

## Chapter 301

Being warm and soft, Zoey's sexy and delicate body clung to her. Noah Wu also felt a rush of hot blood rushing straight to her head.

Especially when she saw Zoey's red face and charming appearance, even Noah Wu could not hold it back.

However, Zoey closed his eyes and frowned, as if he had a kind of unspeakable nervousness. Noah Wu was embarrassed.

In fact, Zoey was really nervous, and her heart was beating rapidly.

Her face was getting hotter and hotter.

When she threw herself into Noah Wu's arms, she didn't do it on purpose.

All of a sudden, she felt as if she had lost all her strength, and her entire body was limp.

She didn't dare to look at Noah Wu's eyes, so she said in her heart, "Don't... don't do this! Bad guy!"

Since she had known Noah Wu for so long, of course, she knew Noah Wu's character well.

This guy always kept a low profile and had a glib tongue, but he didn't expect that he would...

In the tension, she felt an approaching breath.

Noah Wu's breath was close to her ear, and Zoey became more and more nervous. She wanted to push Noah Wu away, but her hand did not move for a long time.

"Secretary Zhou, help me put on a show."

Noah Wu whispered in her ear.

Zoey suddenly came to his senses and only heard Noah Wu whispered, "Someone is eavesdropping outside. You cooperate with him."

"....."

Zoey finally understood what was going on. He was so shy that his face turned red. Biting his lips, he twisted his eyebrows and pushed Noah Wu away.

"Hey! Secretary Zhou."

Zoey opened the door with a red face and did not expect to run into Lana Lin.

She did not say anything and quickly ran upstairs.

Lana Lin looked at her back for a long time and quietly entered her room.

Noah Wu came out of the house and looked at Lana Lin. She smiled and picked up her clothes to take a bath.

The next morning, when Noah Wu got up, she met Zoey. Zoey ignored him and went to the company with Zena early.

Noah Wu was not depressed at all. She wondered in her heart, "It can't go that far, can it?"

No matter how she joked in the past, she would not be angry. Last night, she just asked her to cooperate with him. How could she ignore him?

When Noah Wu was ready to go to work, she found that Lana Lin was helping her wash the clothes yesterday.

When he got in the car, Lana Lin caught up with him and said, "Come back for dinner tonight. I'll go to buy some food."

Lana Lin was going to cook in person?

Noah Wu shook her head and said, "There's no need to do it by myself. Why don't we go out for dinner tonight?"

Lana Lin bit her lip and said, "I'd better do it myself! You can call sister Zoey and Zena back to eat together."

Seeing Lana Lin's expression, Noah Wu suddenly remembered something. "Today is your birthday?"

Lana Lin didn't say a word, but lowered her head.

Noah Wu understood and said, "Okay, then let's come back early."

When she drove out, Lana Lin went back to wash clothes.

Noah Wu went to the villa to pick up Isabella Charlotte and found that Sherry Bell really stayed here last night.

Today, she got up very early. She came over and pulled Noah Wu's clothes. "You didn't go fooling around last night, did you?"

Noah Wu did not answer her face-to-face, but asked her what kind of arrangements she had today.

Sherry Bell said that she would accompany the chairman to the temple today.

After the incident last time, Emma Charlotte decided to go to the temple to burn incense

and ask for comfort in her heart.

Sherry Bell had nothing to do anyway, so she went to accompany Emma Charlotte.

Isabella Charlotte saw them whispering together from a distance, but she didn't come over to disturb them. Instead, she quietly got in the car.

When Noah Wu came over, she said, "It has been confirmed that we will issue the shares. We will give you 12 billion in your name. From now on, you will be one of the top three important shareholders in our company."

Noah Wu didn't care. In her opinion, she just wanted to borrow her name for Isabella Charlotte.

If the stock price really reached 12 billion yuan, what would he do?

Isabella Charlotte saw that he had no reaction, so she said seriously, "Half of this 1.2 billion yuan is yours, and the other half of the company has to withdraw its shares in the future."

Noah Wu came to her senses and said, "Wait, didn't you just borrow my name to use it? Why do I need the shares?"

However, Isabella Charlotte said seriously, "This is what you deserve, and it's the share that my mother personally agreed to give you."

Noah Wu shook her head and said, "I don't want it. Besides, there is too much money. Aren't you afraid that I, a young man of good quality, will change? They all said that men will change with money. I don't want to be corrupted by money."

"....."

Isabella Charlotte was speechless. It might not be so good when you don't have money.

After arriving at the company, Noah Wu met Zoey and was about to tell her about Lana Lin's birthday at night. However, Zoey pretended not to see him and did not want to talk to him at all.

As a result, Noah Wu was not depressed, so she caught up with him and stopped Zoey.

"Secretary Zhou, what's wrong with you?"

Zoey did not look at him and avoided his eyes. "Don't make trouble. I'm busy."

After that, he walked away from the side.

"Er! What's going on? It seems that I didn't go too far last night."

While he was muttering, Zhang Yufei came up from downstairs and chased Zoey from a distance. "Secretary Zhou, can I ask you to have dinner with me tonight?"

Zoey stopped, looked back at Noah Wu and said, "Okay!"

"What the f\*ck!"

Seeing this, Noah Wu was not convinced. "Is he more handsome than me?"

However, Zoey did not say much to Zhang Yufei. He answered and left.

Zhang Yufei, who was laughing like a dumbass, scratched his head in disbelief.

She had made an appointment with her for more than a dozen times, and finally, she agreed to let go of her hard work.

At noon, Noah Wu met Zena in the restaurant.

When he told Zena that he would go back for dinner together at night, Zena said gloomily, "Oh no, I have promised sister Zoey that I will go out to have dinner with her at night."

Alright!

They had no friends this time.

After leaving work, Noah Wu first sent Isabella

Charlotte home, and then changed the Land Rover back to the rented house.

Before she entered the door, she saw a huge cloud of smoke coming out of the kitchen.

Without saying a word, Noah Wu put out the fire and rushed into the kitchen.

Oh my god!

The kitchen was filled with smoke. Lana Lin was choked and coughed. She ran out with her hands covering her nose.

"What's going on?"

Noah Wu turned off the fire and opened the window, only to find that the dishes in the pot were burnt like charcoal.

Lana Lin's face was dark and tears were coming out of her eyes.

Seeing Noah Wu turn off the fire, she said with grievance, "I... inadvertently burnt the dish."

This was not boiling paste at all!

When she almost caught fire in the kitchen, Noah Wu saw that her original beautiful face was smoked so black, she was speechless and said, "You don't know how to cook, so you go outside to eat. Look at you now."

Lana Lin bit her lip and said, "I..."

"Alright, alright, let's go wash up. Let's go out and eat."

Looking at Lana Lin's aggrieved look, Noah Wu shook his head.

She thought she knew how to cook.

He actually came back to buy some food and cooked with his own hands. As a result, he was in a mess.

"Alas!"

It seemed that not every woman, like Zoey, was able to go up to the hall and down to the kitchen.

It had been more than an hour after Lana Lin took a shower and changed her clothes.

Noah Wu saw that Lana Lin, who looked delicate and pitiful, lowered her head and stood in front of him with her eyes flashing. She shouted, "Get in the car! I will accompany you to celebrate your birthday tonight!"

Lana Lin said in a very small voice, "Thank you!"

## Chapter 302

Noah Wu made a phone call and said, "Beast, arrange it for me. I'm going to make a block booking tonight and hold a birthday party."

Lana Lin looked at him in surprise, and she didn't know what Noah Wu meant.

"Close the whole restaurant?"

That's right, Noah Wu was preparing to make a block booking for her birthday tonight.

It was the Drunkard who called him just now.

Brother Noah was going to make a block booking!

The Drunkard shouted and immediately asked his brothers to get ready.

It was still Wen Zheng Street, that bar.

Noah Wu's car stopped at the door.

"Yo!"

"Oh, my god."

At the gate of the Red-lipped Bar stood a girl with slender arms and tender legs.

One by one, they were dressed beautifully, like

flowers and jade.

"Where are the pink-faced young men in the bar?"

They were all well-dressed, with suits and leather collar on them. It looked like a mess.

"What are they doing?"

Lana Lin was used to Fengyue Bar, but she didn't expect the Red-lipped Bar to be so extravagant.

The bright red carpet was laid directly under his feet.

When she and Noah Wu got out of the car, Lana Lin looked at the scene outside the bar and suddenly felt touched with tears in her eyes.

The drunkard led Ronald, Darren Wong, Zac and others out to welcome them.

"Brother Noah, oh! Someone else changed again?"

"Brother Noah, you're awesome!"

A few guys made fun of Lana Lin, while the Drunkard stared shamelessly at Lana Lin's red face.

"Isn't this Miss Lana Lin, the famous lady of

our York Valley? Brother Noah, when did you get the hang of it?"

When they saw this, they were very envious.

Darren Wong and the others kept flattering him.

The Drunkard hugged Wu Wa, who was beside him, and said, "Hey, brother, why don't we change a new one tonight?"

"Go!"

Noah Wu glared at him.

"Let's change the hair."

I haven't started yet!

Lana Lin was embarrassed.

Zac smiled and said, "Brother Noah, everything is ready inside. Please!"

Looking at the two lines of neat men and women, Lana Lin followed Noah Wu into the bar.

There were flowers, cakes, champagne in the bar...

As long as it was necessary for the birthday party, they were all ready.

A big cake with a total of six or seven floors

was placed properly in the bar.

Before the two of them came, they had already cleared up the atmosphere.

Faye came over with her big white legs and said coyly, "Brother Noah."

Noah Wu looked at Lana Lin and said, "Do you like it? Don't be polite to these animals. Tonight, you are the princess here!"

Lana Lin frowned. To be honest, she had not held a birthday party for herself in such a high profile.

Noah Wu's behavior was very surprising.

Lana Lin stood in front of the cake and said with tears in her eyes, "Thank you, thank you all!"

"Sister-in-law, don't mention it! I'm Noah Wu's sworn brother who can be changed into a wife."

"Ha, ha, ha..."

The Drunkard laughed.

"Get out—"

Noah Wu kicked him and the drunkard got out of the way.

She patted Wu Wa's chest and said, "What's

wrong? Do you think you're at a disadvantage? My Wu Wa is really good at it."

Wu Wa hit him, waved her fists, and glared at him while gnashing her teeth.

"This guy is too bad. He patted me on the chest in front of so many people."

Lana Lin blushed and didn't have the nerve to talk anymore.

Faye said, "All right, all right, let's start!"

The birthday party held for Lana Lin began, and the girls and the bar students outside came in.

The atmosphere was very good.

Darren Wong, Zac, and the others also followed suit.

Then everyone began to drink and took their seats.

Since this restaurant was reserved for Noah Wu tonight, there were only the drinkers and other people, such as Darren Wong, except for the waiter.

Darren Wong told Noah Wu that since the disappearance of Mr. Lord Ashkeep, the Buddhist Cloud Gang basically did not conflict

with them. Their territory was gradually expanding, and the source of business and economy was far better than before.

Garrick were also ready to take over the business of some small gangs and set up a big gang.

Noah Wu was not involved in these matters at all.

On the contrary, he persuaded him that there was no need to make such a big deal since he had lived a good life as a gangster.

If they took action in the future and shot the headmost bird, maybe one day it would hit them.

Hearing this, Garrick agreed with Noah Wu's statement.

At this time, Wu Wa came over to toast with a glass of wine. Noah Wu had a drink with her and made a joke.

"Can you tell me why the Drunkard called you Wu Wa?"

Wu Wa rolled her eyes at the Drunkard charmingly and curled her lip. "Don't listen to his nonsense. He doesn't have a straight face."

At this time, the Drunkard laughed and said,

"Do you really want to know? If you want to know that I'll give her to you tonight, you'll understand after a try."

Wu Wa gnashed her teeth and grabbed the Drunkard's ear. "Who are you? Are you starting to dislike me again? If you push me to someone else, will you be able to harm other girls?"

Faye stood aside and said, "Yes, he's such a b\*tch. He's heartless!"

Seeing the two girls sieging the Drunkard, Noah Wu and others burst into laughter.

That night, Darren Wong prepared the best red wine and the most enthusiastic way to hold this party for Lana Lin.

Lana Lin also drank wine, sang a song, and played a piano.

After blowing the candles and cutting open the cake, many people's faces were painted all over the place.

Only no one dared to smear it on Noah Wu and Lana Lin.

The Drunkard grabbed a handful of cream and stuffed it directly into the collar of Wu Wa.

Wu Wa rushed over angrily and said, "You

licked me!"

The two of them rolled on the sofa, causing the crowd to burst into laughter.

This night, they went crazy. After the show was over, Lana Lin said shyly to Noah Wu with her flushed face, "I'm drunk!"

"I'll send you back!"

Lana Lin shook her head. "Would you like to take me for a ride?"

Noah Wu took a look at her and said straightforwardly, "Okay!"

He started the car and sped all the way through the evening wind of the city.

After flying for dozens of miles, they soon came to the suburbs.

Tonight, the moonlight was still good, bright and flawless.

The Land Rover passed by a dam. Lana Lin pointed to the dam and said, "I want to go there!"

Noah Wu stopped the car and followed Lana Lin to the dam.

In the quiet valley, the wind was gentle.

It was silent all around.

It was a good place for dating.

They went to the dam and found a place to sit down.

While Noah Wu was lighting a cigarette, Lana Lin said softly, "Noah Wu, thank you for arranging a birthday party for me."

Noah Wu felt that she seemed to have something on her mind, so she smiled and said, "It's okay. We are so familiar with each other. Why should we care about these things?"

"What's more, you don't have anything to rely on now. We should have taken care of each other."

Lana Lin was silent. She hadn't spoken for a long time.

The two of them had been sitting like this for a long time.

The evening breeze blew, reflecting Lana Lin's red face.

She bit her lip as if she had made up her mind.

"I'm ready to leave York Valley!"

"Is Lana Lin going to leave too?"

Noah Wu took a drag on her cigarette and was

about to ask her the reason when Lana Lin suddenly turned her head and asked, "Noah Wu, have you ever liked me?"

"Er!"

This was a tricky question.

Before Noah Wu answered, Lana Lin smiled bitterly and said, "In fact, if you don't tell me, I will know that you have never liked me. Perhaps, you don't like people like me at all. Perhaps in your heart, I am just..."

"No!"

Noah Wu interrupted her and said, "I've never thought about it like this."

"In fact, I'm not that kind of person! I'm so moved when I see a beauty. Can't you see that?"

Lana Lin said faintly, "Then why have you never looked me in the eye? Some people say that if a man is interested in a woman, he will enter the channel of a woman's soul at all costs and get everything from her."

Noah Wu looked at her in a daze, swallowed her saliva, and stammered, "In fact, I want to..."

At that moment, Lana Lin had turned around and kissed him with her arms around his neck.

The fireworks in Noah Wu's hand fell to the ground and went with the wind.

PS: "Brothers, your likes will reach 20,000 yuan plus one more chapter. Soon, it will be almost 20,000 yuan. Please give me a thumbs-up at the end of each chapter. Thank you!"

## Chapter 303

On the dam of the dam, there were two young people's passion.

In the face of Lana Lin's bold initiative, how could Noah Wu be calm?

It was just that he didn't expect that Lana Lin seemed to be quiet, but she was passionate.

She didn't have any scruples and didn't stay to contribute anything to Noah Wu.

This was originally a girl's most precious thing, but at this moment, it was only presented for the person she loved.

Noah Wu heard her muttering in her ear, "Noah Wu, I love you!"

Perhaps it was because of this sentence that Noah Wu couldn't wait any longer.

Lana Lin let out a cry in her throat, mixed with a hint of pain. She knew that this man was crossing the passage to the woman's soul. Indeed, he got her.

At that moment, there was a trace of helplessness and regret in Lana Lin's eyes.

She showed a bitter smile on her face, and even Noah Wu did not pay attention to it.

A faint light emerged from several slender fingers. Between their madness and passion, they quietly fell on the back of Noah Wu's head. The two acupoints, Tiantu and Yuzhen, were located at the back of his head.

However, for some unknown reason, she hesitated for a moment, and then slowed down for a while. Finally, she decided to give it a shot.

"Sizzle—"

Noah Wu's body twitched violently a few times as if he had been struck by an electric shock all of a sudden.

He suddenly woke up from his madness and glared at Lana Lin angrily. "You—"

Noah Wu only had time to say half a sentence before she fainted.

Lana Lin looked at the man who fainted on her body and murmured, "I'm sorry! I don't want to do this..."

She waved her hands, and her slender fingers were against the moonlight. Unexpectedly, she used the unique skill, the Soul-absorbing Skill,

which had been lost for a long time in the ancient martial arts world!

Anyone who saw this would turn pale with fright.

How could a girl, who seemed to be so weak and stayed with books all day long, possess such a unique skill?

It was known that the Soul-summoning Great Art was a martial art that was extremely difficult to practice, and most of its practitioners were female.

She usually associated enchanting, charming, and romantic people with demons and monsters.

Therefore, these women looked extremely dissolute. They were typical fox-like and charming.

If he were to use this cultivation method, he had to learn to seduce his opponent and make him lose his vigilance. Only in this way could his attack work.

Especially for experts like Noah Wu, the Soul-summoning Great Art of general strength could not be of any use at all.

However, no one would have thought that Lana

Lin, who was born in the Initial Scholar's Mansion, could also have this mental cultivation method.

In order not to arouse Noah Wu's suspicion, she went all out and did not hesitate to sacrifice her chastity.

The brilliance between the slender fingers was hidden under the bright moonlight. Lana Lin's fingers pinched out an orchid-like spell and gently pressed it on Noah Wu's temple.

At this moment, the two of them still did not separate, and their bodies were tightly combined.

She had no time to think about this. All she wanted was to finish the task as soon as possible.

At the moment when his fingers were close to Noah Wu's temple, he turned his mind.

It seemed that he was trying to get something from the dizzy Noah Wu's brain.

He launched his martial arts again, and the blue light of the Spirit Summoning Art surrounded the top of Noah Wu's head.

On the dam of the dam, there was a burst of extra silence.

Lana Lin's forehead was full of sweat, and her strength had been improved to the extreme.

But soon, she let out a soft voice of doubt.

"Eh? What's going on?"

Noah Wu suddenly opened her eyes and coldly looked at Lana Lin, who was displaying the Soul-Absorbing Magic Art to her.

Bang—

With a slap on her chest, Lana Lin's body was sent flying.

With a wave of her hand, Noah Wu picked up a few pieces of clothes on the ground and threw them at them.

With his palms flying in the air, he quickly wrapped his clothes up.

Several women's clothes fell down and fell right in front of Lana Lin.

Lana Lin covered her chest and said, "Puff—"

After spitting out a mouthful of blood, he stared at Noah Wu in horror, who had just put on his clothes, "You—"

Noah Wu snorted and said, "Did I disappoint you?"

"How... how could this be possible?"

How could Lana Lin be willing to do that? He clearly saw that Noah Wu had been hit, but how could he crack his Soul-summoning Great Way?

He thought over and over again about what had happened just now, but he really could not find any flaws.

Seeing Noah Wu coming over with a murderous look, Lana Lin bit her lip and grabbed her clothes and put them on.

After the storm just now, he lost his wife and suffered a great loss, but he still failed to take Noah Wu down.

After putting on her clothes silently, she sat on the ground with a gloomy face.

Noah Wu approached him and said coldly, "I really don't understand why you are willing to sacrifice your innocent body and seduce me again and again. What are you trying to do?"

Lana Lin's face was pale and she said unwillingly, "How did you find out? Our plan is flawless and almost impeccable. How can you see that I'm going to do something bad to you?"

Noah Wu sneered and said, "A woman came

from a scholarly family and fell into the dust. It's really hard to believe that she can still keep this kind of ice-cold and pure."

"It's rumored that you're a follower of Mr. Lord Ashkeep, but he didn't kill you. Why? I can only say that your status is higher than his."

Lana Lin's face twitched. Noah Wu was right.

In the Ashkeep Club, Master Lord Ashkeep was just a tool.

The entire Lord Ashkeep Cloud Society was just a tool. All their purposes were to find the lost mental cultivation methods of the Qin's Group.

She didn't expect that Noah Wu could even see that.

Noah Wu said, "Every woman who practices the Cloud-summoning Mighty Art has a strong Demonic Qi and wild behavior. I really don't understand. Why do you also practice this kind of mental cultivation method?"

"If you hadn't tried to get close to me again and again, and showed me your figure without reservation, I would have believed you."

"It's a pity that you're too active! I have to suspect you."

Lana Lin's face was completely dark. "Since you are suspecting me, why did you pretend to fall into my trap just now?"

When it came to this matter, Noah Wu smiled playfully.

"You're so active and you're saying that you love me. Don't you think I'm a fool if you take advantage of me?"

"It's just that I didn't expect that you're such a perfect match."

Noah Wu looked at the pool of dark red blood under his feet and laughed comfortably.

"Puff—"

Hearing Noah Wu's words, Lana Lin was so angry that she vomited blood.

Shameless!

He clearly knew that this was a trap, but he deliberately took the opportunity to occupy her.

Thinking that she had failed and lost her virginity, Lana Lin gritted her teeth and wished she could die here.

He gave Noah Wu a resentful look, and his face turned livid with anger.

It was a pity that he was apologetic at that time and felt sorry.

It seemed that there was no need to do that at all.

"This guy is simply a devil. He clearly saw through me, but let me fall into his trap."

"He took the initiative to do such a shameful thing!"

Lana Lin gritted her teeth and made up her mind. She stood up and rushed to the dam.

Noah Wu's figure flashed and stopped in front of her. Lana Lin was caught off guard and fell into his arms.

"Don't rush to die. We haven't finished our bill yet."

Noah Wu grabbed Lana Lin's wrist and said, "Tell me, did you ask Mother Chen to steal the half piece of Emma Charlotte's jade pendant? Then you framed Prince Teng and tried to get rid of the dissidents for the Ashkeep Club with me?"

Lana Lin was furious. "Since you already know, why do you ask?"

"Why do you do this? What on earth do you want?"

Noah Wu's face became serious, and there was a murderous look in his eyes.

Lana Lin said grumpily, "Of course, it's for the mental cultivation method of Qin's Family!"

"The Noah family's mental cultivation method is unique in the world, and it focuses on all the ancient martial arts in the world. Many ancient martial arts sects want to take it as their own. A man is not guilty, but he is guilty. This is the big disaster that happened to the Noah family a hundred years ago. Since you are the descendant of Qin Mulin, even if I don't hurt you today, sooner or later, there will be other people who will have designs on you."

"Are you from Red Tired?" Noah Wu asked sharply.

"Yes, so what? Red- robed Lady had participated in the encirclement and suppression of the Noah family a hundred years ago. Why don't you kill me now? It's also a revenge for the arrow you took back then."

Lana Lin stretched out her neck stubbornly, looking like a generous man who was going to be killed at any time.

Noah Wu waved her hand and was about to

pat her on the forehead when an idea suddenly flashed through her mind. Her gesture slowed down and she said, "You can go now!"

Lana Lin was stunned and opened her eyes. "Why?"

"For the sake of your hesitation before you hit me, I will let you go today! Also, let Fu Wangliu and other people withdraw from York Valley immediately, or we will kill them all." Noah Wu turned around and did not look at Lana Lin again.

## Chapter 304

Noah Wu got in the car and called the Drunkard.

"Give you a big gift and take over all the places of the Lord Ashkeep Cloud Society immediately. If you resist, don't leave anyone behind!"

This news was simply too exciting for the Drunkard and the others.

The biggest gang in York Valley, which was originally the Lord Ashkeep Cloud Society, had so many properties under their control. How could they give it to them like this?

When these animals heard such good news, they immediately dispatched all of them to take over all the fields of the Cloud Buddhist Society.

In the beginning, they were still skeptical, but when they arrived there, Fu Secular had already received a call from Lana Lin and left with the others.

The Drunkard led his men to the Ash Manor House. The gate of the villa was open, and

there was no one inside.

The Drunkard laughed and said, "Brothers, this place will belong to us in the future!"

Darren Wong and others always had doubts in their hearts. "Boss, why do I feel like I'm dreaming?"

"That's right, I feel the same way too!"

The Drunkard slapped him on the head and said, "Let's go in! Is there anything wrong with what Brother Noah said?"

"That's right. Now that Brother Noah has said it, do they dare to be Noah Wu's enemy?"

Darren Wong was loyal to Noah Wu.

Although Noah Wu did not care about these things, they were very loyal to Noah Wu in their hearts.

Otherwise, how could he let the Drunkard be the boss?

In their hearts, the Drunkard was Noah Wu's spokesperson.

A group of people rushed into Ash Manor House. The Drunkard led his men around and said, "Damn, the Yin Qi in it is so heavy!"

"Please clean up this place and open all the

doors and windows, and change the headlights in every place."

This guy came to Lana Lin's former bedroom on the second floor, with his nose hanging out like a dog.

Then he waved to Wu Wa and said, "Come here."

"What are you doing?"

As soon as Wu Wa walked over, she was pushed into Lana Lin's former bed.

"Ah—chivalrous!"

The others sensibly left. Wu Wa's screams could be heard coming from upstairs.

After that, the guy came out with his pants and said gloomily, "Why do you always feel that there is something missing?"

Zac came in from the outside and said to the Drunkard, "Boss, now that we have such a big influence, should we call it a gang?"

The Drunkard glared at him and said, "Are you sick?"

"You don't want to be a decent man, but you have to be a local hooligan!"

He called the others over and announced one

thing.

"From now on, we will set up a entertainment-like company. In the future, we will all be employees of the company. You can send someone to check how many industries there are, and report it to me."

"I don't want everyone to be the ruffians and hooligans in the past. We'll be famous in the future. When I go out, I'll call you president. What's the boss's boss's boss's boss's name? What kind of style is he? Am I right?"

Hearing this, everyone nodded immediately. "Yes, yes, boss is thoughtful."

One by one, they were all happy.

The Drunkard ordered, "Well, after you count all the assets, you three will each take 30% of the shares, and the remaining 10% will be distributed to the brothers! I won't get involved in this matter, you go and arrange it yourself."

"Huh?"

Garrick were shocked. "How can this be done?"

Darren Wong said, "Yes, you and Brother Noah have to take shares. Otherwise, we will become ungrateful."

That's what Zac and Ronald meant.

The Drunkard rolled his eyes and said, "Don't follow my mother-in-law. Why do I and Noah Wu want your shares? Who knows how long we can stay in York Valley? Besides, even if we stay in York Valley, if we don't have anything to eat or drink, can you just watch us starve to death?"

"No one else wants to say it. If you have any intentions, you'd better give more to the brothers below!"

After the Drunkard ordered, he went out with his hands clasped behind his back.

The guy mumbled with his chin in his hand. "Money is like dirt, and righteousness is worth thousands of dollars. I have food, clothing, and women in my life. Why do I need so much money?"

Then he shouted at the upstairs, "Wu Wa, let's do it again!"

The news that the Ashkeep Club had completely withdrawn from York Valley soon spread to Lord Five.

The drinkers took over all the territories and industries of the Cloud Buddhist Society. They

reorganized these industries and established a company.

The Lord Five couldn't help but shake his head. These people really knew how to play.

Once he changed, he would become a businessman with a high status.

The situation of York Valley's underground forces had changed completely overnight.

Darren Wong's party had become the biggest force of York Valley.

As for Noah Wu, he was not involved in all this at all.

He went back to the rental room alone and lay on the bed, thinking about the things happened between him and Lana Lin.

From beginning to end, Lana Lin had been trying every means to get close to herself.

It turned out that her real intention was to take the mental cultivation method of Qin's family from her.

They thought it was a great idea, even if she succeeded in getting the mental cultivation method in her mind.

"I'm afraid that it won't be of any use."

Because the mental cultivation methods learned by the descendant of the Noah family were all remembered upside down.

When practicing martial arts, he had to practice from the back to the front. Otherwise, he would be possessed by the devil and become a good-for-nothing.

In fact, at the thought of this method, the Noah family also wanted to prevent other people from controlling their psyche, or when someone used the Soul-summoning Great Art, they would recite it as per their usual memory habits.

In this way, even if someone got this mental cultivation method, they would not be able to practice it.

Because the last page of the mental cultivation method had been lost and became an endless mental cultivation method. It was impossible for ordinary people to practice it.

It was just that Noah Wu had been on guard against Lana Lin for a long time, otherwise, it was really possible that she would have fallen into her trap.

Thinking that Lana Lin not only failed to get the

mental cultivation method but also lost her perfect body, Noah Wu couldn't help but laugh.

But now he realized a very serious problem. If he could not find the last page of the mental cultivation method, when all forces moved, he was afraid that the catastrophe of a hundred years ago would happen again.

In order to make a breakthrough, Noah Wu had to seize the time to practice martial arts.

It was a pity that no matter how hard he practiced, he could never break through before he got the last page of the Qin's mental cultivation method.

After sighing, Noah Wu was ready to take a bath and sleep.

There was a car driver's voice outside, and Zena was shouting, "Sister Zoey, Sister Zoey, be careful."

Perhaps seeing the light in Noah Wu's room, Zena shouted, "Noah Wu, Noah Wu, come and help me."

Because Zena's language talent was very good, she could communicate with people in mandarin.

When Noah Wu came out of the room, she

found that Zoey was drunk and paralyzed on the ground.

After paying for the taxi, Noah Wu carried Zoey on her back and went straight upstairs.

Zena followed him. After they put Zoey on the bed, Noah Wu asked, "What's going on?"

Zena explained with embarrassment, "Sister Zoey asked me to accompany her for dinner. She was in a bad mood, so she was drunk."

"Help her get a glass of water."

Seeing that Zoey had drunk too much, Noah Wu intended to use inner Qi to help her out a part of the alcohol spirit. However, when Zena just left, Zoey shouted and threw himself on Noah Wu's upper body and vomited.

## Chapter 305

Even if Noah Wu was quick-witted or her pants were stained by Zoey.

In fact, it was not that he couldn't hide, but he didn't want Zoey to fall into bed.

He hooked up a garbage can with his feet and let Zoey vomit on his lap.

It was said that wine was a good thing, and it was very fragrant when it was drunk, but it was unpleasant to smell when it was spat out.

Noah Wu didn't expect that Zoey, a woman, could drink so much wine.

He pressed his palm on the Lingtai acupoint on her back. He slowly injected inner Qi into it and forced part of the wine out.

Zoey drank too much wine and was completely unconscious.

When Zena came with water, she had finished vomiting and was sleepy.

In addition to Noah Wu's help, she forced out most of the alcohol fumes, so she fell asleep comfortably.

However, the room was filled with an unpleasant smell of alcohol.

Zena suggested to take Zoey to her room so that they could sleep together, so that they could take care of each other.

Noah Wu also felt that this suggestion was good, so she took Zoey and put him on Zena's bed.

After settling down Zoey, he went downstairs to take a bath and sleep.

Maybe it was because Noah Wu helped Zoey to get rid of most of the alcohol fumes, Zoey woke up at about three o'clock in the morning.

When she found a big white leg pressing on her body, she was shocked.

He suddenly sat up and saw that Zena's sleeping look was very ugly.

This girl lay on the bed with one of her legs pressed on her chest, which made Zoey think that something had happened to her.

She patted her chest nervously and let out a sigh of relief. Then she quietly got out of bed and went back to the room to take a bath.

Her room had been cleaned up by Zena, and the window was also pushed open, and

perfume was sprinkled on it.

After taking a shower, Zoey couldn't fall asleep at all.

He saw that the clock on the wall pointed at four o'clock, and it was dark outside.

Zoey wore a nightdress and went to the top of the building with a cup of tea.

The night was dark, and the wind was blowing.

This added a bit of peace to this night.

The third floor was a sunshine house built by the former landlord. It was also a place for cooling and drinking tea.

Zoey found that she liked such a night and such tranquility.

A cool breeze blew, revealing Zoey's white and flawless legs.

If anyone saw it, they would be amazed that Zoey was so sexy.

It was just that she seldom showed her sensuality to others.

Just as she was combing her long hair with her neck, a figure appeared silently at the stairs.

Noah Wu, like a ghost, appeared behind Zoey.

Zoey didn't feel anything at all. When she turned her face, she accidentally saw this shadow.

When she turned her head and found it was Noah Wu, she frowned gloomily.

"You don't sleep in the middle of the night. Do you want to scare me to death?"

After waking up, Zoey seemed to have forgotten what she was angry about.

Noah Wu twitched her nose and came over. "Well, it smells so good."

"Hey, why did you drink so much tonight?"

Zoey raised his eyebrows. "Why do you care about these? Why don't you accompany your beautiful woman?"

Noah Wu laughed and said, "You are a beauty!"

Zoey ignored him and held his cup to drink tea.

Noah Wu sighed and said with concern, "Don't drink so much wine in the future. It will hurt your body. Just now, I touched you and drove out most of the alcohol fumes. Otherwise, you will have to sleep for another day tomorrow."

Seeing that Zoey did not speak, Noah Wu said

to herself.

"Actually, I think we should be good friends who are as close to each other as family."

"The so-called friends can be used at critical moments. Those who can care and support us."

"And many years later, we may not have contacted each other, but we can always think of it in our hearts occasionally."

Noah Wu muttered to herself, and Zoey's eyebrows moved a little.

Perhaps, these words touched her heart.

Noah Wu continued, "Do you know why Lana Lin approached me at all costs?"

Zoey still didn't say anything, but Noah Wu gave her the answer.

"She's from the Red Coat Shop."

"In order to find the whereabouts of the mental cultivation methods of the Noah family, the Red-robed Cult established a Lord Ashkeep Cloud Society in York Valley. Rather than saying that Lord Ashkeep was the boss of the Lord Ashkeep Cloud Society, it was better to say that all this was just for Lana Lin to build a bridge."

Zoey looked up at him. "Since you already know, why did you let her get close to you?"

Noah Wu raised her eyebrows and approached Zoey. "You don't need me to explain this question, do you? For her, it's not a tiger's den. How can she get Huzi? For me, if I don't let her get close to me, how can I know her real intention?"

"Where is she now?"

"He's gone!"

Noah Wu said, "I've finally found out what exactly happened to Mother Chen's death."

"But they also saved Emilia Charlotte, so I won't pursue it."

Seeing Zoey drinking tea in the cup, Noah Wu grabbed it and took a sip. "What tea? It smells so good."

"Is this Tie Guanyin?"

Zoey was anxious. "I've drunk it."

This guy said shamelessly, "I'll drink it only after you've drunk it. If you haven't drunk it, how about I don't drink it?"

How could Zoey stand such a shameless guy? She rolled her eyes at him and pushed the cup

to him. "Drink all of it if you like it!"

Noah Wu took the cup and smiled, "I have kissed the place where the president kissed."

"....."

Zoey had been shamelessly defeated by him. For some reason, he was teased by Noah Wu a few words, and his original depression was swept away.

Noah Wu put down the cup and said seriously, "Don't drink too much in the future. If there is anything unhappy, you can tell me or Zena that we will care about you like our relatives and help you."

Zoey bit her lip and said, "Am I unhappy? Someone sent me flowers every day and invited me to dinner. It's not too late for me to be happy."

Noah Wu smiled and patted on Zoey's shoulder a few times. "All right, don't pretend. I know you don't like this."

"It's late at night. Don't catch a cold. Go back to your room!"

Seeing that Noah Wu really cared about him, Zoey did not insist and went downstairs obediently.

Noah Wu followed behind her and looked at Zoey's sexy figure, revealing a trace of a smile.

After returning to the room, Zoey still couldn't fall asleep, but the room was more comfortable than the outside. She could lie on the bed and read a book.

At this moment, her mind was full of Noah Wu's words.

"Actually, I think we should be good friends who are as close to each other as family."

"The so-called friends can be used at critical moments. Those who can care and support us."

"And many years later, we may not have contacted each other, but we can always think of it in our hearts occasionally."

Friends!

Zoey pursed her lips with a bitter smile on her face.

The next morning, everyone gathered at the company.

In the morning, when they were having a meeting, Isabella Charlotte broke the rule and called Noah Wu over to join the important meeting of the company's top management.

Noah Wu refused to agree at the beginning, but Isabella Charlotte said that he was now one of the shareholders of the company. If he didn't go, he would definitely be suspected. So no matter what, he had to deal with it.

Unexpectedly, after the meeting, Isabella Charlotte announced in public that Noah Wu was one of the top three shareholders of the Emma Corporation, and the share ratio was only second to Isabella Charlotte.

This news caused a lot of people in the company to be shocked.

Quincy Chen and his daughter, in particular, did not understand this. They even made a serious protest at the meeting.

Emma Charlotte won the public opinion and made the final decision with her hammer.

Later, Isabella Charlotte officially announced that she would officially purchase the two clothing companies, Tianhong and Hong Tai.

The acquisition of this item marked that Emma Corporation took the first place in the clothing industry, and it took another step forward.

## Chapter 306

After successfully buying two clothing companies, the scale of Emma Corporation expanded again.

The Emma Corporation, which originally had a market value of only more than 40 billion yuan, was expected to reach more than 60 billion yuan at the end of the year.

If this goal was achieved, it would be possible to completely surpass the Wyatt family's Group and become the top leader of the clothing industry.

Moreover, in this purchase, Isabella Charlotte showed her sharpness and wealth, so she took it directly.

He didn't give the two companies any room to think about it.

After the acquisition, he did not stop to rectify.

Isabella Charlotte's purpose and purpose were very obvious. She acted boldly and did everything according to her will.

After the two companies were acquired, they took advantage of the market share to quickly

expand the reputation of the Emma Corporation.

In this way, domestic and foreign countries were promoted almost at the same time.

Obviously, the Thousand Emma Corporation's fierce action made the company feel uneasy at the same time.

In order to celebrate the success of this acquisition, Emma Charlotte decided to hold a big banquet to thank all the staff of the company for their cooperation.

For this reason, she invited a lot of celebrities in the society, including York Valley.

Hearing that they were going to hold a big banquet, Noah Wu was in a headache.

To be honest, he didn't want to take part in this kind of social engagement.

But he had to go today because he was now one of the important shareholders of the company.

Sherry Bell had gone back to the sky and was bored. Emilia Charlotte, who was about to go to college, was jumping up and down.

"Brother-in-law, what are you doing?"

Emilia Charlotte saw Noah Wu smoking in the lawn behind her, and the little girl came close to her intimately.

"I'm about to start school. You can send me there!"

Noah Wu looked at her strangely and said, "Why do you still want to see me off when I'm so close to you? I'll give you a ride."

"What if someone wants to kidnap me again?"

The little girl pouted and said, "I'm so beautiful. I'm so beautiful that I can sink fish and swallow geese. I'm afraid, aren't I?"

"Puff—"

Noah Wu was going to puke. "You little girl, are you still a national beauty and a beauty? Are you going to sink into the fish and fall into the geese?"

Seeing that he despised her, Emilia Charlotte said angrily, "Hey, why do you look down on me? It's only good for my sister."

"Of course, it's because your sister has big boobs."

Emilia Charlotte stared at her with a pair of surprised eyes. "I'll tell my sister to go!"

Isabella Charlotte's siege was indeed not small, and she was very good at it. However, she was used to being conservative and not showing off.

Noah Wu had already known this.

Of course, Emma Charlotte was the biggest one. Even Victoria Hong's hot figure was not as good as hers.

"Come back!"

Noah Wu roared, and Emilia Charlotte sat down beside him obediently.

She stared at him with curious eyes and asked, "Brother-in-law, did you agree?"

Not only did he go to school, but he was also in York Valley University. Why did he have to send her to school on his own?

Besides, there was a little enchantress. Who dared to provoke her?

Noah Wu looked at the little girl and said, "Don't call me brother-in-law in the future. Do you hear me?"

"I don't mind. What do you mind?"

Emilia Charlotte said disdainfully.

"I can't wait to see what will happen. What are

you pretending to be?"

Seeing Noah Wu lit a cigarette, a trace of worry flashed in his eyes, as if there were endless worries.

She just stared at him curiously.

"This guy usually has a glib tongue and a glib face. What's wrong with him today?"

She shrugged at Noah Wu and said, "Hey, what are you thinking about?"

Qin Dao turned to look at her and teased her. "Do you really want me to be with your sister?"

Emilia Charlotte nodded vigorously. "Okay!"

Perhaps seeing Noah Wu's surprised look, she asked again, "Is there anything wrong?"

"My mother gave you all the shares of the company. She obviously meant the same thing. You won't tell me that you don't like my sister, do you? She is the most beautiful woman in York Valley."

Seeing that Emilia Charlotte was so funny, Noah Wu felt that it was more and more interesting. "But do you know that your sister is usually serious and unkind?"

Emilia Charlotte nodded. "It's okay. She used to be more cold. People all said that she was like

a cold person. She's too cold."

"That's true!"

The little girl's eyes fell on the little girl's bulging chest. "Do you think we're more congenial? Do you want me to have a check and see if you've grown up?"

"Ding—"

No matter how naughty Emilia Charlotte was at ordinary times, how could she be poor with an experienced driver like Noah Wu?

"Is this guy going to check whether I've grown up or not?"

The little girl was so angry that she waved her fists and ran away with a red face.

After all, she was already an eighteen-year-old girl. How could she let you see her?

So many classmates in the class had already fallen in love with each other a long time ago?

Do you really think she doesn't know anything?

"How could he be tricked so easily?"

Seeing Emilia Charlotte running away, Noah Wu laughed out loud.

"I'll tell my sister!"

Emilia Charlotte ran away in one breath, as if

she was afraid that the guy would really catch up with her to see her body.

"In terms of shamelessness, I'm afraid there is no one else in this world."

The little girl took out her mobile phone and said, "Sister Victoria Hong, I met a wolf!"

Victoria Hong was preparing for the banquet tonight when Emilia Charlotte, who had just called her, came in.

"Sister Victoria Hong, which table is Noah Wu sitting today?"

Victoria Hong pouted and said, "He is now the third major shareholder of the company. He must be on the same side as the chairman."

Emilia Charlotte walked over and saw Noah Wu's name on the table.

She secretly remembered that and called Zhao Charlotte again. "Do you still have the cough water last time? Get me two bottles."

Zhao Charlotte was surprised and said, "Why do you want to do that? If Master knows, he will scold me to death."

"Don't waste time. Hurry up. I'll wait for you at the Grand Imperial Hotel."

The grand banquet of the Emma Corporation tonight was held on the second floor of the Grand Imperial Hotel.

By then, many employees of the company, including the leaders of York Valley and other departments, as well as many celebrities of the society, were all invited.

Emma Charlotte had prepared more than a hundred tables for this banquet.

In the whole York Valley, it was estimated that there were only a few people who could hold such a big banquet.

"Emilia Charlotte, this little girl, actually asked Zhao Charlotte to get two bottles of coughing water. Who knows what she is going to do?"

Soon, Emma Charlotte came to the scene personally.

Emma Charlotte, who was wearing a black dress tonight, looked generous and decent.

An exquisite necklace was attached to the chest of the low collar.

This necklace was made purely by the world-famous jewelry family.

Not only was it of great value, but it was also of great significance.

This was the top genius designer of the S family at that time. When he accidentally saw Emma Charlotte at a global jewelry exhibition, he was shocked, so he designed himself and gave the necklace with an international gold medal to Emma Charlotte.

The other party sighed with emotion. After traveling around the world for so long, he had been to so many countries. He always thought that there was no woman in the world suitable for the necklace designed by himself. But today he found that Emma Charlotte was the best choice.

Only she was in line with his aesthetic line of view.

So he felt that this necklace must belong to her.

At that time, Emma Charlotte wanted to pay for it, but the other party refused to accept it.

He said that the money was an insult to the necklace and him.

After Emma Charlotte refused, he actually wanted to jump off the building with a necklace.

Because Emma Charlotte had ruined his

dream.

Emma Charlotte had no choice but to accept the necklace.

Moreover, when the genius designer of the S family left Donghai, someone immediately paid 120,000 yuan to buy Emma Charlotte's project, but Emma Charlotte did not agree.

In the blink of an eye, more than ten years had passed. Emma Charlotte rarely wore it in public.

She didn't expect that she would wear it again today.

Emma Charlotte, who was originally gorgeous and glamorous, looked more sexy and charming with the help of this necklace. She was full of the charm of a mature woman. The young and handsome waiters in the hotel were also stunned.

## Chapter 307

If she was sexy and charming, Emma Charlotte could fully display it by herself.

What's more, in York Valley, there was no one else who could be better than him.

What's more, her unnatural appearance made men covet her and women jealous.

Emma Charlotte came to see the scene and was very satisfied to find that Victoria Hong's arrangement was almost impeccable.

Seeing Emilia Charlotte was here, Emma Charlotte asked curiously, "Why didn't you come with me?"

Emilia Charlotte didn't answer directly. Instead, she smiled happily and said, "Mom, you're young again."

"If it goes on like this, I'll be your sister!"

"What a poor mouth!"

Upon hearing this, Emma Charlotte's expression changed. Last time when she heard her Young Miss say so, her little daughter also learned this move today.

Emilia Charlotte giggled. She found that her mother was getting younger and younger.

Moreover, his figure was in defiance of the natural order.

Not to mention this kind of young girl, even Victoria Hong was directly defeated by her.

No wonder those men were all staring at her. Even their daughter couldn't wait to pinch her.

Victoria Hong smiled and said, "Chairman, you're getting younger and younger. We're getting older when we're together."

Emma Charlotte frowned and said, "Boss Liu, why are you so talkative? Are you also learning from Noah Wu?"

Seeing that the chairman also mentioned Noah Wu to her, Victoria Hong was very embarrassed.

She even had Noah Wu's label on her body.

"But Noah Wu and I really have nothing to do with each other?"

Victoria Hong even doubted whether this guy really liked her or did he want to play with her.

Seeing that the arrangement of the scene was almost done, Emma Charlotte was about to

enter the lounge.

Celine Gray came slowly.

The Young Miss of the Gray family, the head of the Grand Imperial Hotel, dressed in white, appeared in front of everyone with the same stunning beauty.

Celine Gray was a fairy-like woman. When she saw her coming slowly, she smiled sweetly. In the hall of the hotel, there was one more eye-catching scenery.

She came here from the Oriental Pavilion Restarant on purpose and arranged everything in person to satisfy Emma Charlotte.

The banquet officially began at 7:30 am. In order to let the company's staff who attended the banquet arrive in time, the Emma Corporation deliberately got off work an hour and a half ahead of schedule today.

Isabella Charlotte changed her clothes. She would go to Grand Imperial Hotel with Zoey, Zena and others.

In order to completely promote the brand of Emma Corporation, Emma Charlotte asked all the staff to wear the clothes tailored by the company.

There were hundreds of people attending the company's meeting today.

When everyone was wearing clothes with the sign of Emma Corporation, the scene was absolutely spectacular.

Moreover, all the ushers today were composed of young female employees selected by the Emma Corporation.

The average age was no more than 22 years old.

Since the occasion tonight was quite special, Isabella Charlotte asked Noah Wu to wear a suit, a tie, and a tie.

Noah Wu felt that it was too bound. Wouldn't it be better to wear casual clothes?

As a handsome guy like me, even if he didn't wear anything, he was still very handsome.

With Isabella Charlotte's insistence, Noah Wu had no choice but to change into a suit and put on a tie.

However, this guy was quite handsome in a suit. After all, he was 1.8 meters tall, and his facial features were not bad. Even his mouth was a little oily.

So when he came out, the three women looked

at him together.

Noah Wu was depressed. "What's wrong? What's wrong with me?"

Zoey did not speak, while Isabella Charlotte just smiled.

However, Zena was very exaggerated. "Noah Wu, you are so handsome!"

"Come on! Let's have a hug!"

This guy took the opportunity to open his hands and hold Zena in his arms.

Lin Mengya pressed harder and harder, deliberately squeezing her chest into a flat.

Isabella Charlotte and Zoey saw it and rolled their eyes.

Noah Wu smiled and said, "Can you be as enthusiastic as Zena?"

"Bah!"

Isabella Charlotte wouldn't expose her strength in the chest.

Zoey urged, "Let's go, let's go. If everyone is here, it will be interesting for us to be late!"

The four of them got into the car together. It was only seven o'clock when they arrived at the Grand Imperial Hotel.

Seeing that there was an orderly waiting team of the Emma Corporation outside the hotel, Isabella Charlotte waved to them.

The beautiful girls of the Emma Corporation in two rows bowed in unison. "Hello, president!"

The four of them came in together, feeling as if they were walking on a red carpet in the spring movie festival.

However, Noah Wu took the opportunity to move back. Zoey shouted, "What are you doing? Are you in a hurry?"

This guy laughed and said, "I don't want to be a closed object."

It would be strange if he could get out of the mirror with the three beautiful women without being disguised.

Isabella Charlotte glanced at him and went straight in.

Seeing the hotel lobby, many staff came in advance. Isabella Charlotte went to greet them.

Noah Wu found a place to smoke.

Soon, the Lord Five arrived.

Prince Teng also came with Remy and the

chairman and wife of Wyatt family's Group. Not long after, someone from the Jackson family came.

Surprisingly, Jenny Jackson and Benjamin Charlotte appeared together.

Recently, Jenny Jackson often went to Emma Charlotte's house to flatter and flatter her, which made Emma Charlotte puzzled.

Following which, Mayor Hanford and a few other leaders also arrived.

Some celebrities of some places, including York Valley, came to the scene one after another.

Emma Charlotte and Isabella Charlotte greeted them in person.

When it was almost 7:30 p.m., Emma Charlotte asked her daughter, "They are almost all here, aren't they?"

Victoria Hong, who was next to her, reported to her, "It's almost done."

"Then we're going to have dinner. Don't let everyone wait too long."

When Emma Charlotte and her daughter were about to turn around, a very loud voice sounded outside.

"It's so lively! I don't think I'll have a problem with it, do I?"

"Yo!"

Old Master Cheng!

Emma Charlotte rushed forward as soon as she heard the voice.

Old Master Cheng, who had white hair and a youthful face, came with his third son, Cheng Tieying.

"He's giving me a big face!"

How dare Emma Charlotte neglect him?

She had thought that Old Master Cheng would not come. After all, it was a great honor for her to have Celine Gray in person.

However, not only did Old Master Cheng personally support the show, but he also brought his third brother, Cheng Tie, to live here.

The Gray family was the most famous family in York Valley's family. Even Mayor Hanford had to stand up to welcome Old Master Cheng.

Seeing that everyone was so polite, Old Master Cheng waved his hand and said, "Sit down, sit

down!"

When everyone took their seats, Old Master Cheng glanced at the entire hall. "Eh?"

"Why didn't I see Noah Wu?"

While he was thinking, another voice came from outside.

"Emma Corporation is going to hold a banquet of thousands of people. How can such a scene be without me?"

This voice was very loud, and everyone looked over. Who was it? Who was it?

The Qiao Tianyuan, the eldest son of the Qiao family in Heaven Capital, came in with four bodyguards. He was dressed like a son of a rich family.

And the four bodyguards behind him, all of them were tall and strong. At first glance, it was obvious that they were the kind of good hands who were not weak.

Behind the bodyguards, there were more than a dozen people.

These people were a little strange. They lifted the boxes and presented gifts, all covered with red cloth.

After carrying the things in, they lined up in a

neat row and left respectfully.

"What is he doing?"

Everyone looked at the gifts that Qiao Tianyuan brought with him and was confused.

Qiao Tianyuan smiled and said, "President Chen, come and have a look. What do you think of the wedding gifts I have prepared?"

"Huh?"

What Qiao Tianyuan said made everyone stand up involuntarily.

## Chapter 308

Who is this guy?

How dare she be so arrogant as to present such a wedding gift in such a scene.

Some people were not convinced.

"Want to marry York Valley's most beautiful woman?"

There was no door.

However, before he could finish his thoughts, some people who knew Qiao Tianyuan immediately shouted.

"Young Master Qiao, that's Qiao Tianyuan from the Qiao family in Heaven Capital!"

After hearing the background of the other party, those who were dissatisfied with him just now immediately lost their temper.

He was from a rich and powerful family in Heaven Capital, and he was not on the same level as him.

Perhaps every man had the same feeling. The more beautiful a woman was, the more she didn't want to get married.

Even if she couldn't get it, she didn't want others to take advantage of her at all.

But who dared to refuse to accept Qiao Tianyuan's identity as a member of the Jiang Huaihao Sect?

When they heard that Qiao Tianyuan came to propose a marriage, no one stretched their necks. They were curious about what kind of betrothal gifts this boy had brought.

Emma Charlotte was stunned and couldn't help laughing.

"What's wrong with you today? Did you disturb Master Qiao? Sit down, sit down!"

As the host of today's banquet, of course, Emma Charlotte couldn't ignore him.

He immediately came over to say hello to Qiao Tianyuan.

Qiao Tianyuan waved his hand and said, "Don't worry, Chairman Chen. Today is such a big event. Since the Emma Corporation has invited thousands of people to a party, I will take this opportunity to embarrass you. As the saying goes, you can't choose the right time. Today is a good day. How about having a look at my wedding gifts first?"

"The people who are sitting here are all prominent figures in York Valley's family. Although our Qiao family is far away in Heaven Capital, it is somewhat decent. I guess that I, Qiao Tianyuan, have not insulted Chairman Chen for proposing to Miss Charlotte as a member of the Qiao family."

Isabella Charlotte was proud and haughty, and she didn't take those Jiang Huaihao's disciples seriously at ordinary times.

It was known that the people who had been chasing after her all these years were like passing by a river, but Isabella Charlotte did not like any of them.

Even Wyatt family Tianyu, the young chairman of Wyatt family's Group, had been snubbed.

This Young Master Qiao was really worthy of her.

Since Isabella Charlotte had such a high vision, she didn't know how to deal with it.

Some people who were dissatisfied with him just now were gloating at this moment.

If Emma Charlotte disagreed, she would definitely offend the Qiao family.

Since ancient times, there had been a lot of

tricks in people's minds, and all of them were old vixen.

Some people began to hold the mentality of watching the play, to see whether Emma Charlotte agreed or not?

At this moment, Isabella Charlotte had already taken her seat, and beside her was Celine Gray.

The two beautiful women, Jiang and Huai, gathered together, which added a lot of scenery to this evening's banquet.

She didn't expect that Qiao Tianyuan would suddenly appear.

In fact, she knew what Qiao Tianyuan was thinking last time, so she invited Noah Wu to socialize with her. But she didn't expect that Qiao Tianyuan mentioned it again today.

When she was about to stand up, Celine Gray quietly pulled her.

Don't go!

How do you explain it if you go there?

"I'd better let Emma Charlotte deal with it!"

She should be more experienced in dealing with this kind of thing.

Sure enough, Emma Charlotte smiled and said, "Young Master Qiao's words cost Emma Charlotte's life. It's rare for Young Master Qiao to think highly of my Isabella. That's her blessing. Come on, sit down and have dinner first."

Seeing Emma Charlotte welcoming him with a smile, Qiao Tianyuan was naturally in a good mood.

"Don't hurry, don't hurry. Let's take a look at the wedding gifts first. Otherwise, it will make people think that I'm not sincere enough."

"Someone! Open the box!"

The man behind her immediately tore open the red cloth covering the box and opened it.

"Whoa, whoa, whoa..."

Someone couldn't help shouting out loud.

At the moment when the Qiao family opened the box, it was like jewelry and treasure, shining in all directions.

500 grams of yellow gold bars lined up one whole layer.

The exquisite necklace of sapphire pendant was shining.

A crown studded with diamonds was even more dazzling.

There were more than a dozen natural precious balls, which were dazzling.

In another small red box, there was a pigeon egg-sized diamond ring.

All these things were displayed on the plates in the boxes.

At the bottom of the box, there were piles of new cash.

5 million in cash.

There was also a famous piece of calligraphy work next to it. It was said that it had a very strong background.

It was also written by the great ancestor in those days.

Who dared not to accept such a big gift?

Some people secretly estimated in their hearts that these wedding gifts were worth tens of millions or even close to 100 million yuan.

A wealthy family was a wealthy family, so it was generous to take action.

Such a big gift could be considered to be worthy of her, Isabella Charlotte.

In addition to the status of the Qiao family, Isabella Charlotte had no reason not to agree.

Moreover, Qiao Tianyuan was handsome, so he was definitely not worse than others when he stood there.

He was a rich, rich, and handsome son of a wealthy family in Heaven Capital. If Isabella Charlotte didn't marry him, these people would give their daughter to him.

In private, several lascivious girls in the hotel said that it would not be a loss to sleep with such a man even if she didn't pay for it.

Emma Charlotte looked at these wedding gifts and was embarrassed on the spot.

Qiao Tianyuan wanted her to show off. "Chairman Chen, are you satisfied with these wedding gifts? If Miss Charlotte doesn't like them, I'll change them."

Emma Charlotte didn't know what to say.

"So many people in the hotel are looking at me. The Qiao family has such a background and status. What should I do?"

However, Qiao Tianyuan was very confident. "Aren't you here, Mr. Cheng? Let's invite Mr. Cheng to host this good thing for us. How

about it?"

Elder Cheng burst out laughing. "Interesting, interesting. I didn't expect Young Master Qiao to look up to me. You're right. Not only am I here today, but also Mayor Hanford is here."

"I see that Miss Charlotte is in her prime, and she is also the most beautiful woman in our York Valley. Young Master Qiao has a good eye. The two of them are a perfect match, a perfect match. Mayor Hanford, what do you think?"

Of course, Mayor Hanford would not let it go. On the one hand, it was the Qiao family, and on the other hand, it was Mr. Cheng. He immediately said, "Good, good! Today is a good day. I think it's good."

After hearing Old Master Cheng's words, everyone started to jeer at him.

"Good! Good!"

Celine Gray looked at Isabella Charlotte, as if to say, "What do you mean?"

"Should I say yes or not?"

Emma Charlotte really had no idea at the moment. She had always thought that her daughter should be in charge of her daughter's

marriage.

Moreover, it was too abrupt for Qiao Tianyuan to come without an invitation and didn't inform her in advance.

She glanced at her daughter, and Isabella Charlotte stood up awkwardly. "I'm sorry. Excuse me."

Eh?

When everyone saw Isabella Charlotte going out in a hurry, they were puzzled. What did she mean?

Someone who thought he had figured out what was going on in Isabella Charlotte's mind explained, "Young Master Qiao, you're too sudden. I don't think she's prepared. Just give her a few minutes to think about it."

Qiao Tianyuan waved his hand happily and said, "It's okay, it's okay. I'm willing to wait. Thank you all."

Then he said generously, "Chairman Chen, I'll pay for all the expenses tonight."

Emma Charlotte was about to refuse when Qiao Tianyuan said aggressively, "Hey, don't refuse. If Miss Charlotte agrees, I will be your junior, your son-in-law in the future! So don't be

so polite to me."

What about Emma Charlotte's embarrassment?

She wiped her sweat and said, "Well... Young Master Qiao, I think you have to ask me to discuss this with Isabella. After all, marriage is not like a child's play. I don't want to make mistakes in my old feudal thinking. I promise you everything."

Qiao Tianyuan laughed and said, "Chairman Chen, it's not right to say that. Our Qiao family is very sincere. We also invite Mr. Cheng and Mayor Hanford to be the assistant matchmaker in person. Do you still need to consider this?"

"Does Chairman Chen look down on our Qiao family? Or do you think that I, Qiao Tianyuan, am too ugly to be worthy of President Lu, who is like a fairy?"

This guy knew that he was a little handsome, so he deliberately played a small game.

Emma Charlotte was really embarrassed.

Quincy Chen, who was next to her, quickly flattered her. "That's right, that's right. With the Qiao family's status, Young Master Qiao can

take a fancy to Isabella. We can be considered to be on the same level. Sister, today's gathering time, location, and people are in perfect harmony. There's no need for you to hesitate. Let's say yes!"

Emma Charlotte looked at Quincy Chen speechlessly and said gloomily, "Brother, since you like Master Qiao so much, why don't you marry Jin Mei first?"

Qiao Tianyuan glanced at Chen Jinmei, who was next to him. "I'll go!"

He was so scared that he trembled and sat down on the ground.

## Chapter 309

The expression on Qiao Tianyuan's face made Chen Jinmei suffer 10,000 points of injury on the spot.

If you don't like it, then you don't like it, do you?

"Why are you so bare-handed?"

The hall was bustling with noise, and Noah Wu was still smoking in a quiet place.

The phone suddenly rang, and when she was about to answer the phone, Isabella Charlotte ran over gloomily.

Seeing that Isabella Charlotte's face was not good, Noah Wu asked, "What's wrong with you?"

"Everyone is here. Why are you hiding here alone?"

For some reason, Isabella Charlotte seemed to be very angry.

Noah Wu became more and more strange. "It's too noisy with so many people inside. I don't want to join in the fun."

Isabella Charlotte didn't talk too much with

him. "Qiao Tian Yuan is here to make trouble. You go and deal with it!"

"What? How dare you make trouble here?"

Noah Wu lit a cigarette and was about to go in and kill him. Isabella Charlotte shouted, "Don't go too far. It's best if you don't offend him, and don't make everyone ugly."

Noah Wu slowed down and looked back at Isabella Charlotte.

"You're not allowed to do it? I can't do such a difficult thing."

"What the hell is going on? You can make it clear so that I won't mess things up."

The Qiao family was a famous wealthy and powerful family in Heaven Capital. Isabella Charlotte didn't want to go too far, so it was forgivable.

Otherwise, a small group with tens of billions of yuan would not be enough to be abused by others.

After all, you are just a businessman, and the Qiao family has a high status and power.

Even Mayor Hanford and Mr. Cheng showed him some respect, which was also the reason why Isabella Charlotte was afraid of him.

So she told her about the wedding gifts from Qiao Tianyuan.

Noah Wu was angry and thought, "I'll go!"

This boy was so bold that he didn't realize that President Lu was his ultimate goal.

It took me so much time to besiege her and help her. It took me a lot of effort to clean up the beautiful woman around her. Why don't you pick her up?

"Let's see if I can cripple you!"

When he was about to be impulsive, he rolled his eyes.

"That's not right. He just glanced at Isabella Charlotte."

"Hey, isn't it a good thing that Qiao Tianyuan sent me a wedding gift? Why do you ask me to come forward?"

Isabella Charlotte stamped her feet and said, "I'll ask you to go. Why are you so talkative?"

"Hey, president, don't lie to me. Although I haven't studied, I know the truth."

"The Qiao family is a big rich and powerful family in Heaven Capital. His Qiao Tianyuan is also very handsome. I don't know how many

people want to curry favor with him. Gao Pan, why did you refuse?"

He looked at Isabella Charlotte suspiciously. "Do you have someone in your heart?"

This problem must be figured out. If she had someone in her heart, she could not stay in the Emma Corporation for nothing.

"We don't have to do the work that is hard and hard-working to not please him."

"You're a big-headed ghost!"

Isabella Charlotte was so angry that she glared at him.

Noah Wu was indeed despicable. "Since you don't have it, why don't you agree?"

Then he went over to her and said, "How about this? I'll help you to deal with it. Do you have any reward after dealing with this thing?"

Seeing Isabella Charlotte's murderous eyes staring at him, he was still not afraid of death. He smirked and said, "I don't want much. Just kiss me!"

"Go to hell!"

President Lu finally couldn't control his anger and was about to rush over to tear this guy

apart.

This guy had already slipped away like a loach, laughing and running to the door of the hall.

In the luxurious hall of the Grand Imperial Hotel, there was a large banquet with hundreds of tables and tables, which was crowded with people.

Originally, the atmosphere was good enough today, but now there was another betrothal gift from Qiao Tianyuan to propose a marriage in front of so many people.

What's more, there were people like Elder Cheng and Mayor Hanford protecting their matchmaker.

In many people's eyes, he and Isabella Charlotte were indeed a perfect match.

No matter in appearance or background, there was almost nothing to be picky about.

So at this time, Qiao Tianyuan was very excited, and soon he took the initiative.

It seemed that this move was so clever that Emma Charlotte didn't know how to deal with it.

What was even more unexpected to him was that Old Master Cheng had promised to be the

matchmaker because he had given him so much face.

Not to mention him, even Celine Gray was quite surprised.

The old master never liked to care about these things. What's wrong with today?

At this moment, Noah Wu came in.

"Hey, what are you doing?"

The guy kicked a few boxes in the middle of the hall and deliberately shouted exaggeratedly.

The bodyguard next to him said seriously, "Don't mess around. This is Master Qiao's wedding gift for Miss Charlotte."

"Wedding gifts?"

Noah Wu was unhappy and walked over with her hands clasped behind her back. "Qiao Tianhao, what do you mean?"

Qiao Tianyuan was really afraid of this guy. Last time, he saw with his own eyes that Noah Wu had seriously injured Yezi.

However, he didn't come here to fight with others.

Besides, he came here to propose a marriage

fair and square. What's the matter with him? Not to mention that there were still Elder Cheng and Mayor Hanford supporting him.

Qiao Tianyuan said warily, "Qin Haodong, don't mess around. Today's matter has nothing to do with you."

"I like Miss Charlotte. It's perfectly natural for me to propose marriage to her."

When Noah Wu saw the nervous look on Qiao Tianyuan's face, she smiled playfully.

"You said you like our President Lu?"

"What's wrong? Is there anything wrong with her? A lady, a gentleman is so mean. Besides, she is unmarried and I am unmarried. It's a perfect match for our family."

Noah Wu smiled and said, "That's true, but Boss Lu is the person he loves. Don't you know that?"

"Huh?"

"Huh?"

"Huh?"

Noah Wu's words shocked everyone.

"The most beautiful woman in York Valley's world is now a person who has a crush on

her?"

Who was it?

He stepped forward and took two steps.

Qiao Tianyuan was not convinced.

"Impossible!"

She had inquired about it and found out that Isabella Charlotte did not have a boyfriend at all.

"This kid is lying."

However, Noah Wu just said that she was a person who admired her. What did she mean by "take on a pleased person"?

The beauty Lu already had someone she liked in her heart.

Who was the lucky one?

Everyone stretched their necks one by one, including the staff of the Emma Corporation.

They all looked over curiously and pricked their ears to listen carefully for fear of missing something.

Only a few people, such as Zoey, Victoria Hong, Celine Gray and others, saw this guy coming out and understood a little.

His words were not credible.

Did he tell the truth since he knew him?  
But Qiao Tianyuan was not happy. "I don't believe it. Ask him to come out and have a try."  
"Is Isabella Charlotte interested in someone?"

You think I'm an idiot?

Noah Wu patted him on the shoulder and said, "Little Qiao, it's not that I'm hitting you, but it's not that he doesn't want to come out, but he's afraid that he'll come out and scare you."

"What the f\*ck!"

What kind of person could scare others when he came out?

Monster?

Qiao Tianyuan didn't believe it.

"Hey, I'm kind enough to help you, but you still don't believe me? If this matter is spread out, you will lose face, Master Qiao."

Noah Wu showed him a good intention.

Qiao Tianyuan said angrily, "Don't fool me. Do you think I'm stupid? There's no evidence. You said that she has a lover, but she has a lover?"

"Chairman Chen, why don't you put on an act? Are you willing to do it?"

Noah Wu said, "Our chairman has already

made his stand clear. Can't you see it?"

"She didn't make it clear that she was giving you a face. I'm afraid that you won't be able to get off the stage."

"Then who is this person you're talking about? How come I don't know anything about him at all?" said Qiao Tianyuan, his face a little flustered.

Noah Wu looked surprised and said, "Can't you see it clearly? Of course, it's me!"

"Pfft!"

Hearing Noah Wu's answer, many people made this voice almost at the same time.

"This guy is so shameless!"

Sure enough, Qiao Tianyuan was angry. "You tricked me!"

PS: Today is two o'clock! Wish us a happy New Year in advance!

## Chapter 310

"Let's play with you?"

Noah Wu laughed and said, "You are not a monkey. Why should I play with you?"

"....."

Qiao Tianyuan was speechless. In terms of verbal fight, he was no match for Noah Wu.

"Well, I won't slap you in the mouth."

"Do you really want to do it?"

But he was no match for Noah Wu!

Seeing that Qiao Tianyuan was so upset, Noah Wu patted him on the shoulder and said, "Little Comrade Qiao, I'm not talking about you. Our President Lu is so beautiful that everyone loves her. Of course, it's right for you to like her. But you are too stingy! Obviously, your sincerity is not enough to bring such little betrothal gifts."

What?

He came with a dowry of nearly 100 million yuan, but he still said that it was not enough?

Then how much would it cost to marry a wife?

Noah Wu knew that he was not convinced, so she pouted at the necklace on Emma Charlotte's neck and said, "Look! The necklace is made by the S family of the world's top jewelry families. The original price is only a few hundred million yuan. I'm afraid that you can't even afford a necklace if you add up all these things, right?"

The expression on Qiao Tianyuan's face twitched. He was already sincere enough, but Noah Wu's words made him feel a little disappointed.

Emma Charlotte wanted to say something, but when she heard the origin of Noah Wu's necklace on her neck, she couldn't help but be surprised.

"This happened more than a decade ago. How did he know?"

What's more, he seldom wore this necklace.

Just as she was puzzled, Noah Wu said earnestly, "Let's not talk about the wedding gifts. Let's talk about the conditions of our chairman's selection of a son-in-law. You are not qualified for it at all, are you?"

What?

Some people were not convinced again.  
What exactly was Emma Charlotte's request?

"I can't believe that even Qiao Tianyuan is not qualified to do that!"

Not convinced, Qiao Tianyuan said, "Tell me, if I'm not qualified enough, I'll slap myself twice and never come back to disgrace myself again."

Noah Wu waved her hand and said, "That's not necessary. It's too much. Our chairman is such a kind person. How can he bear to see you hit yourself? Well, I'll tell you a few things. If you can do it, you're awesome."

"Go ahead!"

Qiao Tianyuan was full of anger.

"With my family background, I'm not qualified to be a match for him?"

"Today, I have to ask Noah Wu to tell me that he is ugly."

Of course, Noah Wu knew that he was not convinced, so she had to convince him. His task was to convince Qiao Tian Yuan to give up the idea of pursuing Isabella Charlotte.

Just then, Isabella Charlotte came in gently and sat back in her seat.

Noah Wu, on the other hand, spoke seriously to Qiao Tianyuan, "Listen up, there are a few requirements for our chairman to choose a son-in-law. First of all, no matter what the other party's family background, background, ability, first, you must have a heart-to-heart, take good care of the three members of our chairman's family, and have the heart to become a burden."

"Huh?"

Join the burden?

Qiao Tianyuan was dumbfounded.

As the eldest son-in-law of the Qiao family, how could he be the son-in-law of the family?

If it was spread out, wouldn't it be a joke?

He would not agree to the marriage even if he were to be killed.

However, some people really agreed with it. Emma Charlotte had no son, so it was not wrong for her to marry her son-in-law to the Chens.

However, not to mention Qiao Tianyuan, even the well-known York Valley's disciples present would probably not agree to this kind of thing.

So Noah Wu smiled and said, "You can't do it,

can you? But I can do it!"

Seeing this guy so proud, Qiao Tianyuan was depressed.

"Secondly, it's not enough to just have the heart to be a burden. There are too many people in the world who want to be a son-in-law without working. Not everyone who wants to be a burden has this qualification. You also have to be good at both literary and martial arts, and have extraordinary skills. You are equal to me... Haha."

The people in the hall of the hotel burst into laughter. This guy was really good at boasting.

"Is he really praising me like this?"

But Noah Wu was right. He was good at writing and martial arts. What could you do to him?

Victoria Hong, Zoey, Celine Gray and others curled their lips. "Shame on you!"

If they were acting, they would really crack this guy's mouth.

"Don't advertise yourself!"

At this moment, Old Master Cheng smiled without saying anything.

"A rare commodity is worth living in!"

Talents.

He was good at literature, martial arts, and brag.

Not to mention anything else, he, Qiao Tianyuan, was not qualified for these two points alone.

"The third point is very important, that is, willing to give and pay."

Noah Wu said seriously, "Some people are indeed very capable, and he is also willing to marry someone else as his son-in-law, but he is not willing to give. He only asks for a reward."

"It doesn't matter whether he is willing to give it or not, whether he is willing to give it or not. It doesn't matter how much he has, but whether he is willing to give it all out."

"Take you, Qiao Tianyuan, for example. The value of your family is at least hundreds of billions, right? Can you give these hundreds of billions of assets, including your life, to the people you love without reservation?"

"....."

There was a flush on Qiao Tianyuan's face, and he was about to get an internal injury.

Sun!

Was it necessary to spend so much money to marry a wife? What the hell?

Big families married their wives in order to get family interests and long-term plans. Who would fight for their lives like you poor boys?

Seeing the smug look on this guy's face, Qiao Tianyuan's face was burning.

He couldn't do anything about what Noah Wu said at three o'clock.

But when he saw Noah Wu, who was like a bear, he was angry and said, "Then can you?"

"Yes, I can!"

Noah Wu almost didn't think about it and agreed. "Why not?"

"As long as our chairman orders me to go up to the Greensword Mountain and down to the sea of fire, I will never frown even if it means to kill me."

This guy patted Qiao Tianyuan's shoulder and said, "Didn't you say that if a man dies under a flower, he will be like a ghost. If he dies under our Boss Lu's flower, why would I be unhappy? So if you are afraid, you don't have to join the fun! If we may have to fight again and meet for

life or death, it will make us feel embarrassed!"  
"... Qiao Tianyuan was stunned by what he said, so he didn't say a word.

Noah Wu held the cup and said, "Sorry, at first, our chairman didn't want to reveal this matter so early. Unfortunately, I said cheap words and exposed the good news of me and the president. Since everyone knows it, it's better to take this opportunity to have a drink and give a blessing. I wish that I can be on good terms with the president as soon as possible and have a happy relationship with you. Thank you all!"

"I've seen shameless people, but I've never seen such a shameless person."

Emma Charlotte smiled so awkwardly!

Isabella Charlotte also frowned. It was she who asked him to come out to block the car, but Noah Wu's words were not wrong!

Celine Gray didn't know whether to laugh or cry, but she knew Noah Wu's words, so she didn't believe a word he said.

As the plot turned, everyone sighed with emotion. Some of them believed it, and others did not believe it.

But it didn't matter whether he believed it or not.

It was a pity that Qiao Tianyuan had been so soft on her that he had to say that he was in pain.

What a shame!

The dignified Young Master of the Qiao family of Heaven Capital came out to propose a marriage, but was kicked back by him.

If these words were to be heard by others, wouldn't they be laughed at to death?

However, at this moment, Emilia Charlotte clapped her hands and shouted, "Brother-in-law is great!"

This calling "brother-in-law" made Qiao Tianyuan feel conflicted.

"The little girl has already called me brother-in-law. Is there any possibility that I'm telling the truth?"

Sure enough, most of the people present believed it.

Gritting his teeth, Qiao Tianyuan set his eyes on the seventeen-year-old girl, Emilia Charlotte, and made up his mind.

"Since President Lu has been engaged, I want to marry Second Miss."

"If the wedding gifts are not enough, I'll add more later!"

"Huh?"

What Qiao Tianyuan said caused an uproar in the hall of the hotel.

This guy was really amazing. He couldn't catch up with Young Miss, and Second Miss wouldn't let him go either.

"What the f\*ck!"

## Chapter 311

It was true that Qiao Tianyuan was willing to go all out.

Isabella Charlotte had made a promise. It was impossible for Emilia Charlotte to be someone else, right?

"You said that Emma Charlotte wants to recruit a son-in-law, and I admit that."

Did Emilia Charlotte's boyfriend also want to recruit a son-in-law?

Upon hearing this sentence, Emma Charlotte immediately understood.

Today, Qiao Tianyuan decided to fight to the end. He had to take away one of his two daughters.

Noah Wu also understood that the real intention of Qiao Tianyuan might not be to propose to Isabella Charlotte, but more likely to be another purpose.

If he really came here to present the betrothal gifts, how could he target at Emilia Charlotte?

Emilia Charlotte is only 17 years old?

Elder Cheng frowned and stared at Qiao Tianyuan.

Emma Charlotte stammered, "Young... Young Master Qiao, what are you..."

"Yating is still a child?"

Qiao Tianyuan said, "I know, but I can wait. Second Miss is already 18 years old. At most, I'll wait for another five years."

Eh?

Emma Charlotte was so embarrassed!

It was obvious that Qiao Tianyuan was trying to save his face, so he insisted on pestering her.

Noah Wu frowned and thought, "Is this guy itching?"

When she was about to take action, Isabella Charlotte's reminder came from the other side.

Ahem, ahem—

Noah Wu had no choice but to touch her hair with her hand.

Just as the atmosphere in the hall became subtle and everyone was embarrassed, the little girl, Emilia Charlotte, came over.

She held a glass of wine and said, "Qiao

Tianyuan, as long as you dare to drink this glass of wine, I promise you!"

"What the hell?"

"Won't he agree with me after drinking a glass of wine?"

Noah Wu was about to stop him, but Emilia Charlotte was not afraid at all. "It's okay, brother-in-law. I'll take responsibility for what I've done. I'm just afraid that he, Qiao Tianyuan, doesn't have the guts to do that!"

The little girl called him brother-in-law, as if she was telling the truth.

A lot of people really believed it.

Qiao Tianyuan really didn't believe in this evil. "Drink it. Who's afraid of you?"

In a fit of anger, he took over the large wine cup and drank up all the wine in one breath.

On the other side, Zhao Charlotte covered her eyes.

It's none of my business!

Huh?

Why was there something wrong with the taste?

Qiao Tianyuan licked his lips and turned the

cup over. "What else do you want to say?"  
Emilia Charlotte said, "If you have the ability,  
stay here for ten minutes!"

"If you can stay, I will marry you in five years. If  
you can't stay, take your things and get out of  
here!"

"Humph!"

Ten minutes, ten hours I also...

Uh!

Why did he feel that something was wrong?

There was a strange smell in his stomach.

"But it doesn't matter. I'll be able to handle it in  
ten minutes," thought Zheng Xiaoguang.

"How dare she poison me?"

Emma Charlotte was a little anxious. Who  
knew what this wicked girl was up to?

"You're so arrogant at such a young age. What  
if you break it and see how you'll end it?"

Five minutes!

Qiao Tianyuan had already felt that something  
was wrong.

D\*mn it.

"What kind of playfulness is that?"

When he realized that there was something wrong, it was already too late.

There was no need for him to lower his head. The people below had already raised their heads.

"What the f\*ck!"

The more Qiao Tianyuan felt the heat from his body.

He was going to die.

"He's so vicious!"

What kind of rich young master like him had not played in Heaven Capital before?

Of course, he knew what he had been drinking just now.

But he had never expected that Emilia Charlotte was so evil.

"A 17-year-old girl actually gave me this kind of medicine. I'll go!"

"No, I have to go."

Qiao Tianyuan was worried that he would make a fool of himself if he stayed for another second. If that was the case, all his image would be ruined.

And now the most important thing was that he

needed a woman.

She was a woman who could give him endless trouble.

"Oh, my tummy."

He hated those stupid bodyguards so much that they didn't even know how to help him when he saw that he had made a fool of himself.

Hearing the call of several bodyguards, they rushed over and helped Qiao Tianyuan out of the room.

"What's wrong with him?"

Some people who didn't know the truth couldn't help asking.

Noah Wu waved her hand and said, "That's enough, that's enough. Master Qiao can't compete with the drinking capacity, so he withdrew temporarily. Let's continue drinking!"

He looked at Emilia Charlotte and said nothing.

Emma Charlotte finally breathed a sigh of relief and was busy asking everyone not to care about it and continued the banquet.

After being tortured by Qiao Tianyuan, the atmosphere seemed to change.

Fortunately, under the great rescue of Noah Wu and Emma Charlotte, everyone quickly forgot about Qiao Tianyuan.

By the end of the banquet, everyone had left.

It was not until then that Emma Charlotte and her family dragged their tired bodies back to the villa.

When they got home, Emilia Charlotte slipped back to her room as if she had done something wrong.

She was stopped by Noah Wu. "Come here for a moment!"

"What are you doing?"

The little girl felt a little guilty and took a few steps back.

Noah Wu stared at the girl suspiciously and asked, "What is in your pocket?"

"No... Nothing!"

Emilia Charlotte was about to slip away when she was caught by Noah Wu.

Then he took out the remaining bottle of coughing water from her jeans pocket.

As expected, Noah Wu saw it in the hall of the hotel.

He asked in a low voice, "Where did you get it from?"

Emilia Charlotte shook her head vigorously. "No... I don't know, I... I picked it up."

When Noah Wu was about to give her a good lesson, Emma Charlotte saw her and said, "Noah Wu, come in."

Emilia Charlotte took the opportunity to slip upstairs.

"Chairman, what's the matter?"

Noah Wu threw the bottle of coughing water into the car, came to the door of the living room, and was not ready to go in.

Emma Charlotte said, "Sit down. Why are you in such a hurry?"

Noah Wu smiled and said, "I saw that you were tired, so I didn't dare to delay your rest."

"Yo! You care about me so much?" Emma Charlotte said, "Let's talk about marrying into the family!"

Uh!

"Chairman, don't take it seriously. At that time, I was just trying to save the situation. I was just spouting nonsense. Don't worry about it!"

Noah Wu was embarrassed. How did he know that Emma Charlotte would mention this to him?

Fortunately, Isabella Charlotte was not there, so she went upstairs to take a bath.

"What? You don't like it?"

Emma Charlotte stared at him with a pair of phoenix eyes.

Noah Wu embarrassedly scratched her head, wondering what Emma Charlotte meant in her heart.

She was testing him, wasn't she?

Absolutely!

However, if she really wanted to test herself, it would not be so easy.

So he pretended to be simple and honest, and said shyly, "It's all up to the chairman. I'm your employee in the company, and I'm your junior in the seniority. I'll listen to the chairman's arrangement."

"As I said, as long as I am in York Valley, I will definitely ensure the safety of your family."

Emma Charlotte frowned, but she still didn't figure out what the guy meant.

Did he agree? Or did he not agree?

However, Noah Wu could not figure out Emma Charlotte's thoughts.

Emma Charlotte said, "Well, let's not talk about the burden first. Anyway, it's up to you to decide on your own. But I have a plan, and you know, the company's share has been given to you. How about you stay and be my godson?"

"Cheers..."

Noah Wu was a little confused.

Thinking of this in his mind, he thought that he would lose a lot if he took his son as his son!

What's the use of buying shares?

Money was like dirt, and beautiful women were worth more than a thousand pieces of gold.

If a man had money, why didn't he go to find a woman?

Noah Wu yawned, showing no interest in shares at all.

"Chairman, I'm a little tired, so I'll leave first. You'd better rest early!"

After that, he didn't wait for Emma Charlotte to say anything and quickly said something.

In the Gray family's courtyard.

Celine Gray came back with her grandfather.

She wondered why Grandpa agreed to be the matchmaker of Qiao Tianyuan and Isabella Charlotte.

Asked the old man, and then Mr. Cheng burst out laughing.

She looked at her granddaughter lovingly. "You really don't know?"

Celine Gray shook her head in confusion. "Grandpa, what do you mean?"

The uncle next to him, Cheng Tieying, said, "Haven't you seen it? The old master is helping you to make a plan."

"Do you want me to make a plan for me?"

Celine Gray was even more confused.

Cheng Tieying said, "Let's talk about it in this way. The old master's idea is that if we can't find the descendant of the nine clans in a few years, he will take Qin Haodong to our Gray family and infuse the heart sutras of Qin's family into our family's secret. He is so successful."

Celine Gray understood, but felt embarrassed.

It turned out that this was the old master's plan!

## Chapter 312

Qiao Tianyuan, who was equally famous as A-L-L-L-L-L-L-L-but-but-but-but-n-n-n-n-n-n-n-n-n-n-

One after the other, the other was the Seven females of the royal family.

"What the hell? What kind of medicine is this?"

It was too fierce.

Fortunately, he had seen it for a long time, so he left the scene of the banquet immediately. Otherwise, he would be disgraced.

This girl, Emilia Charlotte, was really fierce!

At this moment, Qiao Tianyuan was gnashing his teeth. He was lying on the big bed in the hotel, as if his whole body was going to collapse.

If the drug's effect was a little stronger, he was really suspicious that he would be exhausted to death on the woman's belly.

Seeing the two women who were as tired as dead fish, Qiao Tianyuan rubbed his feet a few times and said, "All right, all right, don't pretend to be dead."

He took the money and threw it on them. "Get out!"

The two women's faces were full of tears. "Can you let us have a rest? We really can't move."

Qiao Tianyuan was very unhappy. He threw a stack of tickets again and shouted, "Get out!"

The two women saw that the situation was not good. They struggled to get up and picked up the money before leaving.

Thump! Thump! Thump! Thump!

Someone knocked on the door outside, and Qiao Tianyuan was lying on the bed smoking. He said impatiently, "Come in!"

A bodyguard came in and said respectfully, "Young master, Master Qin is here!"

Master Qin?

Qin Y Tianpeng?

"What's he doing here?" asked Qiao Tianyuan, puzzled.

"I don't know. He said he was waiting for you downstairs."

"I see! I'll be there for a while."

After Qiao Tianyuan took another drag on his cigarette, the Noah family finally lost their cool

and came to York Valley.

However, he didn't quite understand that Qin Y Tianpeng knew that he was close to the Ye Family. The Ye Family had been fighting with Noah Wu openly and secretly, and they were incompatible with each other.

"Why is he looking for me?"

Before he went to see Qin Y Tianpeng, he really wanted to figure out his intention.

Among the wealthy and powerful disciples in Heaven Capital, Qin Y Tianpeng was also a big shot.

However, this guy was too arrogant. Relying on his identity as the young master of the Noah family, he was arrogant.

"He doesn't take others seriously at all."

However, his talent was excellent, and his cultivation was considered to be one of the most arrogant people in the younger generation.

Among the rich and powerful families in Heaven Capital, Qin Y Tianpeng was a child born with many halos and golden keys.

Especially in the ancient martial arts sects, the Noah family had a higher status.

Because he practiced the most powerful mental cultivation method of the Noah family in the ancient martial arts world.

It was also the most powerful mental cultivation method in the Ancient Martial World.

In order to get the mental cultivation methods of the Qin's, the Red Coat Shop racked its brain and tried all sorts of means to approach Noah Wu. It was not necessarily for no reason.

With the rise of the Ye Family, they also wanted to fight for this position. It was inevitable that it was out of tune with the Noah family.

This was the reason why the relationship between the two families was not harmonious all the time.

Qin Y Tianpeng was well-known among the wealthy and powerful disciples in Heaven Capital. However, a mysterious man broke his Heaven-covering Hand a year ago and seriously injured him.

This matter had become a dirty disease in the hearts of the Noah family. The Heaven-covering Hand had always been the mental cultivation method of the Qin's Group. It was a

profound unique skill, but it was broken by someone.

Therefore, the Noah family had kept a low profile during this period of time, and they were also trying to find a way to remedy it.

It was just that the cultivation method of the Noah family had been passed down for thousands of years. It had always been the essence of ancient martial arts. If it was not that kind of strong man with extraordinary talent, how could it pry into its mystery?

Moreover, the Noah family also knew that only when the Heaven-covering Hand reached a certain level, could it be invulnerable.

The reason why Qin Y Tianpeng's Heaven-covering Hand was cracked was that his cultivation was not high enough.

In spite of this, Qin Y Tianpeng was also an expert at the Earth Stage.

Qiao Tian Yuan knew that he was also coming for Noah Wu.

Since Noah Wu made such a big noise in York Valley, it was impossible for the Noah family to turn a blind eye to it.

He wanted to see what Qin Y Tianpeng could

do to Noah Wu.

Some people said that Noah Wu was Qin Changhe's illegitimate child. How on earth was Qin Y Tianpeng going to face this illegitimate child of the Noah family?

When Qiao Tianyuan put on his clothes and came out, it was already 10 o'clock in the middle of the night.

Qin Y Tianpeng was sitting in a teahouse on the fourth floor of Shangri-La Hotel.

He booked the entire teahouse.

More than 20 waitresses only served for him.

There were four disciples of the Noah family standing at the door, and each of them had sharp eyes that were full of vigor and vigor.

At a glance, one could tell that he was a young expert who was not weak.

In fact, the strength of these people was far above that of the ordinary special- forces soldiers.

Their cultivation was almost on par with that of the 18 generals of the Bell family.

Qiao Tianyuan came in, waved his hand, and let the bodyguards stay outside the door.

Qin Y Tianpeng sat in the north of the teahouse. His face was clean and handsome, and his face was as beautiful as Qiao Tianyuan's. He was really tall, rich, and handsome.

Among the rich and powerful families in Heaven Capital, very few of them looked like Yezi, Qiao Tianyuan, and Qin Y Tianpeng were such handsome young descendants.

Therefore, these people had a sense of superiority among their peers.

He had money and status, as well as a handsome man. Naturally, he was more attractive to people.

However, for young masters of rich families like them, their looks were not important at all.

Because even if they were as ugly as a pile of shit and as ugly as William Jackson, there were still people who liked them.

They were born to compete with each other for their father, so it was a waste of their dignity.

Behind Qin Y Tianpeng, there were two proud and upright experts of the Noah family.

In fact, his strength was at least at the Fifth Realm of the Profound Stage.

On the right side of Qin Y Tianpeng sat a woman in a tight black leather coat.

This woman was very beautiful, but absolutely cold and beautiful.

Especially the tight black leather coat highlighted her hot figure.

This was a beauty with a cold look in her eyes. Qiao Tian Yuan only knew that her name was Shu'er. Only the Noah family knew what her name was.

Shu'er was the shadow of Qin Y Tianpeng.

Basically, where there was Qin Y Tianpeng, there was her.

Therefore, Qiao Tianyuan was not surprised. After coming in, he took the initiative to sit opposite Qin Y Tianpeng and asked, "Why are you here?"

Qin Y Tianpeng smiled faintly and said, "I heard that you made a fool of Emma Charlotte by proposing a marriage to her?"

Qiao Tianyuan's face turned cold. "Is that funny?"

He didn't expect that Qin Y Tianpeng would know about it.

For some reason, he was very disgusted with Qin Sheng.

If it weren't for Noah Wu's disturbance, he might have succeeded.

He had long expected that Emma Charlotte would not offend the Qiao family face to face. In addition, Elder Cheng and Mayor Hanford were in cahoots with each other, so there was a high chance that they would succeed.

However, he didn't know that Qin Haodong was so unreasonable and made things like this.

Qin Y Tianpeng said, "I'm not laughing at you, but I want to help you. If you really like Isabella Charlotte, I have a way."

After taking a look at him, Qiao Tianyuan picked up the teacup in front of him and took a sip.

Then he said faintly, "Don't just focus on my joke. You'd better think about how to deal with him. I heard from many people that he is a member of your Noah family. And what he practices is also your family's mental cultivation method."

Qin Y Tianpeng smiled confidently and said, "Whether he is or not, it won't happen soon."

You don't have to worry too much about this problem."

Qiao Tianyuan was shocked. "What do you mean?"

"He actually doesn't admit that Noah Wu is a member of the Noah family?"

Sure enough, Qin Y Tianpeng said slowly, "The Noah family has existed for thousands of years. There is absolutely no way for some people with ulterior motives to swindle others in the name of the Noah family."

He glanced at Qiao Tianyuan and said, "You know, after the catastrophe of a hundred years ago, many versions of the Noah family's mental cultivation methods have been spread out. Many people call themselves orthodox members of the Noah family. Unfortunately, it can't be fake, it can't be fake!"

"Shu'er, go and take off this guy's head!"

Qin Y Tianpeng looked arrogant and light-hearted. The black-skinned woman next to him immediately stood up and said, "Yes, young master."

## Chapter 313

Eh?

Qin Y Tianpeng's words sounded like a joke, and Qiao Tianyuan was really worried about him.

Looking at Shu'er, who was dressed in a tight leather suit and had a hot body, standing up and leaving, Qiao Tian Yuan thought of the scene of the battle between Noah Wu and Yezi. This guy became more thoughtful and said something he wanted to say.

In Heaven Capital, many people always thought that Yezi was not a proud person of the younger generation of the Ye Family.

However, he did not know that Yezi had been hiding her strength for so many years. She had never shown off, and even Yezi had been kept in the dark.

If it weren't for Sherry Bell, he wouldn't have exposed his strength.

Even Yezi was defeated by Noah Wu. Qiao Tian Yuan really didn't believe that this hot-built, sexy and indifferent girl could kill Noah Wu.

Of course, the Ye Family would not spread the news that Yezi and her brother had been injured by Noah Wu.

If people knew that the two young experts of the Ye Family couldn't even defeat an illegitimate son of the Noah family, how could they face others?

So it was estimated that Qin Y Tianpeng did not know Noah Wu's strength, so he sent this little girl to deal with Noah Wu.

"What about Shu'er's strength?" Even Qiao Tianyuan was not clear about it.

It was said that Luo Er was one of the top ten young experts of the Noah family, and she was the only woman.

However, Qiao Tianyuan knew Qin Y Tianpeng's strength. In the younger generation, he was no match for Qin Y Tianpeng.

Qin Haodong might not be able to get benefits from him.

However, he didn't know Qin's attitude at the moment, but when Qin Y Tianpeng asked Luoer to kill Noah Wu's head, he guessed in his heart, "Does Qin's family want to kill Noah

Wu in order to block the mouth of all the people in the world?"

He had seen through the thoughts of the Noah family countless times. Shu'er had already left the hotel.

At this moment, Noah Wu also returned home. Zena was swinging in the yard, and Zoey was washing clothes for Noah Wu.

This guy moved a stool and sat there. He smoked and looked at Zoey to wash clothes.

"Secretary Zhou, you are so good to me. How can I thank you?"

Zoey glared at him and said, "Call me sister!"

This guy glanced at Zoey's snow-white part, and his saliva flowed out again.

Rubbing her clothes, Zoey raised her head and talked to Noah Wu. When she found that this guy's eyes were so disgusting, she couldn't help but glare at him with anger.

"Have you seen enough?"

Noah Wu quickly looked away and asked, "What did you say just now?"

"....."

Zoey was speechless. He poured some water

to Noah Wu and said, "Let me tell you something important!"

"Yes! Go ahead."

Noah Wu said in a serious tone.

Zoey said, "Do you want to be my brother?"

"Why?"

"I'm older than you. Every time I hear you call me Secretary Zhou, I'll call you Secretary Zhou. It's terrible." Zoey explained.

Noah Wu thought for a moment and said, "That's good. It's natural for me to take care of my brother. Haha..."

When he was complacent, Zena's scream came from outside, "Who are you?"

"Ah—"

Before she finished her words, she was kicked away by the ghost-like black-skinned woman.

"What the f\*ck!"

"Someone dares to cause trouble in my territory?"

When Noah Wu heard the voice, she disappeared in a flash.

In the courtyard, a fierce, fiery woman stood

there, as cold as frost, with a murderous look on her face.

Noah Wu glanced around and found that the other party was more than 1.7 meters tall.

The emotionless face seemed to be owed money by everyone in the world.

Before Noah Wu could respond to her, she directly rushed to Zena, who was kicked away by her.

Zoey also heard the voice and came over. "Zena! Are you okay?"

Zena's head hit the pillar and it was bleeding.

Noah Wu picked her up and felt her pulse.

"I'm fine, Sister Zoey. This person is very clever. He beat people as soon as he comes in."

Seeing that she was fine, Noah Wu turned around and handed her to Zoey.

When Zoey saw the woman's cold and gloomy look, she gave a cold shiver for no reason.

She helped Zena to the rattan chair next to her. Zena covered her head and asked, "Sister Zoey, who is she?"

Before Zoey answered, the other side said

coldly, "Are you Noah Wu?"

Noah Wu looked at her up and down. Under the black tight leather suit, her body was just like the female horn in the game.

The proportion was so exaggerated that it made people doubt whether her figure was real or not.

"Who are you?"

Noah Wu became serious, making the usual free and unrestrained atmosphere disappear.

Those who knew Noah Wu knew that he was angry.

The young master's cold eyes swept over Noah Wu, but he did not answer his question. "Young master asked me to take your head! Go to hell!"

Before he finished speaking, there was a black whirlwind blowing in the courtyard.

Zoey and Lin Mengya only felt that there were a series of afterimages in front of them, and the other side's figure seemed to be strange and drifted to Noah Wu.

So fast!

Noah Wu frowned slightly and clapped his chest.

Bang—

The other side took more than ten steps back. Bai obvi covered his chest with his hands and his face was full of horror.

How could this be possible?

Obviously, the black-skinned woman could not believe that Noah Wu's strength was far above her.

But she was unwilling to give up. With a shout, she flew up like a dragon.

The shadows were heavy, and elegant shadows appeared in her body in the air.

His leg technique was exquisite, like a powerful thunderbolt, and he chopped down from the sky.

Noah Wu was stunned. This was the leg technique in the mental cultivation method of the Qin's Group.

This leg technique should have been used by men to demonstrate its real power.

Now she had changed into a woman to practice. Although she was not as strong and fierce as before, she was also full of murderous intent.

In fact, the whole set of mental cultivation

methods of the Noah family focused on ferocity and ferocity, sweeping everything away.

He didn't know what mentality the founder of the Qin's mental cultivation method had. She preferred male offsprings to female masters, so most of the moves didn't take into consideration the women's practice.

She didn't expect that this kind of cold woman would also look extremely domineering when she performed.

Noah Wu's eyes twisted, and his pupils contracted. He fixed his eyes on his opponent's legs that had been kicked by him.

In the air, the night wind was blowing, and the other party's leg shadows were heavy, shhhh...

Within one move, he actually struck 49 times in a row.

A cold sneer flashed across Noah Wu's face. Then, he fell back onto his bed, as if he was about to be kicked down by the other party.

However, when his opponent's legs were about to hit him, he suddenly stretched out his ape arm. His movements were so weird that he was as fast as a flash of lightning at his

opponent's feet.

"Ah!"

Noah Wu grabbed the other person's ankle and directly threw him away.

boom! boom! boom! boom! boom! boom!

The woman in black heavily hit the pillar. Even a cold woman like her screamed.

Seeing this, Zoey and Zena looked down on each other and looked at the two fighting with great fear.

Since they were saying that they were going to take Noah Wu's head off, how could they not be nervous?

Seeing the black-skinned woman was slapped away by Noah Wu, both of them breathed a sigh of relief at the same time.

Noah Wu approached him with a cold face and asked, "Are you from the Noah family in Heaven Capital?"

The man didn't say a word. He took a deep breath and rushed to Noah Wu again.

His long legs swept over.

As soon as Noah Wu took a step back, there was a crack.

A nearby tree that was as thick as a bowl was kicked to pieces.

Zoey and Zena looked pale and secretly wiped their sweat.

If this kick landed on an ordinary person, wouldn't he be kicked to death on the spot?

When Noah Wu saw that the other party was so tenacious, she could not help but snort, "Since you are looking for death, I will help you!"

He made a strange gesture with his right hand and struck down with his Sky-covering Hand.

Boom, boom—

The opponent's eyes flashed with fear and he retreated rapidly. However, he was still hit by the powerful air blast of the Sky-covering Hand.

His figure, like a falling leaf in the wind, flew out again.

The Sky-covering Hand!

However, only Qin Y Tianpeng, the direct descendants of the Noah family, had the right to practice the unique skill of the Noah family's mental cultivation methods in the Heaven Capital.

After being injured by Noah Wu's Sky-covering Hand, the woman in black covered her chest and coughed a few times, preparing to escape.

How could Noah Wu let her succeed?

His figure flashed and stood in front of her like a ghost, "Sizzle—"

He reached out his hand and pressed his opponent's acupoints.

## Chapter 314

"You—"

Seeing that Noah Wu's acupoint was sealed, the black-skinned woman said with hatred, "If you dare to touch me, I promise that you will die without a burial place."

"Clap!"

Noah Wu was annoyed and gave her a slap at the same time.

It was pedantic!

Since they were all dead, what was the point of whether they should be buried or not?

He picked her up and walked straight into the house.

He threw the woman in black on the ground casually, turned back to Zoey and Zena and said, "Sister Zoey, please help Zena deal with her wound and go to bed early. No matter what sound you hear, you don't come out."

Zoey and Lin Mengya had been frightened for a long time, so they hurried upstairs.

Noah Wu returned to the room and began to

interrogate the woman in black who was thrown on the ground by herself.

"Who asked you to come?"

Noah Wu asked him for the first time, but he didn't say a word.

"I'll ask you one more time. Who asked you to come?"

The other party still didn't speak, and even turned his face away.

"That's great! You win!" Su Mo said coldly.

"You don't want to say it, do you?"

Glancing around the room, Noah Wu didn't find anything in the room.

She reached out to touch it and found that there was a bottle of coughing water taken from Emilia Charlotte's pocket.

He laughed evilly.

"I know you are from the Noah family in Heaven Capital, but it doesn't matter. I don't need you to say anything anymore."

He opened the lid of her throat, approached her, pinched her cheek and opened her mouth.

Then, he directly poured the cough water into his mouth.

Then he moved a stool, lit a cigarette, and sat there to watch the show.

"I'll wait and see how long you can hold on!"

Ahem, ahem—

The man looked terrified and asked, "What did you drink?"

Noah Wu shook the empty bottle in front of her eyes, and the other side's face changed dramatically. "I'll kill you!"

"Oh my god, this bastard is not a human being."

"He actually poured this kind of thing into a girl's mouth."

After all, the black-clothed woman was not stupid. At a glance, she recognized the terrible nature of that bottle of thing.

Especially a girl, how could she stand it?

"Do you know that after Qiao Tianyuan was tricked by Emilia Charlotte, he caused seven women to fall down?"

After knowing the truth, the black-skinned woman glared at Noah Wu angrily, gnashing her teeth and looking at him.

It was a pity that her acupoints had been

sealed and she could not move at all.

She watched Noah Wu leisurely sitting in a chair smoking, and her heart was roaring.

However, Noah Wu was still hitting her with disdain. "Kill me? You're not qualified."

"Where have you practiced the mental cultivation method of the Qin's Family? With your current strength, you can only enter the second level of the Earth Stage. If you want to kill me, you'd better kill me in your next life!"

The woman in black was so angry that her face turned blue. Soon, she felt that something was wrong.

The faint sense of shame in her heart made her more and more unable to control herself.

And his body was getting hotter and hotter, and his cold eyes gradually became blurred.

A pair of slender legs crossed tightly, and her lips were biting tightly.

Her heart began to collapse.

"Kill me!"

More than ten minutes later, she began to lose control.

He looked at Noah Wu with pleading eyes.

Noah Wu shook her head and said, "You are so beautiful. Why should I kill you?"

He was smoking and looking at her with a smile.

After being controlled, the chest of the black-clothed woman rose and fell more and more violently.

His face, which had been indifferent and ruthless, turned red.

Tears were welling up in her eyes.

"Kill me!"

This was her second request.

Noah Wu was too lazy to pay attention to her.

Why did he want to kill you?

It would be boring to kill you.

It was only now that he realized that there was nothing more interesting than this.

Looking at this female Ancient Martial Arts expert with a hot figure and good looks, she endured this kind of torture.

Noah Wu raised her hand to look at her watch and said, "You can't stand it so soon? Do you want me to buy some cucumbers for you?"

Go to hell!

The black-skinned woman's eyes were wide open. She could not hold on any longer.

In the end, the black-skinned woman burst into tears and couldn't hold on any longer. She begged with a sad face, "What do you want to know?"

It was the first time that Shu'er, who was sexy, tough, and cold-hearted, had surrendered to others.

In Shangri-La Hotel, Qin Y Tianpeng and Qiao Tianyuan had been sitting for more than two hours.

Qiao Tianyuan said, "If I'm not mistaken, the people you sent have probably not returned."

Qin Y Tianpeng looked at him with dissatisfaction.

Qiao Tianyuan said blandly, "Don't blame me for not telling you that Yezi has already been defeated by him. I heard that he also practices the mental cultivation method of Qin's Group."

Qin Y Tianpeng snorted and said, "Since the calamity a hundred years ago, many versions of the Qin's mental cultivation methods have been passed down. So what if he has

practiced the Qin's mental cultivation methods?"

"I don't know how many descendants of the Noah family of the same stockaded village like him will be killed in one year."

"Oh," Qiao Tianyuan said. "So there are still so many stories about the cultivation method of Qin's Family?"

But when he thought about it, it made sense.

The Qin's mental cultivation method was known as the first mental cultivation method in the ancient martial arts world. For many years, it had always been a treasure that people in the ancient martial arts world dreamed of.

It was unknown how many people wanted to take it for themselves.

It was because of this that the catastrophe occurred a hundred years ago.

Many forces broke into the Noah family's mansion and wanted to snatch the treasure book.

Since Qin Y Tianpeng was so confident, it seemed that he was over-scrupulous.

While they were talking, someone came in and

reported, "Young master, Shu'er is back!"  
Qin Y Tianpeng looked unhappy and said, "Call her in!"

Soon, in a very awkward posture, Shu'er came in with her face blushing and her head lowered.

Behind her was a young man.

At the sight of this person, Qiao Tianyuan stood up instinctively.

Qin Y Tianpeng cast his eyes on Shu'er.

"Where's that guy's head?"

The young man next to him replied, "Here!"

All of them fixed their eyes on the man.

However, they found that Shu'er's behavior today was too abnormal.

Especially the way she walked and the expression on her face, she didn't look like the cold and murderous look she used to be.

And at the moment she was standing there, there was always a feeling that she wanted to tighten her legs as much as possible.

Qiao Tianyuan sat down again and waited to see how Qin Y Tianpeng would deal with it.

Qin Y Tianpeng was not stupid. He glanced at

Noah Wu for a few times and sneered, "It seems that I underestimated you! Interesting!"

"Come here, Shu'er!"

Shu'er lowered her head and walked over. Standing behind Qin Y Tianpeng, she didn't even dare to lift her head.

No one knew what she had gone through just now.

Qin Y Tianpeng said coldly, "What did he do to you?"

Shu'er was shocked and shook her head. "He... he sealed my power."

"Clap!"

Qin Y Tianpeng slapped Shu'er in the face.

Shu'er remained silent.

Noah Wu made a tut-tut-tut-tut sound. "I really didn't see that the pride of the younger generation of the Noah family in Heaven Capital only knows to vent his anger on the people around him. Don't you want to kill me? If you have the ability, come to me!"

Qin Y Tianpeng's face turned cold and he said, "Boy, don't think that you are too arrogant and ignorant after you have learned a little about

the mental cultivation methods of Qin's Group!"

There were two sharp rays of light shooting out of his eyes, and his killing intent was raging.

"I know that you just want to use the name of the descendant of the Noah family to swindle others, but I have to admit that your move is really effective. Even Emma Charlotte has been deceived by you."

Qin Y Tianpeng stared at him and said, "If you know what's good for you, you'd better disperse this skill and get out of York Valley. From now on, you won't be surnamed Qin!"

"Yo!"

Noah Wu came over and said, "How arrogant you are! According to what you said, only you are qualified to be surnamed Qin in this world?"

Qin Y Tianpeng's eyebrows trembled. "Qin Benzhen is right, but you pretended to be the descendant of the Qin's Group! You made a fool of yourself! You're from the Noah family in Heaven Capital, how can I allow you to mess around!"

"I have already said that if you don't listen to my advice and don't repent, don't blame my men for being ruthless!"

"Hahahaha..."

How arrogant he was! Noah Wu burst out laughing and waved at Shu'er. "Come, come, come, your Young Master is so powerful. Tell him what happened just now?"

Zhu'er bit her lip and trembled with anger. She said resentfully, "Young master, kill him for me!"

## Chapter 315

When Shu'er was angry, she instinctively tightened her legs, as if she was worried that something would come out.

However, it was strange for Qiao Tianyuan to do so.

This woman, who used to be cold and expressionless, was wondering what was wrong with her today.

"His performance is too abnormal."

And her face, no one knew what she had gone through just now.

However, in Noah Wu's evil smile, it always made Qiao Tianyuan curious.

Qin Y Tianpeng glanced at Shu'er and was also confused.

Several Qin's disciples at the door rushed in and immediately surrounded Noah Wu.

"There's a way to heaven, but you don't go. There's no way to hell, but you break in. Boy, you're dead today!"

Qin Y Tianpeng's calm face could not calm

down. He stared at Noah Wu with a murderous look.

Noah Wu glanced at this group of people with a contemptuous look.

It was not that he looked down upon them. These people might be really powerful in the eyes of ordinary people.

But in front of him, it was not enough at all.

Qin Y Tianpeng gave the order, and several disciples of the Noah family rushed to Noah Wu in unison.

Noah Wu threw a long punch like a bolt of lightning.

"Tong — Tong — Tong — Tong — Tong — Tong — Tong — Tong — Tong — Tong —

Using the simplest and most efficient move, the Iron Arms kept attacking as fast as lightning.

Each move was extremely simple.

It was not fancy at all. Under the heavy punch, several of the disciples of the Noah family were beaten back.

They covered their chests with their hands and looked painful.

"What's going on?"

Qin Y Tianpeng's face turned cold. You have been practicing the mental cultivation method of Qin's Group for so many years, but you can't resist a punch from others?

"F\*\*k!"

He originally wanted to use these Qin's disciples to fight with them so that he could see clearly his martial arts. However, he didn't expect that they could beat back the others with just a few punches.

Qin Y Tianpeng was furious and said, "What are you waiting for? Go!"

These people had to bear the pain again and rushed to Noah Wu.

This time, Noah Wu gave them a set of military boxing.

Not only Shu'er was stunned, but also Qiao Tianyuan was stunned.

How could he perform so well with just a set of military boxing?

It should be noted that the people around Qin Y Tianpeng were all masters who practiced the mental cultivation methods of Qin's Group.

"He used a set of military boxing to fight

against the enemy?"

"Isn't he beaten?"

Before the thought was over, several people had already flown out.

"Ouch—"

Seeing a few of the Qin's disciples who couldn't struggle, Qin Y Tianpeng roared like thunder.

Shame!

What a bunch of good-for-nothings.

After all, the mental cultivation method of the Noah family was the supreme among the ancient martial arts. These people had been practicing for so long, but they were actually knocked down by a set of military boxing of the Noah family. It was a shame for the Noah family!

Qin Y Tianpeng was so angry that he shouted, "Get out of my way!"

He was ready to do it himself.

Although he knew in his heart that Noah Wu intended to irritate him, he still couldn't control himself to start a fire.

"Boy, since you dare to swindle in York Valley,

and call yourself a member of the Noah family, I'll let the real Noah family teach you a lesson today!"

"However, before you take action, I hope that you can think it over clearly. If you can kill yourself, I can leave you a whole body. If you lose to me, I will make you unable to live or die."

Noah Wu was very strange. Even if the other party was a member of the Noah family in Heaven Capital, what was there to drag?

He spoke in such a big tone.

Noah Wu glanced at him and saw Qin Yawen's proud face. She clenched her fists.

He thought to himself that it was a good time to take this opportunity to weigh the so-called successor of the Noah family.

There was only one set of the real cultivation method of the Qin's, and the rest were fake.

As Qin Y Tianpeng said, they were all kung fu that were practiced by imitating the mental cultivation methods of the Qin's Group.

"It's just a stockaded village."

In fact, in order to ensure that the inheritance of the Noah family was pure, many unique

skills of the Noah family would not be spread out.

Therefore, even a person like Shu'er would not have a chance to learn such a unique skill like the Heaven-covering Hand.

Since Qin Y Tianpeng was going to be arrogant, then he should think about his strength.

Qin Y Tianpeng shook his clothes and took two steps toward Noah Wu. "I'm not looking down on you. I'll let you take three moves so that you won't die with a grievance."

"He made me three moves more than he pretended to be?"

Noah Wu laughed and said, "Then don't regret it. If I kill you within three moves, you will die with your eyes closed!"

"What the f\*ck!"

Qin Y Tianpeng was furious. "How dare you! Go to hell!"

In a fit of rage, Qin Y Tianpeng suddenly raised his hand. Although he was also a young strong man at the Earth Stage, he was much stronger than Qin Y Tianpeng.

Shu'er was only at the second level, and Qin Y

Tianpeng's strength was at least between the seventh and the eighth level.

According to the estimation of the Noah family, if it weren't for the fact that Qin Y Tianpeng was injured by the mysterious man a year ago and his cultivation was damaged, he should have reached the Nine-cloud Realm at this moment.

It might be possible for him to break through to the Heaven Stage.

Therefore, Qin Y Tianpeng was indeed a rare master in the younger generation. As soon as he raised his hands, he suddenly condensed his Qi and the two chairs were broken into pieces.

Noah Wu was stunned. "This guy's strength is so strong?"

No wonder he was so arrogant!

If he could release and release his internal Qi freely and attack objects across the air, what would he do if he didn't have the ability to do so?

Interesting!

Qin Y Tianpeng raised his hand, and the tea table in front of him was immediately sent

flying by the powerful palm force and attacked Noah Wu.

Noah Wu's figure flashed, and when he was about to fight back, a shout came from outside, "Stop!"

Bang—

The tea table of the tempered glass was smashed, and the shards of the glass were smashed to pieces on the ground.

Cheng Tieying's figure floated in and stood between them.

"What are you doing here? I don't think it's a good idea to make a move here!"

Qin Y Tianpeng said coldly, "This is our Noah family's business. Is the Gray family going to interfere?"

Cheng Tieying waved his hand. "That's not what I mean. I'm just following the order of the old master to invite you two to the Gray family as guests."

"What are you doing in the middle of the night?"

Noah Wu looked at Cheng Tieying strangely. Cheng Tieying smiled and said, "Don't mind, two of you. If there is any grievance, let's talk

about it later. Our master wants to invite you." Qin Y Tianpeng snorted and said, "Why didn't he come here on his own? Do you think he would put on airs in front of the Noah family?"

"What the f\*ck!"

"This kid is so arrogant. I'm highly respected. What right do you, a little kid, have to let him come to see you?"

Cheng Tieying was unhappy. "Young Master Qin, your words are too much. My grandfather and Old Master Qin are on the same level. If this news is spread to the Noah family in Heaven Capital, aren't you afraid of being laughed at?"

Cheng Yage was not happy and said, "All right, all right, I'll deal with this guy first. Get out of the way!"

Cheng Tieying shook his head. "The Old Master is waiting for you two. I hope Master Qin will listen to my advice. It's not too late to do it after seeing the Old Master!"

Qin Y Tianpeng stared at Noah Wu. He didn't expect that the Gray family would support him.

"Fine, I'll go, I'll go, I'll go, I'm not afraid!"

Noah Wu's heart skipped a beat. He didn't say

anything else and went to the Gray family with Cheng Tieying.

At ordinary times, everyone had already fallen asleep in the courtyard of the Gray family.

But at this moment, the lights were all on. Old Master Cheng was sitting there, drinking tea.

Celine Gray and Fury Gray, as well as Cheng Iron Mountain and others, were sitting in the lobby.

Cheng Iron Mountain whispered in the ear of the old man, "Dad, what if they fight with each other?"

Old Master Cheng waved his hand and said, "We'll talk about it when they come."

Celine Gray was curious. "Who is the real descendant of the cultivation method of the Qin's?"

"The Noah family in Heaven Capital has always regarded themselves as orthodox. Could Noah Wu be a fake?"

The old man smiled. "You'll know after a while. It's clear whether it's true or not. We'll see."

## Chapter 316

Celine Gray was a little nervous. What would happen after the decision was made?

The old master had said that the descendants of the nine clans would definitely appear in the nine well-known families.

But who on earth was this person?

Soon, there was the sound of a car horn outside.

The butler rushed in and reported, "Old Master, they're coming!"

Cheng Tieying had already invited two Noah family members.

Young Master Qiao also came with them.

When everyone entered the courtyard of the Gray family, the old man burst out laughing. "Come on, sit down, sit down!"

Qin Y Tianpeng was so careless and extravagant, followed by a few disciples of the Noah family and Shu'er, who was so embarrassed by Noah Wu that she looked like a dead man.

"Mr. Cheng asked me to come here so late at night. What on earth happened?"

The old man smiled and said, "The relationship between the Gray family and the Noah family is very deep. Today, I heard that you two had a fight with each other, so I, an old man, specially came forward to mediate. What's your opinion?"

"There's no need to do that!"

Qin Y Tianpeng waved his hand and said, "When I beat him down, there will be no need to mediate."

"As the Noah family of Heaven Capital, how can they allow some small people to swindle in the name of the Noah family! So today's matter, it's impossible for the emperor to come! Unless this kid voluntarily scattered this skill, get out of York Valley, and never show up again."

"Otherwise, he will die!"

Qin Y Tianpeng's tone was arrogant and he didn't care about anyone's feelings.

In the backyard of the Noah family, there was a figure shaking. It was Baili Chuan, who had been resting in the Gray family.

After Baili Chuan was defeated by Noah Wu, Ye Jianqiu told him to get the mental cultivation method of Qin's Group.

He stayed in York Valley for a while, but there was nothing he could do.

At this moment, he was thinking about how to get close to Noah Wu, but he didn't expect Qin Y Tianpeng to come to York Valley.

Qin Y Tianpeng couldn't tolerate Noah Wu, so Baili Chuan was secretly excited.

If the two descendants of the cultivation method of the Noah family fought against each other, they would definitely benefit from it.

So he decided to lurk and wait and see how they would end up.

Noah Wu didn't move at all. In fact, she had already figured it out in her mind.

Qin Y Xiaopeng was so arrogant. It seemed that he had received the true impartation of the mental cultivation method of the Qin's Group. In this case, he might as well meet this guy.

So Noah Wu also said, "Let Mr. Cheng take care of us. This is our business, and I don't

want anyone to intervene."

The old Taoist Cheng said, "Since you are incompatible with each other, why don't we have a fight in the practice room? Let's stop at the right place."

Qin Y Tianpeng sneered, "If someone is afraid of death, what else can we do? Just ask for mercy directly! Lest fighting, the problem is not so simple!"

Noah Wu ignored him and went straight to the practice room.

Qin Y Tianpeng winked at Shu'er and others, and they all rushed into the practice room.

In this empty hall, there was a huge stone chess.

Noah Wu had been here last time.

Qin Y Tianpeng glanced at him and proudly stepped on the ground, with his hands behind his back, looking like he was looking down on the whole world.

Noah Wu touched her nose and played the handsome stone chess.

If it weren't for the fact that he wanted to find out the background of the Noah family in Heaven Capital, he wouldn't have been so

polite to this kid.

Therefore, Noah Wu seldom said anything about it, but always found an opportunity to provoke the other party.

He wanted the other party to reveal his ace in the hole.

"Kid, I'm not looking down on you. I'll tell you the same thing. I'll let you have three moves!"

Qin Y Tianpeng said arrogantly.

Seeing this, Shu'er also hated Noah Wu in her heart. If she killed him, she would be ashamed of herself!

Noah Wu's performance today seemed to be particularly low-key. Seeing that the other party was so supercilious, she did not say anything and raised her hand to point at Ye's acupuncture points.

"Sizzle! Sizzle!"

"Uh!"

Now everyone was stunned. "What's going on?"

When did Noah Wu learn to hit the acupinning Hand of Ye's Group?

Elder Cheng frowned and smiled immediately.

Baili Chuan, who had been hiding in the dark, was stunned. How did he know Ye's move of acupinning?

At this moment, a sinister smile flashed across Qin Y Tianpeng's face. "You think too highly of yourself!"

"This guy actually used my defeated opponent, Yezi, to deal with him with just a few moves."

Now he was more and more certain of his guess that the other party was just an ancient martial arts practitioner who had a lot of miscellaneous knowledge. He was not the descendant of the Noah family at all.

It was even more impossible for the legendary son of the Noah family to be abandoned!

Therefore, he decided to kill no one!

If Yezi was not defeated by him many times, how powerful could Noah Wu be?

Qin Y Tianpeng raised his hand and unfolded the starting posture of the mental cultivation method of Qin's Group.

Noah Wu saw it, but he didn't show any emotion.

Old Master Cheng's heart skipped a beat. Indeed, it was the true Qin's mental cultivation

method.

Was the Noah family in Heaven Capital the real descendant of the Noah family?

"Sizzle! Sizzle!"

"Swoosh! Swoosh!"

Two figures intertwined and instantly crossed more than a dozen strokes above the practice room.

With a loud noise, the two figures staggered and landed steadily again. They returned to their respective chess pieces.

"Eh?"

Qin Y Tianpeng felt depressed in his heart. This kid actually used the acupinning Hand of Ye's Family to fight with him.

Baili Chuan was also shocked. "How could this be? The strength of his Ye Family's acupuncture points is even stronger than Yezi's. It's not scientific!"

"Even if he is a master of the Ye Family, he can only exert his strength to such a level. Where did Qin Haodong learn the moves?"

Cheng Tieying and others were shocked and looked at Noah Wu in a daze.

"I don't know what he's up to."

"Go to hell!" Qin Y Tianpeng was angry. Once again, he flew up in the air and rushed to Noah Wu.

This time, Noah Wu used the Heaven's Bane of Ye's Family!

What the f\*ck!

Qin Y Tianpeng was furious. "So you are really a member of the Ye Family? You deliberately pretended to be the Noah family and ruined our reputation in York Valley?"

Noah Wu sneered and said, "Don't talk nonsense. With your strength, the martial arts technique of Ye's Group can also beat you!"

"Bullshit!"

How could Qin Y Tianpeng be calm?

The 18 movements of the cultivation method of Qin's Group were used up. With a bang, a huge chess piece was slapped away and crashed into Noah Wu.

The chess piece came from the sky and was blocked by Noah Wu. Qin Y Tianpeng's face flashed a sinister smile and said, "Sky-covering Hand!"

He finally used the unique technique of the

Noah family's mental cultivation method, Heaven-covering Hand.

The hand movement was strange, and the palm shadow covered the sky.

It came down from the sky like a stormy wave slapping on the shore.

It stirred up a thousand waves.

Seeing this, the onlookers next to him all turned pale with fright.

Noah Wu's expression changed, and his two fingers suddenly condensed into a huge sword shadow.

The sword shadow was sharp and shining, which was chilling.

Seeing this, Baili Chuan was even more shocked.

"Oh my god!"

How could he also use this trick?

"Isn't this the Heaven-covering Hand created by the young master, Yezi?"

Before Baili Chuan could react, a shameful smile flashed across Qin Y Tianpeng's face.

Last year, he was defeated by someone with this move, so he was seriously injured and

almost died in the hands of the mysterious man. However, it was not so easy today.

After a year, he had practiced the Hand of the Sky- covering Palm to the point where no traces could be found.

"Clang—"

When the inner Qi sword pierced into the Luogong acupoint, there was a heavy sound of metal.

Noah Wu found it strange that Qin Y Tianpeng had practiced the Heaven- covering Hand to such a high level. He was so awesome!

After failing to hit him, Noah Wu's figure flashed, avoiding the sharpness of the Sky- covering Hand.

Boom, boom—

The huge palm slapped, causing dust to rise up in all directions. The huge stone chess pieces were instantly shattered.

Even Old Master Cheng was shocked.

The strength of the Noah family in Heaven Capital was really extraordinary.

When Noah Wu dodged to the side, she was also shocked.

Qin Y Tianpeng's mental cultivation method was exactly the same as hers.

"What's going on?"

"Could it be that he's from the same sect as me? How could it be possible?"

Qin Y Tianpeng looked at Noah Wu angrily and said, "Are you the mysterious man who hurt me last year? Boy, go to hell!"

Now that he finally found his enemy, how could Qin Y Tianpeng let him go?

## Chapter 317

The Eight Moves of Heaven- concealing Technique!

When enemies met, they were very jealous. Qin Y Tianpeng was so angry that he used the Heaven- concealing Eight Styles he had recently practiced.

The Sky-covering Eight Styles could bring the power of the Sky- covering Hand to the extreme.

Only the direct descendants of the Noah family were qualified to practice the mental cultivation methods of the Noah family.

Qin Y Tianpeng was a strong man among the younger generation, so the Noah family would naturally spend all their resources to cultivate him.

In the practice room, there were a lot of palm shadows, and Qin Y Tianpeng's palm was more and more powerful than his palm.

His palms and palms were crazy, and wherever they went, they were all smashed into fine powder.

Bang—

Another giant stone chess piece was smashed and dust rose in all directions.

Some people looked at the broken pieces in astonishment.

It was said that this was not the highest realm of the Heaven-covering Hand.

What was the highest realm? It was estimated that no one had ever seen it.

Old Master Cheng frowned when he saw Qin Y Tianpeng use the Heaven-concealing Eight Styles.

That's right!

This was the authentic mental cultivation method of the Qin's.

Others might not be sure, but Cheng Lao knew what he was thinking.

Since the calamity of the Noah family a hundred years ago, many members of the Noah family appeared in the ancient martial arts world who claimed to be the descendants of the mental cultivation methods of the Noah family, including the Noah family in Heaven Capital.

So far, Qin Y Tianpeng's mental cultivation

method and unique skill were absolutely the most authentic.

That was why Mr. Cheng paid special attention to him.

The rest of the Gray family seemed to have seen it, but they didn't dare to be too sure.

Baili Chuan was shocked and looked at Qin Y Tianpeng with his terrified eyes.

He wanted to remember the moves of the mental cultivation methods of Mdm Qin, but such a high-level martial technique couldn't be practiced just now. Only with the cooperation of mental cultivation methods could it be practiced.

From the beginning of the fight between Qin Y Tianpeng and Noah Wu, they almost confirmed the orthodox identity of the Noah family in Heaven Capital.

Noah Wu, however, didn't fight back until Qin Y Tianpeng's eight moves were finished.

However, he was also shocked in his heart. Why did Qin Y Tianpeng have the mental cultivation method of Qin's Group?

What's more, the mental cultivation method he practiced was undoubtedly the orthodox

mental cultivation method, but it was not enough.

So he had some doubts in his heart.

Qin Y Tianpeng could not help but fly into a rage when he saw that he could not defeat Noah Wu with his unique skill of ordinary life.

However, Noah Wu sneered and said, "How can you claim to be the descendant of the mental cultivation method of Qin's Group after you beat me up with the Eight Moves of Heavenly Shattering Technique? What qualifications do you have?"

What the f\*ck!

"This guy is so arrogant."

Qin Y Tianpeng shouted angrily, "If you have the ability, you can take one more move from me!"

It was the eighth move of the Eight Heaven-concealing Moves, the eighth move, which broke through the space!

At this moment, Noah Wu had already figured out the opponent's tricks and rushed up to the sky.

"Let's show you the real Heaven-concealing Eight Moves!"

"Swoosh! Swoosh! Swoosh!"

The real Heaven-concealing Eight Movements?

Everyone was shocked and looked at Noah Wu who came down from the air.

Noah Wu's technique was the same as Qin Y Tianpeng's.

The only difference was that the attack was more fierce.

His movements were faster and more fierce.

His every movement was full of brilliance and majestic air blasts.

Just like all the wind and clouds around, a huge palm came down from the sky.

Qin Y Tianpeng was not convinced and raised his palm to meet the attack!

The Sky-covering Hand against the Sky-covering Hand.

Boom, boom—

The whole ground was shaking.

The brilliance disappeared, and the two palms were tightly attached together.

Qin Y Tianpeng's forehead was sweaty and his face was red.

With a splash, he knelt on the ground, unable to hold on any longer.

The thick bluestone floor was cracked.

Qin Y Tianpeng stared at her with horror in his eyes. Obviously, he was not reconciled to this.

A hint of sternness flashed in Noah Wu's eyes. He slowly raised his right hand and was about to destroy his opponent.

Cheng Tieying shouted, "Brother Noah, show mercy!"

Noah Wu glanced at Old Master Cheng's face and shook his arm.

Bang—

Qin Y Tianpeng's body was immediately shaken out.

He fell more than ten meters away.

"Young master, young master!"

The faces of Shu'er and others changed greatly and they rushed to Qin Y Tianpeng one after another.

Qin Y Tianpeng covered his chest and coughed.

"Young master!"

When Shu'er was about to help him up, Qin Y Tianpeng waved his hand to stop him and glared at Noah Wu. "Boy, don't be complacent too early! Our Noah family won't tolerate you being so presumptuous!"

Noah Wu was displeased as she approached Qin Yapeng. Shu'er and the rest quickly stood in front of Qin Yapeng, as if they were facing a formidable enemy.

Cheng Tieying shouted, "Come on, help Master Qin off to rest!"

As soon as the disciples of the Gray family walked over, Shu'er said coldly, "There's no need for that! We can walk on our own!"

This woman didn't appreciate it. She called a few disciples of the Noah family and helped Qin Y Xiaopeng to leave.

"I'm sorry to disturb you, Mr. Cheng!"

Noah Wu greeted Old Master Cheng and was ready to leave. Cheng Tieying shouted, "Brother Noah, please wait! Old Master wants to invite you to wait for a moment in the lobby."

Noah Wu had to stay because of the situation. Mr. Cheng waved his hand to let everyone leave. He only brought Cheng Tieying to the

lobby and served tea. Mr. Cheng said, "Noah Wu, can you tell me the truth? Where did your ability come from?"

Noah Wu drank a cup of tea and said, "It's inherited from our ancestors. I wonder why Mr. Cheng would ask that?"

Elder Cheng frowned. "The Qin's mental cultivation method is the first mental cultivation method in the ancient martial arts world. Since the battle a hundred years ago, the Qin's had suffered a great calamity. At that time, many versions of the Qin's mental cultivation methods have been passed down. Today, the version you and Master Qin have learned is the most orthodox version of the Qin's mental cultivation method I have ever seen. But I don't quite understand some parts of it. Why are the two of you learning the same method?"

Noah Wu shook his head and said, "I also feel strange about this issue. The mental cultivation method of Qin's Group is unique and never spreads out. What about the cultivation method passed down from the Noah family in Heaven Capital?"

After all, it had happened a hundred years ago.

How could Elder Cheng know that?

Could it be that after the battle a hundred years ago, there was a branch of the Noah family?

"That's impossible. This is obviously not in line with the Noah's branch of the bloodline."

Elder Cheng looked at Noah Wu with a serious face, wishing to say something but stopped on second thought.

At this time, Cheng Tieying next to him said, "Dad, it's getting late. Why don't we discuss this problem tomorrow?"

Old Master Cheng nodded, and Noah Wu stood up and said goodbye.

As soon as he left, Cheng Tieying asked the old man, "Dad, if Qin Muzhen has nothing to do with the Noah family in Heaven Capital, then there will be a big problem."

Old Master Cheng did not speak. He slowly walked into the study with his hands clasped behind his back.

A hundred years ago, the catastrophe made the Noah family hide in the forest. Many years later, someone set up a sect in Heaven Capital and claimed to be the Orthodox Noah family.

This was the current Noah family.  
Was there any ulterior secret?

Elder Cheng was also at a loss for words.

Moreover, under the protection of Shu'er and others, Qin Yagepeng got on the car and suddenly couldn't help but spit out a mouthful of blood.

The cold-faced Shu'er said hurriedly, "Young master, young master."

Qin Y Tianpeng's face was pale and he was seriously injured.

Shu'er panicked. "I'm here to heal you!"

"Go away!"

Qin Y Tianpeng pushed her away and said, "Come on, let's go back to the hotel."

Without saying a word, the driver stepped on the accelerator and drove to the speed of thorn or 50 yards.

After Qiao Tianyuan came out of the Cheng's, he left on his own and didn't go with Qin Y Tianpeng.

Several Qin's disciples in another car behind Qin Y Tianpeng suddenly found something wrong. "What's going on? This is not the way

back to the hotel."

The Noah family's disciple who was driving said, "Perhaps the young master has other orders!"

Soon, the car turned to the suburbs.

Shu'er might have paid too much attention to Qin Y Tianpeng, so she didn't find anything unusual.

But she suddenly smelled something strange.

Raising his head and looking out of the car, he couldn't help but change his face. "Stop the car!"

Not only did the driver not stop, but he drove even faster.

"Bastard!"

Just as Shu'er was about to take action, she suddenly realized that she was unable to summon any inner Qi. Soon after, her body became limp.

"Young master, something's wrong. We're poisoned!"

Before he could finish his sentence, Shu'er fell to the ground with a thud.

## Chapter 318

The next morning, when Noah Wu took Isabella Charlotte to the company, she asked for a leave.

Isabella Charlotte didn't say anything and directly approved.

When he walked to the door, Isabella Charlotte asked, "Where are you going?"

Noah Wu said she would go to Heaven Capital.

Last night, in the battle with Qin Y Tianpeng, he decided to go to Heaven Capital to see what was going on.

When Isabella Charlotte heard that Noah Wu was going to Heaven Capital, she thought that he was going to have a private meeting with Sherry Bell. She didn't ask much and just told Wen Yangyan, "You can book a ticket for Noah Wu."

Lu Yage jumped in from the outside. "Brother-in-law, where are you going?"

Noah Wu was speechless. She had said that she would not let him call her brother-in-law, but she still called him brother-in-law.

And as a child, he did not care about the hatred and soon forgot what had happened yesterday.

"I'm going to Heaven Capital. What are you going to do?"

At such a young age, this girl didn't even care about her cough. How could she have come to me earlier?

However, Emilia Charlotte also liked to play with Noah Wu. Anyway, she had nothing to do during the summer vacation. She went crazy outside all day long.

When she heard that Noah Wu was going to Heaven Capital, she clamored to go.

Isabella Charlotte glanced at Noah Wu and said nothing.

Seeing Noah Wu's attitude,

Noah Wu was depressed and said, "I'm going to do something. What's wrong with you?"

"I don't care, I have to go. Anyway, there are only a few days before school starts. I must go to play for a few days."

"She is still playing? This crazy girl has been playing for more than a month."

Seeing that Noah Wu did not agree, Emilia Charlotte went to beg her sister. She held Qin Isabella's arm and said, "Sister! I'm going to Heaven Capital."

Isabella Charlotte said, "Don't make trouble. He has no time to go crazy with you!"

Emilia Charlotte pouted. "I don't want him to accompany me. I can go with Charlotte."

Seeing that her sister was so persistent, Isabella Charlotte had to say, "Then take her to go crazy for a few days. Anyway, she is going to start school soon."

"....."

Noah Wu was really annoyed.

If he had found the lost page of the mental cultivation method in the Noah family of Heaven Capital, he would not have returned to York Valley.

It was indeed troublesome for her to go with him.

This girl was too crazy. Regardless of whether Noah Wu agreed or not, she ordered Wen Yangyan, "Sister Wendy, help me book a ticket, and Wen Qi will book a ticket together."

Noah Wu did not give up. "Okay, okay, it's up to

you!"

After that, he left the president's office and went to Zoey to explain something.

When Emilia Charlotte saw him leave, she said in a sneaky voice, "Sister, I'm smart. I'll watch him for you."

Isabella Charlotte pretended to be angry and said, "Yating, don't shout like this in the future."

Emilia Charlotte curled her lips and said, "Got it."

As soon as Noah Wu left, Qiao Tianyuan, who was in Shangri-La Hotel, was also ready to go back to Heaven Capital. When he was checking out, several policemen suddenly came over and knocked on the door.

With the status of the Qiao family, the police would not go too far on him.

The police only asked him about one thing. Early this morning, someone found the bodies of several young men in the suburbs.

It was confirmed that these people used to stay in the Shangri-La Hotel.

And according to the investigation, these people were very powerful. They were actually from the Noah family in Heaven Capital.

Hearing that something had happened to the Noah family's disciple, Qiao Tianyuan was so scared that he sat down on the ground.

According to the police, Qin Y Tianpeng and Lady Shu were missing, and all other members of the Noah family died unnaturally.

All of these people were killed by the internal force, and they were almost killed in one move.

Qiao Tianyuan wiped his sweat and thought, "It's a big deal."

The man whose surname was Qin must be surnamed Qin.

Last night, Qin Y Tianpeng said that he would deal with Noah Wu, but he didn't expect that several of the Qin's disciples he brought here were all killed overnight.

Qiao Tianyuan couldn't sit still. Damn it, he was going to go back to Heaven Capital right away.

At the same time, the Gray family also received the news.

Someone found the bodies of the Noah family's disciples in the suburb. According to the dead bodies of these Noah family's

disciples, it could be completely seen that it was done by a master.

At this moment, even the Gray family thought that this was done by Noah Wu.

The police soon found Noah Wu. After all, they were one of the insiders.

When Noah Wu heard that Qin Y Tianpeng and others had an accident, she was quite cooperative with the police.

The three forces followed the police to the scene in the suburbs one after another, and the two cars were still parked on the roadside.

Several Qin's disciples were sprawled on the hillside.

"What's going on?"

Because it was a matter of great importance, Old Master Cheng actually took action in person.

When Qiao Tianyuan saw Noah Wu, he instinctively shrank.

If he really killed the disciples of the Noah family, then this person was too dangerous.

Old Master Cheng came to Qin Y Tianpeng's car. When he saw the bloodstain in the car, his

nose was hanging out.

"They were poisoned!"

"That's right! They were poisoned and lost their powers, so they had no choice but to surrender."

Cheng Tieying, who was one step ahead of Old Master Cheng, said.

"I've seen it when I came. It was poisoned in the car. It's colorless and tasteless cloud."

"It's not a big deal to absorb this kind of thing into the human body, but it's just that it can't be seen with blood."

Cheng Tieying touched the blood in the car with his finger. "If I'm not mistaken, the poison was the blood that burst out of Qin Y Tianpeng's mouth after he was injured and had a chemical reaction with the medicine in the car. So they didn't find it at all."

Noah Wu walked around and didn't say anything.

He guessed that these people must have suspected that it was him who did it.

The medical examiner came over and said, "Mr. Cheng is right. This colorless and tasteless rogue will only react when it touches

the blood. When the human body is inhaled, it will produce anesthesia effect."

"Then what on earth is the person who did it?"

This was the question that was what Qiao Tianyuan was most concerned about.

A policeman next to him said, "According to the clues we got from the scene and the footprints left by the other party, he should be a middle-aged man who is about 1.7 meters to 1.7 meters. He is about 50 years old."

"A middle-aged man?"

The height of one meter seven to one meter seven six, which meant that Noah Wu was excluded from suspicion.

The police just made a statement, and everyone began to think about this problem.

Who killed these Qin's disciples?

What about Qin Y Tianpeng and Shu'er?

Noah Wu suddenly thought of one thing, but did not say anything.

"Since Red Coat Shop can send someone to get close to me, does it mean that someone has already set their eyes on Qin Y Tianpeng?"

Noah Wu did not want to participate in Qin Y

Tianpeng's affairs.

He still followed his own schedule and took a plane to Heaven Capital in the afternoon.

No matter what, she had to find a way to sneak into the Noah family to see what was going on.

At the same time, Qiao Tianyuan couldn't stay in York Valley's place any longer and hurried back to Heaven Capital.

He didn't expect to meet Noah Wu on the plane. After all, the first-class cabin was so big. After seeing Garrick, Qiao Tian Yuan almost didn't say a word.

He just took a glance at Emilia Charlotte, little girl, wait and give me some medicine. I'll make you pay for it sooner or later!

When the plane landed in Heaven Capital, Qiao Tianyuan was taken away by a huge luxury motorcade.

Noah Wu looked at her watch, took Emilia Charlotte and Emilia Charlotte to get a taxi, and went straight to the downtown of Heaven Capital.

Along the way, Emilia Charlotte was in high spirits and asked all sorts of questions.

In fact, she had come to Heaven Capital many times. She just couldn't be idle and liked to find topics.

After Noah Wu found a hotel and settled the two people, she contacted Sherry Bell.

However, Sherry Bell had not answered the phone, which made Noah Wu quite depressed.

"What's going on? Is there any problem?"

Noah Wu picked up her mobile phone and walked outside. She was going to the Bell family!

## Chapter 319

There were more than a dozen luxury cars parked in front of Bell family's gate.

Ye Jianwen and his son sat in the lobby.

After a period of recuperation, Yezi finally showed up again.

In the battle between York Valley and Noah Wu, he was seriously injured.

Although he was not fully recovered at the moment, he still wanted to ask for an explanation from the Bell family.

Sherry Bell had someone outside with her on her back and made her head green. How could he swallow this?

Today, it was the Bell family who came to ask for an explanation.

Shen Zhenfeng said, "Comrade Jianwen, this is indeed our Bell family's fault. Tell me, as long as we can agree to the conditions, I will never frown."

Ye Jianwen drank his tea and did not say a word.

Yezi said, "This matter was caused by Sherry Bell. Should I let her come out and give an explanation?"

Shen Zhenfeng's face was solemn, and he shouted at the nanny next to him, "Call Wanying over."

Seeing that the atmosphere was so tense, Mrs. Shen didn't dare to talk too much next to her.

Sherry Bell was soon called over. Because the Ye family came to make trouble, Sherry Bell was grounded these days.

She even took away her cell phone and became a prisoner under house arrest.

When Sherry Bell came to the hall with the nanny and saw the father and son of the Ye Family with a dark face, Sherry Bell was not afraid.

"Just face it calmly. I've already made up my mind to fight against him."

When Yezi saw Sherry Bell, she gnashed her teeth with hatred in her heart, and her eyes were full of anger.

In particular, Sherry Bell seemed to be more beautiful during this period of time. He hated

her so much.

Why would such a beautiful woman be pursued by others?

What made him even more unhappy was that since Sherry Bell came in, she did not look at him at all.

What did he mean?

"You don't look me in your eyes?"

Yezi was so angry that her lungs were about to explode.

Seeing Sherry Bell coming, Ye Jianwen, as an elder, was very unhappy. He glared at his son and said, "You are not young anymore. Let's make our own decisions!"

Shen Zhenfeng looked at Yezi and then glanced at his daughter. He sighed in his heart.

Her daughter was supposed to be with Yezi and Yezi. The two families were in the same family. What was wrong with her?

However, her daughter had to be angry with her family and secretly go to Chencang's house with Qin Haodong.

At the thought of this, Shen Zhenfeng was also angry.

Yezi stood up and said, "Since we have an engagement, Sherry Bell should be a member of the Ye Family. So I hope Uncle Shen can give her to the Ye Family."

Shen Zhenfeng had indeed said something like that. This was his daughter's fault, so no matter how the Ye family dealt with this matter, he would not interfere.

He glanced at his daughter and said seriously, "It's right to give her to the Ye Family for both reason and reason. Okay, you can take her away!"

Shen Zhenfeng was an iron-faced man. He thought his daughter was wrong, so he had to give the Ye family an explanation.

Mrs. Shen was anxious. "No! Zhenfeng..."

"Shut up!"

Shen Zhenfeng glared at her, and Mrs. Shen did not dare to speak. She just looked at her daughter with tears in her eyes.

Ye Jianwen didn't say much when he heard that his son was going to take Sherry Bell away.

Anyway, as long as Sherry Bell entered the Ye family's door, it was estimated that there would

be no good days for her.

A woman like this should really give her some color. Otherwise, how could she be worthy of the Ye Family's face?

Ye Jianwen stood up. "In that case, let's go!"

Shen Zhenfeng knew that in order not to make a big deal out of it, the Ye family had to deal with it in a low profile.

Otherwise, his attitude would not be the same as it was today.

What about the Bell family? The reason why Sherry Bell was handed over was that she didn't want to completely break up with the Ye family.

As for how they dealt with Sherry Bell, Shen Zhengfeng didn't want to think about it any more.

Someone had secretly told the news to Mr. Shen. Mr. Shen half closed his eyes and didn't say anything.

"Men, take her away!"

Ye Jianwen shouted. Two Bell family disciples immediately came over and were about to take Sherry Bell away.

Mrs. Shen stood up and seemed to try to stop

him, but Shen Zhenfeng glared at her.

At this moment, someone rushed in and said, "Something bad is going to happen. A young man who calls himself Noah Wu is coming!"

"Noah Wu, what is he doing here?"

Hearing the name of Noah Wu, Yezi was angry.

"Qin Haodong still dares to come?"

Ye Jianwen was enraged when he heard that someone who had injured his son and robbed his future daughter-in-law had come knocking on his door.

It was just because of his dignity that he didn't lose his composure.

According to their usual way of doing things, if someone dared to do such a disrespectful thing, he would definitely peel his skin and pull out his tendons.

"This kid is so bold. He doesn't want the Ye Family to live a good life, does he?"

The account for hurting his two sons had not been counted yet. What did he come to the Bell family for?

Was it possible that he had been in collusion with the Bell family for a long time?

Ye Zhirong was about to leave when he was stopped by Ye Jianwen's gaze.

He wanted to see what kind of explanation the Bell family had.

Shen Zhenfeng knew what he was thinking, so he said with a cold face, "Get him out!"

This guy was simply ignorant. He was arrogant and ignorant in such a small place like York Valley, but dared to trespass in such a place like Heaven Capital?

When Sherry Bell heard that Noah Wu had come, she couldn't help but feel anxious in her heart.

The sky was not as good as York Valley's. This place was under the feet of the Emperor. What if something happened?

But at this moment, Sherry Bell couldn't do anything about it.

Seeing Shen Zhenfeng's attitude, Ye Jianwen felt a little relieved.

Yezi stood up angrily. "There's no need. I'll go and meet him!"

He didn't believe it. How could he dare to mess around in Heaven Capital?

Seeing Yezi rushing out, everyone had to follow her.

Sherry Bell was so anxious that she stamped her feet. Even if she was taken away by the Ye Family, she did not want Noah Wu to be involved.

Because she knew that Noah Wu alone could not compete with the rich and powerful families in Heaven Capital.

But Noah Wu was already here. Yezi rushed out and pointed at Noah Wu and scolded, "Noah Wu, how dare you to make trouble in Heaven Capital!"

Seeing Yezi, Noah Wu understood.

No wonder he couldn't get through to Sherry Bell's phone. It turned out that the Ye Family was playing tricks here.

Now, Noah Wu and Yezi were incompatible.

So he replied unceremoniously, "Which eye of yours saw me make trouble? It's none of your business that I came to the Bell family to see my girlfriend."

"You—"

"Bitch, how dare you mention this?"

Yezi was burning with anger. She rushed to Noah Wu and raised her hand to slap him.

A trace of disdain flashed across Noah Wu's face. Now, in his eyes, Yezi had no choice but to look for trouble.

Seeing that Yezi took action without saying a word, Noah Wu gave her a casual slap.

Bang—

Noah Wu, who had the Heaven-stage strength, was naturally able to deal with Yezi easily.

When the two palms met, Yezi flew back a dozen steps, and the tip of her toes left a long scratch on the ground.

Ye Jianwen, Shen Zhenfeng, and the others rushed over. Sherry Bell rushed over regardless of the expressions on everyone's faces.

"Noah Wu!"

"Wanying!"

Noah Wu threw herself at Sherry Bell and held her in her arms.

Sherry Bell bit her lip. "Why are you here?"

"I have called you several times, and your mobile phone has been turned off all the time.

"I'll come and have a look."

It had only been a few days since they last saw each other. Sherry Bell was haggard and her mental state was not very good. Her face was a little pale. Noah Wu held her tightly in her arms and asked, "Did they make things difficult for you?"

Sherry Bell shook her head. She did not want Noah Wu to be in a dilemma.

However, when the two families saw their actions, how could Ye Jianwen hold back his pride?

"Come on, arrest him!"

## Chapter 320

"Take him down?"

"What a big talk!"

Noah Wu pulled Sherry Bell behind him and looked at her coldly.

"If you're not afraid of death, just let it go."

Sherry Bell anxiously pulled his clothes. "Noah Wu..."

"It's okay! Don't worry. I'd like to see who dares to do anything to you today."

Noah Wu stepped forward and despised everyone.

Yezi's palm had just clashed with his. Her qi and blood surged and she felt like she could not hold on any longer.

This guy's strength was indeed far above him.

Ye Jianwen said angrily, "How dare you!"

"Where are the Ye family's disciples?"

"Yes!"

More than a dozen disciples of the Ye Family shouted in unison.

They quickly gathered together and surrounded Noah Wu and Sherry Bell.

The Ye family's disciples were armed with guns.

The Ye Family had this privilege.

Although Brother Ye Rong and Ye Jianqiu were both martial artists, Ye Jianwen was a literary character who held a high position.

Usually, he was a person with great prestige. At this moment, as soon as he gave the order, there was a tense atmosphere at the gate of the Bell family's courtyard.

You're quite arrogant, aren't you, boy?

"If you have the guts, why don't you take a look at me again?"

Although Ye Jianwen knew that some highly skilled ancient martial arts practitioners could not even shoot with guns, the Ye family's disciples' spear skills were miraculous. They were aimed at the spear skills of the ancient martial artists who had practiced hard.

Therefore, even if Noah Wu could fly, he might not be able to escape.

After killing Qin Haodong, the Ye Family could save a bit of face.

Ye Jianwen said angrily with a dark face, "Qin Haodong, if you are still a man, let go of Sherry Bell and come out to take care of all this."

Noah Wu also nu, "less nonsense, he want to start work though! If I frown, it will not be raised by people! "

Grass!

Ye Jianwen clenched his fists and glared at Sherry Bell, who was closely behind Noah Wu. He complained, "Comrade Zhenfeng, if anything happens to Ling Yuan today, don't blame me!"

Shen Zhenfeng certainly couldn't watch his daughter die, but his daughter hugged with Noah Wu in front of the Ye Family just now. If it were anyone else, they wouldn't be able to bear it.

Although he was unwilling to do so in his heart, he still held back his anger.

"Wan Ying!"

When Mrs. Shen was about to rush to pull her daughter back, Shen Zhenfeng stopped her.

"Leave her alone! Just pretend that you don't have this daughter!"

Sherry Bell's heart sank. She hated him so

much!

She really didn't expect that her father didn't care about family affection for the sake of principle.

How could she just watch him being bullied by the Ye Family at the Bell family's door?

"That's great!" Su Mo nodded and said, "I'll go to

Noah Wu took Sherry Bell's hand and said, "Wanying, since your father is so ruthless, I will take you to wander around the world from now on."

"That's a beautiful try! Today, even if the Ye Family does not hesitate to kill you, they will do everything they can to kill you!"

Ye Jianwen was enraged and bellowed, "Kill him!"

Bang! Bang! Bang!

Sure enough, the disciples of the Ye family did not hesitate and fired directly.

He even ignored the life and death of the Eldest Young Miss of the Bell family.

Noah Wu was furious!

He also made up his mind to go all out.

Originally, he was thinking about giving face to the Bell family, but he didn't expect Shen Zhenfeng to be so heartless.

The Ye Family was even worse. They did not put the Bell family in their eyes at all.

"You are ruthless. Don't blame me for being heartless!"

Seeing that the Ye family's disciples fired, Noah Wu picked up Sherry Bell's slender waist, and her figure suddenly moved. She was like a snake walking like a tiger, and her shadows were heavy.

In the middle of the circle, there was no one.

Noah Wu held Sherry Bell in one hand and used the other to bully a disciple of the Ye Family who was closest to her.

"Crack—"

After the gunshot, only a clear sound of bone cracking could be heard.

The first disciple of the Ye Family's throat was crushed. The disciple's neck tilted and his body was casually thrown away by Noah Wu. He immediately flew out and was riddled with bullets.

He was indeed an elite trained by the Ye

Family. Seeing that the situation was not good, he immediately adjusted his position.

Noah Wu took this opportunity to bring Sherry Bell into her arms.

The momentum of the charge did not diminish, "Phew—"

He threw a punch at the face of one of the Ye Family's disciples.

"Ouch—"

How could this disciple of the Ye Family bear Noah Wu's full blow, and his head was smashed.

Before the maimed body could fall down, it was kicked away by Noah Wu again.

He smashed the disciple of the Ye Family in front of him to death and died on the spot.

Noah Wu did not do anything and kept attacking. His figure was as fast as lightning. He attacked again and again, and in a blink of an eye, he killed two of the Ye Family's disciples.

Just as the rest of the people raised their guns to shoot, Noah Wu suddenly flew up in the air, holding a person in his arms.

"Tong — Tong — Tong — Tong — Tong — Tong —  
Tong — Tong — Tong — Tong —

After kicking 18 times in a row, the remaining disciples of the Ye Family were all kicked away and died on the spot.

In the blink of an eye, the dozen or so people were all dead.

At the gate of the Bell family's courtyard, it was bloody.

Everyone was terrified.

When Noah Wu appeared in front of them with Sherry Bell in her arms, even Shen Zhenfeng couldn't help but break out in a cold sweat.

Ye Jianwen could not remain calm as well. Even he himself felt a chill run down his spine.

Seeing that all the Ye family's disciples had been wiped out, how could Ye Tongrong hold his temper?

He shouted, "Qin Haodong, I'll kill you!"

With a gust of cold wind, Ye Rong displayed the unique technique of the Ye Family, the Heaven's Bane!

Noah Wu turned around angrily and instinctively gave him a Heaven-covering

Hand!

Bang—

The two palms crashed into each other, stirring up a monstrous air blast.

The leaves swayed like swaying leaves in the autumn wind and were sent flying dozens of meters away.

"Thump—"

His body fell heavily on the ground, making a dull sound.

Ye Jianwen cried out in pain and threw himself at him. "Zi Rong!"

"Puff—"

Before he could run over, Yezi spat out a mouthful of blood and lay straight on the ground.

Noah Wu picked up a pistol on the ground with the tip of her foot.

muzzle, pointedly pointed at Ye Jianwen.

Didn't you just say that you wanted to kill me?

"Now I'll return it with my teeth, with my blood."

Ye Jianwen's figure froze and his face turned livid. "Kill me if you dare! It's just that you don't want to leave Heaven Capital alive either!"

"Ha, ha, ha..."

Noah Wu suddenly burst into laughter, which was loud enough to shake the sky.

"I have never prepared to go back alive since I was born!"

Shen Zhenfeng was stunned and looked at this guy awkwardly.

This sentence was too awesome.

Who would have thought that they would still be able to go back alive after giving birth?

Every one of them was going from life to death.

He was a little nervous when he saw Noah Wu pointing his gun at Ye Jianwen.

But he couldn't say it out loud.

Just now, he personally said that Sherry Bell was no longer a member of the Bell family, and he was not qualified to intervene in the affairs between Noah Wu and the Ye family.

Besides, it was the Ye Family who made the first move today. Even though Shen Zhenfeng was an impartial man, he couldn't do anything about it at the moment.

"Ye, since you're so aggressive, I'll kill you

today!"

When Noah Wu was about to shoot, Sherry Bell shouted, "Don't—"

She shook her head and thought, "I can't fire this gun."

The entire sky would be in an uproar once Ye Jianwen was killed.

Besides, she was a member of the Bell family after all. How could she watch the Bell family and the Ye family fall out and become enemies?

Noah Wu said, "You still plead for him. Didn't you see how he treated you just now?"

Sherry Bell took his hand and said, "No! Noah Wu, listen to me. Don't kill him!"

Noah Wu looked disdainfully at Ye Jianwen and said, "I didn't expect that the Master of the Ye Family would ask a weak woman to plead for you. What's the point of you being alive?"

"You—" Ye Jianwen was so angry that his lips trembled and his face turned dark. He was so angry that he almost could not breathe.

(Please give me a likes at the end of the chapter! likes! likes!)

## Chapter 321

When had he ever been insulted like this? He was the Master of the Ye Family.

Not only had the Ye family's disciples been tortured and killed, but even his own son's life and death were uncertain.

What was even more irritating was that he dared to use a gun against his own head.

Ye Jianwen would have been in a fit of rage if it were not for the past few days.

But today he found that he was so helpless.

He believed that this guy would definitely dare to shoot him.

She ordered to kill the two of them just now, but in the blink of an eye, this kind of punishment fell on her head.

Ye Jianwen had never felt so wronged before.

Noah Wu could not care so much and decided to shoot the lord of the Ye Family to death. What could the Ye Family do to him?

Several military vehicles came in a hurry, creak

—

Before the car stopped, Jake Bell jumped out of the car. "Stop! Master, stop!"

Jake Bell gasped and strode over. "Master, show mercy."

The 18 generals of the Bell family got off the car one after another. When they saw the bodies of more than a dozen disciples of the Ye Family on the ground, they were all scared.

Noah Wu raised her eyelids and asked, "Why?"

Jake Bell stopped his gun. "We can't kill him! Master, do him a favor. If you kill him, the Bell family and the Ye family will completely fall out with each other. At that time, no one can escape from the fate of being eaten by Noah family!"

Noah Wu snorted and said, "Really? Since you are so afraid of the Noah family, why didn't this old bastard let go of Wanying?"

How could Jake Bell know about this? He was just shameless to plead for mercy.

Sherry Bell also pulled Noah Wu's clothes. "Noah Wu, listen to my brother's advice!"

"Humph!"

Noah Wu threw the gun and took Sherry Bell's hand. "Let's go!"

"Wait!"

An extremely authoritative voice came from the Shen's courtyard.

The gray-haired old man came out, followed by the butler and several guards.

The old man walked out of the gate and glanced at the bodies of the Ye Family's disciples on the ground. He was a little out of breath.

His eyes fell on Noah Wu, "Young man, how dare you. Do you know where is this place?"

Jake Bell immediately ran over. "Grandpa!"

The old man ignored him and slowly approached, staring at Noah Wu with his sharp eyes.

Noah Wu snorted and said, "Forgive my rudeness. Please tell me where is this place, Mr. Shen?"

"Don't tell me that this is the courtyard of the Bell family, a wealthy family in Heaven Capital. A person who dares not to be angry even if his own daughter was bullied and almost shot to death, don't talk about dignity and face with me."

"You—"

Shen Zhenfeng finally couldn't stand it anymore. He snapped, "How dare you! Qin Haodong, you're so unruly!"

Noah Wu looked disdainful and said, "No matter how lawless I am, it's better than some people who are indifferent and indifferent. If a person is willing to sacrifice his own children for the sake of so-called interests, how can such a person be a parent?"

"Mr. Shen, I'm sorry! From now on, Sherry Bell is my woman, Noah Wu. She has nothing to do with the Bell family!"

"Wanying, let's go!"

After Noah Wu finished speaking, she ignored everyone and pulled Sherry Bell away.

Shen Zhenfeng was trembling with anger. "Somebody come, somebody come!"

Elder Shen roared, "Enough!"

He glanced at Ye Jianwen once more and turned around unhappily to return to his residence.

Shen Zhenfeng quickly asked someone to help Yezi up. "Hurry up, send Young Master Ye back."

Ye Jianwen was exasperated. "Shen Zhenfeng,

let's see what your daughter has done!"

"Somebody! Inform the Second Master..."

Ye Jianwen was about to call someone to inform Ye Jianqiu to hunt down Noah Wu throughout the city. When he finished his sentence, he realized that there was no one around him and that all the disciples of the Ye family had been killed by Noah Wu.

It was too embarrassing. How could Ye Jianwen swallow the humiliation that the father and son had been turned into pieces of trash by Noah Wu?

Shen Zhenfeng glared at his son. "What are you waiting for? Hurry up and send Childe Ye back!"

Jake Bell was a little reluctant, unwilling.

However, for the sake of Yezi's injuries, he had to send him back to his mansion to recuperate.

Shen Zhenfeng returned to the lobby, and Mrs. Shen said anxiously beside him, "Zhengfeng, Wanying left with the young man surnamed Qin. Will she be all right?"

Shen Zhenfeng glared at her grumpily. "Isn't it your habit for her to become like this today?"

Mrs. Shen didn't dare to speak anymore and left timidly.

Mr. Shen came in with a very bad look.

Shen Zhenfeng walked over with an apologetic face. "Dad, I'm sorry for your unfilial behavior. I'm sorry to let you worry about me."

Mr. Shen patted the table and said, "What a farce!"

"As the Master of the Bell family, how could you disregard your dignity so much? How could you let the Ye Family hurt your daughter?"

"....."

Shen Zhenfeng explained with embarrassment, "Dad, what happened at that time..."

"Don't explain it to me!"

"What I want is the dignity of the Bell family!"

The old man scolded, "The young man surnamed Qin is right. If we can't even protect our own children, how can we face up to the dignity of our family?"

Shen Zhenfeng was scolded by the old master with his head full of blood.

But in his heart, he always felt that he was not wrong.

"My daughter made a mistake first. Shouldn't the Bell family give the Ye family an explanation?"

If Qin Haodong hadn't come out to make trouble, there wouldn't be any follow-up trouble.

Now that Noah Wu had killed more than a dozen disciples of the Ye Family, he did not know how to cope with the aftermath.

There were so many people in the two families, but they allowed him to leave.

This guy was so angry. If his daughter was with him, she would not have a good result.

Originally, he wanted to send someone to catch Noah Wu, but the old man had lost his temper. Shen Zhenfeng really didn't know what the old man was thinking about.

In fact, the old man's mind was very easy to understand. For the sake of the two families, the Bell family had done their best to let Ye Jianwen take Sherry Bell away.

But had Ye Jianwen ever given face to the Bell family?

Even if something big happened, you couldn't beat Sherry Bell and Noah Wu to death in front of so many people of the Bell family!

To put it in a bad way, beating a dog depended on its master.

What did Ye Jianwen mean?

It was no wonder that Mr. Shen lost his temper and shouted at Shen Zhenfeng for being too stupid.

He didn't know how Shen Zhenfeng came back and didn't know how he came back. He was too principled.

He believed that his daughter's actions had hurt the Ye Family, so no matter what Ye Family did, he thought that he had no reason to interfere.

Jake Bell Long sent Yezi away and hurried over to find Noah Wu.

As soon as Noah Wu and Sherry Bell returned to the hotel, Zhao Charlotte and Emilia Charlotte, who were going to go to play, saw the two of them come back.

Especially Sherry Bell's face was very pale, Emilia Charlotte asked anxiously, "Sister Wanying, what's wrong with you?"

Noah Wu looked at the two little girls and was a little worried. She asked them not to follow her because they didn't listen to her at all.

He was not joking in the future. There could be a big fight at any time.

With Zhao Charlotte's strength, she was not strong enough to protect Emilia Charlotte.

Here was Heaven Capital, and there were many masters.

Noah Wu said to the two of them, "Your sister Wanying can't go back. Why don't you take her back to York Valley immediately?"

"Huh?"

Sherry Bell said anxiously, "How can we do that? Let's go back together. What are you doing here alone?"

In fact, just now, Sherry Bell had already thought about it. Why don't she go to York Valley by herself? Anyway, there was a villa where she could live. At most, she could go back to work at Emma Corporation.

After leaving the Bell family, wouldn't he still be alive?

However, she also knew that after today's incident, the Ye Family would definitely not let

it go and would definitely make a comeback, so she hoped that Noah Wu would leave with her.

Just when she was in a dilemma, Jake Bell came with the eighteen generals.

## Chapter 322

"Brother, why are you here?"

Sherry Bell greeted him and asked anxiously.

Jake Bell closed the door and said solemnly, "Master, my father is too pedantic. Don't take it to heart."

Noah Wu sat down and lit a cigarette. "It doesn't matter. Anyway, he said that Wanying will no longer belong to the Bell family, so I will take her away."

Jake Bell knew that it was almost impossible to solve the problem in a short time since the matter was in such a mess.

More importantly, the Ye Family would not give up.

Noah Wu had killed so many disciples of the Ye family. When Ye Jianqiu returned, there would be a huge battle.

Ye Jianqiu was not weak, and she was also the mainstays of the Ye family.

Jake Bell hurried over because he wanted to persuade Noah Wu to leave.

However, he also knew his master's temper. Under normal circumstances, how could others persuade him?

Jake Bell said to his sister, "That's good. You can leave Heaven Capital with Master first. I'll deal with the Ye Family first."

"Who said I was going to leave?"

Noah Wu was very upset. Although she had killed more than a dozen disciples of the Ye Family today, it was not her fault.

Besides, if the Ye Family really wanted to investigate, even if they went back to York Valley, they would still chase after them.

At that time, it might even affect the Emma Corporation, which was not what Noah Wu was willing to see.

All problems must be solved here.

Besides, he didn't have time to go to Qin's Family to find out what was going on. How could he leave in such a hurry?

Noah Wu took a drag on her cigarette and said, "With the Ye Family's background, it's no use running to the ends of the earth. They will definitely chase after us. So there's no need to run!"

Seeing that his master was so calm, Jake Bell gritted his teeth and said, "Well, you can do whatever you want! I'll accompany you."

"There's no need to do that!"

Shen Zhenfeng's attitude had already made Noah Wu very disgusted.

He didn't want to have anything to do with the Bell family anymore.

When Sherry Bell and others saw that Noah Wu was angry, they couldn't help but look at each other.

Jake Bell was embarrassed. "Master..."

Noah Wu waved his hand to interrupt him and said, "Take your people away. I will solve the matter of the Ye Family on my own."

"This..."

Jake Bell was in a dilemma. Since the battle between York Valley and Noah Wu, he admired Noah Wu a lot.

He glanced at his sister and said helplessly, "Okay! I'll go back first."

After leaving the room, Jake Bell said in a deep voice, "Everyone listen to me. You all stay here, just in case."

"But you can't be discovered by my master. I'll go home first, and then I'll come."

"Yes!"

The eighteen generals answered in unison.

However, as soon as they got out of the elevator, several cars suddenly came from the entrance of the hotel. Dozens of fully armed disciples of the Ye Family surrounded the hotel in an instant.

Yezi got out of the car with a pair of cold eyes.

But he didn't have time to open his mouth and saw Jake Bell and the eighteen generals.

The eyes of the four people were extremely sharp, and they were both vigilant and angry.

"Jake Bell, it's really your Bell family who is playing tricks!"

"A despicable villain who acts according to the Yang's orders and acts against the Yin's will!"

Jake Bell was also angry. "Cut the crap. If you want to hurt my master, you have to defeat me first."

"Eighteen!"

"Yes!"

"Anyone who dares to take a step upstairs will

be killed without exception!"

The eighteen generals stepped forward and stood side by side with Jake Bell.

Yezi sneered. "Good, good! It turns out that your Bell family has planned to turn against our Ye Family. Okay? Today, I will help you!"

Jake Bell's strength was always not as good as hers.

What's more, Yezi was so angry that she wanted to go mad for a long time.

Since Jake Bell didn't give him face, then don't blame him for starting a fight with Jake Bell.

Back then, Yezi had always been the pride of the Ye Family. After her elder brother exposed his strength, Yezi had been hit once.

"I didn't expect Jake Bell to dare to contradict me."

Yezi couldn't help but fly into a rage.

"Let's disperse! Today, I'll have a good fight and learn from this Young Master Shen."

Jake Bell heard a hint of contempt from his words.

In the past, he was indeed the defeated opponent of the Ye Family. After all, the other

side was a young expert that the Ye Family had carefully cultivated.

The Bell family started to practice martial arts from him, and his strength was not comparable to Yezi's.

But today, Jake Bell didn't accept his anger. If he wanted to hurt his master, he couldn't even open the door.

Seeing Yezi's murderous look, Jake Bell's eyes turned cold and he was ready to accept the challenge.

Yezi was determined to vent her anger on Jake Bell, so she would not show any mercy.

He raised his hand and was ready to kill the master of the final hit of the Ye Family.

At this time, a voice came from outside. "Tut-tut-tut-tut, it's really interesting. The Ye Family and the Bell family have fought with each other. Is this a big spectacle in Heaven Capital?"

A fat young man came out of the hotel.

The man was wearing a very old-fashioned Tang suit, and there was even a pattern like Fu in his clothes.

Behind this man, there were two bodyguards

who were following closely behind.

The temperament and image of the bodyguards were completely different from that of the bodyguards of ordinary families.

At a glance, the insider knew that they were experts of ancient martial arts.

The man in Tang costume walked over with a smile, sat down on the sofa, and crossed his legs.

"Let's do it. I'll be the referee for you."

Yezi's face was black and she was very unhappy.

Jake Bell glanced at him and said nothing.

Yezi didn't strike first. She raised her hand and used a move of the Heaven Killing Technique. It seemed that she wanted to defeat the enemy with one move.

His eyes were full of contempt. Jake Bell Long was no match for him before, but now he might not be.

That was why he wanted to use force to deter this reckless guy.

Kill—!

The shadow of the palm was shaking, and it

rushed to Jake Bell like a ghost.

Jake Bell snorted and raised his hand to respond.

Bang—

The two of them did not waste any time on one move, and they absolutely fought with each other.

Ye Fei's sneer and sarcasm made Jake Bell completely angry.

With a reckless move, the two figures were separated as soon as they touched each other.

In the hotel lobby, the beauties at the front desk were scared out of their wits and looked pale. They covered their small mouths and did not dare to make a sound.

The man in Tang costume sat there with a smile on his face.

He didn't care about the outcome at all. He just wanted to watch the show.

After one move, Jake Bell took four steps back, five steps, six steps...

Finally, he managed to stabilize his body.

Yezi retreated seven steps in a row, eight steps...

His face was red, and his right hand was tightly pressed on his chest.

She looked at Jake Bell with her eyes that were almost in disbelief.

"Jake Bell's strength is actually above me?"

How could this be possible?

Yezi stared at him in a daze.

It was clear that he had always been defeated by his subordinates, and he had been working hard to practice during this period of time. Thus, his skills would only improve and would not regress.

Today, he was actually forced to retreat by Jake Bell's one move.

Yezi suddenly spat out a mouthful of blood as if she had been hit by a great blow.

It was not a big deal for her brother to hide his strength, and even Jake Bell was like this.

In a twinkling of an eye, as a proud person of the younger generation in Heaven Capital, he was actually at the bottom of the list.

Ye Fei's face turned pale.

He glared at Jake Bell angrily. He was too unwilling to give up.

Jake Bell was also surprised. With the guidance of his master, he had made such great achievements in such a short period of time and defeated Yezi?

Seeing Yezi's eyes that couldn't wait to kill people, Jake Bell decided not to do anything. He didn't give up and raised his hand to shout, "One more move!"

"Bang—"

Jake Bell, who was more confident, took the initiative to attack.

PS: I want to tell you something. The update is like this. It will break out at the end of this month. It will break out at least 30 chapters for the first time, and then it will continue to update for five days a day. At present, it has entered the period of deposit. Thank you!

## Chapter 323

They exchanged blows for the second time, without any fancy tricks. They were completely fighting with their strength.

Just like the two experts with profound martial arts, they gave up all their moves and only fought with all their might.

Bang...

After another collision, Jake Bell retreated three steps, while Yezi retreated seven steps.

He felt a suffocating feeling in his chest, and the blood could not help gushing out.

"Puff—"

This time, he was completely desperate.

Jake Bell Long's strength was stronger than his. As a young expert of the Ye Family, he was not only trampled by his brother, but also looked down upon Jake Bell Long now.

Jake Bell knocked him back twice. The other party's strength was obviously stronger than his.

Although it was not too much, at least it could

prove that Jake Bell's strength had recently improved by leaps and bounds.

Yezi stared at him with her red eyes, and she was unwilling to give up.

He suddenly realized that he was a tragedy character.

Since he was stepped on by Qin Haodong, he had been trampled on again and again.

Even Lin Mengya, who had been defeated by Lin Mengya, had stepped on her so hard that she was left standing.

Thinking of this, Yezi spat out another mouthful of blood.

If she was beaten just now, then she was angry now.

The hall of the hotel was filled with the smell of blood.

Jake Bell Long looked down from above and glared at Yezi angrily.

Before this, he really did not have the confidence to defeat Yezi. He did not expect that after he had practiced the mental cultivation method given by his master, his strength had increased greatly.

He didn't believe the first move.

It was not until the second move defeated Yezi that he was sure it was not a dream.

The man in the Tang suit, who had been sitting on the sofa watching the show, flicked the ash. "No way! Yezi couldn't stand it if you weren't her. How could she be injured like this in just two moves? Hey, aren't you the young master of the Ye Family?"

"Puff—"

Yezi spat out another mouthful of blood. It was obvious that the other party had hit him when he was down.

"Master Ye, Master Ye!"

Several of the Ye Family's disciples hurriedly ran over and helped Yezi to shout.

Yezi glared at the young man in the Tang suit with resentment. Then she turned to Jake Bell Long Taoism and said, "You have guts! Jake Bell!"

"From now on, your Bell family can't live in peace."

Jake Bell did not show weakness. "Don't talk nonsense. Since I dare to fight with you today, I am not afraid of your Bell family's trouble! If

you have anything to do with me, just come to me!"

Yezi held back her pain and ordered, "Tell the Second Master immediately, let the two elders come out!"

"Huh?"

Jake Bell's expression turned serious and he cursed in his heart, "Oh, no."

The two elders of the Fengyun family were the amulet of the Ye Family, and they were also the experts of the current generation of the Ye Family.

What Bailichuan, Ye Jianqiu, the juniors, in front of Feng Yun Er Lao, can only be regarded as juniors.

It is said that the two's cultivation practices have already broken through the realm of heaven.

In order to save face, Yezi actually wanted to use these two old monsters.

The man in the Tang suit on the sofa said, "Yezi Fei, you don't have to be so boring, do you? You can't beat Jake Bell, and you actually want to reveal all the secrets of the Ye Family? Is it interesting?"

"Jake Bell Long was defeated by you so many times, and you didn't see him crying and screaming."

"Since he is a big man, he should be able to afford it. Otherwise, he can't afford to lose!"

Yezi was furious. "What does it have to do with you? This is the grudge between me and the Bell family. Are you going to intervene?"

The young man in Tang costume sneered. "You don't have the time to interfere with me. Since you two are fighting here, I'll take this opportunity to watch a show where I don't need tickets. Why not?"

Jake Bell didn't say anything.

He didn't want to offend this fat guy.

After all, the status of the Chens in Heaven Capital was not something to be trifled with.

The Chen family was the richest family in the entire East China Sea.

It was the Rothschild Family, which was called the east.

No one knew how much wealth their family had.

Some people said that it was at least worth

more than a billion yuan.

In fact, it was even more than that.

Anyway, there were many famous commercial streets in Heaven Capital, all of which belonged to the Chens.

Including the most luxurious real estate and shopping mall.

This was a mysterious family that was not only an official in the imperial court, but also had the power to control the economy of the whole East China Sea.

What was even more shocking was that the Chens' industry was hardly listed in the market, and they were the most obscure rich people.

The young man in front of him was the only male of the Chens.

Chen Fan was called Fatty Chen, and some people called him Chen Sanfu.

However, he didn't take it seriously. Instead, he smiled and was very easygoing.

There were two older sisters on the third fat man's head. The eldest sister was already married and the second sister was still in her boudoir.

The hotel where the two of them were fighting today was the Chens' estate.

Yezi was choked by fat man Chen and was speechless.

No matter how powerful the Ye Family was, they did not want to offend the Chens easily.

After all, the power of this family was too great. Not to mention anything else, the two bodyguards around him were also extraordinary Ancient Martial Arts experts.

There was a famous saying in the Chen family that money could lead to heaven.

They were used to using money to settle everything, and also to use money to get everything.

Fatty Chen looked at Jake Bell Long Taoism and said, "Jake Bell, you have been defeated by Yezi Fei before. Today, you are very proud. Brother, I support you!"

Although Jake Bell was not as good as others in the past, he was righteous and good at making friends.

He didn't have a close relationship with Fatty Chen, but he had a good relationship with Fatty Chen.

Hearing Fatty Chen's words, Jake Bell Long Taoism said, "Thank you. It's just that I don't want anyone to interfere in today's matter. I appreciate your kindness."

"Alas!"

What did that mean?

Fatty Chen was surprised.

The Bell family was really not as good as the Ye family. How could he refuse his help?

Yezi said coldly, "Damned fatty, don't think that your family has so much money that you think you're great. Let me tell you, today's feud between the Ye Family and the Bell family, even if your Elder Master Chen comes forward, it's useless. If Jake Bell continues to be stubborn, he will only drag the Bell family into a state of ruin."

"Ahem—"

Yezi coughed and said with hatred, "No one can leave alive after the arrival of the Wind-cloud Two Elders!"

"Oh! According to what you said, the Wind-cloud two elders are invincible in the world?" Fatty Chen was very disdainful.

"If the two old men are really as powerful as

you said, your Ye Family has already surpassed the Noah family. Why do you have to be suppressed by the Noah family for so many years?"

The fat man didn't give face and directly revealed the Ye Family's shortcomings.

The cultivation of the two Lords of Wind and Cloud was indeed very high, but after all, there were more powerful ones who had the upper hand.

Fatty Chen said, "Ye Fei, it's not a big deal for you to act wildly in my place today. If you dare to ask the two elders to arrest people here, you Ye Family can take care of it yourself!"

"You..."

The fat man protected the Bell family so openly, and Yezi was so angry that she vomited blood.

He glared at Fatty Chen and said, "Let's go!"

The Ye Family came in a threatening manner and left exasperatedly.

Fatty Chen walked over to Jake Bell and patted him on the shoulder. "Hey, didn't your sister marry Yezi? Why did you fight?"

Jake Bell was still unwilling to let the Chen

family get involved. He advised Fatty Chen, "It's hard to say. Let's talk about it later. But I still hope you don't intervene."

Fatty Chen waved his chubby hand and laughed. "I thought you would tell me that your sister won't marry into Ye Family. Ah, Jake Bell, I have told you that I like your sister for a long time. If she doesn't want to marry Yezi, I will be the first to sign up."

Jake Bell raised his middle finger at him. "You don't want to play anymore! Give up."

"What's wrong? Did he give others another one? Sh\*t! I'm not convinced. Tell me, who is he? I'm going to duel with him!"

Dazed by you, my sister is older than you. This guy is just cheap-mouthed and full of nonsense.

Tinkle—

The elevator door rang, and Noah Wu and Sherry Bell came out together, followed by Emilia Charlotte and Zhao Charlotte.

Seeing this scene, Fatty Chen cursed in his heart, "F\*ck! Who is this guy?"

## Chapter 324

He really couldn't tell what advantage the man in front of him had.

"Is he more powerful than the Ye Family?"

"Are they richer than the Ye Family?"

"Or is it better than Yezi's kung fu?"

If it were those wealthy and powerful disciples in Heaven Capital, he would have known them.

"What is the origin of this guy in front of me?"

Fatty Chen was not happy, so he turned around and walked toward Noah Wu and Qin Haodong.

Jake Bell hurriedly stopped him. "Master!"

What?

Master?

"Are you kidding me?"

Fatty Chen looked at Noah Wu with a very strange look and asked, "Are you his master?"

Before Noah Wu could speak, Zhao Charlotte rushed up and said, "My master doesn't accept fat people!"

Sun!

At that moment, Fatty Chen even wanted to die.

Since when have I, the Eldest Young Master of the Chen family, degenerated to acknowledge him as my master?

He glared at Zhao Charlotte. "Do you know who I am?"

Zhao Charlotte said disdainfully, "You are not handsome. Why should I know who you are?"

"Puff—"

Jake Bell quickly pulled Zhao Charlotte and said, "Senior sister, don't talk nonsense. This is Master Chen."

Master Chen?

Noah Wu raised her eyelids and asked, "Which Master Chen?"

"....."

"Fatty Chen is so embarrassed that there is someone who doesn't know me?"

"Even if I'm not handsome, I'm quite eye-catching when I walk out of here."

Ahem, ahem—

He patted Jake Bell on the shoulder. "Tell him

who I am."

Jake Bell was about to explain, but Noah Wu said, "Tian Long, go and tell the Ye family that there is no need to cause so much trouble in the city. I will come to the house in person tonight and see what they want to do."

When Shen Wanting heard that Noah Wu was going to the Ye family, she was the first to be anxious. "Noah Wu!"

Noah Wu waved his hand and said, "You don't need to say that. These things will be faced sooner or later. Why do you need to hide?"

Jake Bell was stunned. "But..."

"Master, there are two masters of the Ye family, the two elders of the Fengyun family. You'd better not go."

Noah Wu glanced at him, and Jake Bell actually lowered his head with some guilty conscience.

"Isn't this statement too low-class? Isn't it a way to boost others' morale and destroy one's own prestige?"

"I see, Master! I'll go right away."

Just now, Jake Bell was also very excited that he had defeated Yezi in one fell swoop.

Just as he was about to leave, Fatty Chen stopped him.

"Wait, Jake Bell, is he really your master?"

"Of course, it's not true."

"Damn, since he is your master, why is your sister with him? Are you kidding me?"

"Sherry Bell, why did you kick Yezi and get together with him? It doesn't make sense."

Noah Wu took another look at the fat man. It seemed that he often wasted a lot of food since he was so handsome.

Jake Bell was a little unhappy. Seeing this, he quickly grabbed Fatty Chen and said, "Don't make trouble. Don't blame me if I get beaten later."

Then he explained to Noah Wu, "Master, don't mind him. He is the eldest son of the Chen family, the largest financial group in the world. He is a bit mean, but he is righteous."

Noah Wu had already known that the family's financial resources were as rich as that of an enemy.

Unexpectedly, the Chens was so rich, but they gave birth to a son as fat as a bear.

Seeing that he was very familiar with Jake Bell, Noah Wu did not care. He shouted at Sherry Bell, "Let's go!"

"Ah... Hey..."

Fatty Chen was a little anxious. It was too much!

"He actually doesn't respect me?"

Fatty Chen was not convinced when he saw Noah Wu and the other three leaving.

"This guy is so cruel! Compared with me, he's just pretending."

With a mutter, he shouted at the bodyguards behind him, "Keep an eye on them and see where they go."

"What do you want?"

Jake Bell grabbed him and said, "Don't do anything stupid!"

Fatty Chen smiled evilly. "I'll help you to test him. I'll see if he's qualified to be your master."

Jake Bell was speechless. "I was slapped to death by my master. Don't blame me for not reminding you."

He wanted to send a letter of challenge to the Ye Family, but he didn't have time to fight with

him.

Besides, Noah Wu and the other three went out of the hotel and found a restaurant to eat.

As soon as he ordered the dishes, Fatty Chen came in.

He walked directly to Noah Wu's table. After the bodyguards behind him pulled the chair for him and sat down, he looked at Noah Wu.

"What do you mean? No one dares to refuse me in Heaven Capital. Why are you so arrogant?"

"Believe it or not? As long as I say a word, no one will dare to sell it to you in the whole sky."

Fatty Chen's words were absolutely not an exaggeration. Last time, some people didn't appreciate his kindness, but they didn't eat or stay in the hotel for the whole day.

Sherry Bell said sullenly, "Fatty Chen, are you done yet?"

Fatty Chen crossed his legs and stretched out his fingers. The bodyguard behind him immediately took out a cigar cigarette and handed it to him.

And respectfully lit a fire for him.

Fatty Chen took a deep breath. "I'm not here to

make trouble. Well, you give Wanying to me, and you can go to Ye's Manor at ease. If you can come back alive, Wanying will still be yours. If you can't come back alive, hehe..."

"Of course, for the sake of you being the master of Tianlong, I will ask someone to help you collect the body."

Noah Wu frowned and slammed the table.

The toothpick on the table flew up and shot at Fatty Chen like a rain of arrows.

A trace of disdain flashed across Fatty Chen's face, but he did not take it seriously at all.

When the bodyguards behind him saw this, their faces changed greatly. They directly rushed from behind, whoosh—

Two figures flashed past Fatty Chen, as fast as a ghost.

The two men took all the toothpick away, and they still stood by Fatty Chen's side, one left and the other right, after changing their positions.

"Shadow-shocking Wind?"

Noah Wu was slightly stunned. What they were using was actually the so-called fastest Lightness Skill in the world, which enabled

people to come and go as if they were ghosts. She didn't expect that they would become bodyguards for Fatty Chen. Noah Wu misjudged them.

Without waiting for Noah Wu to think too much, both of them came close to Noah Wu, and each of them struck out a palm to hit Noah Wu's vital parts.

Noah Wu's palms were sent flying, and his wrists trembled.

Bang—

Fatty Chen's two bodyguards were blown away.

Eh?

Fatty Chen was stunned. When he saw that the two bodyguards were going to fight again, he couldn't help shouting, "Enough!"

"Shame on you!"

He didn't expect that they couldn't defeat Noah Wu alone with their strength. He knew that they wouldn't be able to get any advantage if they continued to fight.

Zhao Charlotte stood up. "Damned fatty, what are you going to do?"

Fatty Chen glanced at her indifferently. "All right, I'm not interested in you. You're like a man's wife."

He looked at Emilia Charlotte again and said, "This little girl is not bad. She is quite beautiful. When she grows up, she will definitely be a beautiful woman. Why don't you stay and be my concubine?"

Sherry Bell was speechless. "Have you finished? Let's go after that. Don't hinder us from eating."

Fatty Chen raised his eyelids. "Sherry Bell, why are you so anxious to drive me away? I came to help you for your brother's sake."

"Help us?" Sherry Bell was even stranger.

"That's right! You have offended the Ye Family. How can the Ye Family let it go?"

"You are, after all, a member of the Bell family. Don't you even understand this principle?"

He took a drag on his cigarette and then fixed his eyes on Noah Wu. "How about this? If you join us, I promise that the Ye Family won't dare to touch you!"

"Of course, you can offer a price. The Chens never put money in their eyes."

"He's so awesome!"

As rich as they were, their words were such a blow to people.

Emilia Charlotte curled her lips. Emma Corporation had a market value of tens of billions, which could be regarded as a wealthy family in York Valley. But compared with it, it was not worth mentioning at all.

There was too much money in the Chens!

There were so many of them that it was beyond one's imagination.

That was why he was able to blow this piece of leather out.

Noah Wu only said one sentence, "If you don't go, I will throw you out!"

## Chapter 325

Fatty Chen's face changed. He clenched his fists, stared at Noah Wu for a while, and said grumpily, "Let's go!"

Before he went out, Emilia Charlotte said, "The fatty guy is so annoying!"

"That's right! He's not only fat, but also thick-skinned."

Zhao Charlotte was unwilling to fall behind, so she added the knife immediately.

Fatty Chen looked back at the two girls and said, "I'll remember you two! Sooner or later, I'll beat you a hundred times."

After that, he went out and got into the Rolls-Royce which was worth more than 20 million yuan at the door.

There was no sales in this car market at all. It was made by the Chen family in the original factory.

At that time, the Chens ordered five cars at a time, whose cost ranged from more than 20 million to 100 million yuan. The car that Fatty Chen drove was the lowest one among the five

cars.

If it was his father Chen Buping's car, it would be even more frightening.

Watching Fatty Chen get in the car and leave, Sherry Bell shook her head. "You two don't provoke him. Once this guy is serious, it will give you a headache."

"Last time, a new building was launched, and a sales lady offended him. As a result, he bought the whole building, including all the staff of the sales department, and forced them to sign the contract of selling their bodies."

"How was it going after that?"

Emilia Charlotte was curious.

Sherry Bell looked embarrassed. "He directly stopped the sales lady's job and sent two bodyguards to keep an eye on her every day. The salary is doubled, but there's nothing to do."

"Isn't that good?"

Even Noah Wu was surprised. The salary doubled, and there were bodyguards. What kind of game was this kid playing?

Sherry Bell blushed and said, "What are you talking about? The girl has worked for eight

hours and she really doesn't have to do anything. But he let his family watch that kind of film every day, and he doesn't allow any man to approach her. The girl was tortured to be crazy."

"....."

"Bullshit!"

What a pervert.

Even Noah Wu was inferior to him. How could there be such a bitch?

He asked her to watch the movie but did not touch her. The mental torture was ten thousand times more painful than physical torture.

It was no wonder that Sherry Bell was embarrassed to say something.

Although Zhao Charlotte and Emilia Charlotte were only 17 or 18 years old, they also understood what was going on.

In terms of the whole thing, the two of them were experts.

But he was still not as good as Jian Wushuang.

However, the two of them seemed to have

learned another move. The two Ghost girls looked at each other and smiled tacitly.

Noah Wu said to Garrick, "You stay in the hotel after dinner. I'll go to Ye's house."

"Charlotte, you have to protect Wanying and Yating well. At that time, I will call Tianlong to come over."

"Master, let me go with you?"

Zhao Charlotte heard that her master wanted to go to the Ye family alone and offered to ask for it.

Noah Wu glared at her and said, "You and I have gone. Who will protect them?"

"Oh!"

Zhao Charlotte did not dare to speak.

Emilia Charlotte said, "Let's go together!"

Noah Wu ignored her, turned back and said to Sherry Bell, "You'd better take them back to York Valley as soon as possible. I've settled the matter here, so I'll naturally go back."

Sherry Bell bit her lip and said, "Okay!"

If the two little girls were in a hurry, why would Sister Wanying agree to him?

By the time the four of them finished their

meal, it was already dark outside.

Noah Wu went to the Ye family alone, and Sherry Bell and the other two went back to the hotel.

On the way, Emilia Charlotte said gloomily, "Sister Wanying, how can you promise him? Shall we go together?"

Sherry Bell stopped them. "I did this just to prevent him from being distracted. You also know that there are a lot of masters behind the Ye Family. If he knows that we are following him, he will think of our safety in his heart. This will only bring him danger."

Emilia Charlotte curled her lips and said, "Okay, I see."

After returning to the hotel, Zhao Charlotte crossed her arms over her chest and pondered. "No, we can't wait like this. Let's go to have a look quietly and don't let our master find out. If we can help, we can do it. If we can't, we can leave."

Just then, Jake Bell came back.

After listening to Zhao Charlotte's suggestion, he said to Sherry Bell, "How about this, I will leave the eighteen generals to protect you, and

the three of us will go over."

Sherry Bell was anxious. "Why do you leave so many people to protect me? Why don't I go with you? One more person and one more force."

"Let's go!"

The four of them clapped together and hurried to the Ye Family.

It was just late at night, and the evening lights had just started to light up.

Almost everyone in the Ye Family's courtyard had been dispatched.

All the members of the Ye Family, including dozens of Ye Family's disciples, gathered together.

The two silver-haired old men were the most powerful elders of the Ye Family. They were Fengyun and Fengyun.

At the gate of Shen's house, Noah Wu attacked and killed more than a dozen disciples of the Ye Family, and then seriously injured Yezi. The Ye Family was preparing to chase Noah Wu all over the city, but they didn't expect that he dared to send Jake Bell to send a letter of challenge.

How could the Ye Family swallow this?

However, according to the current situation, no one in the younger generation of the Ye Family was a match for him, and even Baili Chuan was defeated by him. The Ye Family dared not be careless any more and decided to move out the two elders of the Fengyun family to take charge.

Old Master Ye's face was livid. The dignified Ye Family couldn't even deal with a small Noah Wu. Wouldn't it be a joke for other families?

Old Master Ye slammed the table and flew into a rage.

A pair of yellow-haired eyes stared at Ye Jianqiu. The two brothers of the Ye family, one was learning literature and the other was learning martial arts.

Ye Jianwen was a government official, and Ye Jianqiu was undoubtedly the master of the martial technique of the Ye family.

He usually told himself that the Ye family's martial arts technique had made great progress over the years, especially Ye Rong, who had broken through the shackles of the Ye family's martial arts technique in talent and had actually broken the Heaven-covering Hand

of the Noah family's mental cultivation methods.

This achievement was obviously the pride of the Ye Family.

"Why can't I even deal with an abandoned son of the Noah family?"

Ye Jianqiu looked embarrassed. "Old Master, this kid is indeed very odd, so we're completely suspecting that he's a spy of the Noah family. This is also part of our guess. The Noah family wasn't really planning to chase him out back then, but instead, they're secretly training him."

Master Ye said angrily, "So even you can't beat him?"

Ye Jianqiu shook his head. "From the way he fought Baili Chuan, I'm afraid I'm no match for him."

"However..." Ye Jianqiu paused for a moment before continuing, "With the help of the two elders, this kid will definitely die."

The silver-haired Mr. Fengyun and Mr. Fengyun calmly sat there and drank tea.

Second lifted his eyelids. "Jian Qiu, where's the thing I asked you to prepare?"

Ye Jianqiu replied, "My Second Master,

everything is ready. It's right in the yard."  
Second burst out laughing. "Okay!"

"I haven't fought in person for a long time. I'd like to see what's so special about the mental cultivation method of Qin's Group."

Boss Feng glanced at him and asked, "What's the reaction of the Noah family?"

While they were talking, someone came from outside and reported, "Qin Changhe is coming!"

Sure enough, the Noah family could not hold their breath, and even Qin Changhe, the Master of the Noah family, came forward in person.

However, the Noah family had always been on bad terms with the Ye Family. They were fighting openly and secretly. What did he come for?

Someone said indignantly, "Does he want to support his illegitimate son?"

"Forget about him. What can he do if he comes?"

Mr. Ye's face was dark. "It's just in time. Let the Noah family see how the Ye family will deal with the Noah family."

"Men, let him in!"

At the gate of the Ye family's courtyard, a middle-aged man with a square face, thick eyebrows, dignified face, and a strong momentum stood at the gate with his hands clasped behind his back.

He looked up at the plaque of the Ye family's courtyard.

Ye Jianqiu walked out with a feigned polite expression. "Comrade Changhe, I didn't expect you to be so elegant. Please, please!"

Qin Changhe nodded and walked into the gate.

In the spacious yard of the Ye Family, there was a huge iron head. This cage was made of stainless-steel, and there was blood on the steel cage and pillars. Qin Changhe glanced at it. Ye Jianqiu immediately smiled and said, "Mr. Changhe, this is the special use of our Ye Family to deal with those disobedient servants. What do you think of this quality?"

Qin Changhe sneered and said, "As the saying goes, when you don't want to do what you don't want, don't do it to others. Comrade Jian Qiu, aren't you afraid of being caught in your own trap?"

Ye Jianqiu laughed heartily. "Don't be nervous,

Comrade Changhe. Our Ye family has used it to shut up dogs."

He looked at Qin Changhe's expression and a sinister smile flashed across his face.

## Chapter 326

As soon as Qin Changhe arrived, someone came in and reported, "Young Master Qiao is here!"

Qiao Tianyuan?

Why did he come?

The Qiao family and the Ye family were very close, but they didn't expect that this kid was so well-informed that he also came to join in the fun.

Qiao Tianyuan rushed in excitedly and greeted Ye Jianqiu.

It seemed that he was very concerned about this matter.

Qiao Tianyuan was the first person to witness Noah Wu injuring the Ye brothers. When he heard that Noah Wu challenged the Ye family, how could he miss the opportunity?

To be honest, he was very upset with Noah Wu.

Qiao Tianyuan was here to watch the show. If he dared to make trouble in the Ye family, he

would probably be killed by the Ye family. When he saw the huge cage in the courtyard of the Ye Family, he couldn't help laughing.

Just thinking about it, this iron cage was definitely prepared for the family name Qin.

"Damn it! You're going to rob Isabella Charlotte from me."

All of a sudden, Qiao Tianyuan felt very happy, as if he was holding his head high.

And he also wanted to know if the Noah family and the Ye Family would cause trouble for this matter.

Qin Y Tianpeng was missing in York Valley, and Qin Changhe had sent someone to York Valley to look for him.

The Gray family was also working hard. After all, Qin Y Tianpeng lost contact with them after the Gray family left.

Now, the matter of the major families became more and more complicated.

Just as he was about to watch the show, a rough voice came from outside.

"How can I be missing in such a lively scene?"

Chen shore, the fat man, walked out of the

Rolls-Royce, which he had just driven. Behind Chen Bin, there were two bodyguards. The two of them looked indifferent and dressed strangely. At first glance, it seemed that they were not normal people.

The fat man walked in casually and looked at the wide flat ground of the Ye Family.

"Hey, what's the use of this cage?"

Qiao Tianyuan came over and said, "Of course, it's to keep wild beasts away."

"But I'm afraid it's a little special today!"

Fatty Chen glanced at him. "Be careful and lock you in!"

Qiao Tianyuan's face turned cold. "Damned fatty, who are you scolding? If I want to lock you up, I'll treat you like this. I'm so handsome. Is it too much of a disharmony to shut you up?"

"It's different as long as you go in. What's the difference between you and a beast?"

Chen Ping smiled disdainfully and went to the lobby.

The Ye Family also did not expect that Noah Wu had issued a letter of challenge to their

family, but it had attracted so many people to watch.

These were all big families in Heaven Capital, and they had profound backgrounds.

But no one knew the real intention in their hearts.

However, at this point, there was no way for the Ye Family to avoid it.

If there was no accident, Qin Haodong should be here soon.

While they were calling the servants to pour tea for the guests, the housekeeper came in a hurry. "Second Master, Second Master, Mr. York Valley Cheng is here."

What?

"Even Old Master Cheng is here?"

"It can't be!"

Ye Jianqiu pondered for a moment and went out to greet him personally.

The Gray family of York Valley had a good relationship with the Ye family. The last time he went to York Valley, it was the Gray family who received him.

Without considering the relationship between

the family and other families, they also maintained a lukewarm state. They had always been tolerant of blaming anyone.

Ye Jianqiu thought to herself that Elder Cheng was not here for Qin Haodong.

It was impossible for him to predict the future. Since Master Cheng had come to Heaven Capital, there should be other things.

When he greeted Mr. Cheng, he found that Cheng Tieying was by his side.

Usually, Mr. Cheng would go out with his third brother, the eldest brother Cheng Iron Mountain, and the second brother would also be in charge of the important affairs of the Gray family.

The third brother drove with him.

"Why are there so many people in the Ye family? The Noah family, the Qiao family, and the Chen family?"

Was there something serious going on in the Ye Family today?

After the father and son came in, they also sat down after exchanging greetings with these people.

Ye Jianqiu did not have time to ask Mr. Cheng

about the purpose of his visit. He only had one thought in his mind when he saw the rich and influential families in the Heaven Capital in the Jiji Hall. If he dared to come over, he would not lose the face of the Ye family.

At this time, Master Ye came forward and solemnly said to everyone, "Since everyone has come intentionally, I don't want anyone to be involved in the next matter. The Ye Family has suffered such a great insult, which can't be tolerated!"

"Of course, I also hope that some people can be quiet. This is the personal grudge of our Ye Family."

His words pointed directly to the Noah family.

Qin Changhe didn't say a word and just glanced at Mr. Ye calmly.

Mr. Cheng felt strange in his heart. What on earth had happened? It made the Ye Family so nervous.

While he was muttering, someone outside came in and shouted, "Qin Haodong is coming!"

At the gate of the Ye family's courtyard, the light stretched the figure of Noah Wu Ji.

He was single-handedly armed and his face was gloomy. When he walked to the gate of the Ye Family, he looked up at the plaque.

Ye's Manor!

Dozens of Ye family's disciples rushed out of the yard. All of them looked nervous, as if they were facing a formidable enemy.

Ye Jianqiu stepped out of the gate and stared coldly at Noah Wu.

"Kid, I didn't expect that you would dare to come here!"

Noah Wu looked at him and said, "Cut the crap. Let's end this!"

Ye Jianqiu scoffed coldly. "What did you say? Do you still want the Ye family to be involved?"

"So what do you want?"

Noah Wu was also a little aggressive. Since I am here, I am naturally not afraid of you.

Ye Jianqiu said, "Today, you won't be able to escape even if you have wings. I'm Qin!"

Noah Wu didn't stand on ceremony and said, "It depends on your family's ability."

Ye Jianqiu's face darkened. "Let him in!"

The Ye family's disciples gave way to a path,

and Noah Wu strode in.

"Creak—"

Behind him, the door of the Ye Family was closed.

Noah Wu's expression turned serious, and he was extremely unhappy.

Too much!

Sherry Bell had said that the Ye Family was so narrow-minded. It was true.

"What do you mean by using such a trick to scold me?"

After entering the courtyard, there was an open space in front of them.

Noah Wu stood in the middle of the field and said, "Since I'm here, I'm not afraid. You can just let it go!"

Dozens of people came out of the lobby, and Mr. Cheng and others rushed out one after another.

Noah Wu did not expect that her fight with the Ye Family had alarmed so many people.

"Even Old Master Cheng is here. What the hell is going on?"

Among them, a middle-aged man, who had a

dignified face and looked like Qin Y Tianpeng, had been looking at him with his eyes all the time.

He didn't know what the other party meant, but his eyes seemed to be looking for something.

At the sight of Noah Wu, Elder Cheng cursed in his heart. "Oh no!"

Originally, he wanted to ask what had happened. Unexpectedly, he remembered the words of Master Ye just now. He obviously showed his attitude and didn't want anyone to intervene.

Only Fatty Chen was open-mouthed and shouted, "Younger! Little Qin, I don't respect anyone at ordinary times, so I admire you. How dare you challenge the Ye Family?"

"But it doesn't matter. Even if you lose, you will be beaten up and can't take care of yourself. The next half of your life belongs to me."

"What the f\*ck!"

"What does this guy mean?"

But his words immediately aroused the dissatisfaction of the Ye Family.

Qin Changhe had been looking at Noah Wu for a long time, which attracted Elder Cheng's

attention.

Ye Jianqiu was also paying attention to the situation, but everyone shared a tacit understanding with each other.

"No way!" thought Qiao Tianyuan to himself.

Qin Changhe seemed to have something to do with their family.

"Doesn't he know about Qin Y Tianpeng?"

While everyone was wondering, two figures suddenly appeared.

Two white-bearded elders with hair appeared in front of the crowd.

"Holy crap! The Wind-cloud two elders?"

Qiao Tianyuan couldn't help but scream.

It was said that the two elders of the Fengyun Family were reclusive masters of the Ye Family. Unexpectedly, in order to deal with Noah Wu this time, they even made use of the last piece of chess.

Not to mention others, even Qiao Tian Yuan knew that the strength of the two old guys had already broken through to the Heaven-stage Realm.

In Heaven Capital, he could be counted as one

of the top two figures.

For the sake of face, the Ye Family almost staked all their capital on it.

The appearance of the two old men shocked everyone, and even Qin Changhe did not expect it.

Elder Cheng was even more surprised. It seemed that the Ye Family was making a desperate bet.

## Chapter 327

Two experts in the Heaven Stage Realm stood in the courtyard. Not to mention fighting, the momentum alone was enough to shock people.

In the evening breeze, the two strong men's silver beard fluttered and their eyes were as sharp as the sun.

The two old men stood with their hands clasped behind their back and looked at the young man in front of them with two pairs of eyes.

The eldest brother said, "Boy, you are the first one who can force me and my brother to come forward together for so many years. I don't care what mental cultivation method you are practicing, nor do I care who you are behind the scenes."

"I advise you that if you are smart enough to lose your power and own your legs, I can consider saving your life."

"Yes! Otherwise, you will spend the rest of your life in this cage!" Second pointed to the bloody

iron cage.

Ye Jianqiu said loudly, "Seniors, you don't have to be so polite to him. This kid injured our brothers and killed more than a dozen of our Ye family's disciples. How could he let go of such humiliation so easily?"

Old Master Ye sat there with a dark face, and his eyes were almost bursting out fire.

Noah Wu smiled coldly and said, "As a man, I am not afraid of you two old guys since I am here. You two don't need to pretend to fight, and you will die at the Early-stage of Heaven Class. If it's a one-on-one fight, I don't know who will be the winner."

"Bullshit!"

Second was furious, and his beard was raised. "I've reached the Intermediate Heaven Realm, and I can handle you by myself!"

The two elders of the Wind and Cloud, the oldest had a gentle temper, and the second one was irritable. As expected, he jumped up as soon as he was provoked.

Indeed, it was hard for him to reach the medium stage of the Heaven Stage, but you said that he was only at the primary stage.

How could he not be angry with you?

A Heaven-stage master could be regarded as a peerless master. How could the two elders let him lower his level?

Elder Cheng frowned and shook his head secretly.

He didn't expect Noah Wu to have such a brain. If it was a one-on-one fight, he might still have a chance to win.

If the two of them were to fight together, he would definitely not have the confidence to win.

In fact, even if it was a one-on-one fight, Noah Wu's middle-level realm would be very difficult for him to deal with other people's intermediate realm.

Even if he resolved the embarrassment of the two men's joint attack, it was estimated that it would be difficult to win.

Qin Changhe saw it, and his eyes did not leave Noah Wu from beginning to end.

Cheng Tieying was even more confused. Why did Noah Wu fight against the Ye Family alone?

Cheng Tieying knew a little about the grudge

between Noah Wu and the Ye Family.

When the Ye Family heard that Noah Wu had robbed the Ye Family's future daughter-in-law and injured Yezi's brother, how could the Ye Family let it go?

Even Baili Chuan of the Ye Family was defeated by him, but he was still recovering in the Cheng Family.

It seemed that this feud could not be resolved.

The eldest of the two elders had already retired, leaving the venue for Noah Wu and Zhu Benzhen.

Yun Second's face was cold. His temper was completely out of proportion with his age.

He stood in the middle of the field and said angrily, "Boy, I'll let you have three moves. I don't want anyone to say that I'm bullying the young!"

"Are you sure?"

Seeing their arrogance, Noah Wu took two steps forward and stood in front of Yun Laoer.

The two of them were more than 20 meters away from each other. The bright headlights of the Ye family lit up the whole yard as if it was daytime.

Second Young Master Yun's silvery hair was stretched out, and his imposing manner was majestic.

Noah Wu pulled out the posture and performed the first move of the Qin's mental cultivation method, opening the prelude to this decision-making.

This seemingly ordinary but all-embracing move, which contained tens of millions of changes, was exactly the identity symbol of the cultivation method of the Noah family.

Yun Laoer frowned. He could tell that the man was using the orthodox mental cultivation method of the Noah family.

Many people saw this and secretly guessed.

Ye Jianqiu's expression was cold as he cursed in his heart. He had even said that he had nothing to do with the Noah family. Wasn't he being exposed?

Qin Changhe's face was solemn, but he didn't say a word.

Noah Wu's first move, like a thunderbolt, cut through the sky and covered the whole area.

He didn't dare to be careless when dealing with such people as the two elders of the Wind

and Cloud Sect.

The corner of Second Young Master Yun's mouth twitched, and it was obvious that he was shocked.

Bang—

Then came the Killing Move.

He promised to let Noah Wu take three moves. Of course, he couldn't break his promise.

After taking the blow, Second Young Master Yun's body shook and his eyes bulged.

What the f\*ck!

This kid was also a strong man in the Heaven Stage. No wonder he was so arrogant.

He had always thought that he was not strong enough to be at the Peak of the Earth Stage, but he had already broken through to the Heaven Stage.

Second Brother Yun seemed to regret it. If he had known that this guy was so powerful, he would not have bragged about it at the beginning.

However, he was only in the middle stage of the Heaven Stage, while the other party was only in the primary stage.

After three moves, it would not take long for him to deal with this kid.

However, after Noah Wu made a move, his figure bounced back with borrowed force, drew a beautiful semicircle in the air, and suddenly turned back.

The second move!

"It's just in time!"

Second Brother Yun bellowed and raised his hand to take the blow.

Noah Wu suddenly changed his moves and said, "The third move!"

"What the f\*ck!"

"What kind of playfulness is that?"

Yun Laoer hadn't finished scolding, and the two moves were actually added together.

With a loud boom, a dazzling light burst out in front of them.

A strong wind blew on his face. Yun Laoer's white beard and hair were like an angry lion, and his eyes were wide open.

He shook his legs and led the force to the ground.

The thick bluestone floor, with his feet as the

center, cracked quickly in all directions. This move borrowed strength to fight, but was resolved by Old Yun.

Even so, as a senior in the martial arts world, Yun Laozi seemed to be a little embarrassed.

After three moves, he was really furious.

"Cloud-sky Skill!"

The peerless master in the Middle-stage of Heaven Stage was really extraordinary. His profound strength was incredible.

Even Qin Changhe, who was on the scene, was nervous when he saw this.

His cultivation was only at the Early-stage of Heaven Class, which was not much worse than Noah Wu's.

Seeing Second Brother Yun use a killer move like Cloud-sky Skill, Qin Changhe's eyes darkened.

It seemed that this old guy didn't care about anything for the sake of his dignity.

He shot up to the sky with one move, trying to kill Noah Wu.

As he raised his left hand and waved it, his left palm turned into a Cloud-sky Sword, which

was about to split the sky in half.

This move was very similar to the Heaven-covering Hand recorded in the mental cultivation methods of the Qin's.

But there were differences.

Therefore, some people said that the martial arts techniques of the world would not disappear without a trace.

Maybe the Cloud-sky Skill could imitate the mental cultivation methods of the Qin's Group.

As the opponent's move came, Noah Wu raised his palms to block the big hand.

Boom, boom—

There was a loud noise in the yard, and Noah Wu's figure flew out.

Behind him, the walls of the Ye Family, which were more than four meters tall, were smashed.

Dust was flying in the air, and instantly, smoke filled the air.

Ahem, ahem—

Noah Wu fell tens of meters away and coughed sharply.

"Noah Wu!"

"Master!"

Outside the wall, Jake Bell and others arrived one after another and quickly helped Noah Wu up.

Noah Wu said angrily, "What are you doing here? Go back!"

Sherry Bell gritted her teeth and said, "Stop fighting! Shall we leave the Heaven Capital?"

Noah Wu glared at Jake Bell and said, "Take her back!"

Jake Bell timidly pulled his sister away.

Yun Laoer laughed out loud. "You're overreaching yourself! Boy, even if you admit defeat now, there's no chance for you to win!"

"Go to hell!"

Noah Wu spat and wiped the blood from the corner of her mouth.

He made a strange gesture with both hands and shouted, "Heaven- concealing Eight Styles!"

His figure rose into the sky, and his huge palm covered the sky. The unique skill of the cultivation method of the Qin's Group came to him at will.

## Chapter 328

If his strength was not strong enough, no matter how powerful his ultimate move was, he would not be a match for Su Mo.

Moreover, Second Young Master Yun was an expert at the medium Heaven Stage. If he had only used a few domineering moves, he would not have been a match for her.

Second Brother Yun seemed to have expected this and shouted, "Good!"

The Noah family's mental cultivation method had always been the king of the ancient martial arts world. It was known as the best mental cultivation method in the world. Today, I'm going to break this mental cultivation method and trample the Noah family under my feet.

If Noah Wu's strength was the same as his, he might have some scruples, but Noah Wu's strength was obviously not as good as his. Yun Shimo was overjoyed.

It was time to make a name for himself!

If the mental cultivation method of Qin's Group

was broken today, wouldn't the Ye Family be well-known and become more powerful than Qin's Group?

Qin Changhe seemed to be very concerned about Noah Wu's eight Heaven-concealing skills.

The young man in front of him was performing the orthodox mental cultivation method of the Qin's. He also wanted to know the origin of the other party.

As for whether the Noah family had secretly cultivated the illegitimate child of that year, only the Noah family knew it in their hearts.

It was the Heaven-concealing Eight Skills against the Cloud-sky Technique.

"Swoosh! Swoosh! Swoosh!"

The two figures were fighting in the air. Noah Wu and Second Brother Yun had exchanged dozens of blows in a row, but they were still able to hold on.

Seeing this, everyone was secretly amazed.

Originally, with Noah Wu's strength, he should not have been able to hold on any longer, right?

But he was still struggling.

Boss Feng couldn't stand it anymore. Yun Laozi couldn't deal with such a young man for a long time.

"Shame on you, don't you?"

Just as Second Brother was about to warn him, he suddenly shouted and performed the most domineering move in his life.

"Soul-Shattering Cut!"

This was the last move of the Cloud-sky Skill, which was also the most powerful one in the whole Cloud-sky Skill.

A Giant Cloud Hand turned into a giant shadow again.

He swept through thousands of troops and hacked the heavens and the earth with his force.

"Boom!" It sounded like the separation of heaven and earth by Pangu in those days.

The air in the Ye Family's courtyard froze.

Whiz—

Noah Wu's body flew backward and slammed into the high wall of the Ye Family.

Boom, boom—

With a loud bang, the sturdy wall was broken

and collapsed.

A cloud of dust rose up into the sky and permeated the whole yard.

Sherry Bell and others were extremely anxious.

"Noah Wu!"

"Master!"

Just as the crowd was about to pounce on him, a figure rose from the dust.

Noah Wu staggered out again.

What the f\*ck!

"This guy is really a cockroach who can't be beaten to death."

Everyone was stunned.

Second Brother's face was full of depression and he felt so humiliated.

"I've used my last move, but I haven't killed him yet!"

"Why does it take so much effort to deal with such a young man who hasn't run out of milk yet?"

Yun Laoer was about to make up for it, but Noah Wu shouted and his voice was loud enough to shake the sky.

Staring at him with a pair of angry eyes, he

directly pushed his palms and threw himself at Yun Laoxiong.

There was no movement at all in this move.

It was an extremely simple and ordinary push, but it condensed all the power of Noah Wu's life.

Everyone knew that this was the last blow.

Old Master Cheng was about to remind Noah Wu when he realized that this was the Ye Family's courtyard. If he reminded Noah Wu, wouldn't he offend the Ye Family?

Cheng Tieying secretly thought that he was so stupid.

"With your strength at the Early-stage of Heaven Class, how can you fight with Second Brother Yun for inner force?"

"Isn't he courting death?"

However, no matter who wanted to stop it, it was too late.

The Ye Family all sneered scornfully and calmly watched Noah Wu walk into the trap.

Boss Feng raised his head and looked at the boundless darkness in the sky.

Second Brother Yun shouted, "Come on! I'll see

you off!"

Bang—

Two forces at the Heaven Stage collided with each other.

As the four palms met, the anger in his eyes flew away with the dust.

When all the people stared blankly at the two figures in the smoke, they felt as if they were frozen at that moment.

He didn't move at all!

For some reason, Second Young Master Yun especially hated Noah Wu's unyielding eyes.

"He hit me in the face on purpose, didn't he?"

"I, the Soul-Breaking Cut, can't kill you!"

"I can't kill you with my inner force?"

Especially when he saw Noah Wu, who was on the verge of collapse and seemed not to fall down, he was more angry.

"You're still struggling on your last breath!"

His arms shook, and the decades of cultivation in his body instantly rushed to the other side like a roaring river.

"He wants to fight with me with his inner force? He's courting death!"

If this internal force was slammed down, Noah Wu's meridians would definitely be broken and died!

At the same time as Yun Laoer shouted, Noah Wu also roared to the sky.

Like all rivers returning to the sea!

"F\*\*k!"

"F\*\*k!"

Second Young Master Yun suddenly realized that he had fallen into a trap.

You son of a bitch, how dare you play this trick on me!

When he suddenly realized that his physical inner Qi was like a punctured tire.

"It's out of air!"

"Absorbing power?"

Second Brother Yun panicked.

"Bullshit to return to the sea?"

"How could this little brat use the power-Absorbing method?"

It was just a nice name.

Second Brother let out a scream. Obviously, it was too late for him to start the retreat.

Everyone present was shocked.

Qin Changhe's eyes were as sharp as an eagle's, and he looked surprised.

One of the unknown cultivation methods in the Noah family's mental cultivation method was indeed called the Dharma Power of Return to the Sea.

This cultivation method was meant to absorb their powers for their own use.

It was similar to the Star-Absorbing Technique in the rumors.

Even the Noah family in Heaven Capital had never seen this cultivation method before. Where did Noah Wu get it?

Therefore, the way he looked at Noah Wu became more confused.

At this moment, Old Master Cheng finally understood why Noah Wu dared to fight against the two elders of the Wind Cloud Sect. He had long been confident in himself.

The Divine Skill of A Hundred Rivers to Sea seemed to be the Star-Absorbing Technique, but it was superior to the Star-Absorption Technique.

Once it was practiced, it could gather all the

skills in the world for its own use.

It was a powerful method that was hard to come by.

Elder Cheng nodded secretly. It was a little interesting.

"This kid is really good at hiding his strength!"

If he was not the descendant of the Noah family's mental cultivation methods, who dared to call himself the descendant of the Noah family's mental cultivation methods?

As far as he knew, no one in the Noah family in Heaven Capital had practiced this cultivation method.

"Could it be that the Noah family in Heaven Capital is not as powerful as Noah Wu?"

There was a look of delight on Elder Cheng's face, and his eyes were fixed on all this.

In the blink of an eye, Second Young Master Yun's strength was falling sharply, and his face was severely twisted.

He was screaming and struggling desperately, trying to get rid of the fate of being absorbed by Noah Wu.

It was a pity that he couldn't get rid of the formidable cultivation method called Hundred

Chuan to the Sea, plus the strength gap between them was not too big, so he couldn't get rid of it at all.

Boss Feng roared, "Shameless!"

As a peerless master of the Ye Family, Boss Feng actually launched a sneak attack on Noah Wu.

His whole person was like a huge eagle soaring into the sky. He struck out a palm in the air and hit Noah Wu hard on the back.

"Master, watch out!"

Jake Bell rushed to him in a hurry. However, they were too far away from each other. The gap between their strength was too wide, so Jake Bell had not yet waited for him to pounce on him.

Boss Feng's palm had slapped on the back of Noah Wu's heart.

A wicked smile flashed across Noah Wu's face. She turned around and looked at Boss Feng with a smile.

All of a sudden, Boss Feng's heart sank.

"What the f\*ck!"

When he wanted to pull out his hand, it was

obviously too late.

The inner Qi in his body surged out and leaked unstoppably.

"No... no..."

The two brothers were terrified.

He must have been awe-inspiring, but he had died in the hands of an unknown junior.

The two peerless masters almost fell into a state of crazy panic!

However, no matter how hard they struggled, they could not get rid of the strong suction of the Sea-weight Skill. Seeing that his inner Qi was continuously leaking out, Boss Feng roared. Ah — he broke his right arm with one palm.

PS: I'm so nervous. It's getting closer and closer to the break-out time. I'll try my best to save the draft, save the draft!

"Let's cheer for him, brothers!"

## Chapter 329

He lived up to his reputation as a Heaven Class expert. His strength was as strong as a fire.

He would rather cut off one of his arms than satisfy Noah Wu's wish.

Bones could be seen clearly at the place where his arm was cut off.

Blood splattered all over the place, and the air was filled with a cruel smell of blood.

Boss Feng stretched out two fingers and quickly touched the acupoint of his right arm to stop the bleeding.

Although he withdrew his hand in time, his inner Qi had been damaged.

The Dharma Power of Power to the Sea was so horrible. No wonder this guy was fearless.

It made everyone's hair stand on end.

Just as Boss Feng was trying to protect himself with his broken arm, Yun Laoer screamed again and again. In the blink of an eye, his whole person was instantly turned into

a pile of bones.

All the inner Qi was absorbed by the Fish-dragon Technique, leaving only a skin bag.

In the blink of an eye, a peerless master of his generation had turned into a dry and flat body that was about to die.

Second Brother fell to the ground, his eyes full of despair and uneasiness.

He was not reconciled, not convinced.

It was clear that his cultivation was higher than Yun Shimo's, but he ended up like this. Thinking that his cultivation had been destroyed for decades, Yun Shimo was so angry with him that he died of anger.

Seeing his brother's death, Boss Feng's hair was long and his blood-red eyes were wide open.

"Qin Haodong, I'll fight you to the death!"

"Fight?"

"Are you still my opponent now?"

Noah Wu suddenly turned around, and his figure suddenly became big and big.

His eyes were bright and his murderous intent was raging.

Since he had just absorbed Second Young Master Yun's inner Qi, his cultivation had naturally risen to a higher level.

Boss Feng's cultivation was also damaged in the battle just now. They had practiced hard for so many years, so it was no doubt that they would help each other.

Seeing Noah Wu's fierce momentum, Boss Feng made up his mind and slapped Noah Wu with one hand.

Bang—

Noah Wu just raised his hands and slapped them down hard.

They did not use any moves at all. Instead, they used their strength to confront each other head-on.

With a boom, Boss Feng's body flew backward on the spot.

He smashed heavily on the wall of the Ye Family.

The high wall collapsed again.

This scene that was similar to that of the past made the Ye Family panic.

They had never dreamed that it would end up

like this.

The Dharma Power of Returning to the Sea!

This was the horrible Dharma Power of Return to the Sea, which had destroyed the cultivation of the two supreme masters for the whole life.

Before Boss Feng could struggle, Noah Wu's figure flashed and flashed to the other side like a ghost.

"I'm sorry! The two Lords of Wind and Cloud!"

Noah Wu made a Sky-covering Palm and slapped it in the air.

Boom, boom—

The huge palm covered the sky, and a cloud of dust rose up in all directions.

Everyone saw Boss Feng fall under Noah Wu's palm.

In an instant, the Ye Family's courtyard was silent.

It was dead silent all around.

Even Qin Changhe was stunned, as if he couldn't believe what he saw.

Elder Cheng's brows furrowed tightly, and his face was solemn.

All the people in the Ye Family were even more

terrified.

Some still couldn't believe it was true.

How could it be possible?

The peerless masters, such as the two elders of the Wind and Cloud Sect, were dead.

Old Master Ye took a few steps back and sat down on the chair, trembling.

After the death of the two old men, there was no longer any barrier in the Ye Family.

Yezi and her brother, who were the experts of the younger generation, had already been beaten to pieces by Noah Wu.

Seeing Noah Wu slowly turning around with a fierce look in his eyes, Ye Jianqiu walked toward the old and young of the Ye family step by step. He shouted, "Come on, protect the old master!"

Thud! Thud! Thud! Thud!

Dozens of Ye Family's disciples quickly surrounded them. Although they knew that they were almost vulnerable in front of Noah Wu, they still dared to rush up.

Noah Wu came over, and there was almost no emotion in her cold eyes.

These disciples of the Ye Family retreated step by step and stared nervously at Noah Wu.

"Retreat!"

Mr. Ye stood up and shouted coldly.

The disciples of the Ye Family guarding in front of him retreated one after another.

Ye Jianqiu charged forward and stood in between Noah Wu and the old master.

"Qin Haodong, don't be so presumptuous!"

Noah Wu's eyes turned cold, and his killing intent suddenly appeared. He then slapped Ye Jianqiu with his palm.

Ye Jianqiu took the blow, but Noah Wu did not use the Dharma Power of Return to the Sea on him.

A wave of inner force surged toward his opponent and Ye Jianqiu immediately felt a huge pressure.

Soon, his forehead was covered with sweat.

There seemed to be a heavy weight on his shoulder. One second, two seconds, three seconds!

With a thud, Ye Jianqiu's knees sank and cracked.

The powerful force was so overwhelming that he couldn't breathe.

With his strength at the peak of the Earth Class, he couldn't even move a little. Seeing this, the Ye Family felt a burst of fear.

"Kill me if you dare!"

Ye Jianqiu was drenched in sweat and his face was pale.

"Do you think I don't dare to do that?" Noah Wu looked angry and was about to take action.

Mr. Cheng shouted first, "No! Noah Wu, absolutely not!"

Elder Cheng and Cheng Tieying came over to persuade him.

It was easy to kill Ye Jianqiu, but in this way, Noah Wu could not stay in Donghai.

After all, Ye Jianqiu was one of the leaders of the Ye Family. Killing him would undoubtedly violate the law of Donghai.

These people who had public posts were not as simple as the ancient martial arts people.

Generally speaking, the higher-ups would not be involved in the matters of the Ancient Martial Arts World.

However, in any case, personal strength was limited, and it was impossible for them to oppose the powerful country's machines.

Perhaps he felt that it was very embarrassing to ask others for a favor. Master Ye said in a deep voice, "Let him go, and I'll give you an explanation!"

Noah Wu said coldly, "No need!"

"You Ye Family can't give me an explanation that I want!"

With a lift of his hand, Ye Jianqiu flew out and crashed heavily into the huge steel cage.

Noah Wu approached Old Master Ye and scolded him angrily. "Don't think that a wealthy family in Heaven Capital can look down on everything! Now I solemnly announce that the engagement of the Ye family and the Bell family is officially invalid. From now on, Sherry Bell is only my woman!"

"If there's anything that the Ye Family doesn't agree with, just come to me."

Giving Old Master Ye a hard look, Noah Wu turned around and left.

Sherry Bell and others quickly gathered around and asked, "Are you okay, Noah Wu?"

"Master!"

Noah Wu waved his hand and said, "Let's go!"

A group of people left in a hurry, leaving the Ye Family's courtyard all over the ground.

There were also Qin Changhe and other people who looked at each other in dismay.

Qiao Tianyuan and the others were completely dumbfounded. When Qin Muyuan left, he found his back and his palms were wet.

Fatty Chen scratched his hair and thought, "This guy is really awesome."

Even the two old men of the Ye Family were killed by him.

He was indeed a talent.

Without saying anything, Qin Changhe turned around and left immediately.

Soon, only the father and son of the Cheng Family were left. Seeing that the Ye Family was in such a mess, Old Master Cheng was too embarrassed to stay, so he had to leave.

On the way, Cheng Tieying asked, "Dad, how did Noah Wu get such a weird kung fu from the Sect of the Power of the Sea?"

Elder Cheng frowned. "In those days, the

founder of the Noah family's mental cultivation method was very ambitious. He intended to dominate the world and gathered all the martial arts techniques of the Wan family. Therefore, he spared no effort to get the world's elite masters and studied the Noah family's mental cultivation method."

"After years of practice, he found that the process of cultivation was too complicated and tedious, so he thought of this shortcut to improve his strength quickly by absorbing other people's strength. Therefore, he had the Great Power of the Sea-like Skill again."

"Since the Sea-calming Technique is too weird, the Noah family rarely practices it. I didn't expect that at such a young age, Noah Wu could master the Sea-gathering Technique."

Cheng Tieying said, "Maybe he broke through to the Heaven Stage because he has practiced this evil martial arts."

Elder Cheng shook his head. "I don't think so."

"The Dharma Power of Return to the Sea is not something that ordinary people can practice, and it varies from person to person. However, based on my deduction, he should be the most orthodox descendant of the Noah family."

"No way. What about the Noah family in the capital that day? Where did they come from?"

Cheng Tieying was confused.

"Dad, so Noah Wu is the person we have been looking for?"

## Chapter 330

Elder Cheng raised his head and looked at the dark night sky.

"It's still a little early to say that! The descendant of the cultivation method of the Noah family may not be the descendant of the nine clans."

"It's just the line of the Noah family. Since the catastrophe a hundred years ago, they have hidden in the mountains and rarely interacted with people. And they no longer trust people easily. If Noah Wu can really tell us all this, we will naturally have a clear understanding."

Cheng Tieying asked curiously, "Dad, have you been suspecting the Noah family in Heaven Capital?"

Elder Cheng shook his head. "No, I don't. Although I don't doubt it, I don't believe it. This is the reason why we have been in a lukewarm relationship with the Noah family for so many years."

"Although the Noah family has always regarded themselves as orthodox, I still feel

that it's not convincing enough."

Just as he was about to return to the hotel, someone came over. "Mr. Cheng, Mr. Tie Ying, our Master wants to see you."

Cheng Tieying was surprised. He looked at the old man and asked, "Who is your master?"

"Mr. Qin Changhe."

Qin Changhe?

He didn't say anything when he was there just now. How could he do this again when he left the Ye Family?

Qin Tieying said, "It's too late today to disturb you. Let's go tomorrow. We'll pay a visit to Qin's Mansion tomorrow."

The other party didn't force him and agreed politely.

The father and son entered the hotel and temporarily settled down.

The news of the battle between Noah Wu and the Ye Family was soon heard by the Bell family.

Shen Zhenfeng was completely stunned.

"Noah Wu, this kid actually killed the two old men of the Wind Cloud Sect?"

"Oh!"

"Oh my god!"

No one dared to believe it.

How young was Noah Wu? How could he kill the two supreme masters, the Wind-cloud Two Lords?

It should be noted that the two old men of the Wind and Cloud Sect were very awesome.

Even in the Noah family, there were few Heaven Class experts like them.

It was hard for him to reach this realm, but he was killed by Noah Wu.

How abnormal would this child be?

For such things as cultivation, it was not enough to rely on age alone. The key lay in talent.

It was hard to say whether he was talented or good at playing.

The potential of the human body was like a memory card.

Some people's minds were born to be large, while others were born to be not enough.

Therefore, many people could only stay in a very low realm for the rest of their lives.

Those who could enter the Heaven Class were extremely talented.

The deaths of the two old men were somewhat unfair. In order to stand up for the Ye Family, they ended up like this.

When Shen Zhenfeng heard this news, how could he remain calm?

Thinking of his previous attitude, he always felt that the Bell family had missed something.

Among the rich and powerful families in Heaven Capital, the Bell family was relatively weak.

His son had joined the army for many years and was also a cultivator of the ancient martial arts. His strength was far different from that of others.

For so many years, he had always been Yezi's defeated opponent.

If a master like Noah Wu really joined the Bell family, wouldn't the Bell family's status naturally rise?

Nowadays, society was not like before. In addition to wealth and power, these masters were also needed to help.

Otherwise, why could the Noah family have

such a prominent position in heaven?

It was not because the Noah family was the orthodox impartation of the Noah family's mental cultivation methods.

There were at least a few Heaven Class experts in the Noah family.

However, there was a particularly strange phenomenon that the Heaven-stage experts of the Noah family would never be able to ascend to a higher level when their cultivation reached a certain realm.

According to the people next to him, the strength of the experts of the Noah family was almost the same as that of the two elders of the Fengyun family.

The only difference was that there were a few more members of the Noah family. The Ye Family only had the two elders of the Fengyun Sect.

That was why the Ye Family dared to compete with the Noah family.

Naturally, the news also reached Mr. Shen's ears. Mr. Shen's face darkened and he was very unhappy.

He cursed at Shen Zhenfeng. "Why don't you

miss such a good opportunity in front of you?"  
"To talk about principles with the Ye Family?  
Have the Ye Family ever told you the principles?"

How dare they attack the Bell family in front of your door? Did they regard you as a living existence?

The old man stared at him a few times and said, "Go and take Wanying back immediately!"

"Huh?"

How could he pick it up?

Shen Zhenfeng was a little depressed.

But he didn't dare to contradict the old master.

He was wondering in his heart if he should let the State go on a trip?

Since Noah Wu said that his daughter was his son-in-law, then he would be his son-in-law in the future.

Was it necessary for him, his father-in-law, to lower his voice and lower his spirits?

There seemed to be no such rule in the world.

Shen Zhenfeng walked out of the old man's office and was about to call his son.

Jake Bell was accompanying Noah Wu in the

hotel. When Noah Wu came back, she immediately shut herself in the room and told everyone not to disturb him.

At this moment, Noah Wu had been in the room for a long time, and there was no movement.

Jake Bell, Sherry Bell, Emilia Charlotte, and Zhao Charlotte waited there anxiously.

Especially Sherry Bell, she was even more worried. She had asked her brother more than a dozen times.

How did Jake Bell know what Noah Wu was doing?

In the room, Noah Wu's face was red and he was sweating profusely.

The veins on his body were exposed, and he felt as if he had been burned red in a stove.

At this moment, no one could understand the pain in his body.

If someone came in, he would certainly find a very horrible phenomenon.

The blood vessels on Noah Wu's body were several times bigger than usual. In the blood vessels, there was a surging bloodline, which was as turbulent as a river.

Beads of sweat, which were as big as beans, dripped down one by one. Soon, even the bed was wet.

Noah Wu was trying hard to suppress the inner Qi, but the other party was so fierce that almost no one could control it.

Fortunately, he had only absorbed Yun Laoer's power at that time. If he had absorbed both of their powers, the consequences would be unimaginable.

After more than two hours, he still couldn't suppress the inner Qi in his body.

Noah Wu had also tried to break through with his opponent's power.

He had no choice but to fail in the end.

"Ah—puff—"

Just after the four of them waited for more than three hours, a painful shout came from the room.

"Master..."

Jake Bell and the other three opened the door and rushed in. Noah Wu's eyes were red, and her body was as red as fire.

She was wearing only a pair of underwear, and

the veins on her body seemed to be about to explode.

"Noah Wu!"

"Brother, what's wrong with him?"

Sherry Bell didn't care about her shyness at all. She rushed over and wanted to hug Noah Wu.

Noah Wu glared at her with a pair of scarlet eyes and said, "Don't come..."

With a wave of her hand, Sherry Bell was thrown away.

Jake Bell shouted, "Sh\*t, Master's inner strength can't restrain me. I'm going to start a new fire."

Zhao Charlotte was about to help, but Noah Wu suddenly jumped up and rushed out of the room. After several ups and downs, she jumped directly from the hotel upstairs.

"Senior sister, keep an eye on Wanying. I'll go after my master!"

Jake Bell had no time to take care of his sister, so he immediately rushed out of the hotel with his men.

An old man and a middle-aged man came into the hall.

It was the old man of the Gray family and Cheng Tieying. When they saw Jake Bell Long in a panic, they asked in a hurry, "What happened?"

Jake Bell only said, "Something happened to my master when he absorbed Yun Laoer's power."

"Huh?"

Mr. Cheng and his son were shocked. "Let's go and have a look!"

The father and son, as well as several Gray family's disciples, immediately caught up with him.

## Chapter 331

Noah Wu's body movement was too fast. How could they follow him?

Especially this kind of street full of cars. At this time, there were so many people and cars. It was difficult to move a single step.

So the three simply gave up the car and went after him directly.

At this moment, he couldn't care less about the world, and he went all out to catch up with Noah Wu.

After all, the strength of Old Master Cheng was far superior to that of Jake Bell and Cheng Tieying since they were from the ancient martial arts aristocratic families.

Since Jake Bell practiced the mental cultivation method given by Noah Wu, he barely caught up with Cheng Tieying.

As for the 18 major forces of the Bell family and a few disciples of the Gray family, they had already been left far behind.

Garrick chased after Noah Wu for more than ten kilometers, but they actually lost

Noah Wu's figure.

Jake Bell asked anxiously, "Mr. Cheng, what should we do now?"

The old Taoist Cheng said, "Since the two kinds of powers in his body are incompatible with water and fire, and there are signs of walking fire into his body, he must go to find a very cold place."

Huh?

Jake Bell Long Dao said, "I know. The northern part of Dragon Meridian Mountains in the north of the city should be the coldest place."

Garrick ran resolutely in the direction of the Dragon Meridian Mountains.

"Everyone, listen to me. The target is Shanbei, the ley lines of sovereignty."

Jake Bell immediately gave an order to the eighteen generals.

"No!"

Cheng Tieying suddenly stopped, his nose twitched and his face full of doubt.

"He went west."

"To the west?"

Jake Bell was surprised and said, "It's impossible. The west is the forbidden area of Heaven Capital. Ordinary people are not allowed to enter."

Elder Cheng was shocked. The forbidden area of Heaven Capital in Jake Bell's mouth was, of course, the most important place for Donghai.

It was the present power center, the most core and the most confidential place.

"If that's the case, it'll be terrible!"

If Noah Wu really broke in, wouldn't he become a national felon?

Garrick looked at each other in dismay. For a moment, they did not know what to do.

Jake Bell Long asked Cheng Tieying, "Are you sure my master really went there?"

Cheng Tieying affirmed, "Absolutely!"

How could Jake Bell care so much?

They went to the forbidden area with the two men.

Soon, Garrick saw rows of soldiers guarding the entire Heaven Capital's power center. And here was the world's most

advanced defense system.

Jake Bell cursed in his heart!

If Noah Wu rushed in at this time, the consequences would be unimaginable.

Although they had some privileges in the past few days, no exceptions were allowed here.

Moreover, there were many masters in it, and they were not able to come and go freely like the Ye family.

Up to now, there were still a lot of powerhouses in the Ancient Martial World who worked for the country and became the most important figures in the center of power defense.

No matter how powerful Noah Wu was, plus his current state, as long as he went in, it would be very difficult for him to come out again.

The so-called power center was the former imperial city.

Old Master Cheng suddenly said, "Did he go to Hua Qing Pool?"

"Huh?"

Jake Bell was almost dumbfounded.

The world knew that there was a Huaqing Pool in ancient times, but there was also a Huaqing Pool in modern times.

There was no need to introduce Hua Qing Pool in ancient times. The modern Hua Qing Pool was a place where the Princess of the Chao Dynasty would bathe.

"What the f\*ck!"

Did he really go there?

If he really went to Huaqing Pool, Elder Cheng could only feel sorry for him silently.

There was no way to save her!

The gods would not be able to save him even if he entered such a place.

After all, Donghai was a big country with the inheritance of ancient martial arts. After thousands of years of history, no one could change its glory.

And in this kind of place, there must be countless masters.

Garrick silently prayed in their hearts, hoping that this guy would be fine.

Two hours later, the eighteen generals arrived at the north of the Dragon Meridian

Mountains and found no trace of Noah Wu.

Therefore, Garrick were more convinced that he was guarding the imperial palace.

Cheng Tieying's guess was completely right. Noah Wu was in Hua Qing Pool at this moment.

No one knew how he came in.

He was like a ball of fire and plunged into it.

The cold water soon made him know nothing.

This "plop" scared a stunning woman in the pool.

As soon as she shouted for half a scream, she found that the situation was not good.

In the clear water, there lay a young man who seemed to have fallen asleep.

He had a handsome face, thick eyebrows, big eyes, and sharp edges.

The stunning woman instinctively covered her mouth and slowly approached him.

She was very good at swimming, so she picked Noah Wu up from the water and checked her breath. Only then did her high-

hanging heart calm down a little.

But she couldn't figure out where the man in front of her came from.

This was the forbidden area of Heaven Capital, which was also her private space.

Even her parents seldom came to visit her. Noah Wu's appearance obviously aroused her curiosity.

At this moment, she actually forgot that she was only wearing a swimsuit and dragged Noah Wu to the edge of the pool.

Qin Muping was lying there.

Then, he ran over and wrapped himself in a bath towel before returning to Noah Wu's side.

Strangely, Noah Wu didn't respond at all, as if he had fallen asleep.

This stunning woman had accompanied him for more than an hour.

Fortunately, it was night time, so no one disturbed him.

The staff and guards outside would not come in unless they got permission.

She studied Noah Wu for a long time.

Noah Wu finally woke up and opened her eyes to have a look.

"Ah—"

This guy was even more nervous than the girl, especially when he found that he only wore a pair of shorts, he shouted instinctively.

The stunning woman was scared out of her wits and couldn't help screaming.

Several women's voices came from outside. Someone shouted anxiously at the door, "What happened?"

The stunning woman rushed over and shouted at the outside, "It's okay, it's okay!"

The guards didn't leave until they were sure that there was nothing wrong.

Noah Wu was confused, too, and asked, "Where is this place?"

The stunning woman came in a bath towel. Under the bath towel, there was a pair of slender white legs, which were more than a meter long.

Her skin was as smooth as newly stripped eggs.

Noah Wu was a little suspicious. As long

as she pinched it gently, the other party's appearance would be able to drip water.

Such a tall figure and a stunning appearance were absolutely better than any woman he had ever seen. In Noah Wu's mind, a figure faintly emerged.

If he looked at his back, he would think that he was hallucinating.

What's more, the more he looked at the figure, the more it looked like.

However, at the moment when she turned around, Noah Wu realized that everything was just an illusion.

However, she was still the most beautiful woman he had ever seen.

Her figure and beauty were much more beautiful than Isabella Charlotte's.

Noah Wu looked at him calmly and was fascinated for a moment.

The stunning woman's soft voice came, "This is Huaqing Pool, the important place of heaven and earth. How did you get in?"

"Huh?"

"The Heaven Capital and the Earth

Capital?"

"Isn't that the most important core forbidden area of Donghua?"

"Why did I come here?"

Noah Wu got up and said, "Sorry, I went to the wrong place."

Seeing Noah Wu turn around and leave, the other side shouted, "You can't get out!"

"Is this possible? Is this place so difficult?"

Noah Wu turned around and looked at the stunning woman. The woman approached and looked at Noah Wu in confusion. "Tell me, how did you get in?"

"I don't know either!"

Noah Wu thought for a moment and said, "I was possessed by the Devil because of practicing martial arts, and a powerful force in my body was running around. I didn't know anything, so I came here in a daze."

The stunning woman smiled faintly. "Are you an Ancient Warrior Cultivator?"

"You are the first one who can break into this place without being discovered."

The man looked at Noah Wu and asked softly, "What's your name?"

## Chapter 332

Qin Muling fixed his eyes on the man's face, which could not be described as amazing. His eyebrows were furrowed and his eyes were sparkling, which made him look extremely beautiful.

Somehow, when Noah Wu saw her, she could not help but connect the shadow in her mind.

But he knew that the woman in front of him was definitely not her.

Seeing her gently asking about her name, her thin lips slightly opened, releasing a deep valley-like aura, Noah Wu was once again a little fascinated.

The stunning woman smiled at him when she saw him in a daze.

The more she smiled, the more Noah Wu felt she looked like.

Especially their temperament, which was almost the same as others.

Although Noah Wu knew that she was not, she still took one more look at her.

Perhaps it was because she was distracted and forgot to answer the other's question, so Noah Wu turned around and left.

The stunning woman stopped him. "Wait a minute!"

Then she entered a room and came out with a suit of men's clothes in her arms.

How could there be men in her locker room?

However, he soon smelled the perfume on his clothes.

When Noah Wu was surprised, the other party smiled and said, "This is the man's clothing I usually wear when I exercise. You can use it for the time being!"

"Thank you!"

Noah Wu took the clothes and quickly went in to change them.

After coming out, she didn't say much. "Sorry to bother you."

After that, Noah Wu strode out of Hua Qing Pool.

The stunning woman looked at his back and gradually frowned.

Jake Bell and the other two had been waiting outside for several hours, but they hadn't seen Noah Wu come out.

Jake Bell couldn't bear it anymore. "I'll find a way to go in and have a look."

He had a military rank. If he wanted to find a way, he'd better go in and have a try.

It was just that he had to let others know his true intentions.

After Jake Bell left, Mr. Cheng and Little Three waited outside.

Cheng Tieying was a little worried. "Dad, what do you think will happen to him?"

Old Master Cheng's face darkened. Who would have thought that Noah Wu would go there?

He waited outside for more than two hours. At this moment, it was almost early in the morning.

When Jake Bell came back, he shook his head anxiously.

"I just went inside and inquired about it, but I didn't find anything unusual. Did my master never go in?"

Cheng Tieying said, "That's weird! Why don't we look for him again?"

Before he finished speaking, Zhao Charlotte called him.

"Junior Brother, Master has returned to the hotel."

"What?"

Jake Bell's eyeballs were about to fall out. Garrick were looking for him everywhere, but he had already returned to the hotel?

"Master, are you all right?"

Jake Bell still asked in disbelief.

"Master, you're all right! You'll come back soon."

Zhao Charlotte hung up the phone and saw Noah Wu and Sherry Bell enter the bedroom.

Emilia Charlotte curled her lips and was very dissatisfied.

In the bedroom, Noah Wu said apologetically, "Wanying, I didn't hurt you, did I?"

Sherry Bell shook her head. "Where did you go? My brother and the others are dying of

anxiety. They are looking for you everywhere."

Noah Wu sat down and said, "I can't make it clear. The power of the Wind- cloud two experts has a side effect on their bodies. I'll find a place to suppress it."

"Are you alright?"

"I don't know. You must remember next time. If you encounter this kind of situation, stay away from it. Be careful that I will hurt you."

Sherry Bell's face was gloomy. "It's all because of me that you became like this. It's my fault!"

"Fool!"

Noah Wu pinched her face and said, "Isn't this good? Now the Ye Family and the Bell family won't make things difficult for you. You have achieved your goal, so you should be happy."

"Wanying, we will go back to York Valley in a few days."

"Alright!" Su Mo nodded and said, "I

Sherry Bell nodded.

Fortunately, it didn't take long for Jake Bell and the son and son of the Gray family to

return to the hotel.

"Master!"

Jake Bell rushed over and grabbed Noah Wu's hand in surprise. "Are you all right?"

When Noah Wu saw that the father and son of the Gray family had actually come, she quickly greeted them.

"Cheng Lao, Brother Tie Ying, why are you here?"

Cheng Tieying said, "You! We've been searching for you in the middle of the night. It's good that you're fine, good that you're fine."

However, Elder Cheng stared at Noah Wu and said seriously, "You haven't absorbed Second Young Master Yun's power yet?"

Noah Wu smiled bitterly and said, "It's too weird. I can't do anything about it."

Old Taoist Cheng said, "If you don't solve this problem, it will be a disaster for you."

"Noah Wu, tell me the truth, how many times have you used the Dharma Power of Gui Hai?"

Noah Wu was stunned. "It's the first time. If it weren't for today's situation, I wouldn't have used it. After all, it's not a glorious thing."

Old Master Cheng still seemed to be a little worried. "Can you tell me how did your kung fu come about? Who did you learn it from?"

Seeing that Mr. Cheng was so serious, Noah Wu told him the truth.

"For thousands of years, the Noah family's mental cultivation method has always been the first of Donghua's ancient martial arts. The Noah family's members are all over the world. If it weren't for the calamity a hundred years ago, the Noah family would have fallen into a desperate situation. If the mental cultivation method had been lost, would there be such a coward like today?"

"Since Mr. Cheng has asked, I might as well tell you the truth. In fact, I came to York Valley just to look for the last page of the mental cultivation method that I lost. Unfortunately, I have been searching for so long, but I still have no whereabouts."

"This is also one of the reasons why my cultivation has been stagnant. Not only that, many of our Noah family members are in this predicament. Moreover, the Noah family members have been looking for the lost

mental cultivation methods for many years. Since my father's generation, he has carried this mission to enter the human realm."

"For more than 20 years, there has been no progress."

Cheng Tieying said in surprise, "Did your Noah family start to look for the whereabouts of the mental cultivation method more than 20 years ago?"

"What's the relationship between the Noah family and you in the capital that day?"

Noah Wu also wanted to know this question.

The mental cultivation method practiced by the Noah family in Heaven Capital was also very orthodox. Why?

Elder Cheng looked at Noah Wu and asked seriously, "What kind of evidence did you say just now?"

Enough evidence?

Noah Wu was a little surprised. It seemed that Mr. Cheng was serious today.

He thought for a moment and said, "I don't know if Mr. Cheng has seen the half jade pendant on our chairman, Emma Charlotte. It

is made of The thousand-year Ice Jade, and it is the same material as the goddess in your mansion. This cold jade has always been worn by the Noah family, but I haven't used it for many years."

After staring at Noah Wu for a while, Elder Cheng asked, "Are you really the descendant of the Noah family?"

Uh!

Noah Wu was not depressed at all. "Didn't I make it clear to you?"

Cheng Tieying was also confused why the old master was so abnormal today.

Everyone was wondering what was going on?

It was too late to prevent Mr. Cheng from kneeling down.

Noah Wu was stunned by his words and said, "Mr. Cheng, what are you doing..."

Cheng Tieying also panicked. "Dad!"

"Kneel down!" Old Cheng ordered Cheng Tieying.

Cheng Tieying was completely confused.

But he still ran away honestly.

When the father and son knelt down, everyone was confused.

"What's wrong?"

Elder Cheng shouted, "Young master, please accept my bow!"

What?

"Young Master?"

"How did I become the young master of the Gray family?"

Noah Wu was puzzled. She held on to Elder Cheng and said, "Please get up first. Elder Cheng, you've made me confused."

Elder Cheng bowed respectfully.

Cheng Tieying had to bow as well.

When Noah Wu helped Mr. Cheng up, she asked anxiously, "What's the matter?"

Elder Cheng looked at the crowd and said, "Let's talk about it when we go back to York Valley!"

## Chapter 333

It was late at night, so Noah Wu asked everyone to go back to their rooms to rest.

Naturally, he couldn't live with Sherry Bell now, so he booked Sherry Bell a suite alone.

No one knew how many people stayed up all night.

The Ye Family, of course, did not say anything anymore. Their faces were slapped by the others.

After the death of the two old men, the entire Ye Family became a joke.

Master Ye was so angry that he vomited blood.

Just like that, the Ye Family had been smashed into pieces.

And there was still no place to find an explanation.

For example, the disputes between the rich and powerful families involved the forces of the ancient martial arts, so even the higher-ups would not interfere.

This was an unwritten rule, and it was also a law of the jungle.

At the moment when the Ye family was uneasy all night, Baili Chuan rushed back from York Valley overnight.

When he heard that the Ye Family had suffered such a great calamity, he roared that he was going to revenge.

Ye Jianqiu stopped him. Even the two elders were no match for him. How could he possibly be someone else's opponent?

"Wouldn't he be looking for abuse if he goes there?"

It wouldn't be too late for a gentleman to take revenge for ten years. Ye Jianqiu decided to wait.

"How's the thing you asked me to do in York Valley?"

Baili Chuan nodded and whispered a few words in his ear.

Ye Jianqiu was stunned. "Where were they later?"

Baili Chuan said awkwardly, "I don't know. I was saved when I was ready to kill him."

"But they didn't recognize me!"

Damn it!

Ye Jianqiu cursed and said with red eyes, "Fine! With this mental cultivation method, I don't think Qin Haodong can be as powerful as he is now."

"You record the pithy formula of the mental cultivation method first, and I'll arrange for Zi Rong to wait for my disciple to practice."

Baili Chuan didn't hesitate. He immediately took action and recorded the mental cultivation method.

The next morning, Fatty Chen came again.

Still with his two bodyguards, dressed in Tang suit, he looked like an ancient young master.

This guy came to knock on the door early in the morning. When he saw Noah Wu in the room alone, he was surprised.

"You haven't lived with Sherry Bell yet?"

"Hey, where are the two girls yesterday?"

Jake Bell waved his hand. "Go, go, go, go, you are looking for a fight, aren't you? How dare you talk nonsense in front of my master."

Fatty Chen raised his middle finger. "F\*\*k! Jake Bell, I'll break up with you."

Then he ignored Jake Bell and walked toward Noah Wu.

"Brother Noah, I have already prepared a banquet at home to welcome you."

"If you're unaccountably solicitous, you'll have to steal or rape!"

As soon as he finished speaking, Emilia Charlotte and Zhao Charlotte came in from outside.

"D\*mn fatty, I'm afraid that you don't want to be drunk at the bar!"

"I don't think your treat is fake. It's true that you're flattering me."

"Bow and f\*cking f\*cking f\*

What the f\*ck!

We, the Chens, are as rich as the enemy. Who am I going to suck up to?

Do you know how many people in this world want to suck up to the Chens?

He was too lazy to argue with the little girl.

Emilia Charlotte came over and said,

"Sister..." After thinking for a while, the girl changed her words.

"When will our sister ask us to go back?"

Noah Wu said, "Didn't you play in the capital on purpose? You can go crazy with Charlotte today."

Emilia Charlotte said disdainfully, "What's so interesting in Heaven Capital? The school is about to start, and I still have to study?"

Noah Wu looked at her with a strange look. studying?

"Is it true?"

He finally understood what the girl was up to.

He wanted to beat her, but when he saw so many people around, he decided to let her go for the time being.

Fatty Chen was urging him. "Brother Noah, please!"

Noah Wu waved her hand and said, "If you have something to say, just say it. I don't have time to attend this banquet."

"Alas!"

Fatty Chen was anxious. He stared at

Jake Bell and said, "Can you say something for me? Or are you not a brother?"

Emilia Charlotte burst out laughing on the other side. "I've said that he won't go to a banquet with you. But I think you probably have some ideas. Otherwise, how could you be so attentive? It's early in the morning, and you must be asking for help, right?"

"Bah, bah, bah—"

Fatty Chen refused to admit it.

Jake Bell didn't dare to persuade his master.

At this time, Old Cheng and his son came over. It was strange to see so many people suddenly appear on Noah Wu's side.

"What are you..."

Fatty Chen's eyes lit up. "Are you the Old Master of the York Valley Gray family? Nice to meet you!"

"I'm Chen Buping, Chen Buping's son."

There might not be many people who knew Chen Buping, but when it came to Chen Buping, it suddenly dawned on Old Master Cheng.

The Chens was a formidable family, a family that dominated the entire economic lifelines of Donghai.

If those ancient martial arts families were very powerful, then the Chen family was not bad either. There were always things that went too far, and there were even more than that.

After all, this was a world of rules. It was not like the street hooligans, martial artists were the king.

The power of the Chens made the whole world tremble.

Especially for the small countries around them, as long as the Chen family stamped their feet, they would collapse.

The Chens was as powerful as the Rothschild Family, which had swept across the whole country.

Elder Cheng looked Chen Buping up and down. "Chen Buping, there are two women and one son. If I remember correctly, you are only 19 years old this year."

"Huh?"

The crowd was shocked. "The fat man is only nineteen years old?"

No way!

How could a 19-year-old man grow like this?

Judging from his appearance, he should be at least twenty-four or twenty-five years old?

"Could it be that the children of rich families grow up in a hurry?"

The most surprising one was Emilia Charlotte. She widened her eyes and asked, "He's only nineteen years old?"

"I'm 17 years old, and Zhao Charlotte is 18 years old. How big is the difference between me and him?"

Their bodies were as big as the two of them, and they didn't look like their age.

Seeing so many eyes staring at him, Chen Bin scratched his head awkwardly. "Well, I'm just a little anxious. Mr. Cheng is really smart."

Emilia Charlotte was not convinced. "Worry? You're not just a little anxious. Obviously, you're out of your mind!"

"Go! Go! Go!"

"Who are you? I'm born to have a grudge against you. If you don't offend me, don't you

feel happy?"

Emilia Charlotte took Zhao Charlotte over and said, "I'm 17 years old, Charlotte 18 years old, and you 19 years old. What do you think of yourself?"

"....."

Chen Bin's face was black with embarrassment.

"Well, can we change the topic?"

He was in a hurry, but he was criticized and criticized by so many people, so he changed the subject immediately.

"Mr. Cheng, and this uncle, I came here early in the morning to invite you to my house. Please don't refuse."

Old Master Cheng smiled. "What a coincidence. Qin Changhe had an appointment with me last night. I haven't been there yet."

"It doesn't matter if the Noah family doesn't want to go. Besides, our family is ready. How about it? Mr. Cheng, Brother Noah Mu."

Seeing that this kid had lost his seniority again, Noah Wu said gloomily, "I don't have time. Let's talk about it when it's time!"

"How can that be? I didn't sleep last night and came up with this matter. Why don't you go on a trip? If I hadn't been in front of my father, how would I have had the face?"

Hehe...

Elder Cheng smiled.

Another person came from outside.

A young man, who looked a little cool like Qin Y Tianpeng, came with four strong men.

Seeing Mr. Cheng from afar, Mr. Cheng greeted politely, "Good morning, Mr. Cheng!"

"Good morning, Mr. Qin!"

"I am Qin Yong, son of Qin Changan. Uncle said that he had an appointment with Mr. Cheng and Mr. Noah Wu last night. Our Noah family has already arranged a banquet. He asked me to welcome you."

Eh?

Chen Haichao was unhappy. "Qin Yong, what do you mean? You have to come first, don't you? Didn't you see that I have been waiting here for more than half a day?"

Qin Yong looked at Chen An and said, "Why do you, the Chens, also want to invite you

to a banquet?"

"Isn't that so? I've come early in the morning. You go there as you like! You don't have to rob in such a way."

"If your Noah family is sincere, why don't we do it at noon and you guys do it at night!"

The two of them actually started to argue here.
