!”

“Don’t thank me, you are not suitable for practicing my basic exercises. I shouldn’t impose on you!”

Levi Garrison said.

Everyone left with satisfaction.

Planning to find a new exercise right away.

Then, a news shocked the world.

Nearly half of the exercises in the new era are actually the same thing. If you practice it to the extreme, you will encounter backlash.

As soon as the news came out, the whole world became a sensation.

After all, Zoey Lopez and the others had spread all the facts that they had practiced their techniques to the extreme and encountered backlash.

At this time, everyone began to give up the exercises they had obtained.

If there is the first, there will be the second.

Everyone gave up one by one.

In the end, except for a small number of people who were stubborn or holding a fluke mentality, they basically gave up.

Of course, there are still a large number of people who still haven't given up.

It's too difficult for them to practice to the extreme, and they won't even reach it for a lifetime.

Therefore they are not dangerous.

Why not continue to practice...

But there are still many people who give up anyway.

The plan for the Lab of the Gods is still a big blow... There

is a lot of experimental data missing...

“God of Darkness! God of Darkness! First save people! This news was exposed again!”

Mr. X was going to die of anger. NS.

“Mr. X turned out to be made by the traitors of Maya Industry. Now that the Dark God controls Maya Industry, he naturally knows all this...”

Lucifer said.

“The Dark God can’t stay! You must not stay! All die!”

“Tell Chen Kong, act now, you must kill these three people!” Mr. X can’t wait any longer, and the Dark God three must die.

Chen Kong still hasn’t been idle these days.

Still absorbing the power of others or various resources and energy.

He is absorbing.

He is still getting stronger!

Next, he wants to go to Forbidden Area No. 76 to take some...

After all, I heard that where resources are rich, any stone contains terrible energy.

He has to become stronger!

To break through to the ninth floor!

He wants to suck the sky and the earth...

and the ninth level of the highest realm can suck power in the air.

A few hundred meters, a few kilometers away, they can still suck you clean.

At this moment Chen Kong received the order!

“Never mind! You can get to the ninth floor by sucking the three of Dark Gods clean!”

Chen Kong actually regarded Levi Garrison as a test stone.

I want to use him to break through to the highest realm of Dafa absorption.

## The Return of the God of War [The Protector] Chapter 2567

The next day.

When Kirin ( Qilin ) and the others set out to find new exercises.

Xuanyuan Qingya and Levilia actually came.

“Wait a little longer! Wait a few days for an important event to be announced! It has something to do with the exercises! So you don’t have to run around looking for it!”

Xuanyuan Qingya said.

Levilia also nodded, “Yes! Make sure that all of you have the exercises! And it is the most orthodox! It is much better than you go out and find yourself!”

“So now you wait! Don’t run around! There will be good news soon! ...”

Hearing this, everyone did not run around, but waited quietly.

I’m all wondering what a good thing is.

But Xuanyuan Qingya and Levilia also knew a little bit of fur.

What they didn’t know was that everything was arranged by Levi Garrison.

The important news to be announced was also arranged by Levi Garrison...

Just as everyone was waiting for the good news, there was a shocking news.

Since becoming the fourth on the list of gods, Chen Kong just disappeared.

Everyone can hide as long as they can.

No one knows what he is going to do next?

But today everyone finally knows.

Chen Kong finally revealed his next step.

He actually challenged the top three of the gods at the same time!

Not to challenge one of them alone!

He is going to challenge the Dark God, Daxia Yizhi Grandmaster, and the new master of the ancient Garrison Clan at once!

Fight against three people at the same time! ! !

As soon as this challenge was issued, the whole world was shocked!

Exploded!

It's going to burst everywhere!

so horrible!

No one has ever imagined such a day!

Soon after the establishment of the new god list, someone even challenged the top three of the god list at once!

crazy!

Everyone is almost suffocated!

Isn't it terrible?

One pick the top three of the gods?

If others challenge like this, everyone must be overwhelmed!

But this time is different!

Chen Kong is too powerful!

Absorb the power of one hundred thousand strong and four hundred gods in one go!

How strong does he have to be?

Since he dared to challenge the top three of the gods at once, it shows that he is confident and confident.

anyway.

This battle is absolutely unprecedented!

Every battle before the return was not as strong as this one!

The past and the present!

The most shocking battle!

For a while, everyone looked forward to it.

No matter who wins or loses, it will be a battle recorded by mankind!

The location of the decisive battle was chosen next to the Conferred God Platform on the top of the world...

Countless people rushed to the top of the world for a while!

For fear of going late, there will be no good place to watch the game.

This battle is bound to become a classic.

Only once in a lifetime!

To miss is to miss...

and for Zoey Lopez and the others, it is also about the God of Darkness.

## The Return of the God of War [The Protector] Chapter 2568

They want to see it even more.

“I hope that Master will not be defeated! But the opponent is too strong! Not necessarily!”

“His Gong Gong Dafa is theoretically invincible! Unless the Dark God is much higher than him. Otherwise, he will be sucked clean!”

“So This battle is very difficult, even if there are three people!”

...

Everyone is in sorrow.

Especially plum dye.

“Chen Kong? What is it?” Levi Garrison’s voice came out at this time.

Listen to this.

Everyone laughed.

In today’s world, if you dare to say what Chen Kong is, Levi Garrison is the only one, right?

He is as mad as ever!

He is still living in his own time!

This is also good.

“Boss, you haven’t paid attention recently! Since the new god list came out, strong people have emerged from all over the world! And Chen Kong is the strongest one! He is the successor of the Dafa of Absorbing Gong... Not bad magical skills with King Kong...”

Everyone immediately explained Chen Kong’s experience to Levi Garrison.

I thought Levi Garrison would look shocked after listening.

As a result, he was calm, “Oh, the fourth place on the gods list. Let me just say, why would I not know if I rush to the front?”

Levi Garrison meant that the top three are all him. If one of the identities is broken, he is sure Will know.

But to everyone’s ears, Levi Garrison seemed to despise Chen Kong.

“The boss is the fourth in the god list! This is different from the fourth in the past god list! The past ten thousand and ten thousand may not be as good as the current one!

And the Dafa he practiced is uncertain! So His strength may be the first in the gods list! This time he will not necessarily lose in a one-to-three match!”

Everyone began to argue.

Many people are optimistic about Chen Kong!

“Pick three at once?”

Levi Garrison was happy.

Shouldn't he be the one who picks three, and one picks 30,000?

Now it's the other way around.

Let the family choose three... the

top three on the god list are all self!

Does this Chen Kong still want to challenge three himself at once?

What a laugh!

Chen Kong, this will be the most daring thing you can do!

But Levi Garrison was not angry, but smiled.

He is interested!

In addition to the forbidden area No. 76, there is finally one that can play a little bit.

Is it as famous as King Kong is not bad?

And about to reach the highest level?

interesting!

interesting!

After sucking so many people's skills, I hope not to let me down!

Let me get a punch!

Don't ask for two punches!

Levi Garrison just wanted to punch out heartily!

"Okay, I promised..."

Levi Garrison shouted excitedly.

He was talking about agreeing with Chen Kong's challenge.

This surprised everyone else.

“Ah? You agree? What do you agree with?”

Zoey Lopez asked puzzled.

“I agree to go to the top of the world with you! Go and see what Chen Kong does?”

Levi Garrison said.

“Huh!”

“I almost thought Chen Kong challenged you in your tone just now. Did you agree?”

Zoey Lopez said.

Everyone feels this way.

“Okay, then let’s go together!”

Everyone prepared and immediately headed to the top of the world.

Soon there will be news from all over the world.

The Dark God, the master of Yizhi and the Lord of the ancient Garrison Clan accepted Chen Kong’s challenge...

# The Return of the God of War [The Protector] Chapter 2569

It was shocking for a while.

This made Chen Kong and the laboratory behind the gods breathe a sigh of relief.

They were afraid that some of the three would not agree...

Looking forward to it!

Everyone is looking forward to this battle!

Not to mention the results of the battle, it is enough to make people curious enough to refer to the identity of the master and the new master of the ancient Garrison Clan.

This time, isn't it true that the truth has come to light.

This is what the Lab of the Gods expects...

They all have information for them, which is equivalent to being in their hands.

But the identities of the top three on the list of gods have been unknown.

They want to know!

This time Chen Kong challenged them.

Ten thousand steps back and said, if Chen Kong loses, then at least the identities of these three will be known.

Still not at a loss!

For the Lab of the Gods, as long as they control this person's information, it is equivalent to control this person.

Only the unknown is extremely threatening to them.

For a time, the top of the world became the focus. People from all over the world are rushing here...

Levi Garrison and the others are fast.

First came to the top of the world, but found a good position in the north.

The angle is excellent!

You can just see the designated battlefield next to the Conferred God Platform!

Everyone is looking forward to...

Breathing is a little difficult.

"When did it start?"

Levi Garrison asked and asked .

“Boss starts tomorrow! Everyone is coming to grab the spot today...”

“I don’t know when Chen Kong and God of Darkness will come

. I’m really looking forward to it...” “Yes, I also want to know Master Yizhi and Garrison Clan Who is the master of the ancient clan...”

Everyone was talking in a frantic manner.

Levi Garrison also stopped moving.

He has another plan in his mind.

But first have to see Chen empty, look at this kid how few two kilograms .....

top of the world face the mountains a few people are converging more and more .....

fighting since the conflict are also many .....

possible in order to compete In an excellent viewing position, thousands of people were killed and thousands of corpses were left behind.

Especially the stronger forces or people directly rob...

Others have a cold expression.

It's no wonder that.

This is the era of the weak eating the strong!

Weak will be beaten!

May be killed for an absurd reason at any time!

This kind of thing is too common!

Levi Garrison's position is actually excellent.

Many people want to grab it.

However, seeing Levilia Xuanyuan Qingya and the apprentice of the Dark God in their camp...

none of them could provoke him.

As a result, no one came to harass...

it also stopped.

# The Return of the God of War [The Protector] Chapter 2570

Soon after, some quasi-god like forefront, and even the strong of the gods came.

Everyone wants to watch this battle.

The night passed quickly.

The second day.

Everybody is here!

Tiance is handsome!

Ye Qingtian, Ye Zhantian and the strongest combat power of all countries have appeared one after another.

Almost the top 100 powerhouses in the gods' list are here.

Who wants to miss such a masterpiece?

The tense atmosphere has been spreading in the field.

This battle is about future changes!

May enter a new era!

It's about the first line of lettering on the stele!

Is it the Dark God, or the new Chen Kong?

Time passed by every minute.

The time for the engagement is getting closer and closer.

But the four have not yet appeared.

Everyone is nervous and expects it to burst!

"Is anyone scared and afraid to come?"

Someone asked a question.

Zoey Lopez said arrogantly, "Don't worry, Master must be there! Maybe he came yesterday! He won't be afraid of a Chen Kong!"

"Yes, the methods of the Dark God are beyond our imagination! So far! So far, the existence that makes me feel the most mysterious! It is also the existence that has defeated the gods of Tiance! There is a reason for him to be ranked first in the gods! I think he can win!"

"Now let's see how strong the other two can be?"

...

Everyone was discussing.

They just couldn't see anyone, and they were all wondering if the three of them were afraid and didn't dare to come.

After all, Chen Kong is different from other opponents.

He may not be as strong as you, but he can suck up your skill.

This is something everyone must be afraid of.

"Fart! They are here long ago!"

Levi Garrison couldn't listen.

Can't help cursing.

He's here.

It is equivalent to three people coming.

And it came yesterday.

Now the kid Chen Kong is not here.

"Huh? It's all here? Impossible!"

Everyone looked around in surprise.

“Yes! These are all god-level, we don’t notice it is normal! What Levi Garrison said is right!”

Others also said.

Zoey Lopez and others also supported Levi Garrison. “The God of Darkness is definitely here!”

“Boom!!!”

Just then.

A violent breath swept the audience.

The top of the world seemed to be swaying, and the sky was full of snow.

If it weren’t for the strong pressure, I’m afraid there will be avalanches everywhere... Chen Kong is here...

# The Return of the God of War [The Protector] Chapter 2571

This is completely different from the Chen Kong you have met before.

Chen Kong now is terrible.

The breath on his body rushed into the sky, as if to tear everything apart.

He is like a round of fierce sunset, radiant and terrifying, making it impossible to approach!

Just walk at will, like an ancient god.

It is so admirable that I can't help but kneel down to worship!

This is the ultimate performance!

Any move can cause mountains, cracks and rivers to collapse...

"Before I was worried that Chen Kong was too arrogant and challenged the top three of the gods alone! Now it seems that he is qualified!"

"That's right! I'm really looking forward to it more and more! One-to-three!"

"If Chen Kong sucked all the top three of the gods list, what realm would he reach???"

... As

soon as Chen Kong appeared, the crowd was completely exploded. NS.

It's boiling everywhere!

"It's too strong, isn't it? Is that what it's like to practice the Dafa to the ultimate state?" The

god commander Tiance sighed.

He should have been fortunate enough to have seen the highest state of Sucking Gong Dafa and King Kong Undamaged Divine Art.

"It's too strong! It's definitely not what we can compare! The result of our match is to be sucked up alive!"

Ye Qingtian said humanely.

Ye Zhantian shook his head: "No, he hasn't reached the highest level of the ninth level! But it's just one step, a very small step. It's almost piercing the window paper!"

"It's so terrifying, if is it worth it to get him to the highest level?"

Everyone shook their heads helplessly.

But then Tiance Shenshuai smiled vaguely.

But he chose the wrong opponent.

Whoever doesn't say anything else means that the King Kong is not bad magical skill has reached the highest ninth level in just a few hours.

You must know that King Kong is not bad for divine gong and the Dafa of Absorption is practiced to the highest level.

But who does not break his hand magic is fundamentally toy ah, like sideline .....

"Chen empty too strong! I would serve him as a universally invincible!"

"Ah then, he has always been a pick three wins! One of the words No one is his opponent!" The

top one hundred powerhouses in the gods list repeatedly sighed.

Chen Kong is too powerful now.

If you let them meet, everyone can't wait to run right away.

It's not an opponent at all.

Encountered only those who were sucked!

All the strong people in the top 100 of the god list were scared, not to mention the others.

But everyone's expectations are getting higher and higher.

The pinnacle of battle!

## The Return of the God of War [The Protector] Chapter 2572

Dark God, the three of them will show up quickly!

This battle is unforgettable in my life...

“Is this the coercion from the Xeon?”

“Hiss!!!”

Kirin ( Qilin ) and the others began to breathe in cold air.

Even though they were far away, they still felt oppressed, as if they were about to squeeze them into an explosion.

too strong! ! !

This is everyone’s feeling, as if a mountain has been crushed down invisibly, and people are crushed into mud!

Everyone started to have difficulty breathing.

Everyone realized after the start, they were shocked in a cold sweat.

At the beginning, Chen Kong went to them specifically, but everyone was in retreat and didn’t deal with it.

Otherwise, Chen Kong’s current strength would belong to all of them.

They must have all been sucked up, leaving only an empty shell.

The most shocking people are Wen Lei.

I saw Chen Kong alone half a month ago, but now I see Chen Kong, he is a “god”.

Great changes!

Absorbing power is indeed the fastest and craziest method to improve!

This is faster than any exercise in the new era!

“This...I believe that he and the master have the power to fight!”

Before, Zoey Lopez was convinced of the power of the Dark God, and felt that Chen Kong could not win anyway.

Now that Chen Kong appeared, she changed her mind.

It's too powerful!

“There's a fight! The weak is dying!!!”

Suddenly, a voice rang out from time to time.

Everyone is Levi Garrison!

But everyone is not surprised that Levi Garrison can say such a thing.

It would be strange if he didn't say a word!

In the past, Levi Garrison always sang this sentence against everyone...

But as soon as this was said, Zoey Lopez immediately covered Levi Garrison's mouth...

"It's me who is weak! Master Chen Kong is strong enough to pick the top three of the gods. ..."

Zoey Lopez was afraid of being heard by others, especially Chen Kong.

Isn't that troublesome?

weak?

Chen Kong is weak?

You can say that everyone present is weak!

But you can't say that Chen Kong is weak!

If Chen Kong is weak, there will be no strong in the world.

How strong is he?

Still weak?

He is weak, what are these people present?

However, it is indeed weak for Levi Garrison!!!

He was a little disappointed!

To be exact, I was disappointed!

## The Return of the God of War [The Protector] Chapter 2573

Hearing that he sucked so many people's skills and a lot of energy, he was looking forward to it...

As a result, after Chen Kong had just arrived, Levi Garrison took a look.

I was immediately disappointed...

what are they all about?

Can't you attract a little bit of the strong after attracting hundreds of thousands of people?

Challenge yourself with the skill of sucking a bunch of chickens and dogs?

Don't look at sucking so much.

But all sucking is rubbish!

Let me put it this way.

Throw this kid to the former forbidden area No. 76, and suck a few "God" skills!

If he draws all the powers of the gods together, then he will definitely have a battle with himself.

Can even force one's true strength to come!

But now...

challenge yourself by sucking a bunch of rubbish?

It's ridiculous!

Levi Garrison admitted that he was indeed better than Ye Qingtian, Tiance God and so on.

It's almost reaching the highest state of Dharma absorption.

The contrast is the highest state of King Kong's non-destructive magic.

But it hasn't arrived yet...!

won't have any interest until Levi Garrison!

If this is the case...

Levi Garrison killed easily!

It's even easier than killing the "God" on the spot.

He is just a middle-to-high god, not even the top...

disappointment!

Too disappointed!

Levi Garrison's main annoyance was that he came here a day in advance and waited, expecting to meet a good opponent.

It turned out to be like this...

Levi Garrison wanted to leave on the spot.

Challenge a fart!

Just like this, I want to challenge three selves!

It's ridiculous!

At this time, Chen Kong has already come to the decisive battle area on the top of the world!

He has his hands on his back and is arrogant.

After a glance around, he said coldly: "Dark God?

One Finger Grandmaster? The

new master of the ancient Garrison Clan?

What about you guys? ? ? "

This shout was like a billowing thunder.

Many people were vomiting blood.

But after this shout, no one responded at all. The

three of the dark gods did not show up... The

court was silent.

Zoey Lopez and so on. People face great changes one by one.

## The Return of the God of War [The Protector] Chapter 2574

Shouldn't people have arrived here?

Why haven't they appeared yet?

Is there any change?

"Huh? People? How about the three of you? Haven't you all accepted my challenge? "

Chen Kong was happy, and he started shouting with a laugh.

His mission is to kill three people, where can they not show up? As soon as these words went out, no one responded.

"Hahahaha...hasn't he appeared yet?" Still afraid to show up? "

Chen Kong raised his tone.

"Do you think you are afraid of the top three on the gods list... I never came..."

"It's possible!" It is probably afraid of Chen Kong's absorption of power, no matter how strong it is, you have to shrink back a bit! "

No wonder Chen Kong can pick three!" He has this strength! You look at the top three regard the God to frighten ..... "

.....

everyone began to talk.

This time even dyed plums are afraid to refute refuted.

In case the master really afraid of it?

” The three of you to the dark God Should you shrink your head? “

Quickly come out and fight with me!” “

Chen Kong began to yell frantically.

“Are you afraid of me?”

“It’s ridiculous! The top three of the dignified gods are afraid to come!”

“If you are afraid, what do you agree to do with me?”

“Come out, I know you are already here!” If you don’t want to fight, just kowtow to me!”

...

Chen Kong yelled frantically.

But none of the three of Dark God appeared!

No one showed up no matter how screaming, irritating, or insulting!

“It seems that the three dark gods are determined and will not come forward... Maybe this ranking is unnecessary for them, and it is right to live...”

Everyone sighed.

Chen Kong was a little confused.

He wants people to show up quickly and kill them one by one.

What’s going on here?

No one came out...

Even the laboratory of the gods that had been observing was dumbfounded.

Especially Mr. X and them.

This is the moment waiting!

Get rid of their big troubles!

But the person does not show up.

What can you do?

They are in a hurry.

Chen Kong was too anxious.

He could only threaten: "Well, since you don't show up... I can only ruin your names on the stele!  
Stomping on your names with your feet severely..."

# The Return of the God of War [The Protector] Chapter 2575

Chen Kong wanted to use the most humiliating way to cite three. People come out.

It's just that there is still no response in the field.

But at this time, Levi Garrison in the crowd said helplessly: "What about this kid? I'll go to the bathroom!"

Levi Garrison left the crowd, and everyone didn't pay attention.

There are not many people around to take care of it.

Not to mention the others, they didn't even see Levi Garrison's disappearance.

After such a stimulus, the person still did not appear.

Everyone is anxious now.

Can the top three of the gods list appear?

People are forced to do this.

Not showing up yet?

Even Tiance Superintendent and Ye Qingtian were anxious.

What is Levi Garrison doing?

When faced with such an arrogant opponent, shouldn't he jump out and slap to death?

I'm afraid it's impossible!

They still have a little understanding of Levi Garrison's strength!

He is definitely not weaker than the current Chen Kong...

He has no need for timidity at all!

According to his personality, one of these three identities had already taken Chen Kong to the ground.

I'm so clamored now, I haven't shown up yet.

I really can't understand...

Everyone subconsciously looked in the direction where Levi Garrison was.

Just where is Levi Garrison?

Where did Levi Garrison go?

Why did he go?

Is it really gone?

Doesn't it seem to come out directly to accept the challenge?

Everyone looked at each other, wanting to see the answer in each other's eyes.

No one came out for a long time.

Chen Kong was anxious.

"I won't come out, right? I'll step on your name on the gods list first, and then dig out a little bit! Three cowards!"

Chen Kong furiously said.

He leaped and reached the Conferred God Stage not far away!

"Boom!"

He suddenly rose into the air and headed directly to the top of the stele!

Soon to the highest point...The

top three letterings of the gods list are right in front of his eyes!

It's so dazzling!

He wants to destroy it now!

But he wanted three real people to come out,

"Boom!"

Finally, he stood firmly on the stone tablet.

"Give you one more chance! If you don't want to be laughed at by the whole world! Come out immediately!"

"In ten seconds, I will destroy your names!"

"This is your last chance!"

"Otherwise you will become The shame in this world!"

Chen Kong wanted to force people out.

I won't be in a hurry.

If you can extend the time, extend the time.

This coincides with Mr. X's idea...

“Three!”

...

He started to count down, but suddenly he glanced at the back of the stone tablet.

There seems to be... there are words?

Chen Kong stopped the countdown and began to look behind the stele...

“Ye...”

“Ye what??”

## The Return of the God of War [The Protector] Chapter 2576

You must know that you can only see the back when you step on the stone tablet.

But no one has ever qualified to go up.

I dare not.

Chen Kong is the only one.

After boarding, the secret was immediately discovered.

He tried to look behind.

“Levi Garrison...”

When trying to read the last word clearly, a voice sounded: “Chen Kong!!!”

Chen Kong immediately retracted his gaze and jumped down from the stone tablet.

One person was already standing on the Conferred God Stage-Underworld God.

Underworld God is the tenth on the list of gods.

He is qualified to stand here.

Chen Kong immediately smiled when he saw the evil god.

I want to deal with the matter here first, and then later look at the meaning of the words engraved on the back of the stele...

Anyway, don't worry!

"I know you, the capable man of God of Darkness! Why? Are you going to challenge me?"

Chen Kong sneered.

"No! I am confident, but I also know myself, I am not your opponent!"

"I am here to convey the meaning of the dark god..." the

evil god said.

The words came out.

The eyes of everyone in the audience swept towards the evil god.

What does the dark god mean?

"Okay, you say! This tortoise dared not come to see me! Isn't it afraid of me?"

Chen Kong sneered.

Mingxie Shenle: "Afraid of you? Only you? Are you worthy?"

Chen Kong was about to get angry.

Underworld God took out a box and handed it to him.

"Boom!"

Before Chen Kong took the box, he already felt the terrible energy fluctuations in it.

This is more energy than anything he has encountered!

It was a hundred times stronger than what the Gods Lab gave him...

this...

he was already shaking.

Because I practiced the Dafa of Absorbing Gong, I wanted to absorb it all when I encountered such a strong force.

The key is the most powerful energy he has ever encountered.

Everyone else was surprised.

What exactly did Underworld God give him?

Make Chen Kong so excited?

Everything seems to be inconsistent with common sense...

“This is the crystal of Forbidden Land No. 76, which contains unimaginable energy! It is a powerful force you have never seen before!”

said the evil god.

“The Dark God feels that you are too weak to be his opponent! I hope you are stronger and draw a little more powerful power instead of sucking some garbage! You are too weak for him!

” He wants you to absorb all the energy in the crystal as quickly as possible! To strengthen yourself! In addition, the forbidden area No. 76 under the jurisdiction of the Bible organization can also be opened to you! It has rich resources and energy! You can absorb as much as you can...”

Underworld God explained.

At this time Chen Kong was already immersed in joy.

Holding a crystal in his hand, I can't wait to start sucking now.

With this terrible power, he can break through to the highest state of Suction Dafa...

or even reach the peak of the ninth level...

At this time, he could only break through the highest realm in his mind. As for killing the three dark gods, he had long forgotten.

# The Return of the God of War [The Protector] Chapter 2577

People can kill later.

What's more, he broke through to the highest state of Dafa, wouldn't it be easier to kill the three dark gods?

"Okay! Then postpone the day of the decisive battle! When I completely absorb the crystal energy and break through to the highest level, I will come and find the Dark God three!"

Chen Kong looked at everyone: "Because I have something else temporarily with the Dark God! So the decisive battle is delayed. Three days later!" After the

explanation, Chen Kong hurriedly left and went to Forbidden Land No. 76.

I want to quickly absorb the energy in the crystal, and strive to reach the highest state of power absorption Dafa.

Everything else is forgotten.

Does the inscription on the back of the stele have anything to do with him?

Underworld god left with a smile.

shocked.

Everyone present was dumbfounded!

what happened?

Chen Kong suddenly postponed everything?

what happened?

“Ahem...”

Levi Garrison came back from the toilet at this time.

He was actually going to give the Underworld God crystal just now.

Chen Kong was too weak, he didn't want to give it to himself.

This crystal was the remaining one-fifth of Levi Garrison's tempering “Divine Tribulation”.

But this fifth of the energy is also unimaginable in the world.

Seeing how happy Chen Kong got it, I forgot about it.

Obviously the energy contained in the crystal is beyond his cognition... It is

stronger than all the energy he has seen!

That's why he is so crazy!

Of course, from Levi Garrison's point of view, he is too weak to be so crazy!

That's right.

Levi Garrison just disliked him for being too weak.

I want to improve him, and even open the forbidden area No. 76 for him to strengthen.

In order to push his strength to the highest level in one breath!

In this way, Levi Garrison was interested in fighting him.

Not too weak.

Raised to the highest level, at least Levi Garrison can blast out a hearty punch...

Who knows the loneliness of invincibility?

In order to find a decent opponent, Levi Garrison made the opponent stronger at all costs and allowed him to practice to the highest level of Dafa.

No one understands Levi Garrison's good intentions.

In order to have an opponent, hesitate to rack his brains for the strength of the enemy.

One thing-do whatever it takes to make Chen Kong stronger!

“What’s the matter?”

## The Return of the God of War [The Protector] Chapter 2578

Everyone was wondering.

I don't know what it means at all.

Moreover, they were too far away, neither the Underworld God nor Chen Kong heard what they said.

Without knowing what happened, Chen Kong left after a while.

Not only do they want to know, even Mr. X in the Lab of the Gods and the others urgently want to know.

Why did Chen Kong postpone?

And left?

Zoey Lopez discussed it for a long time, and the argument was inconsistent.

"You are talking about why Chen Kong left?"

Levi Garrison asked.

"Yeah! Don't you know?"

Zoey Lopez snorted coldly.

Levi Garrison smiled: "Of course! The Dark God thinks he is too weak..."

“Huh?”

Everyone was taken aback.

“Is he too weak?”

“Is he still weak?”

Everyone was shocked.

“That’s not right, if the Dark God directly said he was weak, afraid that Chen Kong would get angry on the spot? How could he leave? Impossible!”

Xiao Feng asked.

“That’s because...”

Levi Garrison was about to speak when the Underworld God’s voice sounded: “That’s because my master wants to make him stronger! He gave him a crystal containing terrifying energy, and opened the forbidden area No. 76. The resources of, let him absorb energy and continue to be strong. Breaking through the limit and reaching the strongest state...” After the

Underworld God explained this, everyone understood.

It turned out that Chen Kong was busy improving.

No wonder it left in such a hurry.

What?

The dark god dislikes Chen Kong and weak?

Still struggling to make him improve?

What is this operation?

Dark god arrogant?

Or is he too confident in his own strength, for him, Chen Kong is too weak?

Or is there another reason?

“It is possible that Master really feels that Chen Kong is weak, and they are a bit bullied by taking the top three shots together. That’s why Chen Kong can improve!”

Zoey Lopez said.

“Well, this may be there! After all, the top three strengths of the gods list are unfathomable. No one knows how strong they are... They think Chen Kong is nothing but a junior, and he is another person! It doesn’t hurt to improve him...”

Most people think so.

“Forget it, wait three more days! If Chen Kong becomes stronger, then this battle will definitely be more beautiful!”

“Well, yes, good food is not afraid of late!”

...

Everyone decided not to leave.

Continue to wait for the arrival of the decisive battle...

“Well, yes, wait, I’m looking forward to it too!”

Levi Garrison was lying in the makeshift room with a look of expectation.

## The Return of the God of War [The Protector] Chapter 2579

He hoped that Chen Kong could become stronger and break through to the highest level.

In other words, Levi Garrison expected more than anyone present!

After Chen Kong left.

Almost everyone did not leave.

After all, as soon as he left, his position would be occupied again.

Next, the battle for territory or the vendetta will continue... This is the case in the world with warriors!

Levi Garrison started to fall asleep...

Zoey Lopez and the others were anxiously waiting for the start of the decisive battle.

On the one hand, they were thinking about their own practice...It is impossible for them to all walk out their own way like Levilia.

They really want to know what Tiance Mansion's next plan is?

What did Xuanyuan Qingya let herself and others wait for... The

Gods Laboratory...

“Mr. X finally found out! Chen Kong delayed and left because of the Dark God...”

Lucifer told Mr. X all the information he found.

“What? A crystal containing energy? Isn't it the result of the energy of Forbidden Land God No. 76?”

Mr. X was shocked.

The whole person jumped up all at once.

“Yes! It should be!”

“Not only that! The Dark God also opened the forbidden area No. 76 to Chen Kong, allowing him to absorb resources at will!”

Lucifer said.

“Ah? Dark God is he crazy? I have never seen such a thing! Make his opponent stronger? Chen Kong has all such important crystals?”

Mr. X and the others found it incredible.

This is completely impossible!

Unless the dark god is crazy.

“I heard that the Dark God thinks Chen Kong is too weak and wants to improve him and let him reach the highest level before he fights!”

“Now the outside world is spreading like this! Spreading the God of Darkness so wonderful...”

Lucifer said.

“Nonsense!!!”

“The Dark God is powerful! But he is not sick!”

“Think about it for yourself, do you think that the enemy is weak and racked your brains to let him improve to deal with yourself?”

“Let me give an example-at the beginning Levi Garrison! We are definitely better than him, but do you think about letting Levi Garrison improve and become stronger to deal with yourself?”

Hearing Mr. X asked.

Everyone shook their heads.

“That won’t be true! We are not fools! Levi Garrisonxiu wants to be improved a little! Wouldn’t he be pissed to death if he improved to deal with us?”

Mr. X nodded, "Well, this is the logic of normal people! God of Darkness It can't be a brain damage, right?"

"That must not be! If a brain damage, how can it be so strong?"

everyone said.

"Then it shows that there is a problem..."

Mr. X began to analyze.

"Suppose the dark god thinks Chen Kong is too weak, let him raise him to the highest level and fight again! That's true. But what about the other two? They also think Chen Kong is weak? They haven't appeared from the beginning to the end..."

After x With such a reminder from the husband, everyone responded quickly.

That's true.

I didn't even see the new Patriarch of the ancient Garrison Clan and Master Yizhi...

## The Return of the God of War [The Protector] Chapter 2580

Can the Dark God represent them?

No way!

None of them expressed their opinions!

That means there is a real problem!

“Mr. X, do you know the truth?”

Lucifer asked.

“Since these two people did not express their views and allowed the dark god’s behavior! Then there is only one possibility-they are afraid!”

“Not only the Garrison Clan Patriarch and Yizhi Grandmaster are afraid, even the Dark God is afraid! They know the weird and terrifying of Sucking Gong Dafa. They know they are invincible and are likely to be sucked up. Therefore, they have been unable to escape!”

Hearing this, Lucifer raised a question: “What about the actions of the Dark God? Sent Chen Kong. Crystal, forbidden area No. 76 has been opened?”

Everyone looked over.

“There is only one reason-the dark god is actually cheating on Chen Kong! He is giving him a gift!”

“The energy contained in the crystal is terrifying, but everyone can draw very little! But the absorption of power is different! It can be completely absorbed! The Dark God At this point, sending the crystal to Chen Kong...

actually, there are two points...”

Everyone became more and more puzzled: “Then...the two points?”

“Point 1: Give Chen Kong such an important gift, and open the forbidden area No. 76, allowing him to break through to the highest realm of Gong Dafa! Just based on this situation. Mind, how did Chen Kong kill the Dark God three?” As

soon as Mr. X said this, the audience was in an uproar.

Yes!

Then I thought about it, this is the great kindness!

It is even said that Chen Kong’s cultivation to the first eight levels of Dharma Dafa is not as important as the last step!

Dark God is great kindness to him.

At that time, Chen Kong was embarrassed to kill him, and he would also like to thank the Dark God.

A grievance can be easily resolved.

“Secondly, after absorbing energy, Chen Kong can easily break through to the highest realm! He was promoted to the top of the gods list naturally! Overwhelming the three dark gods!

But the dark gods must not be ashamed...because Chen Kong was improved after being given crystal energy by them... to be bigger, they made it with one hand. They pushed Chen Kong to the top of the gods list with one hand...”

“I see! This is not the same as directly defeating him.” This way, you don’t need to do it! The Dark God trio made him sit on the top of the god list, and the three of them naturally retreated to the second place...”

Lucifer said immediately.

“Well, that’s it!”

“This is a strategy devised by the Dark God... It resolved a battle and saved the lives of the three! It also made the three of them famous! What a resourceful!”

Mr. X sneered: “Believe it or not, the three dark gods will still not appear after three days!”

“Believe! It must be so!”

Everyone nodded.

## The Return of the God of War [The Protector] Chapter 2581

“But what I’m afraid of right now is that Chen Kong is really bewildered by the kindness... Then he won’t attack the three dark gods... He may no longer listen to us when he reaches the highest state...”

Mr. X not only sighed.

“Yes! Now this kid has entered the forbidden area No. 76! And has blocked the contact with us! I am not good at sending people into the forbidden area No. 76...”

Lucifer said angrily.

“Let’s take a look at that time! If he can’t get rid of the three dark gods, it will be a waste to us! We can support him up with one hand, and we can destroy him at will...”

A murderous intent flashed in Mr. X’s eyes.

Lucifer and they all laughed.

Chen Kong is extremely powerful to the outside world, but for the Lab of the Gods, he can still be killed...  
It

shows how terrifying the Lab of the Gods is...

Then the whole world began to circulate that the three Gods of Darkness are actually Afraid of Chen Kong’s news...

Everyone began to analyze.

It makes sense more and more!

The Dark God was giving gifts to Chen Kong...

but at this time Chen Kong was immersed in his own world, absorbing energy frantically.

What surprised him more and more was that he sucked so crazy, but the general energy of the crystal remained unchanged.

It's like sucking a few drops in the ocean...

He is getting more and more excited...

If this crystal makes him suck it out, what would it be?

Then he sucked more and more crazily...

"Kacha!"

"Kacha!"

...

Lightning raged in the air, and the world changed color.

Heralds the birth of a super strong man.

Suck!

Suck crazy!

“boom!!!”

In the end, Chen Kong stepped into the highest realm of Gonggong Dafa-the ninth level!

Sucking the sky and the earth...

His body is like a whirlpool, and the energy of the entire forbidden area No. 76 is continuously flowing into his body.

Can be sucked far away!!!

This is the highest state of the Dafa of Absorbing Gong!

Chen Kong continued to suck frantically to consolidate the realm of the ninth level!

...

Time passed by every minute and every second.

Finally, three days have come.

Chen Kong suddenly opened his eyes, and there seemed to be lightning raging in his eyes.

He has come to a whole new level...

“The strongest I am here!!!”

After Chen Kong came to the ninth floor, he obviously felt different from before.

It seems that the whole world is stepping under his feet, and any creature is an ant...

He controls the world as a whole...

In fact, this is the feeling of a “god”!

Like the group of “gods” in Forbidden Land No. 76...

because they are too strong, they feel that they are the gods who control the world.

## The Return of the God of War [The Protector] Chapter 2582

Chen Kong feels this way now.

Even the three of Dark Gods are not that interested... It

may have been a challenge before, but now when he reaches the highest level, it is like dealing with three ordinary people.

There is no interest or pleasure anymore...

after he comes out.

He was contacted by the Lab of the Gods.

He must kill the three dark gods...

don't let your hands down because of some things.

Chen empty answer is simple: “!!! Do not worry, I'll get rid of the three men on when I became the strongest, see the blood, I Lian Ji Gong magic Dacheng I must kill a few people”

get After Chen Kong answered in the affirmative, the Lab of the Gods was relieved.

This way they can save a lot of trouble...

Chen Kong left step by step.

He held the crystal tightly in his hand and exclaimed: "What is this? The energy contained in it is too strong? Just like this, I only absorbed a quarter of it! It will take a while if I absorb it all!"

Chen The news of the emptiness spread quickly all over the world...

it boiled again.

The focus is also on the top of the world!

Everyone cheered up and waited.

The noise outside awakened Levi Garrison.

"What's wrong? Did something happen?"

Levi Garrison asked.

"Chen Kong is out! It is said that he has broken through to the highest level of Dafa absorption!"

Zoey Lopez said.

"Hey, now it is rumored that the master gave the crystals to cheat him. It's scary. Then Chen Kong won't do it!"

"Yes! I think it makes sense! Why else make your enemy stronger! No matter how strong you are, you can't do this.

Right ?” “Yes, the dark god is powerful, but it’s not enough for that?”

“He must be afraid of Chen Kong, showing weakness to Chen Kong...”

Kirin ( Qilin ) and the others analyzed.

In this regard, Zoey Lopez, the apprentice, didn’t say anything.

“Fart! Just him?”

“Help me up and see how much Chen Kong has made?”

Levi Garrison looked forward a little.

If Chen Kong absorbs all the energy of the crystal, plus the resources of No. 76 Forbidden Land.

He should be able to reach the top level of Suction Dafa...It’s about the same level as

the seven or nine phantoms on the ninth level of the Diamond Undestructive Divine Art.

This will make Levi Garrison interested...

so he is looking forward to it.

“Everyone said so! It is said that today, the Dark Gods will still be the head turtles, and they dare not come forward!”

“Yes, I am also sure that the Dark Gods will not come out! Finally, I directly announced the Chen Kong God List. First! Everyone can get to the table!” The

others said one after another.

## The Return of the God of War [The Protector] Chapter 2583

Levi Garrison ignored them and came out of the room.

The outside is completely messed up.

Chen Kong also came on foot.

The aura on his body has converged a lot, but he has an invincible posture on his body.

He really got too much stronger.

It's completely reborn!

The eighth and ninth layers of Gonggong Dafa are completely two worlds.

Now Chen Kong is stepping into the ranks of the strong.

To all beings, it is a posture of contemptuousness.

“Huh!!!”

Even though his aura receded, the coercion that everyone felt was no less than that of the day.

Chest tightness, shortness of breath, and even suffocation.

It is as if Chen Kong is a black hole, just standing here will draw everyone in.

Everyone has already felt this trend of being sucked...

Everyone's complexion changed drastically, and cold sweats broke out.

I was shocked by Chen Kong...

Various exclamations continued.

"That's it? That's it?" But

then a different voice sounded.

Levi Garrison!

It was Levi Garrison who made the sound naturally.

His face is full of anger!

After seeing Chen Kong, he was completely desperate.

Just do it for a long time?

The key is to take a posture of looking at the world?

What to install?

Waste one!

Levi Garrison is really going to explode!

He is really looking forward to it!

Forget it the first time!

But this time he prepared so much for him, and waited for him for three days.

The result is waiting for this.

Can Levi Garrison not be disappointed?

The crystal absorbed a quarter...

all the absorption was barely enough, and in the end he absorbed a quarter...

Although he had practiced to the highest level of Suction Dafa.

But this layer is also different... the

number of phantoms after the ninth layer of the King Kong Uncorrupted Divine Art is the same...

One phantom must be the weakest, and nine phantoms must be the strongest.

Now the realm of Chen Kong's Suction Dafa is like the first phantom of the ninth layer of the King Kong Uncorrupted Divine

Art. How can this make Levi Garrison happy?

Even the stronger gods in Forbidden Area No. 76 are incomparable.

What a fart?

Sure enough, the higher the expectations, the greater the disappointment.

Levi Garrison was going to be numb.

What he was expecting from the beginning was that Chen Kong could practice to be equivalent to the seven or nine phantoms in the ninth layer of the King Kong Undestructive Divine Art... and the

result was a phantom level!

waste!

It would be a waste to give you this crystal!

Lao Tzu gave you three months to estimate that you can finish it?

But where does Levi Garrison have so much patience...

wait another three months?

Go f\*ck!

# The Return of the God of War [The Protector] Chapter 2584

Everyone looked at Levi Garrison in surprise.

Why can't he be so angry and disappointed?

It seems that Chen Kong is too weak...

impossible, right?

How strong is Chen Kong?

Still weak?

Talk about it?

Everyone looked at him weirdly.

This person hadn't started the fight yet, but Levi Garrison was so angry.

Chen Kong came little by little to the place of the decisive battle.

The people around were shocked, scared and admired for the strong...In

just three days, Chen Kong was completely reborn.

If this continues, he will be invincible in the world?

Anyone can be his opponent?

It may be several decades before he can wait for someone who can draw with him-the young master of Heaven who practiced King Kong's magical skills.

otherwise.

No one will be his opponent in this world!

This is truly invincible in the world!

Chen Kong glanced at the stone stele not far away, and he smiled.

For this ranking above, he is now desperate.

No interest at all.

After all, he is already the strongest.

"Dark God, you three should show up? Since you think I am weak and made me stronger, now I am really stronger! Come on!"

"But I tell you, don't think about sending me crystal energy before. , And opened the No. 76 forbidden area to me... Don't think I'll appreciate you letting you go!"

"None of you can avoid fighting with me! Unless I beat you head-on! I won't give up!"

Chen Kong's also stated Attitude.

Must come to the challenge.

He won't think about the sentiment of sending crystals...

Seeing this, everyone in the Gods Laboratory was relieved.

Thus.

Save too much trouble.

But as soon as Chen Kong said this, there was no response.

"Ha ha ha ..... with us predicted, three of darkness God can not come!"

"That's certainly ah! That sent energy crystals can curry favor with Chen empty, people know that the slightest regard for mutual affection!"

"Laughable I'm going to be a turtle!"

...

Everyone began to laugh.

Mr. X in the Lab of the Gods also laughed.

Sure enough, it's like a god!

"Aren't you coming out yet? Are you really afraid of me? Am I that powerful?"

"A bunch of trash! Turtles with shrunken heads! Rubbish!"

...

Chen Kong couldn't see anyone out.

Started all kinds of insults and mockery.

Many people can't listen anymore.

"There is so much nonsense, I solved you with one punch!"

Suddenly Levi Garrison rushed towards Chen Kong under the eyes of everyone.

## The Return of the God of War [The Protector] Chapter 2585

Senseless!

Everyone was dumbfounded.

Looking at Levi Garrison incredulously.

What is he doing?

Chen Kong is so provocative, if you want to say that you can't help it, it should be the three dark gods!

Does this have anything to do with you, Levi Garrison?

Why are you rushing out?

shocked!

Zoey Lopez and the others were stunned.

The brain is blank...

Otherwise, they would definitely stop Levi Garrison.

You can rush out, but Chen Kong is the one you rushed!

The super power of the ninth layer of power absorption!

That's invincible in the world!!!

Brain twitched?

Go in front of others?

When Levi Garrison rushed out, it caused a chain reaction.

Everyone exclaimed.

Seeing Levi Garrison come out, everyone is going to explode...

What is this?

Does anyone dare to challenge Invincible in the world these days?

This is either a lunatic or a fool!

Nothing else is possible!

Levi Garrison rushed out suddenly, scaring many people.

But some people were delighted.

Ye Qingtian and the others.

Finally waited until this moment...

He is finally going to make a move...

They also couldn't understand where Chen Kong clamored for a long time...

"Huh? How did he rush out?"

"Sick brain?"

"Thinking that I am the God of Darkness..."

Those who were familiar with Levi Garrison were dumbfounded.

Ye Wudao, Ye Lingtian and others laughed: "Levi Garrison, you have a brain disease! Does our master's affairs need you to come forward?"

"Our master is invincible! This Chen Kong waits, master must disdain him! I think he is still too weak today to come out!"

"Sure! You and I have really seen the power of Master, this Chen Kong is really nothing..."

...

Ye Wudao and Ye Lingtian are now the masters of the Eight Classics!

I think their master is invincible!

it's the best!

No one can blaspheme!

Especially when I saw Levi Garrison rushing out to replace their master.

Even more angry...

I feel that Levi Garrison is insulting their master!

Little did they know that Levi Garrison was their master!

Even the laboratory of the gods that secretly observed was taken aback.

The first thing they thought in their minds was not that Levi Garrison was crazy.

But is Levi Garrison the God of Darkness?

After all, they acted carefully, thought carefully, and were inexplicably vigilant and even fearful of Levi Garrison.

Their first thought was – Is Levi Garrison the God of Darkness? Or one of the three?

The master of the ancient Garrison Clan is also possible, after all, Levi Garrison is a member of the Garrison Clan.

...

They were numb for a while.

shocked.

If it really is, it's over...

They can allow anyone in this world to be strong, even if they can continue to keep the top three of the gods.

But Levi Garrison is never allowed to be strong!

Levi Garrison being strong is the most terrifying thing for them!

It can even be said to be a disaster!

## The Return of the God of War [The Protector] Chapter 2586

Anyone can be strong, but Levi Garrison alone can't !!!

At this moment, Mr. X and their moods are extremely complicated...

Hope this is fake!

It was not Levi Garrison who rushed out!

But Levi Garrison rushed out...

There was a lot of noise in the crowd, and there was great movement.

Chen Kong also saw an arrow-like figure burst out in the distance!!!

He was also excited...

Could it be that the dark god is coming?

But he glanced away.

The energy fluctuation of Levi Garrison's body was too weak, and there was no aura at all.

Except that the speed is slightly faster.

There are no other highlights.

Where is the Dark God?

But he smiled.

Someone finally dared to stand up and challenge him.

Even knowing that he is so powerful.

“Well, then I will treat you as an opponent!”

Chen Kong takes it seriously.

The suction power is turned on, and the rushing Levi Garrison must be sucked dry.

“boom!”

Soon, Levi Garrison came with a fist and bombarded with a dull sound.

This punch can only be said to be unpretentious!

Especially in Chen Kong’s eyes!

Weak too weak!

It is also very weak in the eyes of other people!

Everyone could see that Levi Garrison was a punch with all his strength!

He had been brewing this punch from the beginning.

You must know that his initial position was tens of thousands of meters away from Chen Kong...

He prepared a distance of tens of thousands of meters...

Just hit his ultimate punch!

But this punch is too weak and too weak for everyone...

There is no momentum at all, the strength is average, and the speed is slightly better.

There is no such thing as earth-shattering...

At most, you can fight against the strong ones on the quasi god list...

Chen Kong, who can be used to deal with the world's invincible, is simply joking!

Everyone is watching a joke!

How did you hit Chen Kong with such a soft punch?

Zoey Lopez who wakes up are all anxious.

Levi Garrison's fist was unremarkable, and he even struggled to deal with them. Are you sure he can kill Chen Kong?

But it is too late to stop.

Looked at the banging punch.

Chen Kong suddenly grabbed Levi Garrison's fist, extremely relaxed!

"I just heard other people say that your name is Levi Garrison, right? I remember you, you are the first to challenge me!"

Chen Kong sneered.

In his opinion, the speed of this punch is almost like a snail crawling...

Ants not worth mentioning!

The power of this punch...well...this power...

What?

This power?

This this this...

This punch...

“boom!!!”

At this moment, Chen Kong’s face changed drastically, and his face was full of shock and consternation.

Eyeballs are going to stick out...

Only after real contact do you know the power of this punch...

The moment I grabbed Levi Garrison’s fist...

Chen Kong felt the terrifying energy converge a little burst, about to penetrate into his body...

This terrible power is dozens of times stronger than the crystal he has absorbed!

But he couldn’t breathe after only a quarter of it...

## The Return of the God of War [The Protector] Chapter 2587

It is the most terrifying power he has ever seen!

This punch is based on a little burst!

It's an invincible punch!

Chen Kong finally understood why this punch looked so soft, without any momentum, without power, and with a slightly faster speed.

There was even a scene that caused earth-shaking...

That's because Levi Garrison compressed the power of a punch to one point and did not show any power at all.

This punch is the strongest!

Isn't that?

Although Chen Kong did not reach what Levi Garrison expected, he was angry.

With the help of a distance of tens of thousands of meters, Levi Garrison made a hearty punch!

Also base the power of a punch on one point...

It broke out completely when it hit Chen Kong...

Chen Kong still actively wants to suck!

It's too late to retreat at this time!

Chen Kong's pupils contracted, his glasses enlarged, and his face was unbelievable.

"boom!!!"

The terrible power has penetrated into his body!

This is unprecedented power!

This is the most powerful force!

Chen Kong understands that even if he absorbs this power, his body will explode...

This is definitely beyond the scope of tolerance...

Although the previous Gods Lab transformed Chen Kong's body to help him solve the problem of strength endurance!

But Levi Garrison's power of this punch is of another latitude.

Not within the calculations of the Gods Lab...

Can't bear to absorb it!

What's more, at this moment, it is being attacked by such a force...

After the power penetrated into the body, the appearance was temporarily unaffected...

But the body was devastated and destroyed, and all organs of the internal organs burst into pieces in an instant...

destroy!

This punch represents destruction!

“boom!!!”

In the next second, a hole of blood exploded in Chen Kong's chest.

“boom!”

It's another blood hole!

“boom!”

“boom!”

...

Then blood holes began to explode everywhere in the body.

In an instant, Chen Kong was already battered.

“No, you are Levi Garrison...”

Just at the last moment.

A forgotten name appeared in Chen Kong’s mind!

The name engraved on the back of the stele-Levi Garrison...

He didn’t see the last word that day, so he was called away by the evil god.

Now they know that the word is pro.

Levi Garrison! ! !

He needs to instantly understand the intention behind the stone stele-it means to be above the gods’ list!

“It’s me! How?”

Levi Garrison frowned, feeling a little strange.

But he quickly guessed.

Chen Kong should have seen his name behind the stele.

But he felt something was wrong...

“Hahaha.....”

Chen Kong suddenly laughed.

He also didn't expect such a powerful existence in this world! ! !

He thought that except for the freaks in the Lab of the Gods, he could control the world.

Unexpectedly!

Unexpectedly!

The key point is that he had heard that Levi Garrison was the greatest enemy and threat of the Gods Lab before!

## The Return of the God of War [The Protector] Chapter 2588

I thought that after this era came, Levi Garrison was no longer.

They don't want to kill.

too weak.

Rachel of the Gods, Mr. X, don't you think of it?

Levi Garrison is still your worst enemy! ! !

Ha ha ha ha.....

"Levi Garrison!"

"Levi Garrison!"

...

"boom!"

"boom!"

...

"what!!!"

While chanting Levi Garrison's name silently, Chen Kong's body exploded one after another.

In the end, the whole body was shattered...

Dissipated in heaven and earth!

The whole person was blown up directly...

Only the crystal fell into Levi Garrison's hands.

Shocked!

It was shocking!

Everyone watched Chen Kong explode a little bit...

Just because of Levi Garrison's punch?

silence!

Everyone is silent at this moment!

Only the screaming wind blew, and there was no other sound in time.

I can't even hear the breath.

Shocked!

It was shocking!

This is the most silent moment in everyone's life...

Because they saw an incredible battle!

Levi Garrison blasted Chen Kong to death with a punch!

This was expected by Tiance Superintendent and Ye Qingtian.

No matter how arrogant and powerful Chen Kong is, he can't stop Levi Garrison from punching!

But others are different! ! !

Ye Wudao and Ye Lingtian were stunned!

Zoey Lopez was stunned.

Kirin ( Qilin ) Xiao Feng, they all stunned!

...

Everyone present was stunned.

Each one looks like a stone statue...

not moving at all!

It was shocking.

Everyone was immersed in the scene just now!

Can't wake up temporarily.

"It's over! It's over! Levi Garrison..."

The Lab of the Gods was the most shocked, one by one was silent.

The last thing they want to see happened!

From the moment Levi Garrison rushed out, he felt something was wrong, and he moved in the direction they least wanted to see.

Now he killed Chen Kong directly!!!

Directly present the worst situation!

I don't want Levi Garrison to be strong, but he is the strongest...

Really helpless!

And everyone saw Levi Garrison beat Chen Kong to death with a punch!

Furthermore, they modified Chen Kong's body, and his body strength reached the best level. It was by no means to absorb too much power and energy, unable to digest and merge, and thus burst his body.

This situation is impossible!

In the concept they set, Chen Kong smokes as much as he wants.

It will never be blown up!

## The Return of the God of War [The Protector] Chapter 2589

That can only be said that Levi Garrison exploded with a punch!

When was Levi Garrison so strong?

His punch just now was unremarkable!

The expressions on the faces of the members of the Gods Lab solidified.

Levi Garrison is so powerful, plus the top three on the god list.

Will become a threat to the Lab of the Gods...

The court was silent for several minutes.

Someone reacted.

“Did Master just kill Chen Kong with a punch?”

Xiao Feng asked weakly.

With his utterance, everyone gradually became sober.

Shocked!

Shocked too much!

Levi Garrison killed Chen Kong?

This is a question and a fact.

But can it be wrong if hundreds of thousands of people have seen it with their own eyes?

Why can Levi Garrison defeat Chen Kong with such a normal punch?

There is only one answer-return to the basics.

The more powerful, the more unpretentious.

That punch just now reached a realm that no one can imagine...

The fact is that Levi Garrison really defeated Chen Kong!

seeing is believing!

Everyone sees it now.

This is the fact!

No amount of sophistry!

Levi Garrison's brothers and apprentices all looked at him blankly.

It turns out that Levi Garrison in their minds is still there!

He is still invincible!

I don't know why, everyone is trembling.

Especially Zoey Lopez, she was re-evaluating Levi Garrison.

Levi Garrison was a bit strange at this moment.

"Levi Garrison really defeated Chen Kong???"

Zoey Lopez muttered to himself.

"Wrong!"

"My boss, Levi Garrison, personally defeated Chen Kong!"

"The boss is number one in the world! The boss is invincible in the world!"

Azure Dragon (Qinglong) Kirin (Qilin) and others began to shout.

"Master is invincible in the world! Master is still the king of this world!"

...

At this time, Xiao Feng, Zhou Ke and other apprentices also began to shout.

“Levi Garrison! Levi Garrison! Levi Garrison...”

The Evil Sword and the others roared and shouted one after another.

Soon one pass ten, ten pass a hundred.

The mountains and plains are calling Levi Garrison’s name!

Defeat Chen Kong!

He is the well-deserved number one on the god list! ! !

Chen Kong could not scare the three of Dark Gods, but was defeated by Levi Garrison.

The first everyone in this god list is convinced!

The audience shouted first in the gods list!

Tiance Shenshuai joined them, shouting loudly.

From now on, Levi Garrison can't hide...

The laboratory of the gods was directly numb.

The three threats were not eliminated, but a bigger threat came...

If Levi Garrison joins forces with the three of them.

That can really directly threaten the Lab of the Gods...

"I'm waiting to congratulate Daxia and Wang on the top of the list of gods!"

"Congratulations....."

The parties began to congratulate Levi Garrison.

Ye Wudao and Ye Lingtian cried directly.

Levi Garrison brought them too great a blow.

Not only swept them, but also swept their master Dark God.

This is a great shame!

Congratulations...

The underworld gods are very puzzled...

In fact, Levi Garrison could not reveal his identity, he could kill Chen Kong with the Dark God or any identity.

But why did he take this risk to kill Chen Kong.

Don't understand!

They don't know Levi Garrison's thoughts!

On the one hand, Levi Garrison was really angry, and Chen Kong was so disappointing.

So much has been prepared specifically for him, and this is the result.

On the other hand, Levi Garrison had consideration.

He has been looking for the laboratory of the gods, but there is no substantive clue.

He had been hiding his strength for a long time, for fear that the Gods Laboratory would know.

## The Return of the God of War [The Protector] Chapter 2590

But the more so, the Lab of the Gods couldn't take him seriously, and he didn't have any clues.

therefore!

He decided to do the opposite!

Thoroughly expose your powerful strength!

If the Lab of the Gods still exists, they will know it for the first time.

The Lab of the Gods knew that if they were strong, they would become a threat to them.

Then they will think about how to get rid of themselves.

In this case, shouldn't the Gods Lab send someone to take action?

They have to show up!

You have to do something!

This is not exactly what Levi Garrison wanted!

It turned out that Levi Garrison showed his strength in public to force the gods to come out of the laboratory.

Let's not say whether I can cope with the forced out of the laboratory of the gods.

To understand a little bit of the enemy...

But Levi Garrison really did it.

Demonstrating their strength to the Lab of the Gods has become a major concern for them...

He didn't think that Chen Kong was sent by others...

Soon, the news that Levi Garrison defeated Chen Kong spread all over the world!

This former king once again became the god of war in everyone's mind!

Become the object of discussion for everyone!

The key to Levi Garrison being the number one on the gods' list is something everyone didn't expect.

Isn't he weak?

Isn't it even the quasi god list?

Why is it suddenly the first strength in the gods list?

Is it possible that the dark web also has a time of missteps?

Is this list still authoritative?

But where did they know that Levi Garrison's name had been engraved long ago.

The dark web won't miss it!

There will be no fakes!

After Levi Garrison walked down, Zoey Lopez looked at him with a complicated expression: "So you have always been so strong? Why didn't you tell us?"

Levi Garrison smiled: "I told you! You just don't believe me!"

"Master, can I ask the source of your strength? What kind of exercise did you practice to make you so strong?"

Xiao Feng couldn't help asking.

"That's the basic exercise! The pursuit of the ultimate strength and speed!"

Levi Garrison approached.

"Oh oh oh..."

Everyone suddenly realized.

“Then boss, you told us to abandon other exercises, the reason for practicing this exercise is that?”

Azure Dragon (Qinglong) asked.

“Otherwise? I will hide privately?”

Levi Garrison smiled.

“Then let’s start practicing now!!!”

The crowd was excited.

From being dismissive at the beginning, to forgetting at the back, now I have to start practicing again...

It is completely opposite to the previous attitude.

After seeing Levi Garrison defeating Chen Kong, everyone wanted to practice again.

Everyone looked at each other and saw shame in each other’s eyes.

Everyone blushed.

“No need, your mentality is unstable, you can’t practice!”

Levi Garrison refused directly.

# The Return of the God of War [The Protector] Chapter 2591

They have one idea a day, and their attitude of following the trend is not good at all.

What's more, he has plans to launch it soon.

This group of people can find a method suitable for their contact.

"The world is invincible! The world is invincible!"

...

In the end, Levi Garrison returned to Jiangbei surrounded by everyone.

"Master!!! Tomorrow, we will see that the first name on the stele is Levi Garrison!"

"Yes! Soon the ranking of the steles will change! The Dark God will become second, and you will become number one!"

"Tomorrow I will return to the top of the world to witness the moment when the boss reaches the top of the gods list!"

"I want to go too! I want to go too!"

...

Everyone was excited.

We are all looking forward to the change of the stele the next day! ! !

not only.

On this day, powerful people or forces from different parts of the world came to bow to see Levi Garrison.

The gates of Jiangbei Villa are broken.

Too many people came to visit.

On this day, dozens of trucks were collected for gifts...

Everything is still going on.

Hearing that Levi Garrison was number one on the gods list, everyone came to show his favor.

The leaders of many countries have come in person.

This is the number one in the gods list.

If you get annoyed, you may destroy the country at any time...

Everyone is scared!

In this regard, Levi Garrison didn't care at all, nor was he interested.

He only cares about being attracted to the laboratory of the gods...

Wrong.

At this moment, Mr. X and the group of Gods Laboratory are having a meeting together.

“Levi Garrison is so powerful! He can’t stay! We must hurry! Even if the plan is revealed in advance, we must get rid of Levi Garrison!”

“Yes, Levi Garrison’s threat is too great! He must be removed as soon as possible!”

...

Everyone said one after another.

Mr. X nodded: “Well, make a plan as soon as possible to kill Levi Garrison! Within three days, I will definitely do it! It really won’t work, I will do it myself...”

Levi Garrison’s prediction was wrong.

Within three days, the Lab of the Gods is about to do it.

The next day.

Ten o’clock in the morning is the day when the god list is updated.

Thousands of people gathered on top of the world.

Although you can know the ranking of the gods from other places.

But they have to witness!

Witness the moment when Levi Garrison came to the top of the god list...

Soon the new rankings of the gods were announced...

Someone used power to remove the clouds and mist from the upper layer of the stele.

The ranking of the gods on the stone tablet is completely and clearly presented in front of everyone.

Everyone looked at...

“what???”

But the next second, the audience was in an uproar.

Everyone was horrified and unbelievable.

It seems to have seen the most shocking scene in the world...

That's because the ranking of the gods list has not changed at all!

The Dark God still ranks first!

His name is high above!

Daxia Yizhi Grandmaster and Ye Family Patriarch are ranked second and third!

There is no Levi Garrison's name in the first three at all!

what happened?

what happened?

...

Everyone is dumbfounded.

At a loss?

Why is the god list updated?

## The Return of the God of War [The Protector] Chapter 2592

How could Levi Garrison's name be in the top three?

Could it be...

Everyone quickly thought of a possibility-can it be said that no matter how strong Chen Kong's strength is, he can't compare with the three of Dark Gods!

Therefore, if Levi Garrison defeated Chen Kong, he could not make it into the top three of the gods list!

But everyone has seen Chen Kong's strength with his own eyes...

How strong is that...

Isn't it enough to rank in the top three of the gods?

This is impossible!

But this is the only reason why Levi Garrison is not in the top three...

Since it is not in the top three, it may be fourth, fifth, etc...

Everyone looked at each other, obviously the same ideas.

Continue to look on the stele...

Um?

The fourth is not Levi Garrison!

The fifth is not Levi Garrison!

Not the sixth!

...

No tenth!

Keep watching!

...

The hundredth is not!

...

After watching the top 100, everyone was dumbfounded.

impossible?

Levi Garrison's name is not on the list at all!

How is this going?

The record of defeating such a strong man like Chen Kong, at least how many can he make it to the top?

It's impossible that the first 100 can't get in, right?

Keep watching!

Is it still in another location?

Everyone is staring at the god list again!

The first two hundred!

...

The first five hundred!

...

I carefully read all the rankings on the god list and confirmed again and again that there is no name Levi Garrison at all!

Strange!

too weird!

Shouldn't Levi Garrison be ranked first on the god list?

Why is there no place for a thousand people on the God List?

Is it to say that it is divided into the quasi god list for the sake of low-key?

Everyone began to observe the steps.

Carefully read it again.

There is no Levi Garrison's name on the ninety-nine steps!

Now everyone was more surprised.

There is no Levi Garrison on the God List.

There is no Levi Garrison in the quasi god list.

Where is Levi Garrison?

impossible!

Levi Garrison killed Chen Kong in front of so many people, how could he not be on the eighth list?

This is absolutely impossible!

Soon the fact that Levi Garrison was on the list spread all over the world, and the whole world was shocked.

Almost everywhere are analyzing the reasons why Levi Garrison is not on the list...

The dark web has never given any answer to this matter!

...

“Impossible! The boss defeated Chen Kong himself, how could he not be on the list?”

“I think this dark web is deliberately embarrassing my boss! My boss is invincible in the world, how can I not be on the list?”

“I seriously doubt the credibility of this list now!”

...

Kirin ( Qilin ), Azure Dragon (Qinglong) and the others are fighting for Levi Garrison.

Levi Garrison smiled helplessly.

Actually, I was on the stone tablet!

But he is above the gods list!

The dark web list is fair!

“We are not convinced! The boss’s name must be carved on the stone tablet! The boss will always drop God!”

## The Return of the God of War [The Protector] Chapter 2593

"I think it may be that the dark web has made a mistake, or there is still no time to update the list. Let's wait!"

Azure Dragon (Qinglong) and Zoey Lopez are more sensible.

Where would Levi Garrison care about these?

He was waiting for the arrival of the Lab of the Gods.

According to his expectation, after the Lab of the Gods knew his true strength, he should soon come to avenge him.

At this moment, the Lab of the Gods is also very confused!

God list has changed?

Does Levi Garrison have the first place?

How can it be?

They had the same idea as everyone, seeing Levi Garrison kill Chen Kong with a punch.

This combat power is invincible in the world!

Not to mention the first in the gods list.

The top three of the gods list are more mysterious, maybe it is really better than Chen Kong.

Even so, Levi Garrison is at least fourth!

What is Chen Kong doing? He is better than Tiance and Ye Qingtian!

Still no!

“Could it be that the list of the dark web is not updated in time? Have to wait?”

Lucifer et al.

Mr. X is thoughtful, he frowned and said: “I don’t think this is necessarily the case! There may be other hidden reasons! But I can’t tell where the problem is?”

“Yes, there is indeed a problem with this matter... but I really can’t tell the details...”

Lucifer and others also nodded.

“By the way, where’s the crystal? What about the crystal fused with Forbidden Land God #76? Is there any information? Is it absorbed by Chen Kongquan, or is it left?”

Mr. X suddenly thought of something and couldn’t help asking.

“No! I don’t know if they are completely absorbed by him at the moment! But he must have sucked a lot. After all, he has broken through to the highest level of suction power...”

Lucifer was humane.

“Then let’s wait now! See if the list of gods will continue to be updated!”

“I think we will know the cause of the matter soon...”

Mr. X said.

“What about the plan for Levi Garrison?”

“After all, if you deal with Levi Garrison, it may be a move to move your whole body... Maybe we will be completely exposed... I think it is better to pause, wait and see what the gods list is...”

Lucifer suggested.

“Okay, if that’s the case, then first suspend the plan for Levi Garrison! Let’s talk about it when the matter of the ranking of the gods is completely resolved!”

Mr. X ordered.

Next, the whole world was analyzing the reasons why Levi Garrison was on the list.

Everyone thinks it is impossible!

Where is the problem?

Many people began to question the dark web and major institutions.

But the dark web still has no reply.

“Now it seems that I can only continue to wait... Maybe the update of the god list is slower! Wait and see!”

This is everyone’s unanimous idea.

Wait and see.

See if the list will continue to be updated...

after one day.

Everyone pays attention to the god list again.

No changes! ! !

“wait!”

Another day.

The god list still has no changes.

...

Now everyone has waited for five days.

There is still no way to rank the gods.

To say that the dark web may have forgotten to update the list.

## The Return of the God of War [The Protector] Chapter 2594

However, the quasi god list is changing and updating, some people are ranked first, and some people are ranking down.

This shows that the dark web is updating the list in real time, not forgetting or deliberately not updating it.

The world is a sensation again!

Obviously the list continues to be updated!

But why didn't you see Levi Garrison's name?

He should be number one on the gods list!

Why didn't he make the list?

Thousands of people doubt...

Levi Garrison's brothers and apprentices are even more upset...

I feel that the dark web is deliberately targeting Levi Garrison.

Invincible tomorrow, but can't even enter the quasi god list.

Is this unclear bullying?

Soon more and more people joined the ranks of fighting the injustice for Levi Garrison!

One by one strongly requested to update the god list and put Levi Garrison in the first position of the god list!

The authority of the dark web is no longer needed.

People's eyes are sharp!

Everyone knows that Levi Garrison is the number one level in the gods list!

He is not number one on the gods list, can anyone be there?

Some people still clamored that if they were not convinced, the three of Dark Gods would come out and fight Levi Garrison.

There is no response.

Everyone was yelling—the Dark God trio were scared. This clearly shows that Levi Garrison is the number one!

Even the people in the Lab of the Gods joined the ranks.

I feel that Levi Garrison should be placed at the top of the god list...

Give a definite answer, they are easy to do...

Under the persecution of the whole world, the dark web finally issued a statement...

As soon as this statement was made, the whole world was shocked!

The dark web released a statement-the god list and quasi god list listed by the dark web in conjunction with major organizations are fair and just, and there will be no mistakes!

No one who has the strength on the list will fall!

Anyone who is not strong will not be able to make the list!

There is no problem with the current ranking of the gods list and the quasi god list!

Exploded!

The whole world is blown up!

The dark web clearly stated that there is no problem with the ranking of the gods!

Dark God is the first!

The strong will not miss it?

The firmness of strength will not make it to the list?

What's the meaning?

Levi Garrison is not on the list, doesn't it mean that he is not on the list?

But how is this possible?

Levi Garrison personally defeated Chen Kong, but everyone saw it with their own eyes!

He is weak?

How can it be?

Can't this strength be on the list?

Isn't this an insult to the strong?

But the dark web clearly stated that there is no problem with the ranking of the gods, and the implication is to say-Levi Garrison has no strength on the quasi gods list, and no strength on the gods list!

What's going on here?

Everyone can't figure it out for a while!

Levi Garrison clearly defeated Chen Kong, but he was said to be on the list by the dark web?

Is this contradictory?

where is the problem?

How do they know that Levi Garrison's name itself can be carved on the stone tablet, or on the back, above the gods.

If he put his name on the list of gods, it would be a step backward.

He is actually the strongest ranking in the true sense.

They are already the highest, so what else?

It's not that his name doesn't appear on the list of gods, it's because his name has long been on the stone tablet, the highest position, and it can't be changed anymore...

What's more, the top three of the gods list are all Levi Garrison.

No matter how exclusive he is, he is always number one!

## The Return of the God of War [The Protector] Chapter 2595

Because there is no problem with the ranking of the dark web.

It is absolutely fair and just!

But other people didn't know about the back of the stele and couldn't understand it for a while.

Chen Kong, who was probably dead, could understand.

After the dark web statement came out, all parties were dumbfounded.

I'm thinking about what went wrong...

Puzzled!

Levi Garrison clearly beat Chen Kong to death with a punch, but he was defined by the dark web as being unable to make the list.

This is too contradictory...

Can't figure it out at all!

Levi Garrison's brothers and apprentices also couldn't figure it out.

"Why? I feel that the dark web is really deliberately targeting the boss!"

“This is completely contradictory! I see, this list is the pheasant list! It doesn’t matter if you don’t make it!”

...

Everyone is angry.

Zoey Lopez Azure Dragon (Qinglong) was calm, and they found Levi Garrison.

Ask about this.

“What the hell is going on? Do you know it yourself?”

Zoey Lopez asked.

“The dark web list is wrong!”

Levi Garrison smiled.

“Then why is your name not on the list?”

“I said it a long time ago, that’s because my name was carved on the back of the stele! And the top three of the gods are me! It doesn’t matter...”

Levi Garrison explained seriously.

But everyone looked at him in surprise.

This explanation is simply too absurd.

No one will believe it!

However, everyone dare not doubt Levi Garrison's strength!

But this explanation is too much...

"Where is the problem? I can't figure it out!"

Zoey Lopez rubbed his head.

"Yeah, my head is going to explode! I can't figure out this question..."

Others also clutched their heads, all wanting to explode.

They looked at Levi Garrison helplessly.

Now it seems that I don't even know...

Levi Garrison was also very annoying.

The Lab of the Gods is late to come.

Could it be that they are so much stronger than themselves that they can't pose any threats...

Or what's going on?

In the next day or two, the whole world was analyzing the issue of Levi Garrison's listing.

All kinds of reasons come out.

But there is a reasonable explanation...

But just as everyone went crazy, someone suddenly asked a question that shocked the whole world...

The problem is that it is not Levi Garrison who may have killed Chen Kong!

After this question came out, everyone suddenly realized.

Yes!

Everyone has been entangled with Levi Garrison and killed Chen Kong with a punch!

But the existence is not the case where Levi Garrison killed Chen Kong...

It has nothing to do with his punch!

Chen Kong practiced but absorbed power, and there was a lot of uncertainty!

For example, unable to absorb too much skill, such as unable to integrate and digest after absorbed skill, etc.

Also, I sucked too much and couldn't melt and burst myself directly...

After thinking about it this way.

Everyone is in a hurry!

There is another explanation for Chen Kong's death-he absorbed too much power and energy, his body couldn't bear it, his muscles and veins were torn apart, and he died by bursting directly.

What's more, the scene at that time was clearly seen by everyone!

Chen Kong exploded blood holes one after another, and finally his whole body burst to death.

This is like a situation where the body is bursting by absorbing too much skill and energy!

It's exactly the same!

The probability is sure!

Chen Kong's death has nothing to do with Levi Garrison, he happened to catch up with a punch!

Chen Kong died because he absorbed too many people's skills and energy and couldn't bear to expose himself.

It was Levi Garrison who ignited the fuse and caused Chen Kong to use suction power, which caused his body power to explode and die.

Although the chance of a coincidence that Levi Garrison happened to catch up is very small, there will be some after all!

Since the dark web has declared this way.

That shows that Levi Garrison is really a coincidence, he has no strength, and just happens to meet Chen Kong who has absorbed too much and bursts! ! !

For a while, the whole world was spreading this conclusion madly...

Everyone feels this way more and more!

It totally makes sense!

After the Gods Lab got this information.

Mr. X immediately said: "Impossible!!! I personally modified Chen Kong's body! There will be no problems! He can withstand as much power as he can absorb!"

He affirmed: "Chen Kong definitely didn't have the strength to withstand his body and died of self-exposure!"

“There is no problem with how much he sucks! We have modified this!”

At this time Lucifer had different opinions: “No! Not necessarily!”

“What did the Dark God give him? The crystal condensed by the power of Forbidden Land No. 76... Let him absorb the energy of Forbidden Land No. 76...”

As soon as Lucifer reminded him, Mr. X immediately understood.

“Yes!!! That is the power of God in the crystal! We are thinking about the power of human beings, no matter how strong the skill is, how great the power is. Chen Kong’s physique absorbs without pressure!

But that is the power of God! It must be beyond the limits of Chen Kong’s body! It’s normal for him to not bear to expose himself! “

Mr. X exclaimed: “Understood! Everything is understood! This is the conspiracy of the Dark God! Deliberately gave the crystal to Chen Kong! Let Chen Kong absorb it, and opened Forbidden Area 76!

Where did Chen Kong have seen such a powerful energy, immediately postponed the day of the decisive battle, and ran to Forbidden Land No. 76 to absorb it...”

“Yes, that’s wrong! The Dark God is to allow him to absorb enough energy, so that his body can’t bear it, and finally burst into death!”

“No wonder the Dark God never appeared! It turned out that he planned everything secretly! It was he who designed it to get rid of Chen Kong without blood!”

Analysis by Lucifer et al.

In the end, it came to the conclusion that it was the Dark God who designed Chen Kong to absorb the crystal energy with suction power, surpassing the limit of his body, and finally died.

Levi Garrison actually happened to use a punch to cause a big energy explosion in Chen Kong's body.

His strength can't even make it to the quasi god list.

This conclusion came out.

The whole world understands.

There is absolutely nothing wrong with it, and any question can be explained.

"Levi Garrison? Still number one on the god list? A sh\*t that can't even make it on the quasi god list!"

"Go! Take back all the gifts we gave!"

# The Return of the God of War [The Protector] Chapter 2596

After everyone knew the “truth”, they were angry!

Everyone thinks that Levi Garrison is deceiving people! ! !

Everyone else thought he was the one who killed Chen Kong, thinking that he was the number one strength in the gods list!

But doesn't he know it himself?

I must understand how many catties I have...

Levi Garrison is the only one who knows the truth!

He knew that Chen Kong had exposed himself to death, but silently admitted that he was murdered.

Come to receive worship and gifts from all over the world!

Come and enjoy the thrill of status!

Thousands of people regard him as the number one in God's list, and he chooses not to tell the big truth.

Instead, choose the default...

By default, he is number one on the gods list!

Shameless! ! !

Pretend to be number one in the gods list and enjoy the worship and courtesy of thousands of people.

What do you want, or what you want to do.

As long as Levi Garrison said a word, countless people from all over the world will rush to send it to do it.

When you go to any corner of the world, it is the status of the leader of the country to treat you.  
Thousands of people kneel to you...

Not only that, even the people around you will rise up.

The so-called one person will be able to ascend to heaven!

These days, Li Songkui and Zhao Junfei were rushed by countless strong men to flatter themselves.

All kinds of natural treasures, all kinds of magical artifacts and medicines are delivered in one go.

They have been assisted by big men and powerful forces, and they have superb status and become the existence of masters.

They are now flaunting their might, wherever they go, and countless people follow.

All the powerhouses on the gods list bowed to them and called out Miss Li Shaozhao.

Levi Garrison is addicted and not addicted, I don't know, anyway, the Li and Zhao family are completely addicted.

Before they gave up the quick success method, they were melancholy and had no power to practice.

In the past few days, thousands of exercises are left to their choice.

Everyone in the Li Zhao family chose several powerful exercises.

Had it not been for Azure Dragon (Qinglong) Kirin (Qilin) and the others had been instructed by Xuanyuan Qingya, Tiance Mansion had a big move.

Otherwise, they will also get the exercises.

In terms of relationship, they are closer to Levi Garrison.

There are more people cheating on them.

But everyone is still able to hold onto their hearts and did not accept these things...

The gifts received by Li and Zhao's family were horrible.

Several warehouses couldn't fit them, so they started buying factories to install them.

In the past few days, Levi Garrison has collected dozens of trucks and filled up several warehouses.

This is still forced.

Most of them were rejected by Zoey Lopez.

Otherwise, the gift will really become a mountain!

In terms of money, it is no longer possible to predict.

But now it came out that Levi Garrison was not the first in the gods list.

Everyone is angry!

I think Levi Garrison deceived everyone!

Early in the morning, hundreds of thousands of people flooded into Jiangbei.

They are all here to denounce Levi Garrison!

The door of Jiangbei Villa is full of eggs and vegetables, just like a garbage dump.

“Levi Garrison, you shameless thing! You still dare to pretend to be No. 1 on the gods list? Do you have that strength?”

“Come out! Give me back the things I gave!”

“If we don’t come out again, let’s flatten here...”

## The Return of the God of War [The Protector] Chapter 2597

After some clamor.

Someone found the place where the gifts everyone gave was stored.

Everyone rushed over.

Forcibly divided the treasures of heaven and earth, and took back all the things that he had sent out.

Also wreaked havoc!

The scene was chaotic.

The Li and Zhao family also suffered.

Those big men and powerful forces who regarded them as guests came to the door one by one.

Before each nodded and bowed, they knelt to greet them.

Now meet and shoot directly.

Beat everyone in Li Zhao's family with a swollen nose...

If you didn't deliberately endure it, you might kill it on the spot.

In the end, he took back all the treasures given to them.

“I blame Levi Garrison! It’s all Levi Garrison! This is a scourge!!!”

Li Songkui and others fell to the ground, shouting.

Everything about Levi Garrison, they only have bad luck!

In the villa.

Zoey Lopez and Azure Dragon (Qinglong) looked gloomy.

Two days ago, it was still heaven, but today is hell...

“It’s fine now, how many enemies have we set up for us this time?”

“Now the whole world is in an enemy’s posture! If they attack, we will have no strength to resist?”

...

Everyone is sulking.

Li Wenyan and his wife even said: “You know tomorrow morning that you didn’t kill Chen Kong, why didn’t you say it in person? It’s acquiescence!”

“Do you want to secretly wear the top hat of the gods list and eat and drink?”

The old man and the others said angrily: "Isn't it? If the dark web really ranks him first! Who would doubt his strength? That is the number one in the gods? Even if anyone doubts, dare not to challenge it?"

"Sure! If it is not exposed! Who would doubt that he is the number one in the gods! After all, people all over the world saw it with their own eyes that day!"

...

"I have to say the horror of the dark web! People all over the world have been deceived by Levi Garrison! The dark web knows the truth! He is not on the list of gods!"

"The dark web is really powerful! I said before that they are the wild list! Now it seems that they have a lot of magical powers, and they won't make any mistakes!"

Kirin ( Qilin ) said several people.

At this time, Levi Garrison's voice sounded: "The dark web is really powerful! They even know my true strength!"

"Ha ha ha ha....."

When Levi Garrison said this, everyone laughed.

"Levi Garrison, are you mentally ill? Can you be unclear about your true strength on the dark web? You can't even make it on the quasi god list!"

"Yes, there is still a face to say? How mysterious are you who don't know? Can you hide it from other people or the dark web?"

...

Levi Garrison said this.

It was strongly refuted by everyone.

But Levi Garrison meant that the dark web knew his powerful strength and engraved his name on the back.

He also ranked his three identities in the top three of the gods list!

“The dark web is fair and just! The reason why you didn’t see my name on the stone tablet! That’s because my name was carved on the back of the stone tablet long ago, which means I’m above the gods!”

Levi Garrison said lightly.

“Blow! You keep blowing! Return the back of the stele?”

“Chen Kong climbed to the top that day, as if he still looked at the back, why didn’t he say your name?”

...

Everyone didn’t believe it at all.

## The Return of the God of War [The Protector] Chapter 2598

“I hope you will be more down-to-earth! The current form of the gods list is really exciting, especially for you! How to deceive everyone in this way!”

“But you have never thought about it! In case Chen Kong was not blown up that day, then he will blow you up! You will die! You are lucky, but are you a little wrong?”

“I still have Levilia, and my parents, how worried should they be?”

Zoey Lopez said from another angle.

“We can understand the mood of the boss! He is the top of the world in the past! He is also anxious for a while and wants to climb to the top soon! Only when he did such an extreme thing! He will fight against Chen Kong...”

Azure Dragon (Qinglong) couldn't help saying.

Levi Garrison glared at him: “You understand what a fart!”

“Snapped!”

“哧!”

“boom!”

...

At this moment, suddenly the glass of the villa was bombarded, and pieces began to shatter.

Even rotten eggs were thrown in.

The huge movement continued, and even the walls were hit hard.

Like to collapse at any time.

It turned out that the crowd outside was not too popular, and they began to smash things at Levi Garrison's villa.

Now the outside yard was in a mess and smelly.

The shouting and cursing are also continuous...

What's more, come to splash dung water...

Everyone was furious.

Li Wenhai was even more miserable and was thrown directly into the toilet.

“You're looking for death, right? I will fulfill you!”

At this moment, Levi Garrison no longer thought about the Lab of the Gods anymore.

I just want this group of people to pay a painful price!!!

“boom!!!”

Levi Garrison came to the world like a god of death.

Everyone in the villa was shocked.

Looking at Levi Garrison in a daze!

The aura on him is terrible!

There is a posture of looking at the world before!

“What are you going to do?”

Zoey Lopez asked.

“Of course it is to solve these people outside!”

Levi Garrison said coldly.

“Are you crazy? We can't hide these people in time! Do you still want to provoke?”

“They are all angry now! Once you go out, all of us will suffer and we can't stop them!”

Zoey Lopez grabbed Levi Garrison tightly and prevented him from taking a step.

“Levi Garrison, sit down for you! Even if I am the father-in-law!”

“Today this must be endured!!!”

Li Wenyuan was furious.

“Oh SH\*t!”

Levi Garrison cursed.

He has no idea now.

As long as he goes out, everyone will stop him!

Useless!

Aggrieved!

Whoever of you can go and take a look behind the stele?

And the Lab of the Gods still can't come out?

...

After “venting” enough, the outsiders left one by one.

Levi Garrison’s villa completely turned into a mess.

Even the courtyard walls need to be renovated...

“I have written down today’s grudges, and I, Levi Garrison, will not take revenge overnight!”

Levi Garrison said coldly.

“How about you jot it down? There are many of them who are strong in the gods. Can you still find someone to avenge?”

Everyone takes it seriously.

## The Return of the God of War [The Protector] Chapter 2599

Soon after, Levi Garrison directly ordered: "Order the Bible Organization, Maya Industry, the Great Xia League, the Ye Family Ancient Clan, and the Sanxing Group! To those who are presumptuous in Jiangbei today, pay them ten times the price!"

Levi Garrison's simple command shocked the whole world.

In every corner of the world, there are strong people mobilizing.

Thousands of powerful people are dispatched in an organized manner...

Make a global move...

Oster is the bishop of a certain religious cult in the West. His strength is unfathomable and he ranks among the top 100 on the list of gods.

Just now he took someone to humiliate Levi Garrison in Jiangbei and was ready to go back.

At this time, a group of people appeared in front of them.

The strong men of the Bible organization headed by the evil god...

"Take it!!!"

Underworld God shot directly.

Soon all the people in Oster knelt on the ground!

“I love to throw rotten eggs, right? Very good!”

Under the command of the evil god, everyone stuffed the smelly eggs and the smelly garbage into the population of Oster and others.

The sound of nausea and retching is everywhere!

...

Things like this are happening all over the world!

Evans, the helm of Poseidon Industry in the war eagle country, and a group of his men.

Being poured over and over again by buckets of dung water!

A certain kendo field in the island country was directly flooded by a few carts of garbage...

Hundreds of people are eating mountains of rubbish in a garbage dump in a certain place in Star Country...

“Eat! Give it to me! If you don’t eat all of it, you will die!”

Ye Wudao, who controls Maya Industry, said loudly.

A certain big force in Daxia was intruded by a group of uninvited guests and quickly controlled them.

Now the members of this force are jumping into the cesspit, jumping again and again!

Some people were disgusted on the spot!

You must know that there are no lack of gods and quasi gods among them!

The ancient Garrison clan shot directly and eliminated several big forces.

Eleven strong men on the list of gods were slain!

...

More and more things are happening all over the world!

Someone discovered that all of these insulted people had gone to Jiangbei the other day to insult Levi Garrison...

Now they have suffered one by one!

Ten times the humiliation was given back to them!

This is the end of angering Levi Garrison? ? ?

Frightened silly!

The big action that stirred the whole world was too shocking!

“It’s the Bible organization, people like the ancient Garrison clan do it! Are they making their heads for Levi Garrison?”

“What’s the matter?”

“If the Dark God is Zoey Lopez’s master, it can be understood for her. But what about the ancient Garrison clan? How come they are also out?”

“Then it should be the dark god and the masters of the ancient Garrison clan that Levi Garrison came out to induce Chen Kong’s body to burst and die, right?”

“Well, that’s the high probability! Even though the Dark God designed Chen Kong! But it’s not known whether Chen Kong will explode or not, Levi Garrison just detected it...”

...

The truth of the matter is revealed.

It’s the dark god and they stand up for Levi Garrison.

Although these people are solved one by one.

But Levi Garrison was still very depressed.

At this time, there was a message—the Forbidden Land Observation No. 76 found a lot of clues.

Levi Garrison immediately arrived at Forbidden Area No. 76.

Sure enough, I saw a lot of figures from the testing equipment.

Someone is observing Forbidden Area No. 76.

And there are more in-depth clues...

Someone entered the forbidden area No. 76 to try to find and contact Chen Kong!

Perhaps due to the emergency, the figures of these people were completely exposed to the observation of the monitoring station.

not only.

Three days later.

That is to say, after Chen Kong's successful retreat, someone contacted Chen

# The Return of the God of War [The Protector] Chapter 2600

Kong in Forbidden Area No. 76.

The figure has not disappeared, all have been recorded...

Levi Garrison was stunned when he watched the video.

wrong!

wrong!

He was so wrong!

I thought they would never send someone to continue after being discovered by myself last time.

this.....

Could Chen Kong...

Levi Garrison suddenly realized a major problem—

The most frequent and intensive period of time was Chen Kong's three days of retreat in Forbidden Area No. 76!!!

That shows a problem-they didn't come for restricted area No. 76.

It's from Chen Kong! ! !

Who is the one who has been observing Forbidden Land No. 76?

People in the Lab of the Gods!

This group of people belong to the Lab of the Gods!

Chen Kong is from the Lab of the Gods! ! !

Even if it is not directly affiliated, it is related to the laboratory of the gods...

Levi Garrison has heard from many people that it is difficult to practice the exercises, it will burst because of too much absorption, or melt and digest.

There has always been no one who can solve this.

within a short period.

It is absolutely impossible!

But Chen Kong reached the highest level in just one month!

Even if he absorbed the crystal energy, he would not be blown up!

It shows that several difficulties of power absorption have been solved.

Then the biggest possibility is that his physique has been transformed! ! !

Who made it?

The Lab of the Gods! ! !

Thinking of this, Levi Garrison was shocked in a cold sweat.

Wan Wanzhen thought that Chen Kong turned out to belong to the Lab of the Gods!

I also recalled the process of Chen Kong's rise. At the beginning, it was very low-key, and someone deliberately covered him.

At the beginning, everyone else was in their heads, and Chen Kong didn't have a chance to come up...

Even after entering the list of gods, there are people who are covering...

This is very similar to the working style of the Lab of the Gods!

All this is to cover Chen Kong, allowing him to grow rapidly.

When everyone reacted, he was already strong.

Therefore, he absorbed the skills of four hundred gods and more than 100,000 people in one wave...

The Lab of the Gods! ! !

Levi Garrison was surprised and happy!

I'm still looking for it, I don't think people are right under my nose.

And why should he single out the top three on the gods list?

Mostly the task of the Gods Lab!

Understood!

It must be that the Lab of the Gods does not know the identities of the top three on the list, and wants to get rid of them all at once with the help of Chen Kong's hands!

Levi Garrison fought against Chen Kong!

Knowing that he is not a challenge to the top three of the gods, but a mentality to kill directly!

"Ha ha ha ha....."

Levi Garrison smiled.

The Lab of the Gods!

Don't think of it!

Chen Kong exposed your whereabouts!

However, on the one hand, it also showed the power of the Gods' Laboratory, capable of transforming Chen Kong.

"It seems that in order for you to show your feet! I have to plan ahead!"

Levi Garrison contacted the superintendent of Tiance.

The next day.

Release a message that shocked the world...

00.....
