Chapter 3191 "Well?! Tell me!"

"What should you be doing now for me to let you go?!"

Harvey slapped Davian again , sending the latter flying .

Being the top talent and the victor of the tournament meant absolutely nothing at this moment.

Harvey never stopped slapping Davian, even when the entire crowd was watching. They were completely shocked to see the top talent's face turning as swollen as a pig's.

Even Lydia froze upon seeing such a horrible sight.

Davian was the top talent!

He beat the champion with just a single slash!

His swordsmanship may as well be unparalleled!

And yet, he was completely useless in front of Harvey.

Ezra's eyes were twitching frantically at the sight.

He was instantly reminded of the time he was slapped in the face that fateful afternoon.

He could feel every slap Harvey gave Davian.

Slap!

Davian was sent flying one more time before finally smashing right into the ring.

After struggling for a while, he spat out some blood before he stumbled off the ground.

Harvey calmly walked toward the ring before raising his hand toward Davian.

Thud!

Davian's eyes twitched. He knelt right in the middle of the ring, his back straight.

He was terrified.

Everyone was shocked.

Ezra, Lydia, and the others froze in an instant.

Their well-laid plans were completely useless against Harvey...

Davian even knelt before him!

Ezra was on the verge of coughing up blood; he had no idea how he would explain the situation to Joseph.

However, Harvey gave him no time to think.

The next moment, Harvey pulled out a badge and waved it around.

"Good evening, disciples of Longmen's Law Enforcement!"

The disciples froze after seeing the badge.

Even so, they instinctively stood up with respectful looks on their faces.

Rachel showed a faint smile before taking a step forward.

"Good evening, Head York!"

"All hail Head York!"

Cheers could be heard all around the stadium.

"Head York!"

"All hail Head York!"

The overwhelming cheers shook up the entire place.

Ezra's body trembled uncontrollably. He was in utter disbelief.

He didn't think that Harvey had planned everything as well!

Joseph wanted Harvey dead...

However, in the first place, Harvey was planning to reclaim his rightful position!

Lydia and the others were frozen stiff; they were at a complete loss.

The high and mighty Davian was made into a tool for someone else's rise!

The moment he knelt, Harvey's strength and authority were apparent to everyone!

With the badge in hand...

If Harvey wasn't the one who would become the head of Law Enforcement...

Who would?

"Harvey?! Head York?!" Lydia's eyes twitched; she didn't think that things would turn out this way.

How were they supposed to explain this to Joseph?

Lydia felt her legs go extremely weak as she pondered the situation. She was on the verge of kneeling. "Head York?!"

"Is he the man who defeated Mitchell and took his position?!"

"It's said that the master of Longmen himself appointed him to take the position!"

"He's so young, yet he's already this powerful ! He even sent Davian flying in an instant!"

Chapter 3192

Looking at Harvey, who was calmly standing in the middle of the ring with his arms crossed ... And Davian, who was kneeling with his back straight...

The crowd went wild.

The disciples felt like they were in a surreal dream.

Harvey was able to take down Davian, the victor of the tournament. He was also the man with the Law Enforcement Badge, as well as the same person acknowledged by the master of Longmen.

Since that was the case, his position as the head of Law Enforcement would be solidified.

Lydia was dumbstruck. She glared at Harvey; she wanted to say something, but she couldn't utter a single word.

The people behind her, who had been ridiculing Harvey nonstop, hung their heads low. Their eyes were twitching. They were desperate to get out of the situation as soon as they could.

The short-haired woman felt a tide of sorrow surging within her heart.

She started to regret not clinging to Harvey. If she did that earlier, she would've been sharing the

same honor Harvey was basking in.

"Harvey York!"

"You killed Head Bauer!"

"What right does a man like you even have to be the new head of Law Enforcement?!"

Mitchell's trusted subordinates started to scream at Harvey.

They naturally understood their mission for that day, so they were willing to do anything to stop Harvey from becoming the new head of Longmen's Law Enforcement.

"Yes, I did kill Mitchell."

Harvey looked at his surroundings, his eyes a cold glare.

"He disobeyed the rules of the organization and conspired with the enemy! He deserves his punishment!"

"Longmen's Law Enforcement was completely divided and filled with trash, so the master of Longmen was furious. That was why he requested me to clean up the mess."

"From today onward, I'll be the new head of Longmen's Law Enforcement." "I only have one rule: disobeyers will be killed without mercy."

"That's why I'm only asking you this once, Ezra."

Harvey calmly walked toward Ezra with his arms crossed.

"Are you satisfied with me being here or not?"

The crowd gasped; nobody expected the new head of Law Enforcement would be this fierce.

The entire place fell into dead silence.

Harvey seemed like a gentleman with mediocre skills, as if he was just an inexperienced fighter.

But after seeing him stand there, the people believed that he was the only main character in this place.

Those who were connected to Ezra were scared witless.

Some of them started to realize that the entrances were all closed. The Hatchet Gang had the place completely surrounded as well.

If anything were to go wrong that night, corpses would surely pile up like mountains.

Ezra's eyes twitched frantically; he wanted to give up so badly, yet he had no choice but to raise his head after thinking of Joseph. "You want to take the position as the head of Law Enforcement?" he exclaimed in an icy tone.

"You're way too young for that!"

"Let me tell you something! Longmen's Law Enforcement will always belong to the thirteenth young

master!"

"Anybody who tries to take it away from him..."

"Should just stop dreaming!!

Ezra brought up Joseph's name.

He would only have a chance of turning the tables if he managed to scare Harvey.

"Is that so?"

Harvey took a step forward, still as calm as ever.

Slap!

Harvey slapped Ezra in the face before Ezra could even react.

Ezra felt a sharp pain on his face. He could only see darkness in front of him. He was grabbed by the neck, and then sent flying.

"What did you just say? I didn't hear you." Harvey was devoid of emotion. "I'm asking you one more time: are you satisfied or not?"

Ezra's eyes twitched. His face had completely lost all color.

He knew full well that Joseph's name had no effect on Harvey whatsoever.

If Harvey still wouldn't give up, Ezra knew he would die a horrible death!

Chapter 3193 No matter how resentful Ezra felt, he could only stare right into Harvey's eyes and tremble.

"Pleased...to see you, Head York!"

He then hurriedly made a gesture.

His trusted subordinates, who were unhappy about the decision, had no choice but to kneel on one leg after seeing Ezra's actions.

"Head York!"

The disciples of Law Enforcement froze when they looked at Ezra and Davian kneeling in front of Harvey, who was holding the Law Enforcement Badge.

They all slammed their knees to the ground immediately after.

—

"Head York!"

Everything was put to an end!

After dealing with Longmen's Law Enforcement's martial arts tournament, Harvey decided to let Rachel handle the clean-up.

With help from Kayden's men to take control of the Law

Enforcement, as well as Rachel's strength and her trusted subordinates, everything was dealt with nicely.

After heading back to the Hatchet Gang's base camp, Harvey checked his phone to see if Lili and Mandy had been released.

After all, Harvey had both the Hatchet Gang and Hearthstone Corporation in the palm of his hand in just three whole days. Plus, he even had his position as the head of Law Enforcement solidified.

This meant he had enough leverage to make bargains.

Under these circumstances, it would be extremely easy for him to bail two innocent people out of jail.

Of course, Harvey wouldn't mind visiting the police station if the two were still stuck behind bars the next day.

Upon returning home, Harvey discovered that Xynthia was already taking a nap.

He didn't wake her up. After taking a shower, he dried his hair with a towel while he checked his phone for messages.

Yvonne, Queenie, Leslie, and the rest sent texts asking him about his progress in Flutwell, and if everything went well.

Harvey replied to every single one of them, and expressed his gratitude before he went to bed.

Early the following morning, Harvey's phone rang.

After picking up the phone, Rachel's respectful tone could be heard.

"Good news, Sir York. Flutwell Police Station called."

"Based on the evidence we provided, Mandy and her mother are deemed innocent. After the procedures are dealt with, they'll be released immediately after."

TATO

Harvey didn't think that such good news would come this quickly.

He nodded slightly before replying, "I'll head there myself in a bit."

After keeping quiet for a moment, Rachel then said, "... There's bad news as well."

Harvey frowned. He could hear the weight of Rachel's words.

"What is it?"

Rachel took a deep breath, as if to calm herself down.

"Vice Head Bauer was assassinated on the road last night."

"His body was only found this morning."

"Dylan was found dead in his home as well."

"Ozzy was almost rammed by a car, too. One of Joseph's

personal bodyguards was with him, so he was lucky enough to survive the event!"

"Every single person who died or was injured had a grudge against you!"

"The police can't show any solid evidence proving that you were the one who did all this..."

"But rumors have spread in Flutwell, claiming that you were the murderer."

"You have to be careful, Sir York!" Harvey's eyes went cold. No matter who the perpetrator may be, this was quite the impressive move!

Chapter 3194 After hanging up, Harvey took Xynthia to the Flutwell Police Station immediately.

After going through the procedures to get Lilian and Mandy out of jail, Harvey provided his whereabouts last night to the police and evidence supporting his claim.

After all, Ezra and Dylan were targeted because of him.

To prevent the enemy from getting the police's support, Harvey simply decided to defend himself first.

Logan, Flutwell Police Station's second-in-command, was confused but had no reason to decline Harvey's testimony, especially when Harvey came here himself.

When everything was all dealt with, it was already three o'clock in the afternoon.

While

Harvey was waiting at the front door for Lilian and Mandy, Rachel and a huge group of people showed up. Other than lawyers, assistants, and bodyguards, there were a few familiar disciples of Longmen whom Rachel picked from Longmen's Law Enforcement. Rachel was indeed quite talented. If it were anyone else, they wouldn't be able to restructure the entire organization in a single night.

She walked toward Harvey and said respectfully, "I heard you went to give the police your testimony, Sir York."

"I'm just planning ahead," Harvey replied.

Rachel nodded.

"I found evidence to prove your whereabouts last night, and that you have nothing to do with Ezra and Dylan's deaths."

"Unless there's any new evidence, both the police and the government wouldn't make it any harder for us."

"That said..."

Rachel's head started to ache.

"I just received word that Jordan Bowie was going out of his mind."

"He believes you were the one who killed Dylan, and swore to make you pay."

Harvey narrowed his eyes.

"Jordan? Dylan's dad? The head of the Bowie family?"

"That's right. The Bowie family wasn't considered to be a wealthy family, but that was before Jordan's daughter married into the Bauer family."

Rachel brought out her phone to read out the details to Harvey.

"For the past few years, the Bowie family had been expanding quickly."

"Jordan acted as the Bauer family's obedient servant, going after whoever he was ordered to do."

"At that point, everyone would rather challenge the Bauer family than to go against him". "Dylan was Jordan's precious baby, and Ezra was his good friend as well as being Dylan's teacher."

"Since he believes you were deeply involved with both of their deaths..."

"He'll find a way to exact his revenge."

"He must be a smart man if he even gave his daughter away just to climb the ranks. There's no way he'd lose his cool over something like this!"

"I've already proved my innocence at the police station."

"What's the point of him slandering me at this point?"

"Get someone to call him. Tell him I don't care who the perpetrator is."

"But if he keeps pestering me, I'll kill him myself." Harvey had no interest in explaining himself to someone like Jordan.

As long as he was stronger, there was nothing anyone could do against him.

While Harvey and Rachel were still chatting, Lilian and Mandy finally changed back into their own clothes and were escorted out of prison by a few inspectors. 2
