

## Substitute Bride's Husband Is An Invisible Rich Man

### Chapter 30: Wanting You to Pay for It

When she heard that it was a negligible punishment, Chen Ya was immediately unhappy. She held onto Zhou Shuai's hand and said coquettishly, "Hubby, why are you so soft-hearted? Deal with it according to the company's rules!"

When he heard this, Zhou Shuai's head started to hurt. Chen Ya was constantly bullying pretty girls in the company. Usually, he would turn a blind eye to it, but Mo Yan was the girl whom he had been trying so hard to pursue but to no avail.

He had not even taken advantage of Mo Yan yet, so how could he let Chen Ya chase her away like this?

Thinking of protecting Mo Yan, Supervisor Zhou waved his hand and said, "Forget it, Xiao Ya. She's still a newcomer. It's normal for her to make mistakes."

Realizing that Supervisor Zhou was intentionally protecting her, Chen Ya's gaze turned fierce and she suddenly said sternly, "Supervisor Zhou, do you have a crush on her?"

"Of course not. Xiao Ya, why would you think that?" Supervisor Zhou was shocked. The dark thoughts in his heart were exposed and he immediately denied it.

Mo Yan, who was originally standing at the side and resigned to her fate, was also uncomfortable. Wasn't Chen Ya's statement a little too overboard?

Hence, Mo Yan also clarified, "I have nothing to do with Supervisor Zhou. Please be careful with your words!"

Chen Ya snorted coldly and suddenly curved her lips into a smile. "Alright, then I'll bring her to my uncle so that he can give her a better punishment!"

Hearing that, Zhou Shuai broke out in a cold sweat. He had relied on Chen Ya's uncle as the deputy general manager to get his position, so he did not dare to offend her. It seemed that Mo Yan was done for. He smiled bitterly and said, "Alright, whatever you say."

Then, Zhou Shuai waved his hand, signaling them to leave. Chen Ya then led Mo Yan to look for her uncle. When they entered the elevator, Mo Yan lowered her eyes and said to Chen Ya indifferently, "You have an uncle as the deputy general manager and a boyfriend as a supervisor. I'm just a small employee. I can't do anything to you. I don't know why you are so threatened by me."

She looked up and down at Mo Yan and realized that she was wearing dark long clothes and long pants today, and her long hair was neatly tied behind her ears. There was nothing about her appearance that Chen Ya could rebuke her about. She then scolded unhappily, "There's just some vixens out here who are jealous of other people's boyfriends, and want to steal them."

Chen Ya did not name Mo Yan in her statement, but it was undoubtedly meant for her to hear. Mo Yan was inexplicably called a "Vixen" by her. She did not know what to reply, so she could only keep quiet.

When they got out of the elevator, Chen Ya saw that Mo Yan did not retort, and thought that she was feeling guilty, so she became even more proud. She said fiercely in her ear, "You are such a shabby person. If you're told to reimburse our loss later, you will definitely go bankrupt."

After saying that, Chen Ya twisted her waist and walked forward proudly.

The trap that Chen Ya had dug for her was actually to make her pay! Mo Yan was shocked and her eyes widened slightly.

It was all her fault for entering the workplace for the first time and stepping into the trap that Chen Ya had dug for her without knowing anything. Since Chen Ya's uncle was the deputy general manager, he would probably give into her.

Forget it. At worst, she would just quit her job and leave!

Now that she had no other choice, Mo Yan could only follow behind. However, at the entrance of the deputy general manager's office, Chen Ya and Mo Yan were both blocked outside. The secretary said,

“The deputy general manager is not in the company right now. If you have something to bring up to him, come again next time.”

“How is that possible! My uncle is usually here at this time!” Chen Ya’s face was full of shock. She was so anxious that she stomped her feet.

The secretary smiled apologetically and said, “The deputy general manager went to a meeting on behalf of the general manager just now.”

Without her uncle’s support, Chen Ya could not make Mo Yan pay. She glared at Mo Yan fiercely and turned around to leave.

“Wait!” Mo Yan suddenly called out and stopped Chen Ya.

Seeing that Chen Ya wanted to leave instead of going to the general manager, this meant she would not be made to pay if this was brought up to the general manager.

Since that was the case, Mo Yan felt that rather than letting Chen Ya continue to bully her, she might as well take a gamble. After all, she had a clear conscience, and Chen Ya was the one who was guilty!

“Isn’t the general manager here? I heard someone talking inside just now.”

Mo Yan smiled slightly and looked at the slightly flustered Chen Ya. She added, “Didn’t you want to find the deputy general manager to get a punishment according to the company’s rules for me? We can go to the general manager instead.”

The secretary also reacted and smiled. “Yes, CEO Song is free now. If you have anything to bring up, you can talk to her about it.”
