

Chapter 3362

Every single one of Dahlia's subordinates lay on the ground; only Dahlia was left standing. Her face was cold as she instinctively tried to step back.

"I'm still alive, Ms. John. Are you planning to leave when I'm still standing here?"

Harvey finally stood up and took a step forward.

His movements were extremely slow, but he instantly appeared in front of Dahlia. He then tapped her shoulder.

Suddenly, a terrifying sense of pressure kept Dahlia still.

But as the lady of the John family, there was no way she could just give so easily!

Dahlia took a deep breath and exclaimed coldly, "Come at me if you dare, you b*stard! "

At the same time, the Overlord Gang outside came to their senses ; they were planning to rush in and save Dahlia with their weapons, but were all stopped by Rachel.

"Come at you?"

Harvey raised Dahlia's jaw before slapping her across her face, hard.

Dahlia's face became swollen in an instant.

"So what if I do?" Harvey asked, curiosity tinging his tone.

"Do you think I can't?"

I

Dahlia almost broke her tooth from the impact of the slap. Resentful, she could only grit her teeth in silence.

She had been in an extremely powerful position ever since she was born; never was she humiliated like this before.

She wanted to slam her head to the ground so badly.

After all, this whole thing was nothing short of humiliating for her.

Right as Harvey was about to give Dahlia a few more slaps, cold laughter could be heard.

“It’s good to be youthful, young man, but you should know something...”

“We’re all bound to meet again someday! ”

“It’s a small world, after all!”

“Better to not burn your bridges if that’s the case, right?”

“As an outsider, if you keep acting so recklessly in a place like Flutwell...”

“You’ll have to pay for it sooner or later.”

“Besides , do you think you have the right to go against the John family just because you have a King of Arms as your bodyguard?”

“How naive!”

The sound of the voice was cold and earpiercing, and was a bit like a rooster’s cackle. At the same time, the voice was echoing all over the place. It was hard to tell where the voice even came from.

Everyone began to frantically look around for the source...

Sienna’s bodyguard captain frowned. He was quite a skillful fighter. He wouldn’t be in this position if he wasn’t in the first place.

Yet, even he couldn’t tell where the voice came from.

Dahlia’s eyes lit up the moment she heard the voice.

Naturally, she knew exactly who it was.

“I’m sorry, Elder Bulldozer ! I’ve caused you more trouble!”

“Please, take down this arrogant madman!” “Reclaim the John family’s reputation!” Dahlia exclaimed with murderous intent.

‘Bulldozer?!’

Everyone gasped upon hearing that name.

Bulldozer was a well-known figure from Flutwell ten years ago.

It was said that he single-handedly defeated a thousand people and killed quite a lot of experts in his day.

He wanted to retire because of his age, so he served under the John family and became their greatest subordinate.

His mission was to protect important members of the John family.

Nobody expected Dahlia to have such a high status for Bulldozer following her around!

'Harvey's done for! He's dead!'
