Chapter 3491

Time passed bit by bit. Five minutes later, the inspector suddenly sat up straight.

Filth gushed right out of his mouth immediately after.

His face was a little pale, but he was able to sit up.

"He's back! He's really back!"

The other inspectors all surrounded him for a closer look.

After making sure that the inspector was completely fine, they were all filled with gratitude toward Harvey.

At that instant, Bowen's face darkened.

He glared at his daughter and mumbled quietly to himself, "Don't wake up! Don't wake up!"

However, things don't often turn out the way people want.

A little while after the inspector woke up, Larisa suddenly screamed in fear.

"I got shot! I got shot!"

Bowen froze in an instant.

"You're... You're back?!" he exclaimed instinctively.

"Father!"

Larisa was completely back to normal. After recognizing Bowen's face, she immediately jumped into his arms.

"I thought I'd never see you again!"

"I was so scared!"

Tears flowed down her face.

"

Bowen had a horrible look on his face, but he still did his best to comfort his daughter.

"It's okay. I'm here, I'm here..."

The crowd froze; they belatedly realized that the girl really was Bowen's daughter.

At the same time, they looked at Harvey with shocked eyes.

'That guy's just insane!'

'He actually saved the girl?'

Everyone was frozen stiff.

Nobody expected Harvey to have such an extensive knowledge of martial arts and possess such strength! He even knew such peculiar methods to save people!

This was insane!

How was this even possible?!

"Right. Just send the two to the hospital for a few days."

Harvey calmly wiped his finger with some tissues.

"Don't forget our deal, Branch Leader Lee."

"I'll send some people to take my Budokans tomorrow."

Bowen's eyes twitched. His whole body shivered in pain.

Earlier on, he would've let Harvey take care of his daughter if he knew...

He wouldn't have to throw away his wealth and his position as the branch leader. He would've made a new friend too.

Yet... Not only did he lose all that, but his reputation was completely tarnished as well.

He had turned into the biggest joke in the entire city.

Bowen was filled with unbridled rage as he looked at Harvey's back.

Harvey ignored him and left after talking to Ansel.

He could tell that Bowen wasn't ready to give up, but Bowen wouldn't dare break his promise with Ansel here.

Right as he was about to meet up with Mandy and confirm if Jeff returned the money

His phone vibrated.

Harvey picked up the phone, puzzled; Xynthia's voice could be heard from the other side.

"This is bad, Brother-In-Law! A person named Ai Kamino is trying to cause trouble!"

"He said he's from the Capital Gang or something! He wants you here right now!"

"If not, he'll strangle every single person that's protecting me!"

"After that, he wants to take advantage of me..."

Chapter 3492

While Xynthia was talking to Harvey on the phone, Ai and his people were sitting in the main hall without any restraint.

Ai believed that Harvey wouldn't dare do anything to him, but he immediately rushed to the hospital after finding out that Mrs. Lee was forced to kneel there.

Ai knew this was probably the first step of Harvey's plan.

Ai would probably be targeted on the second step.

Whether it be to stand up for Mrs. Lee or to strike first, Ai showed up to flaunt his strength.

More importantly, he went to meet with his support before coming here.

After getting his support's approval, Ai was confident that it would be extremely easy for him to crush Harvey.

Aside from the Capital Gang, Senior Miller—the person who was slapped around by Harvey—came with Ai as well. Senior Miller couldn't forget the pain he had to endure back then.

Not only was Ai chasing the patients and the medical staff away from the hospital, but he was also making threats; claiming he'd do whatever he wanted to Xynthia if Harvey didn't show up.

The entire hospital was in utter chaos, and the medical staff all stumbled out of the hospital.

The security guards who dared to get closer were immediately kicked aside by the Capital Gang. 1

They knew exactly how to take advantage of the people here.

After hanging up, Xynthia had no choice but to come out after seeing all the mess outside. She made some tea for Ai and the others with her favorite portable tea set that she got when she was a part of the film crew.

"Mr. Kamino, Senior Miller. My brother-in-law told you already."

"After Mrs. Lee and the others kneel, he'll put an end to the entire incident."

"Yet you're here causing trouble in the hospital?"

"This isn't appropriate at all, is it?"

"I suggest you pay some of the medical fees and apologize to the people here."

"If you do, my brother-in-law wouldn't be so angry when he gets here."

"We'll all go our merry ways."

The medical staff who were still around couldn't help but be impressed by Xynthia's courage and responsibility.

'They're clearly coming for her, but she still showed up on her own. Isn't she scared of them taking advantage of her?'

Slap!

Senior Miller slapped Xynthia's tea set to the ground, his face fierce.

"Stop trying to distract us, Xynthia Zimmer!"

"Do you think Mr. Kamino would drink cheap tea like this?!"

"Mr. Kamino only drinks Red Robe Tea, which costs seventy-six thousand dollars per pound, and Green Tea, which costs a hundred and fifteen thousand dollars per ounce!"

"Don't think we'll go easy on you just because you poured us some cheap tea!"

"Mr. Kamino and I don't have a lot of patience right now!"

"If Harvey doesn't show up in ten minutes, don't blame us for what happens next!"

Senior Miller drew his thumb across his neck.

Mrs. Lee was utterly disrespected on her birthday, and was forced to kneel at the hospital.

Nobody here knew what exactly happened. However, the elites who had deep connections with the Capital Gang decided to break off from them after the incident.

Ai's business was in decline for the past few days because of it. Even Senior Miller's earnings from Film City worsened.

Senior Miller couldn't hold his rage.

Hence, he was here to reclaim his reputation using Ai's authority so he could restore his business.

Chapter 3493

Seeing Senior Miller's arrogant look on his face, the beautiful women surrounding Ai covered their mouths slyly and smirked.

'God knows what that b*stard did to humiliate Mrs. Lee.'

'But this means that Ai's reputation is at stake!'

'As the leader of the Capital Gang, he won't allow anybody to disrespect him, even at the cost of his life!'

'He'd always reclaim his pride wherever he lost it!'

Simply put, the women were sure that Harvey was a dead man.

Ai held onto his cigar as he leaned on the couch with his legs crossed.

He didn't stop Senior Miller from acting all high and mighty; there were some things he couldn't do, considering his identity.

That said, a lackey like Senior Miller flaunting his strength was quite effective for his cause.

Xynthia quickly stepped back, as if she was scared witless.

"I'm so sorry! It's my fault for not bringing you expensive tea..."

"How are you people so rude?!"

"This young lady is filled with scars and bruises, yet you had to ruin her tea set!"

"Can't you at least be a little more reasonable?!"

"Yeah! You dress like proper gentlemen, but you act like a bunch of rascals!"

"Didn't your parents teach you how to behave?!"

The medical staff and patients who were still around were filled with resentment.

They immediately started to insult Senior Miller, who was being extremely arrogant.

"Shut up!"

Senior Miller glared coldly around him.

"You have no right to butt in!
If you keep yapping, I'll tear every single one of your mouths out!"

Senior Miller snapped his fingers.

Several fighters in suits stepped forward while cracking their necks, glaring fiercely at the medical staff and the patients.

Everyone's eyes twitched their eyes at the sight.

Those who wanted to speak up about the injustice had no choice but to keep quiet..

In order to prevent an uproar, Ai waved his hand to Senior Miller so the latter wouldn't scare the people around him.

He then glanced calmly at Xynthia.

"It's almost time," he began calmly.

"If your brother-in-law doesn't show up..."

"I'll cripple every single one of the people protecting you here."

"I'll make you work for my casino-palace after that."

"Do you understand me?"

Bam!

To go with Ai's dominant attitude, Senior Miller kicked the tea set aside and flashed an intimidating glare at Xynthia.

"Do you understand him or not?!"

"If you don't..."

"Then don't blame us for turning you into a hostess!"

"Don't worry about having a bad business! I'll be your first customer!"

Senior Miller licked his lips before cackling in a repulsive manner.

Naturally, he was planning to reclaim his pride for the humiliation he endured in Film City.

Chapter 3494

Creak!

The emergency exit was pushed open. Harvey showed up.

He quickly walked over after seeing Xynthia in the distance.

"So you actually showed up, Harvey!"

Senior Miller took a step forward while touching his aching face. He sized up Harvey before flashing Harvey a wretched smile.

"I thought you'd hide forever, you b*stard! I was sure you'd never show up again!"

"Now that you're here, let me tell you something!"

"You'll pay us back tenfold for what happened at Film City and Mrs. Lee's birthday banquet!"

"If you don't, I'll kill you once and for all!"

Naturally, Senior Miller knew that Ai asked for support before showing up here.

That was why Senior Miller was extremely confident in himself. He had never been this arrogant before his entire life.

The beautiful women crossed their arms as they studied Harvey.

They thought that Harvey was either a wealthy man or an experienced fighter since he dared to slap Senior Miller in the face, utterly disrespect Mrs. Lee, and dared not to show his respect toward Ai.

Yet, they didn't think that he was just an ordinary man.

Other than being a little handsome, Harvey didn't seem that wealthy at all.

They wouldn't even bat an eye toward him if they bumped into each other on the street.

After taking a few quick glances, the beautiful women lost interest almost instantly. Their gazes were filled with disdain and ridicule when they looked at Harvey.

"And to make up for your mistakes..."

"Xynthia will have to treat me for the night! If she does her job well, maybe I'll let you off the hook a little..."

Senior Miller had a dominant look on his face.

"If not, both of you will die."

Harvey couldn't be bothered with Senior Miller, but he stopped immediately after hearing those words.

He narrowed his eyes threateningly at Senior Miller.

"I gave you a chance..."

"Yet, you chose to go against me again."

"Was the lesson before not enough for you?"

"Do you want me to beat you up again?"

"Do you have a death wish?"

Senior Miller scoffed after hearing Harvey's words.

"Beat me up?"

"Come on! Try me!"

"Let me tell you something! Today's different! If you even touch me, you won't be able to bear the consequences!"

"People like you..."

Slap!

Harvey wasted no time swinging the back of his palm right across Senior Miller's face; he couldn't be bothered to listen to all that rambling anymore.

Senior Miller was sent flying in an instant, and screamed in pain.

Harvey sighed before looking at the people around him.

"You heard it here first. He asked for it."

"I've never heard someone asking for something so twisted my entire life. What a sick pervert!"

"B*stard!"

Senior Miller stumbled off the ground while covering his face, and flailed his fists as he tried to pounce on Harvey.

Bam!

Harvey didn't hold back at all; he sent Senior Miller flying again with a single kick. The man crashed unceremoniously into the beautiful woman.

The place fell into chaos. Screams of fear could be heard all over.

The fighters frantically lifted Senior Miller and the others off the ground.

Harvey casually walked toward Ai. He then sat down and poured himself a cup of water.
